Re: Status of Bill Requests for Second Regular Session After First Screening

---

**Action of the Legislative Council**

The attached list indicates the action taken on your bill requests by the Legislative Council at the October 25, 2007 meeting. Of the 566 bill requests reviewed by the Legislative Council, 148 were accepted. In general the Council did not accept any bill request that was identified as potentially closely related to a bill carried over to the Second Regular Session or a measure finally rejected in the last session, which might violate Joint Rule 217.

If your request was rejected because it appears to be closely related to another request that was accepted, your list will clearly indicate that fact and you will be afforded the opportunity to cosponsor the accepted request.

**Filing Appeals**

If you want to appeal the rejection by the Legislative Council of any request, file a single-page written appeal notice for each legislative request:

- By Monday, November 6, 2007, 5:00 pm;
- In the Office of the Revisor of Statutes; and
- Addressed to President Edmonds as Chair of the Legislative Council.

The notice must include the title and LR number of each appealed request. You may mail or fax your notices to the above address and number. Appeal notices will be photocopied by this office and provided for Council review.

**Appeal meeting**

The Legislative Council will meet Thursday, November 15, beginning at **10:00 am**, to consider appealed requests.

Please feel free to contact the Revisor's Office if you have any questions. Thank you for your attention.
