LEGISLATIVE COUNCIL

MEETING SUMMARY

March 1, 1995

CALL TO ORDER

The Chair, Sen. Amero, called the Council to order at 10:45 a.m. in the Legislative Council Chamber.

ROLL CALL

Senators: President Butland, Sen. Lawrence, Sen. Bustin, Sen. Amero
Absent: Sen. Kieffer

Representatives: Speaker Gwadosky, Rep. Jacques, Rep. Whitcomb, Rep. Mitchell, Rep. Carleton

Legislative Officers: Sally Tubbesing, Executive Director,
Legislative Council
Richard N. Sawyer, Administrative
Services Director
Lynn Randall, State Law Librarian
John Wakefield, Director, Office of
Fiscal and Program Review
David Boulter, Director, Office of
Policy and Legal Analysis
Margaret Matheson, Revisor of Statutes
May Ross, Secretary of the Senate
Pamela Cahill, Assistant Secretary
of the Senate
Joseph Mayo, Clerk of the House
Millicent MacFarland, Assistant Clerk
of the House

SUMMARY OF FEBRUARY 8 COUNCIL MEETING

Motion: That the Meeting Summary be approved and placed on file.
(Motion by Rep. Mitchell; second by Sen. bustin; unanimous).

EXECUTIVE DIRECTOR'S REPORT

Sally Tubbesing presented the following items to the Council for consideration.

Item #1: Request for Review of Agency Rules Pursuant to 5 MRSA § 377A

Ms. Tubbesing reported that she had received and forwarded to the Joint Standing Committee on Human Resources a request to review administrative rules promulgated by the Department of Human Services related to the classification of nursing facilities. The request was submitted by Benjamin P. Townsend, an attorney, on behalf of the Kennebec Valley Medical Center, pursuant to statute (5 MRSA § 377A). Ms. Tubbesing stated that the Committee has decided to review the rule, noting that it has 90 days to complete this review and report its finding and recommendations to the Council.

No Council action was required on this item.

Item #2: Commission to Study the Future of Maine's Paper Industry: Status Report

Ms. Tubbesing observed that most Council members had recently had been contacted by Glen Foss, Chair of the Commission to Study the Future of Maine's Paper Industry, regarding the Commission's budget. She drew members' attention to a Budget Status Report in their agenda materials and reviewed it briefly, noting that the actual total expenditures incurred by the Commission exceeded the funds raised to date. Ms. Tubbesing reported that she, Dave Boulter and Dick Sawyer had met with Mr. Foss to discuss the following options for resolving the situation: 1) absorbing the costs of miscellaneous printing and postage in the legislative account, as is the practice for most committee studies; 2) absorbing the cost of printing those copies of the final report which the Legislature requires - again, as is the practice for many committee studies; and 3) seeking to get the STA-CAP charges removed.

Richard Sawyer, Administrative Services Director, described the STA-CAP charge as an indirect cost rate which the Department of Administrative & Financial Services levies against all non-general fund expenditures, and Ms. Tubbesing added that an indirect cost rate is a standard approach used in both the public and private sectors to allocate central administrative service costs to programs. She noted that while the Department had waived the STA-CAP charge for previous legislative studies on occasion, the response to date with regard to this study had been negative.

The Chair, Sen. Amero, recognized Glen Foss, who was present. Mr. Foss stated that the Commission had been proud of its success in raising the funds required to support the major study by Jaakko Poyry, Inc., and that he was in the process of raising additional funds to cover the cost of printing copies of the final report beyond those required by the Legislature. He urged the Council to support the efforts to find other funds to cover the identified costs. Rep. Mitchell expressed a long term concern that if the Legislature thinks a study is important enough to enact, it should provide the necessary funding for it, and that it is not sound public policy to mandate the study but to leave the responsibility for funding the study to the study commission.

Motion: That the Council Chair send a letter requesting that the STA-CAP charges be waived for this particular Commission. (Motion by Rep. Jacques; second by Rep. Whitcomb; unanimous).

REPORTS FROM COUNCIL COMMITTEES

Personnel Committee

Sen. Amero, Committee Chair, reported that the Committee had not met, and that some personnel-related items would be brought directly to the full Council in the course of its work on the budget.

Committee on Computer Security and Access

In Sen. Kieffer's absence, Sally Tubbesing reported that the Committee had had to cancel its last meeting due to the extended length of the session.

OLD BUSINESS

None.

NEW BUSINESS

Item #1: Joint Standing Committee on Audit and Program Review:
Submission of Report Summarizing Reviews Conducted During
1994 - 1995.

Motion: That the Report be accepted and placed on file.
(Motion by Rep. Jacques; second by Rep. Mitchell; unanimous).

Item #2: Memorandum from Joint Standing Committee on State & Local Government Regarding LD 21, An Act to Limit the Number of Bills Filed by a Legislator.

Motion: That the letter be referred to the Legislature's Committee on Total Quality Management. (Motion by Rep. Jacques; second by Sen. Butland; unanimous).

Sen. Amero reported that she and Rep. Mitchell had agreed to appoint the Committee by the end of the week.

Item #3: Requests for Council Approval to Introduce Joint Resolutions and After Deadline Bills

The Council considered after deadline requests. A summary of the Council's action on these requests is attached to this meeting. Summary.

Item #4: Legislative Budget

Sally Tubbesing "walked" Council members through the materials which had been prepared. The Council agreed to devote its entire meeting on March 8 to a detailed review of the budget, and members requested that Ms. Tubbesing prepare some additional information for their review at that time.

The Council took no other action on this item.

ANNOUNCEMENTS AND REMARKS

None.

ADJOURNMENT

The Council adjourned at 12:18 p.m. on the motion of the Chair.

David Boulter, Director, Office of
Policy and Legal Analysis
Margaret Matheson, Revisor of Statutes
Richard N. Sawyer, Administrative
Services Director
May Ross, Secretary of the Senate
Joseph Mayo, Clerk of the House

REPORTS FROM COUNCIL COMMITTEES

Committee on Allocation and Improvement of Legislative Facilities

Rep. Mitchell, Committee Chair, reported that members of the Committee had discussed the need for additional working space for members of the Committee on Appropriations and Financial Affairs. Referring to a diagram of both the space currently assigned to the Committee Chairs and of adjacent space which had previously been occupied by staff for the Committee on Audit & Program Review, she reported the Committee's unanimous recommendation that the space formerly assigned to the 2 Analysts be converted to a general working area for all members of the Committee and that Room 233, the office previously occupied by Cheryl Ring, be returned to the Information Systems staff.

Motion: That the Committee's report be accepted. (Motion by Rep. Jacques; second by Sen. Kieffer; unanimous).

NEW BUSINESS

Item #1: Requests for Council Approval to Introduce After Deadline Bills

The Chair, Senator Amero, drew members' attention to a list of three bill requests that had been filed by the newly-elected Representative Michael Saxl. Following brief discussion that the Council should consider establishing a policy regarding bill filing by members who are elected to fill vacancies, the Council voted unanimously to approve the introduction of all 3 requests. A summary of the Council's action on these requests is attached to this meeting summary.

ANNOUNCEMENTS AND REMARKS

Members agreed to reconvene their work session at 3 p.m. that afternoon.

ADJOURNMENT

The Council meeting was adjourned at 12 noon.

- 4) Includes 2 workstations for Reference Desk.

**LEGISLATIVE COUNCIL CONSIDERATION
OF CARRY OVER REQUESTS
SUMMARY OF PROCEDURES**

Because Carry Over Requests are, for the most part, a biennial phenomenon, would like to briefly review the procedures that I understand the Council has used in the past.

1. Memo goes to Committees Chairs on behalf of Council asking them to prepare written requests.
 - Should do this soon, consistent with our intention of wrapping up by the statutory adjournment date.
 - Ask Committee Chairs to include a brief explanation of why the Committee wishes to carry the bill over.
2. We will review Committees' requests at a Council meeting.
 - Again, should probably be scheduled soon after May 12 deadline which presiding officers have established for Committees.
3. As is the case with all Council votes, 6 votes will be required to approve a carryover request.
 - In considering Committees' requests to carry over bills, we always try to balance the Committee's desire to spend more time on an issue with our concern that we not "load up" the "short" session.
4. The approval to carry over a bill does **not** signify approval for the committee to meet during the interim: the review of interim study requests has been a separate process.
5. The bills the Council has approved for carryover are then assembled in a Joint Order, which requires action by the full Legislature.

Re: Report of the Interim Advisory Committee on the Use of
Alternative Dispute Resolution in the Public Sector

Dear Senator Butland and Representative Gwadosky:

The members of the Interim Advisory Committee on Alternative Dispute Resolution in the Public Sector are pleased to present our unanimous recommendations as set forth in this report. The Committee believes that implementation of these recommendations will not require appropriation of funds at this time and will ultimately lead to a net savings for state government.

As the report reflects, the Committee recommends passage of an "Act to Promote the Use of Alternative Dispute Resolution in State Government" this session. The text of this proposed Act has been submitted to the Office of Policy and Legal Analysis. Our contact person in that office has been Margaret Reinsch.

The Committee respectfully requests the opportunity to meet with the committee to which this report and proposed legislation are referred. We look forward to discussing our recommendations with members of that committee.

Sincerely,

A handwritten signature in cursive script, appearing to read "Ann Gosline".

STATE OF MAINE

ONE HUNDRED AND SEVENTEENTH LEGISLATURE

COMMITTEE ON STATE AND LOCAL GOVERNMENT

March 31, 1995

TO: Sen. Jane Amero, Chair
Rep. Elizabeth Mitchell, Vice Chair
Members of the Legislative Council

FROM: Joint Standing Committee on State and Local Government

RE: LD 456 An Act to Provide Legislators with the
Technology to Better Serve Their Constituents and to
Make the Legislative Process more Efficient

The State and Local Government Committee recently heard testimony on LD 456, An Act to Provide Legislators with the Technology to Better Serve Their Constituents and to Make the Legislative Process more Efficient. The intent of the legislation is to provide a direct appropriation to the Legislature for the purchase and installation of computers in both the House and Senate Chambers.

While the Committee endorses the concept of incorporating technology into the Legislative process by increasing Legislators' access to computer technologies, there are a number of issues that should be addressed prior to expending any money. Furthermore, the Committee believes that the Legislative Council is the most appropriate entity to evaluate this matter, as it directly affects Legislators and Legislative staff offices.

The Committee recommends the following:

1. That the Council establish a committee that would make recommendations concerning the use of technology in the Legislative process. Membership should include, Legislators, legislative staff, current public users of the LINK System and an individual qualified to assess architectural or historical concerns related to the State House.

Memo to Sen. Amero, Rep. Mitchell and
Members of Legislative Council
March 31, 1995
Page Two

2. That the Committee review all aspects of incorporating technology in the Legislative process including hardware, software, compatibility of computer systems with those of other governmental agencies, the structural limitations of the State House, aesthetic considerations, training needs, and maintenance and staffing requirements;

3. That the Committee report back to the Council by December with a recommendation which includes a plan, time table and estimated costs for the implementation of the plan.

It is our hope that the Council will give serious consideration to establishing a council initiated study and help ensure an appropriate and informed approach to the technological advances we are now witnessing. We would be happy to provide you with additional information
