**MEETING SUMMARY**  
**NOVEMBER 28, 2005**  
**APPROVED DECEMBER 27, 2005**

**CALL TO ORDER**

The Chair, Speaker Richardson, called the Legislative Council meeting to order at 11:40 a.m. in the Legislative Council Chamber.

**ROLL CALL**

Representatives:	Speaker Richardson, Rep. Cummings, Rep. Bowles, Rep. Duplessie Rep. Tardy joined the meeting in progress
Legislative Officers:	Michael Cote, Assistant Clerk of the House David Boulter, Executive Director, Legislative Council Grant Pennoyer, Director, Office of Fiscal and Program Review Patrick Norton, Director, Office of Policy and Legal Analysis Margaret Matheson, Revisor of Statutes

**SUMMARY OF THE OCTOBER 27, 2005 COUNCIL MEETING**

**Motion:** That the Meeting Summary of October 27, 2005 be accepted and placed on file. (Motion by President Edmonds, second by Rep. Cummings, unanimous).

Speaker Richardson asked if there was objection to taking 2 items out of order. Hearing none, the Chair then moved to **New Business, Items 1 and 2.**

**NEW BUSINESS**

**Item #1: Suggested Procedures for Deciding Appeals of Legislative Bill Requests**

1. Under the terms of the Maine Constitution, Section 1 of Article IV, Part Third, Legislative Power, the business of the second regular session must be limited to budgetary matters; legislation in the Governor's call; legislation of an emergency

nature admitted by the Legislature; legislation referred to committees to study and report by the Legislature in the first regular session; and legislation presented to the Legislature by written petition of the electors (direct citizen initiative).

2. Under the 122<sup>nd</sup> Legislative Council's Rules of Procedure, any action of the Council requires the affirmative vote of at least 6 members.
3. Under Rule 203 of the Joint Rules of the 122<sup>nd</sup> Legislature, any vote of the Legislative Council to accept or reject a bill or resolve for introduction under the procedures established under the Joint Rules must be taken by the yeas and nays, and that vote must be recorded and made available for public inspection.
4. Under Rule 217 of the Joint Rules, a bill that has been introduced and finally rejected in a regular or special session may not be introduced in a subsequent session of the same Legislature except by a vote of 2/3 of both chambers. Therefore, determinations as to the relevancy of Rule 217 are within the purview of the presiding officers, not the Legislative Council.

#### **Suggested Protocol for deciding appeals**

- A. The Legislative Council will review appeals alphabetically by sponsor.
- B. For procedural consistency, when voting on an appeal of a bill request that was denied, the initial motion on a bill will be presumed to be a motion to accept the bill request for introduction into the second regular session along with a second to that motion. (Yea is to let in a bill; nay is to reject the bill for introduction).
- C. In order to review all legislative appeals in a timely manner, voting will be by electronic vote or a show of hands, with each Council Member's vote on each bill being recorded. The record of each vote will be made available for public inspection following the meeting.
- D. Legislators who appeal a decision of the Legislative Council will be given a brief opportunity to make their case to the Council. A time limit of 3 minutes will be observed for Legislators making an appeal. Only by leave of the Chair of the Legislative Council may a person who is not a Legislator address the Council.
- E. Discussion of a bill request will be limited to whether it is appropriate for introduction under Constitutional provisions for second regular session bills, and will not speak to the merits of the bill itself. If a bill was turned down because it is closely related to another legislative request or to a carryover bill, the burden is on the Sponsor to convincingly distinguish his or her bill request from the closely related one.

**Discussion:** It was suggested that the time limit of 3 minutes be changed to 2 minutes in Paragraph D of the Suggested Protocol for deciding appeals.

**Motion:** That the Legislative Council adopt the suggested protocol, A-E, for deciding legislative bill requests with the time limit change from 3 minutes to 2 minutes in section D. (Motion by Sen. Gagnon, second by Rep. Duplessie, unanimous).

**Item #2: Consideration of Legislators' Appeals of Council Action on Bill Requests**

The Council then proceeded to consider and vote on 93 appealed requests in accordance with the adopted protocol, and using an automated voting system.

**RECESS**

The Council recessed at 1:10 p.m. on the motion of the Chair.

**RECONVENED**

The Chair reconvened the meeting at 1:57 p.m. and continued with consideration of appeal request until all appeals had been considered.

Of the 93 appeal requests, the Council authorized 37 requests for introduction in the 2<sup>nd</sup> Regular Session of the 122<sup>nd</sup> Legislature. The Speaker thanked everyone for their outstanding work.

A list of the bills and the roll call votes are attached.

The Chair proceeded with the other items on the agenda.

**REPORTS FROM EXECUTIVE DIRECTOR AND STAFF OFFICE DIRECTORS**

- **Executive Director's Report**

David Boulter, Executive Director of the Legislative Council, did not present a report in the interest of time.

- **Fiscal Report**

Grant Pennoyer, Director, Office of Fiscal and Program Review presented a brief summary of the written materials provided to the council as follows:

**A. Revenue Variance Report for the General Fund and Highway Fund**

General Fund revenue was \$9.5 million over budget for the month of October. After the 1<sup>st</sup> four months of FY 06, the fiscal year-to-date positive variance increased to \$61.0 million (+8.3%). He noted that \$19.3 million of this variance was related to a timing issue with Circuit Breaker and BETR payments. Mr. Pennoyer also noted that in October, Maine received an unusually large estate tax payment, in excess of \$17 million. Excluding variances related to these tax programs, General Fund revenue was \$42.6 million (+5.8%) ahead of budget.

Highway Fund revenue was over budget in October by \$1.3 million, increasing the positive variance for the fiscal year-to-date to \$1.9 million (+2.0%).

**B. Revenue Forecasting Committee Update**

Mr. Pennoyer pointed out that the materials included a summary of the major revenue categories and the recommended changes to the revenue forecast approved by the Revenue Forecasting Committee as part of its December 2005 Revenue update. This update revises the 2006-2007 biennium budgeted revenue upward for General Fund, Highway Fund and the Dedicated Revenue MaineCare Taxes. Only the Fund for a Healthy Maine was revised downward for the 2006-2007 biennium, largely the result of an assumed delay in the receipt of tobacco settlement payments pending the outcome of "significant factor proceedings" under the Master Settlement Agreement. The FHM is also adversely affected by the change of assumed start-up of the permanent slot machine facility in Bangor. The net result for the 2006-2007 biennium revenue forecast for the Fund for a Healthy Maine is a downward revision of \$20.4 million (\$5.4 million in FY06 and \$15.0 million in FY07).

For the General Fund, this forecast results in a substantial upward revision of \$164.4 million for the 2006-2007 biennium (\$112.1 million in FY06 and \$52.3 million in FY07). The upward revision for the 2008-2009 biennium is \$98.4 million, decreasing the 2008-2009 structural gap.

For the Highway Fund, this forecast results in an increase of 2006-2007 budgeted revenue by \$8.3 million (\$6.1 million in FY06 and \$2.2 million in FY07). However, the projections for 2008-2009 biennium decrease revenue estimates by \$4.2 million, thereby increasing the Highway Fund 2008-2009 structural gap.

Mr. Pennoyer noted that the Revenue Forecasting Committee will be reporting to the Appropriations Committee on November 30<sup>th</sup>. More detail will be available at that time.

**C. Cash Pool and Cash Pool Trends**

Mr. Pennoyer noted that there was no significant change in trends, but pointed out that a legislative change now requires documentation of internal borrowing between funds. This is new with the October cash pool report.

Director Pennoyer said he would meet with Council members if any member so requested.

**• Update of Interim Studies**

Patrick Norton, Director, Office of Policy and Legal Analysis, referred members to the Progress Report on Legislative Studies in their packet.

A copy of the Progress Report on Legislative Studies is attached.
