Department of Health and
Human Services to Establish a
Stakeholder Group to Study
Timely Access to Psychiatric
Medication Management
Services Across the State**

Sec. 1. Department of Health and Human Services to establish stakeholder group to study timely access to psychiatric medication management services across the State. Resolved: That the Department of Health and Human Services shall convene a stakeholder group to study access to psychiatric medication management services across the State. The study must examine:

1. The availability of psychiatric medication management services across the State, including a review of geographic and other disparities in accessing psychiatric medication management services;
2. The availability of psychiatric nurse practitioners to provide psychiatric medication management services; and
3. Challenges to sustaining and expanding the psychiatric nurse practitioner workforce, including an examination of educational opportunities, financial support for the education of nurse practitioners and the availability of nurse educators to train nurse practitioners.

The department shall include in the stakeholder group psychiatric nurse practitioners who currently deliver psychiatric medication management services, physicians who currently deliver psychiatric medication management services, consumers and family members of consumers of medication management services, advocates for mental health services, experts in increasing the mental health workforce, representatives of the Department of Labor, representatives of the Finance Authority of Maine, representatives of educational institutions that train psychiatric nurse practitioners and representatives of professional associations for psychiatric nurse practitioners.

Sec. 2. Report. Resolved: That the Department of Health and Human Services shall report to the joint standing committee of the Legislature having jurisdiction over health and human services matters no later than February 1, 2025 on the study under section 1. The joint standing committee may report out legislation related to the report to the 132nd Legislature in 2025.

See title page for effective date.

**CHAPTER 158
H.P. 268 - L.D. 435**

**Resolve, to Require the
Department of Health and
Human Services to Report on
Children's Residential
Treatment Services and
Implementation of the
Department's Strategic
Priorities for Children's
Behavioral Health Services**

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, children continue to wait for behavioral health care services within the State; and

Whereas, many children are receiving behavioral health care services outside the State; and

Whereas, Maine needs solutions to this problem immediately to address waiting lists and ensure that the State is in compliance with federal requirements; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. Department of Health and Human Services to study children's residential treatment services. Resolved: That the Department of Health and Human Services, referred to in this resolve as "the department," shall review the relevant data and conduct an analysis of the capacity, occupancy and availability of and access to children's residential treatment services within the State, as well as the residential treatment services located outside of the State that are being provided to children who normally reside in this State.

Sec. 2. Report on children's residential treatment services and implementation of strategic priorities for children's behavioral health services developed by Department of Health and Human Services. Resolved: That, by January 2, 2025, the department shall submit to the joint standing committee of the Legislature having jurisdiction over health and human services matters a report consisting of:

1. A summary of the data and results of the analysis of children's residential treatment services as directed by section 1;
2. A summary of the department's progress in implementing the strategic priorities developed in 2019 to
