MEETING SUMMARY
September 23, 2009

CALL TO ORDER

Legislative Council Chair, Speaker Pingree called the August Legislative Council meeting to order at 1:48 P.M. in the Legislative Council Chambers.

ROLL CALL

Senators: Senate President Elizabeth Mitchell, Sen. Kevin Raye, Sen. Philip Bartlett, Sen. Jonathan Courtney

Absent: Sen. Lisa Marraché

Representatives: Speaker Hannah Pingree, Rep. Seth Berry, Rep. Philip Curtis, Rep. John Piotti [arrived after the start of the meeting]

Absent: Rep. Joshua Tardy

Legislative Officers: Joy O'Brien, Secretary of the Senate
Millicent MacFarland, Clerk of the House
Michael Cote, Assistant Clerk of the House
David E. Boulter, Executive Director of the Legislative Council
Patrick Norton, Director, Office of Policy and Legal Analysis
Grant Pennoyer, Director, Office of Fiscal and Program Review
John Barden, Director, Law and Legislative Reference Library
Beth Ashcroft, Director, Office of Program Evaluation &
Government Accountability
Debra Olken, Human Resources Director

Chair Pingree convened the meeting at 1:48 P.M. with a quorum of members present.

SUMMARY OF JULY 22nd MEETING OF THE LEGISLATIVE COUNCIL

Motion: That the Meeting Summary of July 22, 2009 be accepted and placed on file. Motion by Senator Bartlett. Second by Senate President Mitchell. **Motion passed unanimous (7-0).** [Representative Piotti, Representative Tardy and Senator Marraché absent]

Note: There was no meeting summary for August since the August meeting of the Legislative Council was cancelled.

REPORTS FROM EXECUTIVE DIRECTOR AND STAFF OFFICE DIRECTORS

Executive Director's Report

David Boulter, Executive Director of the Legislative Council, reported on the following:

Email notification of legislator expense payments

The Bureau of Accounts and Control is testing an email notification system that will allow legislators to register for and receive email notification whenever their Legislator expense payments are deposited into their accounts via EFT. This process should allow Legislators to have ready access to detailed remittance advice information and would be an alternative to "PayMode," already available to Legislators. If testing is successful, the system will be available by the start of the 2nd regular session.

Senator Raye asked if the email notification system will show expense detail (e.g. mileage, lodging reimbursements) and whether the notification system will be made available to state employees as well as Legislators.

Mr. Boulter replied that although he had not seen the notice prototype, it was his understanding that it will provide deposit detail, as does the PayMode reports available to Legislators. Mr. Boulter had not heard whether the email notification would be available to state employees but he said he would inquire.

Historic pamphlet on excise tax laws

Found among various previously uncatalogued volumes in the Law and Legislative Reference Library was a pamphlet regarding excise tax laws that was printed in Philadelphia in 1795. The author was James Thomson Callender, a noted pamphleteer and friend of Thomas Jefferson. The original owner appears to have been Mr. Aaron Burr, then a U.S. Senator from New York.

Bill production system upgrades

The current bill production system (MELD) will be beginning its fifth year of operation but uses technology and standards that are much more dated. Significant upgrades, revisions and improvements are planned to be developed over the next year or two to avoid system obsolescence, better utilize open source architecture and prevent negative impacts to legislative bill production operations. System changes will be developed in a test environment that will not affect the current bill production system, with a goal to have a current, better integrated and more responsive (i.e. faster production) system within 24 months. Once hired, the director of Information

Services and the Revisor of Statutes will be involved in the planning and implementation of system improvements and upgrades.

Margaret Matheson's retirement

After having served on the Legislature's nonpartisan staff for more than 26 years, 16 of which as the state's Revisor of Statutes, Meg Matheson is retiring from State service. She has served ably as Revisor, providing accuracy, consistency and clarity to Maine law during her tenure and has been a dedicated staff member who has greatly contributed to the professionalism and strength of the Legislative Branch as a separate, co-equal branch of State government. Legislators and staff alike will miss her and we wish her much happiness in her retirement years. Mr. Boulter reminded the Legislative Council members that a retirement celebration for Meg would be held at 3:00 P.M. in the Legislative Council chamber or immediately following the council meeting.

Fiscal Report

Grant Pennoyer, Director, Office of Fiscal and Program Review, presented the fiscal report.

Revenue Update

Total General Fund Revenue - FY 2010 (\$'s in Millions)

	Budget	Actual	Var.	% Var.	Prior Year	% Growth
August	\$54.4	\$51.0	(\$3.4)	-6.2%	\$61.9	-17.6%
FYTD	\$288.7	\$274.4	(\$14.2)	-4.9%	\$309.2	-11.2%

General Fund revenue was under budget by \$3.4 million in August increasing the negative variance for the first 2 months of FY 2010 to \$14.2 million or 4.9%. General Fund revenue fell by 11.2% during the first 2 months of FY 2010 compared to the same period in FY 2009.

The negative variance in August was less than that of each of the previous 3 months, but August revenue may have been skewed by an offset or reversal of FY 2009 year-end revenue accruals. While sales tax collections were much closer to budget than in recent months, the monthly distribution did not accurately reflect the amount of the accrual reduction in August. The accrual reduction was understated by roughly \$8 million. The lower budgeted amount in August also skews other monthly budgeted amounts resulting in a timing issue within the fiscal year. July taxable sales (August revenue) still declined by 8.7% compared to last July. The nice weather in August and the temporary boost to automobile sales from the federal "Cash for Clunkers" program hopefully will allow September sales tax collections to remain closer to budget despite the timing issue.

Negative variances also continued in the Individual Income Tax category. While income tax withholding was slightly over budget in August, for the first 2 months of FY 2010 it remained roughly \$5.0 million under budget. September will be a crucial month for gauging the health of individual income tax collections as estimated tax payments are due on September 15th.

A new problem area arose in August with Cigarette and Tobacco Tax collections coming in under budget by \$2.1 million. However, in aggregate excluding sales and individual

income taxes, General Fund revenue categories have been performing well relative to budget.

Total Highway Fund Revenue - FY 2010 (\$'s in Millions)

	Budget	Actual	Var.	% Var.	Prior Year	% Growth
August	\$6.1	\$8.0	\$2.0	32.4%	\$6.9	16.6%
FYTD	\$31.1	\$36.1	\$5.0	16.1%	\$32.1	12.5%

Highway Fund revenue was above budget by \$2.0 million or 32.4% in August, increasing the positive variance for the first 2 months of FY 2010 to \$5.0 million (16.1%) with a 12.5% positive growth rate compared to the same period in FY 2009.

Fuel taxes for the first 2 months grew by 17.7% compared with the same period last year. Legislative changes to fuel tax rates effective July 1, 2009 from the treatment of gasoline with 10% ethanol and indexing (based on 3.8% inflation in 2008) were major contributors to this growth. As with the sales tax, some of the \$3.3 million positive variance in the Fuel Taxes category is skewed due to calculation of the FY 2009 year-end revenue accrual that erroneously lowered budgeted revenue in August.

While August motor vehicle fee revenue collections were well under budget, this was due to a timing issue in the monthly distribution. This category has remained over budget for the first 2 months of FY 2010. Some of the positive variance may also reflect a temporary increase in vehicle sales activity from the "Cash for Clunkers" program.

Fund for a Healthy Maine Budgeted Balances

As reported in the August issue of the *Fiscal News*, the Fund for a Healthy Maine (FHM) ended FY 2009 with a positive revenue variance and positive ending balances. The new positive budgeted balance of \$5.1 million at the end of the 2010-2011 biennium, which at the end of the session was nearly \$0, is sufficient to offset a \$536,000 fund-wide deallocation that would have been distributed as reductions to FHM programs. Final budgeted balances based on actions through the 124th Legislature, 1st Regular Session and FY 2009 balances forward were:

Fund for a Health Maine 2010-2011 Biennium Beginning Balance	\$11.8 Million
Fund for a Health Maine 2010-2011 Biennium Ending Balance	\$ 5.1 Million

Cash Update

Presented below is a summary of the State's average cash balances in August 2009 compared to August 2008. Despite poor General Fund revenue performances over the last 2 months and the use of virtually all reserves, the State has not yet needed to do any external borrowing. Some variances on the expenditure side, largely school subsidy payments, have partially offset the effect of the negative revenue variances. The average balance for the total cash pool in August was \$37.9 million below August 2008 and more than \$200 million below August's 2001 to 2008 historical average of \$631.8 million. Internal borrowing to shore up the General Fund was \$147.3 million more than last August. This largely reflects the reduction of reserve balances which were \$163.8 million below August 2008.

Dirigo Health Fund's cash position declined further in August dropping to -\$23.9 million, which was offset by a FY 2010 \$25 million cash advance from the General Fund. The

hope is that Dirigo Health Fund's cash position begins to turn around beginning in September.

Summary of Treasurer's Cash Pool

Total Cash Pool	\$464.1	\$426.2

Speaker Pingree asked what percentage of the sales tax revenue was attributed to the federal "Cash for Clunkers" program. Mr. Pennoyer responded that the State Controller's report combined that program's revenue with other transportation-related revenue so that amount is not easily discernable. He agreed to investigate the question and report back to the Council.

Note: Subsequent to the meeting, Mr. Pennoyer reported to the Legislative Council members that according to Maine Revenue Services (MRS) while it does not have specific data to quantify the financial effect of the program, it believes the positive effect was substantial. A survey by MRS of larger automobile dealers in Maine indicates a 7.5% growth in sales in July and a 21.5% growth in August, in sharp contrast to significant declines in previous months.

In response to a question about meeting dates, Mr. Pennoyer stated that the Consensus Economic Forecasting Commission is scheduled to meet on Monday, October 26, 2009. The Revenue Forecasting Committee will meet in November, prior to the Thanksgiving holiday.

Status of Legislative Studies

The Legislative Council members welcomed Mr. Norton back to resume his position as director of the Office of Policy and Legal Analysis.

Note: At reported at a previous Legislative Council meeting, Mr. Norton was considering retiring from State service. Subsequently, Mr. Norton decided against retiring and is happily resuming his position in OPLA.

Patrick Norton presented the status of interim 2009 legislative studies and committee meetings. Mr. Norton reported that all studies where member appointments have been completed are going forward. The teacher compensation study is awaiting several appointments, and the Task Force on Kinship Families did not obtain private funds to support the study so it will not proceed. He summarized the status of the remaining studies. Mr. Norton reported that the Citizen Trade Policy Commission is meeting regularly and is preparing its annual report. The commission is planning to renew a contract with the Department of Labor for administration staffing assistance, using funds that the Legislative Council authorized to be carried over to FY10. Finally, it is planning to contract for the biennial assessment of the effect of trade policies on the state.

Mr. Norton reported that the Legislative Youth Advisory Council has not met, pending review of the structure and organization by legislative members. The Right-to-Know Advisory Committee has met once as a full committee and has held several subcommittee meetings. Its report is due by January 15, 2010.

Mr. Norton reminded the members that it budgeted for 32 interim committee meetings and 30 meetings have already taken place or have been authorized. The Joint Standing Committee on Education and Cultural Affairs may be requesting to meet two times which if approved would exhaust the remaining budgeted meetings days.

Speaker Pingree commented that she is interested in having some policy committees meet this fall to work and report out carryover bills, even if that means reducing the number of days in legislative session in January to cover the costs.

Mr. Norton concluded by saying that the Joint Standing Committee on Agriculture, Conservation and Forestry has not scheduled its meeting to date because the public hearing on the Maine Land Use Regulation Commission's comprehensive land use plan revision will not be held until later in September. The committee will not meet until the public comment period has closed.

REPORTS FROM COUNCIL COMMITTEES

1. Personnel Committee

Chair Pingree reported that the Personnel Committee had met briefly earlier in the day to discuss the process and schedule for recruiting candidates for the Reviser of Statutes and for interviewing selected candidates for the Director of Legislative Information Services (IT Director). In addition, it authorized temporary disability income benefits for a member of the Senate Majority office, consistent with the Personnel Policies and Guidelines.

2. State House Facilities Committee

(No Report)

3. Budget Subcommittee

(No Report)

4. CSG Annual Meeting Planning Subcommittee

Senator Bartlett gave a brief presentation on the status of event planning for the *50th Annual Meeting of The Council of State Governments, Eastern Regional Conference* being held in Portland, Maine, August 15 – 18, 2010.

Senator Bartlett indicated that he and others on the subcommittee have been hard at work planning for the annual meeting, and had attended the annual meeting this year in Burlington, Vermont. Maine hosted a reception at the meeting that was very well received. At the reception, Maine distributed gift bags to attendees that included among other things, Raye's Mustard (with sincere appreciation to Senator Raye). Senator Bartlett noted that former State Senator Marge Kilkelly, now deputy executive director of CSG/ERC, was in attendance at today's meeting.

Senator Bartlett gave an overview of CSG's mission, member states and provinces and CSG's relevance to all three branches of state government. Senator Bartlett also spoke to Maine's fundraising commitment for the annual meeting, a goal of \$300,000 to support the social events at the meeting. He noted that host states typically appropriate funds out of state budgets to partially offset costs, with the balance being raised privately. Senator Bartlett further stated that hosting an annual meeting gives states (and their businesses) a great opportunity to showcase their state and their assets to many others.

Senator Bartlett indicated that to have strong private sector fundraising, the Legislative Council needs to have a strong host committee and Legislator participation to raise the funds. He is anticipating several "anchor" sponsors who will contribute in the \$20,000 - \$25,000 range and build from that through smaller, but significant donations. He indicated that the subcommittee will be meeting on Wednesday, October 7th as a kickoff meeting. Invited will be business leaders and lobbyists. He will present a fundraising status report to CSG in November and on December 4th, the CSG/ERC executive committee will meet in New York City. Senator Bartlett and Representative Nancy Smith plan to attend that meeting.

Former Senator Kilkelly then spoke briefly to the Legislative Council on CSG, its key policy initiatives and the excellent opportunity Maine has in 2010.

President Mitchell suggested that the executive and judicial branches be approached to participate in the annual meeting.

Senator Courtney expressed concern that he and several others on the council's subcommittee had not been made aware of the various meetings that have been held with the council's consultant John Hennessey and CSG/ERC. Senator Bartlett responded that most of the earlier discussions and meetings were informal and focused on the 2009 reception in Vermont. Senator Courtney commented that to assure this event is bipartisan and receives support from all caucuses, all members of the subcommittee should be kept informed of its meetings, progress and related issues.

Speaker Pingree stated that the Executive Director's office will help notify subcommittee members of meetings and other activities. Speaker Pingree thanked Senator Bartlett and former Senator Kilkelly for their presentations.

NEW BUSINESS

ITEM #1: Request by State YMCA of Maine for Youth in Government Program Dates for 2010

After some discussion and a brief presentation by the YMCA's Youth in Government Program Director Lonny Steeves, the Legislative Council authorized the State YMCA to conduct its 2010 Youth in Government program in the State House and Cross Building on Friday, March 5 through Sunday, March 7, 2010, with the program commencing and rooms being made available on Friday, March 7th at approximately 1:00 P.M.

ITEM #2: Request to Extend the Deadline for Funding for Study Pursuant to PL 2009, c. 136; *Resolve, to Establish the Task Force on Kinship Families* (Rep. Cain)

After reviewing the request, the Legislative Council members concluded that the resolve did not grant the Legislative Council the authority to grant an extension; therefore, the Legislative Council declined the request to extend the deadline for funding for *Resolve, to Establish the Task Force on Kinship Families, PL 2009, c. 136*. It was noted that the deadline for receiving funds was in July, and to date no funds have been received.

ITEM #3: Request by Maine State Museum to Ratify Acceptance and Placement of Governor Nelson Dingley Bust in the State House Portrait Collection (Joseph Phillips, Director)

The Colby College Museum of Art has offered a life sized bronze bust of former Maine Governor Nelson Dingley, Jr. to the Maine State Museum. Governor Dingley served in the Maine Legislature and was Speaker of the House in 1863 and 1864. He was Governor for two terms, 1873 and 1874 and was later elected to the U.S. Congress. The Legislative Council voted unanimously to accept Governor Nelson Dingley bust in the State House Portrait Collection and to arrange for the Executive Director to work with the directors of the Maine State Museum and the Maine Historic Preservation Commission to find an appropriate location to display the bust.

Motion by Senator Bartlett. Second by Senator Raye. **Motion passed unanimous (7-0).** [Representative Piotti, Representative Tardy and Senator Marraché absent]

ITEM #4: Funding for *Update of Study of Single-payor Health Care System* Resolve 2009, c. 135

Mr. Boulter explained that a search was conducted to find non-state funding to pay for the study update, estimated to be \$60,000. Because no funding source could be identified, the study will not proceed.

The Legislative Council took no further action on the *Update of Study of Single-payor Health Care System, Resolve 2009, c. 135*.

ITEM #5: Request by Maine Office of Tourism for use of the Hall of Flags for evening dinner (Patricia A. Eltman, Director of Tourism, Department of Economic and Community Development)

Mr. Boulter explained that the Office of Tourism has requested use of the Hall of Flags for a “black-tie” awards dinner to be held in February 2010. He said that the annual dinner has been held in Portland in past years, but Tourism Director Pat Eltman was exploring holding the event in Augusta in 2010. About 150 – 200 people would be invited. All costs, including set up, take down, equipment and services costs, would be borne by the office, not the Legislature.

President Mitchell stated that she supported the idea of a formal dinner, reminding members that the dinner commemorating the 175th Anniversary of the Blaine House held in August 2008 was an elegant affair. She also noted it is a way to receive some revenue that could be used for building upkeep.

Senator Courtney asked if a tour of the State House was to be included. Speaker Pingree noted that costs of a tour guide would have to be borne by the Office of Tourism.

Mr. Boulter noted that no alcohol could be served in the State House and the Office of Tourism was seeking an alternative venue for its pre-dinner reception.

Motion: To approve the Maine Office of Tourism’s request to use of the Hall of Flags on the evening of February 1, 2010 for the 2010 Governor’s Conference on Tourism awards dinner, upon the condition that all costs associated with the event be borne by the Office of Tourism. Motion by Senator Raye. Second by Senate President Mitchell. **Motion passed unanimous (7-0).** [Representative Piotti, Representative Tardy and Senator Marraché absent]

ITEM #6: OPEGA Annual Work Plan for 2009-2010 - Overview of the plan (Ms. Ashcroft)

Beth Ashcroft, OPEGA director gave a brief update of the office’s biennial work plan for 2009 – 2010. The work plan may be obtained from the Office of Program Evaluation and Government Accountability.

ITEM #7: Executive Session

Motion: That, in accordance with 1 MRSA section 405, subsection 6, the Legislative Council enter into an executive session for the purposes of discussing collective bargaining matters between the employee representative for the Administrative Unit of

Legislative Employees and the Legislative Council. Motion by Senate President Mitchell. Second by Representative Berry. **Motion passed unanimous (8-0).** [Representative Tardy and Senator Marraché absent]

The Council recessed at 3:10 PM to go into an executive session.

The Legislative Council adjourned its executive session at 3:15 P.M. Motion by Senator Raye. Second by Representative Curtis. **Motion passed (7-1).** [Representative Piotti, Representative Tardy and Senator Marraché absent]

The Chair reconvened the Legislative Council meeting at 3:15 p.m.

ANNOUNCEMENTS AND REMARKS

Speaker Pingree extended an invitation to the Legislative Council and members of the audience to a reception for retiring Revisor of Statutes Margaret Matheson immediately following the Legislative Council meeting. At the reception, the Legislative Council members and Mr. Boulter thanked Ms. Matheson for her 26 years of legislative service, the last 16 as the Revisor of Statutes and wished her well in her retirement. The effective date of her retirement was August 31, 2009. Ms. Matheson was presented with a retirement gift and a legislative sentiment in recognition and appreciation for her many years of distinguished service.

ADJOURNMENT

The Legislative Council meeting was adjourned following the reception for Ms. Matheson.

Fiscal Briefing

Legislative Council Meeting – October 15, 2009

Prepared by the Office of Fiscal & Program Review

1. Revenue Update

Total General Fund Revenue - FY 2010 (\$'s in Millions)

	Budget	Actual	Var.	% Var.	Prior Year	% Growth
September	\$298.7	\$270.7	(\$28.0)	-9.4%	\$293.0	-7.6%
FYTD	\$587.4	\$545.1	(\$42.3)	-7.2%	\$602.2	-9.5%

General Fund revenue was under budget by \$28.0 million in September increasing the negative variance for the first quarter of FY 2010 to \$42.3 million or 7.2%. General Fund revenue fell by 9.5% during the first quarter of FY 2010 compared to the same period in FY 2009.

Individual Income Tax was the primary factor in September's negative variance. This category was under budget by \$28.0 million in September due to an \$18.4 million shortfall in estimated payments due on September 15th and an \$8.9 million (or roughly 10%) shortfall in withholding payments. Individual Income Tax collections for the first quarter of FY 2010 were \$39.3 million below projections.

Sales Tax collections were under budget by \$6.3 million in September and fell \$18.3 million below projections for the first quarter. Sales Tax performance in September (August taxable sales) was discouraging given the return of nice weather in August and the temporary boost to automobile sales from the "Cash for Clunkers" program.

While Corporate Income Tax estimated payments were below budget in September, this category remained above budget through the first quarter. The only other negative variances through the first quarter were in the Estate Tax and Fines, Forfeits and Penalties categories. With the exception of the Sales Tax and Income Tax categories, the remaining revenue categories were above budget by \$15.3 million for the first quarter of FY 2010.

September's revenue performance has prompted the Governor to begin the process of curtailing allotments. He is also preparing for a shortfall in the \$200 million range to be addressed by a supplemental budget for the Second Regular Session.

Total Highway Fund Revenue - FY 2010 (\$'s in Millions)

	Budget	Actual	Var.	% Var.	Prior Year	% Growth
September	\$27.9	\$25.9	(\$2.0)	-7.3%	\$31.0	-16.5%
FYTD	\$59.0	\$61.9	\$3.0	5.1%	\$63.0	-1.7%

Highway Fund revenue was under budget by \$2.0 million or 7.3% in August. However, Highway Fund revenue remains above budget by \$3.0 million (5.1%) through the first quarter of FY 2010. Highway Fund revenue growth through August had been positive, but September's poor performance turned aggregate Highway Fund revenue growth negative, declining 1.7% compared with the same period in FY 2009.

The Fuel Taxes category was under budget by \$0.9 million in September, but remained above budget for the quarter by \$3.6 million. In aggregate, the other revenue categories were under budget by \$0.6 million.

Fiscal Briefing – October 15, 2009 (Continued)

2. Cash Update

Presented below is a summary of the State's average cash balances in September 2009 compared to September 2008. The average total cash pool for last month was only \$38.7 million below last September. Despite poor revenue performances in the General Fund and a reduction in General Fund reserves of \$170.7 million compared to last September, the total cash pool remained sufficiently solid enough to support General Fund internal borrowing that was \$144.2 million higher than last September. The historical average for September's total average balance in the cash pool (2001 to 2008) was \$600.1 million.

The Treasurer indicated that some sort of external borrowing would be required by November and that his office and the Office of the State Controller were watching the cash position carefully. The longer that external borrowing can be avoided the more General Fund savings in Treasurer's Debt Service program. Some of this savings will be offset by reduced earnings in the cash pool; relying on internal borrowing reduced the amounts that can be invested.

Dirigo Health Fund's cash position improved in September, but it remained negative by \$20.2 million. With the \$25 million cash advance from the General Fund that must be repaid by the end of FY 2010, Dirigo Health Fund average cash balance was \$4.8 million in September. The State Controller is required to report monthly on the fund's cash position.

Procedures for Review of Legislative Bill Requests

Requirements relevant to bills in the Second Regular Session

1. Under the terms of the Maine Constitution, Section 1 of Article IV, Part Third, Legislative Power, the business of the second regular session **must be limited** to budgetary matters; legislation in the Governor's call; legislation of an emergency nature admitted by the Legislature; legislation referred to committees to study and report by the Legislature in the first regular session; and legislation presented to the Legislature by written petition of the electors (direct citizen initiative).
2. Under the 124th Legislative Council's Rules of Procedure, any action of the Council requires the affirmative vote of at least 6 members.
3. Under Rule 203 of the Joint Rules of the 124th Legislature, any vote of the Legislative Council to accept or reject a bill or resolve for introduction under the procedures established under the Joint Rules must be taken by the yeas and nays, and that vote must be recorded and made available for public inspection.
4. Under Rule 217 of the Joint Rules, a bill that has been introduced and finally rejected in a regular or special session may not be introduced in a subsequent session of the same Legislature except by a vote of 2/3 of both chambers. Therefore, determinations as to the relevancy of Rule 217 are within the purview of the presiding officers, not the Legislative Council.

Suggested Protocol for deciding legislative bill requests

- A. The Legislative Council will review bill requests alphabetically by policy area. An exception to this order of review may be made for bill requests for which an ASL Interpreter is required for persons who are deaf or hard of hearing. Those bills will be taken out of order at a time during the meeting when an interpreter is available.
- B. For procedural consistency, when voting on a bill request, the initial motion on a bill will be presumed to be a motion to accept the bill request for introduction into the second regular session along with a second to that motion. (Yea is to let in a bill; nay is to reject the bill for introduction). Also for procedural consistency, unless otherwise stated, each motion is presumed to have been made by the vice-chair of the Legislative Council, seconded by the chair.
- C. In order to review all legislative requests in a timely manner, voting will be by electronic vote or a show of hands, with each Council Member's vote on each bill being recorded. The record of each vote will be made available for public inspection following the meeting.

- D. If a bill request has been identified by the Revisor as requiring a ruling under Joint Rule 217, the Legislative Council may vote to accept that bill for introduction, conditional upon a subsequent ruling by the presiding officers. Absent a vote to accept the bill, the bill is presumed to have been turned down by unanimous vote of the Legislative Council.
- E. Legislative sponsors and others are welcome to observe the Council's deliberations on the bill requests, but discussion of the requests will be confined to Council Members. Discussion of a bill request among Council Members will be limited to whether it is appropriate for introduction under Constitutional provisions for second regular session bills, and will not speak to the merits of the bill itself.
- F. If the Legislative Council turns down a bill request, a Legislator may appeal that decision. At a subsequent meeting of the Legislative Council, the Legislator may speak briefly to the bill request under appeal.
- G. A legislative request that has been identified by the Revisor's Office as being closely related to another legislative request that was earlier filed (i.e., having been assigned a lower LR number) or to a carryover bill is presumed to have been turned down by a unanimous vote of the Legislative Council.

September 28, 2009

To the Legislative Council members for the 124th Legislature and
John Elias Baldacci, Governor, State of Maine

In accordance with 5 M.R.S.A. § 243 (9) *Single Audit* and federal regulations we are performing the Single Audit of the State of Maine for the year ended June 30, 2009. This audit includes the State's financial statements and applicable federal programs. Professional standards require that we provide "those who are charged with governance" with the following information related to our audit. We would be pleased to meet with you to discuss this information further.

Our Responsibilities under U.S. Generally Accepted Auditing Standards and OMB Circular A-133

Our responsibility, as described by professional standards, is to express opinions about whether the financial statements prepared by management are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles.

Internal control

In planning and performing our audit, we consider the State of Maine's internal control over financial reporting and compliance with federal program regulations in order to determine the auditing procedures that we use in conducting the audit.

Compliance

As part of obtaining reasonable but not absolute assurance about whether the State of Maine's financial statements are free of material misstatement, we will perform tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a material effect on the determination of financial statement amounts.

We will examine evidence for the purpose of rendering opinions on the State of Maine's compliance with program requirements for 24 federal programs that represent 84% of the \$2.8 billion in federal assistance that the State received. While the audit will provide a reasonable basis for our opinions, it will not provide a legal determination on the State of Maine's compliance with those requirements.

Planned Scope and Timing of the Audit

We started our audit in June 2009 and will issue our report on March 31, 2010. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements and will involve judgments about the number of transactions to be examined and the areas to be tested.

The audit will also be designed to assess the risk of material misstatements in the financial statements that may result from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violation of laws or governmental regulations. We will communicate significant audit findings and other required information at the conclusion of the audit.

This information is intended solely for the use of those charged with governance and management of the State of Maine and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,
