REPORTS FROM COUNCIL COMMITTEES

1. Personnel Committee

Legislative Council Chair Eves reported that the Personnel Committee held a meeting on May 27, 2014 to consider the reappointment of David E. Boulter as Executive Director for a three-year term, retroactive to his work anniversary date.

Motion: That upon the unanimous recommendation of the Personnel Committee the Legislative Council reappoint David E. Boulter to a new three-year term as Executive Director of the Legislative Council, the date of his reappointment being retroactive to September 17, 2013. Motion by Speaker Eves. Second by Senator Haskell. **Motion passed unanimous (6-0-0-4**, with Senators Jackson and Thibodeau and Representatives McCabe and Fredette absent).

2. State House Facilities Committee

State House Facilities Committee Chair Representative Berry reported that the State House Facilities Committee met on Tuesday, May 27, 2014 to consider the potential reuse of the copper that will be removed when the State House dome is repaired this summer. There appears to be considerable interest in the area and across the state in making the copper available for reuse, for historic purposes, for educational purposes and for artwork. He also noted that the State's Percent for Art program may be applicable to the copper replacement project.

The committee brainstormed various ideas for reuse of the copper and Representative Berry shared the results of his informal survey on the public's suggestions for reuse.

The committee concluded that the most appropriate way to find the best (re)use of the copper is to develop a recommended process for deciding the reuse with various options and multiple uses and involving interested members of the public and the Maine Arts Commission.

Legislative Council members expressed interest in retaining sufficient copper to allow for production and sale of mementos.

The committee will meet again in July to discuss various options that will have been developed.

Motion: That the Legislative Council request that the Director of the Maine Arts Commission, working in conjunction with the Executive Director, develop a recommended process for deciding reuse of the copper, including options that allow for multiple uses by artists, coppersmiths and others that are in keeping with the historic nature of the copper, and

that are mindful of project costs and legislative expenses related to the copper reuse; further that the amount of copper to be retained be as much as feasible, with a goal of at least 50% and without incurring extraordinary costs. Motion by Representative Berry. Second by Senator Haskell. **Motion passed unanimous (6-0-0-4**, with Senators Jackson and Thibodeau and Representatives McCabe and Fredette absent).

Fiscal Briefing

Legislative Council Meeting

June 26, 2014

Prepared by the Office of Fiscal & Program Review

1. General Fund Revenue Update (also see attached)

Total General Fund Revenue - FY 2014 ($'s in Millions)

	Budget	Actual	Var.	% Var.	Prior Year	% Growth
May	$247.7	$233.5	($14.2)	-5.7%	$249.6	-6.4%
FYTD	$2,586.4	$2,605.1	$18.7	0.7%	$2,598.6	0.2%

General Fund revenue was under budget by $14.2 million (5.7%) in May but remained over budget for the fiscal year by $18.7 million with one month remaining. Sales and Use Tax collections, income tax withholding and insurance premium taxes were the major causes of the variance for the month of May. Most of these variances are timing issues as each of these categories is either over or very close to budget for the fiscal year. Some areas of concern include the Estate Tax, Transfers for Tax Relief Programs and Transfers from Lottery Commission categories; each is likely to end the year with negative variances. The primary contributing factors to the General Fund surplus in FY 2014 are the positive variance from the new Property Tax Fairness Credit and the smaller decline than projected of the 2013 tax year income tax liability.

2. Highway Fund Revenue Update (also see attached)

Total Highway Fund Revenue - FY 2014 ($'s in Millions)

	Budget	Actual	Var.	% Var.	Prior Year	% Growth
May	$26.7	$27.3	$0.6	2.3%	$26.9	1.7%
FYTD	$266.4	$271.3	$4.9	1.9%	$273.3	-0.7%

Highway Fund revenue was over budget by $0.6 million (2.3%) in May which increased the FY 2014 positive variance to $4.9 million with one month remaining. The $4.5 million positive variance in the Fuel Taxes category is the primary contributing factor.

3. Cash Update

Average cash balances in FY 2014 for the total cash pool have remained higher than the previous 2 years since January. Although General Fund internal borrowing last month was higher than May 2013, it now appears to be tracking very closely with FY 2012, which was also the first year of a biennium and included substantial Other Special Revenue borrowing from the second year to keep the General Fund in balance. Total cash pool balances are once again sufficient to avoid any external cash flow borrowing for FY 2014.

4. MaineCare Update

Supplemental funding and other legislative actions this past session appear to have been sufficient to meet MaineCare's FY 2014 funding requirements. The decision to pay $9.3 million of hospital settlement payments for 2011 crossover claims in the 50th weekly payment cycle has certainly lessened any funding cushion to cover any unanticipated volatility in the last 2 weekly cycles in FY 2014.

RESOLVES

STATE OF MAINE

IN THE YEAR OF OUR LORD

TWO THOUSAND AND FOURTEEN

S.P. 729 - L.D. 1819

Resolve, To Create the Task Force To End Student Hunger in Maine

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, Maine has a moral obligation to care for its most vulnerable citizens; and

Whereas, Maine ranks first in New England in food insecurity; and

Whereas, in past years, Maine has underutilized up to $30,000,000 of federal funding that could have been used to provide meals to hungry students; and

Whereas, food insecurity has proven to have a negative impact on student health and learning; and

Whereas, the United States Department of Agriculture recently announced a nationwide expansion of its program known as the Community Eligibility Provision, which increases access to breakfast and lunch for all students in low-income areas; and

Whereas, the Task Force To End Student Hunger in Maine must be initiated before the 90-day period expires so that the study may be completed and a report submitted in time for submission to the next legislative session; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. Task force established. Resolved: That, notwithstanding Joint Rule 353, the Task Force To End Student Hunger in Maine, referred to in this resolve as "the task force," is established; and be it further

Sec. 2. Task force membership. Resolved: That the task force consists of 17 members as follows:

1. Three members of the Senate appointed by the President of the Senate, including members from each of the 2 parties holding the largest number of seats in the Legislature;

2. Four members of the House of Representatives appointed by the Speaker of the House, including members from each of the 2 parties holding the largest number of seats in the Legislature;

3. Six members of the public with expertise in the fields of school food service, child health, child development or child hunger or related fields, including 2 members whose children used or are using school food programs. Three members must be appointed by the President of the Senate and 3 members must be appointed by the Speaker of the House;

4. Two members of the public appointed by the Governor;

5. The Commissioner of Education or the commissioner's designee; and

6. The Commissioner of Health and Human Services or the commissioner's designee; and be it further

Sec. 3. Chairs. Resolved: That the first-named Senate member is the Senate chair and the first-named House of Representatives member is the House chair of the task force; and be it further

Sec. 4. Appointments; convening of task force. Resolved: That all appointments must be made no later than 30 days following the effective date of this resolve. The appointing authorities shall notify the Executive Director of the Legislative Council once all appointments have been completed. After appointment of all members, the chairs shall call and convene the first meeting of the task force. If 30 days or more after the effective date of this resolve a majority of but not all appointments have been made, the chairs may request authority and the Legislative Council may grant authority for the task force to meet and conduct its business; and be it further

Sec. 5. Duties. Resolved: That the task force shall meet 5 times. The task force shall study issues associated with the creation of a public-private partnership to provide expertise to school administrative units throughout the State in adopting best practices and maximizing available federal funds for addressing student hunger by using:

1. The United States Department of Agriculture, Food and Nutrition Service, National School Lunch Program;

2. The United States Department of Agriculture, Food and Nutrition Service, Child and Adult Care Food Program, At-Risk Afterschool Meals;

3. The United States Department of Agriculture, Food and Nutrition Service, Summer Food Service Program; and

4. The 4 privately funded hunger coordinators positioned in the Healthy Maine Partnerships districts to encourage the use of school food programs.

The task force shall draft a 3- to 5-year plan outlining a ramp-up of school food programs throughout the State; and be it further

Sec. 6. Staff assistance. Resolved: That the Legislative Council shall provide necessary staffing services to the task force; and be it further

Sec. 7. Report. Resolved: That, no later than December 9, 2014, the task force shall submit a report that includes its findings and recommendations, including suggested legislation, as well as actions that can be taken immediately, for presentation to the First Regular Session of the 127th Legislature; and be it further

Sec. 8. Outside funding. Resolved: That the task force shall seek funding contributions to fully fund the cost of the study. All funding is subject to approval by the Legislative Council in accordance with its policies. If sufficient contributions to fund the study have not been received within 30 days after the effective date of this resolve, no meetings are authorized and no expenses of any kind may be incurred or reimbursed; and be it further

Sec. 9. Appropriations and allocations. Resolved: That the following appropriations and allocations are made.
