**LEGISLATIVE COUNCIL
MEETING SUMMARY
December 3, 2020**

CALL TO ORDER

President Jackson called the December 3, 2020 organizational meeting of the 130th Legislative Council to order at 1:57 p.m. in the House Chamber.

ROLL CALL

Senators:	President Jackson, Senator Libby, Senator Vitelli, Senator Timberlake and Senator Pouliot
Representatives:	Speaker Fecteau, Representative Dunphy, Representative Talbot Ross, and Representative Stetkis
Absent:	Representative Dillingham
Legislative Officers:	Darek Grant, Secretary of the Senate Robert Hunt, Clerk of the House Suzanne Gresser, Executive Director of the Legislative Council Ed Charbonneau, Deputy Director, Office of Revisor of Statutes Chris Nolan, Director, Office of Fiscal and Program Review Danielle Fox, Director, Office of Policy and Legal Analysis Nik Rende, Director, Legislative Information Technology

President Jackson convened the meeting at 1:57 p.m. with a quorum of members present.

President Jackson, declaring that a quorum was present and pursuant to the Rules of Procedure adopted by the 129th Legislative Council and the Joint Rules adopted by the 129th Maine Legislature, called the first meeting of the 130th Legislative Council to order for the purposes of electing a Chair and a Vice-chair of the Legislative Council, adoption of rules of procedures and such other matters of the Legislative Council.

The Legislative Council's Rules of Procedure prescribe the following with regard to the election of Legislative Council Officers:

Rule #2 provides that the position of Chair alternate in succeeding biennial sessions between a member from the Senate and a member from the House of Representatives. Thus, pursuant to these Rules, the Chair for this new Legislative Council should be a Legislative Council member who serves in the House of Representatives.

Rule #3 provides that the Vice-chair not be a member of the same body of the Legislature as the Chair. Thus, the Vice-chair for the 130th Legislative Council should be a member who serves in the Senate.

President Jackson stated that unless there was objection, the Legislative Council would continue its long-standing practice of conducting the vote by a showing of hands. Upon the election of a chair, the chair will preside over the remainder of this meeting.

Hearing no objection, President Jackson opened the floor for nominations for Chair of the Legislative Council.

Nomination: That House Speaker Ryan Fecteau of Biddeford serve as Chair of the Legislative Council for the 130th Legislature. (Nominated by Senator Libby, seconded by Representative Dunphy).

President Jackson asked if there were further nominations. Hearing none, President Jackson closed the nominations. The vote for Legislative Council Chair was taken. House Speaker Ryan Fecteau was elected to serve as Chair of the Legislative Council for the 129th Legislature. **Motion passed unanimously (9-0-0-1, with Representative Dillingham absent).**

Speaker Fecteau then presided for the remainder of the meeting. Speaker Fecteau proceeded to open the floor for nominations for Vice-chair of the Legislative Council.

Nomination: That Senate President Troy Jackson of Allagash serve as Vice-chair of the Legislative Council for the 129th Legislature. (Nominated by Senator Vitelli, seconded by Representative Talbot Ross).

Speaker Fecteau asked if there were further nominations. Hearing none, Speaker Fecteau closed the nominations. The vote for Legislative Council Vice-chair was taken. President Jackson was elected to serve as Vice-chair of the Legislative Council for the 129th Legislature. **Motion passed unanimously (9-0-0-1, with Representative Dillingham absent).**

ADOPTION OF RULES OF PROCEDURE

Proposed Rules of Procedure for Legislative Council Adoption

Ms. Gresser briefly explained the provisions of the suggested *Rules of Procedure* for the Legislative Council of the 130th Legislature, which was revised from the rules for the Legislative Council of the 129th Legislature.

Motion: That the Legislative Council adopt the proposed Rules of Procedure for the Legislative Council of the 130th Legislature. Motion by Senator Libby. Second by Rep. Dunphy. **Motion passed unanimously (9-0-0-1, with Representative Dillingham absent).**

[Note: A copy of the Rules of Procedure as adopted by the Legislative Council is attached.]

SUMMARY OF NOVEMBER 5, 2020 MEETING OF LEGISLATIVE COUNCIL

Motion: That the Meeting Summary for November 5, 2020 be accepted and placed on file. Motion by Senator Libby. Second by Representative Dunphy. **Motion passed unanimously (9-0-0-1, with Representative Dillingham absent).**

OLD BUSINESS

None.

NEW BUSINESS

Item #1: Summary of Legislative Council Authority and Duties

Ms. Gresser gave an overview of the authority and duties of the Legislative Council as set forth in Maine law. No action by the Legislative Council was required.

Item #2: Establishment of Salaries for Constitutional Officers and State Auditor

One of the first decisions required of the Legislative Council once a new Legislature is convened is the assignment of the salary for newly elected Constitutional Officers and a newly elected State Auditor. Ms. Gresser clarified that there exists no discretion in the setting of the salary grade and initial step for these newly elected officials as State law prescribes the salary grade and the initial salary step for each official, and State law authorizes step-increases for continuous service.

Motion: That the Legislative Council establish the initial salary of the Secretary of State at Step C (Step 3) within Salary Grade 88. Motion by President Jackson. Second by Senator Libby. **Motion passed unanimously (9-0-0-1, with Representative Dillingham absent).**

Motion: That the Legislative Council authorize the State Treasurer to receive a step increase from Step 4 to Step 5 effective January 1, 2021. Motion by President Jackson. Second by Senator Libby. **Motion passed unanimously (9-0-0-1, with Representative Dillingham absent).**

Motion: That the Legislative Council authorize the Attorney General to receive a step increase from Step 6 to Step 7 effective January 1, 2021. Motion by President Jackson. Second by Senator Libby. **Motion passed unanimously (9-0-0-1, with Representative Dillingham absent).**

Motion: That the Legislative Council establish the initial salary of the State Auditor at Step E (Step 5) within Salary Grade 89. Motion by President Jackson. Second by Senator Libby. **Motion passed unanimously (8-0-1-1, with Representative Dunphy abstaining and Representative Dillingham absent).**

Item #3: Establishment of Salaries for Secretary of the Senate and Clerk of the House

Another initial decision required of the Legislative Council once a new Legislature is convened is establishing the initial salary for a newly elected Secretary of the Senate and a newly elected Clerk of the House. State law also prescribes the salary grade and the initial salary options for each of the Legislative officials. Both the Secretary of the Senate and the Clerk of the House having previously served in these positions qualify for step increases.

Motion: That the Legislative Council approves step increases for the Secretary of the Senate to **Step 6** and the Clerk of the House to **Step 9** of Salary Grade 14 of the Legislature's salary schedule, in accordance with State law, effective December 5, 2020. Motion by President Jackson. Second by Senator Libby. **Motion passed (6-3-0-1**, with Senators Timberlake, Senator Pouliot and Rep. Stetkis opposed, and Representative Dillingham absent).

Item #4: Appointment of Revisor of Statutes

The Personnel Committee of the 129th Legislative Council met in November to interview and conclude its review of candidates for the vacant position of Revisor of Statutes, and forwarded to the Legislative Council of the 130th Legislature its consensus recommendation that the current Deputy Director of the Office of Revisor of Statutes, Edward Charbonneau, be appointed to the position of Revisor of Statutes.

Motion: That upon the consensus recommendation of the Personnel Committee of the 129th Legislature, the Legislative Council approves the appointment of Edward Charbonneau to the position of Revisor of Statutes effective December 7, 2020 at Step 11 in Salary Range 14. Motion by President Jackson. Second by Senator Libby. **Motion passed (9-0-0-1**, with Representative Dillingham absent).

Speaker Fecteau recognized Mr. Charbonneau and offered to him the congratulations of the Legislative Council.

Item #5: Legislative Council Policy on Processing Closely Related Legislator Bill Requests

Ms. Gresser gave a brief overview of the history of, and process for, addressing closely related legislator bills, and explained that in past sessions, Legislative Councils had requested that the Revisor of Statutes, pursuant to Joint Rule 206, attempt to combine legislator bill requests that may be viewed as closely-related bills.

Due to limitations necessitated by safety protocols due to the pandemic, and because the additional time required to implement the duplicate resolution process may not be offset to the same degree as in the past by the benefit of reducing the public's need to repeatedly travel to the Capitol to testify on similar bills, Ms. Gresser did not recommend that the Legislative Council adopt the process that was established by previous legislatures.

Motion: That the Legislative Council not adopt a policy directing the Revisor of Statutes to attempt to consolidate closely-related Legislator bill requests for the 130th Legislature.

Motion by Senator Libby. Second by Rep. Dunphy. **Motion passed unanimously (9-0-0-1, with Representative Dillingham absent).**

Item #6: Legislative Council Policy on Legislator Attendance

Ms. Gresser indicated that the provisions of the proposed Policy on Legislator Attendance were unchanged from the Policy on Legislator Attendance adopted in the 129th Legislative Council.

Motion: That the Legislative Council adopt the Policy on Legislator Attendance for the 130th Legislature. Motion by Senator Libby. Second by Rep. Dunphy. **Motion passed unanimously (9-0-0-1, with Representative Dillingham absent).**

Item #7: Proposed Legislative Council Policy on COVID-19 Prevention

Ms. Gresser indicated that the provisions of the proposed COVID-19 Prevention Policy were presented unchanged from the COVID-19 Prevention Policy adopted by the 129th Legislative Council, with the exception of the timeframe within which the policy would be in effect.

Senator Libby suggested amending the language to specify that Capitol Police are responsible for assisting with the enforcement of the COVID-19 Prevention Policy.

Senator Timberlake suggested tasking the Personnel Committee to assess to possibility of creating a process that would both comply with COVID-19 safety guidelines, and would allow Legislators to meet safely with constituents within the State House.

Motion: That the Legislative Council adopt the Policy on COVID-19 Prevention for the 130th Legislature, as amended by the language proposed by Sen. Libby, and that Personnel Committee investigate the possibility of creating a process that would comply with COVID-19 safety guidelines and allow Legislators to meet safely with constituents. Motion by President Jackson. Second by Sen. Libby. **Motion passed unanimously (9-0-0-1, with Representative Dillingham absent)**

Item #8: Proposed electronic interactive option for the in-person harassment training for the First Regular Session of the 130th Legislature

Ms. Gresser reviewed the proposed electronic interactive option for the in-person harassment training for the First Regular Session of the 130th Legislature. To ensure compliance with COVID-19 safety guidelines, the 129th Legislative Council approved the electronic interactive option for the end of the 129th Legislature; adoption of the proposed policy would permit continuation of that option for in-person harassment prevention training for the First Regular Session of the 130th Legislature.

Motion: That the Legislative Council adopt the Proposed electronic interactive option for the in-person harassment training for the First Regular Session of the 130th Legislature. Motion by President Jackson. Second by Senator Libby. **Motion passed unanimously (9-0-0-1, with Representative Dillingham absent)**

Item #9: Legislative Council meeting schedule for 2021

Ms. Gresser reviewed the proposed Legislative Council meeting schedule for 2021.

Motion: That the Legislative Council adopt the proposed Legislative Council meeting schedule for 2021. Motion by President Jackson. Second by Senator Vitelli. **Motion passed unanimously (9-0-0-1**, with Representative Dillingham absent).

Item #10: Acceptance of Committee To Study the Feasibility of Creating Basic Income Security report

The Committee To Study the Feasibility of Creating Basic Income Security submitted its report for acceptance by the Legislative Council.

Motion: That the report from the Committee To Study the Feasibility of Creating Basic Income Security be accepted and placed on file. Motion by Senator Libby. Second by President Jackson. **Motion passed unanimously (9-0-0-1**, with Representative Dillingham absent).

ANNOUNCEMENTS AND REMARKS

With no other business to consider or further announcements, the Legislative Council meeting was adjourned at 2:39 p.m.

Fiscal Briefing

January 28, 2021

Prepared by the Office of Fiscal & Program Review

1. General Fund Revenue Update (see attached)

Total General Fund Revenue - FY 2021 (\$'s in Millions)						
	Budget	Actual	Var.	% Var.	Prior Year	% Change
December	\$258.0	\$319.0	\$61.0	23.7%	\$296.3	7.7%
FYTD	\$1,979.0	\$2,043.8	\$64.9	3.3%	\$1,979.1	3.3%

General Fund revenue was over budget by \$61.0 million (23.7%) for the month of December and over budget by \$64.9 million (3.3%) for the fiscal year to date. These positive variances are in addition to the December 2020 revenue forecast, which increased budgeted revenue by \$272.8 million for FY 2021.

Individual income tax revenue was over budget by \$32.0 million for the month. Withholding revenue was over budget for the month by \$17.8 million, estimated payments were over budget by \$8.9 million and refunds were over budget (less paid than budgeted) by \$3.7 million for the month.

Corporate income tax revenue was over budget by \$18.4 million for the month and year to date. Most of this positive variance was the result of final estimated payments for calendar year 2020 exceeding budget by \$16.5 million. Final payments were under budget by \$0.6 million while refunds were over budget (less paid than budgeted) by \$2.6 million.

Sales and use tax revenue (November sales) was over budget by \$9.6 million for the month and year to date. Total taxable sales for the month of November 2020 were 7.7% higher than for November 2019.

2. Highway Fund Revenue Update (see attached)

Total Highway Fund Revenue - FY 2021 (\$'s in Millions)						
	Budget	Actual	Var.	% Var.	Prior Year	% Change
December	\$23.2	\$23.9	\$0.8	3.3%	\$24.7	-3.2%
FYTD	\$170.3	\$172.8	\$2.5	1.5%	\$181.2	-4.6%

Highway Fund revenue was over budget by \$0.8 million (3.3%) for the month of December and over budget by \$2.5 million (1.5%) for the fiscal year to date. These positive variances are in addition to the December 2020 revenue forecast, which increased budgeted revenue by \$11.4 million for FY 2021.

Fuel taxes were over budget by \$0.2 million for the month and by \$0.7 million for the fiscal year to date. Motor vehicle registrations and fees were over budget by \$0.4 million for the month and by \$1.3 million for the fiscal year to date.

3. Cash Balances Update

The average balance in the cash pool for December was \$2,617.2 million, a decrease from November's average of \$2,802.3 million. Most of this decrease was the result of the average balance from the \$1,250 million federal Coronavirus Relief Fund (CRF) payment Maine received in April, decreasing from \$766.9 million in November to \$587.2 million in December. The average Highway Fund balance in December was \$26.7 million, a decrease from November's average of \$35.1 million. This normal December decrease was the result of the annual payment to the Local Road Assistance program being made in December.

From: Speaker Ryan Fecteau, Chair, Personnel Committee of the 130th Legislative Council

Date: January 28, 2021

Re: Recommendation for the Appointment of the Director of the Office of Program Evaluation and Government Accountability

The Personnel Committee met on January 21, 2021 to interview and conclude its review of candidates for the position of Director, Office of Program Evaluation and Government Accountability, and we are pleased to say that we have reached consensus on the best candidate for this opening. We are recommending that Lucia Nixon, Legislative Analyst in the Office of Policy and Legal Analysis be appointed as the Director.

As directed to do so by the recruitment plan adopted by the 129th Personnel Committee, a subcommittee of the Government Oversight Committee met to interview for the OPEGA Director position. The subcommittee members included Senator Libby, Senator Keim, Representative McDonald and Representative Dillingham. The subcommittee reached unanimous consensus to recommend Lucia Nixon to the 130th Personnel Committee for consideration as the next Director of the Office of Program Evaluation and Government Accountability. The committee, after interviewing this top candidate on January 21st, reached a consensus based on Lucia's abilities as a skilled presenter, her wealth of legislative and committee experience, and her passion and commitment to the important work of the Maine Legislature.

The Personnel Committee hopes that you will agree with our consensus assessment that Lucia Nixon is an outstanding choice for the position of Director, Office of Program Evaluation and Government Accountability. To confirm this appointment, the Legislative Council will need eight affirmative votes at the meeting currently scheduled for January 28th. Thank you for your consideration of this recommendation.

PROPOSAL

DEFINING “PROTECTIVE FACE COVERING”

Legislative Council

COVID-19 Prevention Policy

5. Protective Face Coverings. An individual who enters any legislative space must wear a protective face covering while in that legislative space in a manner that covers the nose and mouth, unless the individual (1) ~~is unable to wear a protective face covering due to a medical condition;~~ (2) is alone in their own office; (3) is alone in a legislative space; or (4) is in their own cubicle and able to socially distance at a minimum at 6 feet. For purposes of this section, “protective face covering” means a face covering that complies with guidelines or recommendations for COVID-19 source control issued by the Maine Centers for Disease Control and Prevention.

If an individual is unable to wear a protective face covering ~~due to a medical condition,~~ that individual may not be ~~in the room in which a committee meeting is being held,~~ but ~~may participate remotely.~~ physically present in legislative space.

DRAFT PROPOSAL by SEN. TIMBERLAKE

ACCESS FOR AUTHORIZED GUESTS

Legislative Council

COVID-19 Prevention Policy

To minimize the spread of disease and protect the health and safety of Legislators, legislative staff and others in light of the risks presented by the highly contagious COVID-19, the following policy is established for legislators, legislative staff and essential third parties who are working onsite in legislative space. “Essential third parties” means members of the press, contractors, and delivery staff. This policy replaces the Legislative Council Policy on the Wearing of Protective Face Coverings During Authorized Meetings of Legislative Committees. This policy is effective during the First Regular Session of the 130th Legislature and will be subject to continuing updates.

Every individual has a responsibility to comply with the policy for their own safety and for the safety of others working in Legislative space. If an individual in a legislative space is not in compliance with this policy, legislative staff is expected to leave the legislative space. Capitol Police are responsible for assisting with the enforcement of the Legislative Council’s COVID-19 Prevention Policy.

1. Access to legislative space; legislative staff offices. ~~Legislative~~ Except as provided in section 1-A, legislative spaces are only open to legislators, staff and essential third parties that have passed the daily health self-screening checklist described in section 7. The State House and committee rooms in the Cross Office building will only be open to legislators, staff ~~and~~, essential third parties, and, if authorized pursuant to section 1-A, guests. In addition, only legislative staff are permitted in legislative offices within the State House and Cross Office building, as determined by the respective office director.

1-A. Limited access for guests of legislators. Subject to the requirements of this section, a legislator may authorize up to two guests at one time to be admitted into the State House and legislative space for purposes of conducting a meeting regarding legislative business.

A. In order to secure authorization for the admission of a guest or guests, a legislator shall notify the legislator’s Chief of Staff to inquire about the availability of space under that caucus’s control in which to meet.

- B. If the legislator's Chief of Staff indicates that there is sufficient space available under that caucus's control to safely accommodate a meeting with a guest or guests in a manner that complies with all of the requirements set forth in this policy, the legislator, Chief of Staff or designee must inform building security of the arrival of the guest or guests and meet the guest or guests at the security kiosk.
- C. In order to be authorized admission to legislative space under this section, prior to entry into the State House, each guest must complete the self-screening of health status pursuant to section 7.
- D. While in legislative space, each guest must wear a protective face covering in accordance with section 5 and maintain a distance of at least 6 feet from others in accordance with section 6.

2. Electronic communication encouraged. Staff is strongly encouraged to employ electronic workplace communications, such as emails, teleconferencing and telephone calls, with Legislators and staff to reduce the frequency of face-to-face contact. All individual face-to-face meetings that occur should be limited and must be scheduled with staff in advance by appointment and conducted in accordance with the requirements governing protective face coverings and physical distancing.

3. Staggering physical presence of staff. To reduce the number of staff members working together at the same time and ensure safe physical distancing, office directors are authorized to implement, where possible, staggered work shifts and non-standard work hours as appropriate.

4. Remote attendance. In order to reduce the number of persons in any committee room and to ensure the safety of staff and legislators, staffing support for committee meetings, including staffing by committee analysts and committee clerks, shall be provided remotely through appropriate electronic means. The Executive Director, acting under the authority of the Legislative Council, shall establish appropriate practices, protocols and procedures to effectively carry out this policy, including procedures that would allow staff to be in the room for short periods as may be necessary.

In addition, a Legislator or essential third party may choose to attend a committee meeting remotely through appropriate electronic means and be in the room for short periods as may be necessary to comply with Legislative Council policy and rules of the Legislature.

5. Protective Face Coverings. An individual who enters any legislative space must wear a protective face covering while in that legislative space in a manner that covers the nose and mouth, unless the individual (1) is unable to wear a protective face covering due to a medical condition; (2) is alone in their own office; (3) is alone in a legislative space; or (4) is in their own cubicle and able to socially distance at a minimum at 6 feet.

If an individual is unable to wear a protective face covering due to a medical condition, that individual may not be in the room in which a committee meeting is being held, but may participate remotely.

6. Physical Distancing. All individuals in legislative space shall seek to maintain at all times a distance of at least 6 feet from others within that legislative space. The directors of individual legislative offices are authorized to set office-specific guidelines in order to meet these physical distancing requirements, including but not limited to room capacity, access to offices, and traffic flow. All individuals are expected to comply with posted room and elevator capacity signs as well as posted office-specific physical distancing guidelines.

7. Daily Screening. Prior to initial arrival at and entry into the State House or legislative space in the Cross Office Building each day, legislators, legislative staff ~~and~~, essential third parties and individuals seeking entry as authorized guests under section 1-A shall complete a self-screening of their health status using a checklist that consists of the following questions:

- Do you have a cough or sore throat?
- Do you have a fever or do you feel feverish?
- Do you have shortness of breath?
- Do you have a loss of taste or smell?
- Have you been around anyone exhibiting these symptoms within the past 14 days or who has tested positive for COVID-19 regardless of symptoms?
- Are you living with anyone who is sick or quarantined, or have you been in the last 14 days?
- Have you been out of state in the last 14 days?
- Have you tested positive for COVID-19 within the past 14 days?

If the staff answers to any of these questions is "yes," please contact your supervisor to discuss next steps. Guidance will be provided to supervisors regarding appropriate next steps. If a staff person who has answered "yes" to any of these questions is physically capable of working, that person's supervisor may

authorize that staff person to work from home. If a legislator, ~~or~~ essential third party or individual seeking entry as an authorized guest under section 1-A answers “yes” to any of these questions, the legislator or essential third party shall refrain from entering legislative space.

8. Cleaning, Disinfecting, and Sanitizing. To supplement the efforts of the housekeeping staff whose efforts focus primarily on the public areas and in addition to proper hygiene including regular hand washing, the Legislature will provide access to the following cleaning and disinfecting supplies along with instructions on proper use.

A. Legislative staff must have access to disinfectant wipes or disinfectant spray and paper towels to clean their work surfaces, and a no-touch designated trash bin to dispose of used items.

B. Disinfectant wipes, or disinfectant spray and paper towels, must be located next to copiers, printers and other shared equipment. Disinfectant spray should never be sprayed directly on equipment, but should be sprayed on paper towels that are used to wipe down equipment before and after use.

C. Hand sanitizer must be provided in multiple locations around work spaces and in public spaces.

9. Posting of policy. Copies of this policy must be conspicuously posted in legislative staff offices and other legislative spaces.

.

*Maine State Legislature
Augusta, Maine 04333-0002*

January 20, 2021

President Troy Jackson
3 State House Station
Augusta, ME 04333

Speaker Ryan Fecteau
2 State House Station
August, ME 04333

Dear President Jackson and Speaker Fecteau,

Recently there have been several changes to both the physical layer of security at the State House as well as the policing of the building in the form of reduced security card access. These changes have taken place as a result of the riots in Washington DC. While we agree that the health and safety of our staff and members of the Legislature should be taken seriously, we question why these measures have been taken. We have asked several times if there were threats against the Capitol Building and surrounding area and were assured there were not; however, the extraordinary measures being taken to secure the building suggests that a threat does exist, and that this information has not been shared with the entire Legislative Council.

We are concerned that these changes to security have come without a discussion in front of the Legislative Council subcommittee on Facilities and without approval of the full Legislative Council. The Capitol Building is under the control of the Legislature and as such, the Legislative Council should be involved in these decisions.

In our experience, something such as replacing the corroding main entry doors needed Legislative Council approval to proceed and yet, we saw jersey barriers placed and trucks filled with sand on the capitol grounds without even a memo of explanation to the Legislative Council.

We respectfully ask that the following questions be added to the agenda and addressed at the next Legislative Council meeting:

Who authorized the addition of physical barriers to the capitol grounds?
Who authorized a change in security card access to the State House?
Where did the misinterpreted order to shut down all access to the building originate?
Where in statute does that authorization rest?

When state government shut down in 2017, then Public Safety Commissioner Morris met with the legislature and informed us that though his authority to deny access to buildings was extensive, it did not include the Capitol. This was important at the time because of the need to ensure essential personnel had access to the building during a state closure. Today is no different and the Legislature should vigorously defend its control of the Capitol, even when there is broad agreement over the measures being taken.

We look forward to the discussion and answers to these important questions.

Sincerely,

Senator Jeff Timberlake
Senate Republican Leader

Representative Kathleen Dillingham
House Republican Leader

EXECUTIVE SUMMARY

This is the fifteenth annual report of the Right to Know Advisory Committee. The Right to Know Advisory Committee was created by Public Law 2005, chapter 631 as a permanent advisory council with oversight authority and responsibility for a broad range of activities associated with the purposes and principles underlying Maine's freedom of access laws. The members are appointed by the Governor, the Chief Justice of the Supreme Judicial Court, the Attorney General, the President of the Senate and the Speaker of the House of Representatives.

As in previous annual reports, this report includes a brief summary of the legislative actions taken in response to the Advisory Committee's January 2020 recommendations and a summary of relevant Maine court decisions from 2020 on the freedom of access laws. This report also summarizes several topics discussed by the Advisory Committee that did not result in a recommendation or further action.

Due to the ongoing civil public health emergency, the 129th Legislature ended without convening a special session and was not able to take final action on certain legislative recommendations made by the Advisory Committee in its January 2020 report. As a result, the Advisory Committee puts forward the following recommendations again:

- ☐ **Enact legislation to cap copying fees;**
- ☐ **Enact legislation to require planning boards, specific school district officials and additional municipal officials and their deputies to complete Freedom of Access Act training and to clarify the application of existing training requirements;**
- ☐ **Enact legislation to improve the review of public records exceptions by including consideration of access to information that will assist in making informed decisions about health and safety;**
- ☐ **Enact legislation to expand the membership of the Right to Know Advisory Committee to include a member with experience and expertise in data and personal privacy issues; and**
- ☐ **Enact legislation to revise the membership of the Archives Advisory Board to include a public member and two members representing journalistic and news perspectives.**

For its fifteenth annual report, the Advisory Committee makes the following recommendations:

- ☐ **Amend certain provisions of law in Titles 8 through 12 relating to previously-enacted public records exceptions;**
- ☐ **Enact legislation to amend the fees that may be charged by a public body to cover the actual cost of searching for, retrieving and compiling a requested public record;**

- ☐ **Support funding to accelerate access to broadband statewide and to invest in technology for local governments to facilitate public access to public proceedings conducted remotely; and**
- ☐ **Support the extension of legal authority for public bodies to conduct public proceedings remotely on a permanent basis as long as openness and transparency remain central principles and as long as the authorization is contingent on the public body adopting a written policy addressing certain requirements.**

In 2021, the Right to Know Advisory Committee will continue to discuss the unresolved issues identified in this report, including complaints related to misconduct of members of law enforcement. The Advisory Committee will also continue to assist the Joint Standing Committee on Judiciary relating to proposed legislation affecting public access. The Advisory Committee looks forward to another year of activities working with the Public Access Ombudsman, the Judicial Branch and the Legislature to implement the recommendations included in this report.

I. INTRODUCTION

This is the fifteenth annual report of the Right to Know Advisory Committee. The Right to Know Advisory Committee was created by Public Law 2005, chapter 631 as a permanent advisory council with oversight authority and responsibility for a broad range of activities associated with the purposes and principles underlying Maine's freedom of access laws. The Advisory Committee's authorizing legislation, located at Title 1, section 411, is included in **Appendix A**.

More information on the Advisory Committee, including meeting agendas, meeting materials and summaries of meetings and its previous annual reports can be found on the Advisory Committee's webpage at <http://legislature.maine.gov/right-to-know-advisory-committee>. The Office of Policy and Legal Analysis provides staffing to the Advisory Committee when the Legislature is not in regular or special session.

The Right to Know Advisory Committee has 17 members. Currently there is one vacancy. The chair of the Advisory Committee is elected every two years by the members. Current Advisory Committee members are:

Senator Mike Carpenter	<i>Senate member of Judiciary Committee, appointed by the President of the Senate</i>
Representative Thom Harnett, Chair	<i>House member of Judiciary Committee, appointed by the Speaker of the House</i>
James Campbell	<i>Representing a statewide coalition of advocates of freedom of access, appointed by the Speaker of the House</i>
Suzanne Goucher	<i>Representing broadcasting interests, appointed by the Speaker of the House</i>
Lynda Clancy	<i>Representing newspaper and other press interests, appointed by the President of the Senate</i>
Amy Beveridge	<i>Representing broadcasting interests, appointed by the President of the Senate</i>
<i>vacant</i>	<i>Representing law enforcement interests, appointed by the President of the Senate</i>
Victoria Wallack	<i>Representing school interests, appointed by the Governor *Appointed on November 10, 2020</i>
Julie Finn	<i>Representing the Judicial Branch, designated by the Chief Justice of the Supreme Judicial Court</i>

Judy Meyer	<i>Representing newspaper publishers, appointed by the Speaker of the House</i>
Paul Nicklas	<i>Representing municipal interests, appointed by the Governor</i> <i>*Appointment ended November 10, 2020</i>
Linda Cohen	<i>Representing municipal interests, appointed by the Governor</i> <i>*Appointment began on November 10, 2020</i>
Christopher Parr	<i>Representing state government interests, appointed by the Governor</i> <i>*Appointment ended on November 10, 2020</i>
Kevin Martin	<i>Representing state government interests, appointed by the Governor</i> <i>*Appointment began on November 10, 2020</i>
Phyllis Gardiner	<i>Attorney General's designee</i>
Luke Rossignol	<i>Representing the public, appointed by the President of the Senate</i>
William Shorey	<i>Representing county or regional interests, appointed by the President of the Senate</i>
Eric Stout	<i>A member with broad experience in and understanding of issues and costs in multiple areas of information technology, appointed by the Governor</i>
Taylor Asen	<i>Representing the public, appointed by the Speaker of the House</i>

The complete membership list of the Advisory Committee, including contact information, is included in **Appendix B**.

By law, the Advisory Committee must meet at least four times per year. During 2020, the Advisory Committee met four times: on October 1st, November 6th, November 20th and December 4th. Due to the civil public health emergency, each meeting was conducted remotely using Zoom and open to the public through the Legislature's YouTube channel. The meetings were also accessible through the audio link on the Legislature's webpage.

II. COMMITTEE DUTIES

The Right to Know Advisory Committee was created to serve as a resource and advisor about Maine's freedom of access laws. The Advisory Committee's specific duties include:

- ❑ Providing guidance in ensuring access to public records and public proceedings;
- ❑ Serving as the central source and coordinator of information about Maine's freedom of access laws and the people's right to know;
- ❑ Supporting the provision of information about public access to records and proceedings via the Internet;
- ❑ Serving as a resource to support training and education about Maine's freedom of access laws;
- ❑ Reporting annually to the Governor, the Legislative Council, the Joint Standing Committee on Judiciary and the Chief Justice of the Supreme Judicial Court about the state of Maine's freedom of access laws and the public's access to public proceedings and records;
- ❑ Participating in the review and evaluation of public records exceptions, both existing and those proposed in new legislation;
- ❑ Examining inconsistencies in statutory language and proposing clarifying standard language; and
- ❑ Reviewing the collection, maintenance and use of records by agencies and officials to ensure that confidential records and information are protected and public records remain accessible to the public.

In carrying out these duties, the Advisory Committee may conduct public hearings, conferences, workshops and other meetings to obtain information about, discuss and consider solutions to problems concerning access to public proceedings and records.

The Advisory Committee may make recommendations for changes in statutes to improve the laws and may make recommendations to the Governor, the Legislature, the Chief Justice of the Supreme Judicial Court and local and other governmental entities with regard to best practices in providing the public access to records and proceedings and to maintain the integrity of the freedom of access laws. The Advisory Committee is pleased to work with the Public Access Ombudsman, Brenda Kielty. Ms. Kielty is a valuable resource to the public and public officials and agencies.

III. RECENT COURT DECISIONS RELATED TO FREEDOM OF ACCESS ISSUES

By law, the Advisory Committee serves as the central source and coordinator of information about Maine's freedom of access laws and the people's right to know. In carrying out this duty, the Advisory Committee believes it is useful to include in its annual reports a digest of recent developments in case law relating to Maine's freedom of access laws. For this annual report, the Advisory Committee has identified and summarized the following Maine Supreme Judicial Court decision related to freedom of access issues.

Blue Sky West, LLC v. Maine Revenue Services

In *Blue Sky West, LLC v. Maine Revenue Services*, 2019 ME 137, 215 A.3d 812, Blue Sky, a wind energy developer, submitted information about its property to Maine Revenue Services, under 36 MRSA §706, in 2016 and 2017 for the purposes of determining the value of the property for property tax purposes. Somerset County sought access to that information under the Freedom of Access Act. The Law Court determined that in order for the records to be exempt as confidential under the FOAA under 1 MRSA §402(3)(A) and 36 MRSA §706 the records must: (1) be designated as confidential when submitted; and (2) contain proprietary information. The Law court upheld the decision of the Superior Court that the 2016 records should be provided to Somerset County because Blue Sky had not originally designated them as confidential and the 2017 records should not have been provided to Somerset County because Blue Sky had designated them as confidential when submitted and they contained proprietary information as defined in 36 MRSA §706. (Note: 36 MRSA §706 was repealed and replaced by §706-A in PL 2017, c. 367.)

IV. RIGHT TO KNOW ADVISORY COMMITTEE SUBCOMMITTEES

Public Records Exceptions Subcommittee

Lynda Clancy, Julie Finn, Eric Stout and Christopher Parr initially served as members of the Public Records Exception Subcommittee, and Christopher Parr served as Subcommittee Chair. When Mr. Parr's appointment to the Advisory Committee ended on November 10, 2020, Kevin Martin succeeded him as a member of the Subcommittee and Julie Finn became Subcommittee Chair.

The focus of the Public Records Exceptions Subcommittee is to review and evaluate public records exceptions as required of the Advisory Committee pursuant to 1 MRSA §433, sub-§2-A. The guidelines in the law require the Advisory Committee to review all public records exceptions in Titles 8 to 12 no later than 2021. In accordance with 1 MRSA §433, sub-§2-A, the Advisory Committee is charged with the review of more than 69 identified exceptions in Titles 8 to 12. As a first step, the subcommittee reached out to state and local bodies for information, comments and suggestions with respect to the relevant public records exceptions administered by that body. The subcommittee met two times in 2020 (November 6 and November 20) to review the responses and to discuss whether each public record exception was appropriate or should be amended or repealed. The subcommittee was able to complete review of 46 exceptions; the remaining exceptions were tabled and will be considered again in 2021, along with the review of

the exceptions in Titles 13 to 21-A. All of the subcommittee's recommendations with regard to the exceptions that were reviewed were submitted to the Advisory Committee at the December 4, 2020 meeting.

Subcommittee on Remote Meetings Best Practices

The Subcommittee on Remote Meetings Best Practices was established by the Advisory Committee at its November 20th meeting to assist in the development of best practices recommendations for public bodies when the public is remote rather than physically present. The subcommittee met on December 4th and Rep. Thom Harnett agreed to chair the subcommittee. Amy Beveridge, Lynda Clancy, Julie Finn, Judy Meyer and Eric Stout participated as members of the subcommittee.

At the outset of its discussion, the subcommittee welcomed Kate Dufour and Neal Goldberg from the Maine Municipal Association (MMA) to present a report of MMA's survey of data collected from municipal officials concerning recent experiences with remote proceedings. Ms. Dufour described the remote participation experience as a silver lining in the dark pandemic, as municipalities have found it to be an incredible tool. Municipalities have been able to continue government operations without missing a beat, still providing services to their constituents even though many offices have been closed. It was noted that electronic meetings are not embraced by everyone and some needs are specialized and do not fit perfectly into the remote participation mode.

Municipalities noted that public participation has increased significantly with the use of remote participation tools. More participation means more people are learning about how their government is working. It also shows that participating can be a positive experience, and may encourage more participation at all levels of government. It may also help generate the next wave of volunteers, a group very important to the functioning of local governments.

Also noted, however, were the limitations presented by the fact that high-speed internet is not universally available throughout the State. Improving state-wide broadband availability is necessary to fully support the successful implementation of remote participation.

The authority to conduct proceedings through remote participation is a tool that municipalities would like to have even after the pandemic is over.

Mr. Goldberg added that municipalities expressed satisfaction with electronic meetings, and generally were able to adapt quickly to the new process modes. There are several good reasons for continuing the use of remote participation, including the year-round involvement of people who live in Maine only part of the year, the ability to hold meetings without worrying about hazardous travel in inclement weather and, when available, providing the public with an additional method of providing public comments. He mentioned the downsides of "Zoom-bombing" and the fact that broadband is not universally available.

Mr. Goldberg expressed the desire of municipalities to continue to be able to use remote participation methods, mainly to supplement in-person proceedings, even after the pandemic.

There is general support to require in-person attendance of members of the public body, but allow remote participation if the member cannot be there.

Although the larger municipalities did not respond to the MMA survey, Ms. Dufour said she understands that Portland is using electronic meetings very effectively. Although technology can create an age-based digital divide, because the pandemic has eliminated in-person activities across the board, there is not as much difference in who is participating as would be expected.

Advisory Committee member Eric Stout shared a document on Zoom security that has been posted on the RTKAC website.

The issue of accessibility to people with disabilities was raised in an email to the Advisory Committee, and Julie Flynn noted that the Judicial Branch chose to use the Zoom platform because closed captioning is available. The question of accessibility is a question that falls under the Americans with Disabilities Act, and must be addressed to ensure that everyone can participate fully in the government process. After the meeting, Ms. Finn shared comments from the Accessibility Coordinator for the Judicial Branch on how the Zoom platform can be used to provide accessibility.

Amy Beveridge and Judy Meyer both recognized that electronic meetings facilitate the ability of the press/media to monitor multiple meetings simultaneously without added travel or staff costs. The ability to engage in the legislative process without having to take a day off to travel to Augusta will be a great benefit, as well. A downside to not being able to be physically present means the press/media loses the opportunity to follow up or question individual policy makers directly after a meeting.

Ms. Meyer said she is more concerned about the ability of the public to participate. All subcommittee members recognized that attendance is not the same as participation. The administrative burden in running electronic meetings must be considerable. Brenda Kielty, the Public Access Ombudsman, expressed her continuing concern about the quality of participation. Ms. Dufour noted that MMA partnered with the law firm Bernstein Shur to develop procedures on "Zoom etiquette." Most municipalities have a good system of support, in that their peers are always willing to share tips and practices. Hybrid, rather than purely remote, meetings will present additional challenges.

Executive sessions can be conducted remotely: the Zoom platform allows the administrator to move whoever is not intended to be in the executive session into a "waiting room." When the executive session is over, whoever is still in the waiting room can be connected back into the meeting.

The subcommittee agreed to continue working, and Representative Harnett worked with staff to formalize specific recommendations. The Maine Municipal Association also informed the subcommittee that they will propose legislation to continue the authority to conduct electronic meetings post-pandemic. Everyone agreed that statewide high-speed internet is necessary to make remote participation effective and efficient, and should be supported.

V. COMMITTEE PROCESS

The Advisory Committee held four meetings, the Public Records Exceptions Subcommittee met two times and the Subcommittee on Remote Meetings Best Practices met once. Each subcommittee explained their discussions and recommendations to the full Advisory Committee. The Advisory Committee finalized its recommendations on December 4th. Part VII of this report contains the specific recommendations approved by the Advisory Committee. The Advisory Committee also discussed the issues described below, but does not make a recommendation on these issues at this time.

Complaints related to misconduct of members of law enforcement

At the October 1st meeting, Jim Campbell suggested that the Advisory Committee review Maine laws dealing with access to police complaints by Maine residents and their outcomes so that there are clear policies under FOAA for providing that information in a timely and complete way. It is known that there are complaints, there are practices to process and make decisions about those complaints and there are outcomes to those complaints, but none are accessible to the public. As a member of the Maine Freedom of Information Coalition, Mr. Campbell explained that the Coalition believes complaints and their outcomes should be public information but often the public, as well as the press, is denied access.

Because the Advisory Committee's position for a member representing law enforcement interests was vacant, the Advisory Committee agreed to defer further discussion of this topic until 2021 when the members will be able to include the perspective of law enforcement.

Caucuses

At the October 1st meeting, Advisory Committee member, Chris Parr suggested that the Advisory Committee discuss so-called "corner caucuses" used by Legislative committees and whether these caucuses are permissible under FOAA. Mr. Parr further suggested that the Advisory Committee consider whether FOAA should be amended or clarified on this particular issue.

The Advisory Committee members reviewed the statutes that other states have adopted to specifically address the application of public meetings laws to a political caucus, usually in the legislature. Some states have broadly exempted a political caucus, while others have allowed caucuses of the whole body (e.g., General Assembly), as opposed to committee caucuses, to be closed. The Rhode Island and North Carolina laws include language that warns against using caucuses to evade or subvert the open meetings law. Some states define the term "caucus," while others do not.

Staff shared a letter written by the Chief Deputy Attorney General to the Judiciary Committee Chairs in 2010. Although the letter is not an opinion of the office, it relies on the understanding that party caucuses are not generally committees or subcommittees of the Legislature (which are required to be open under the FOAA). "Accordingly, we have said that we could defend a decision to close a caucus, while noting that if a legal challenge were to be brought, the specific

circumstances would be relevant to the outcome." "Caucus" would include the party caucus held at the beginning of the legislative day as well as "corner caucuses" held by committee members of the same party.

The Advisory Committee's discussion recognized that it is inappropriate for decisions to be made and actions to be taken outside of the public eye, but there was disagreement about the discussion that can take place among members of the same party in different situations. There was no consensus about how to define "caucus" or how to prove intent, which would be necessary under the Rhode Island or North Carolina models. Brenda Kielty, the Public Access Ombudsman, reiterated the need for clear standards in the statutes: make clear what actions are prohibited, what a challenger must prove and what the remedy for a violation should be. Eric Stout expressed his reliance on teaching correct principles: the legislators should remember they are doing the public's business, and be aware that there is a balancing involved to do the public's business in public.

While the Advisory Committee does not recommend a clear resolution or remedy, the Advisory Committee does believe that the use of caucuses by legislative committees – especially how the Appropriations Committee handles the Budget – should not be a mechanism for discussing legislative proposals or making decisions on legislative proposals out of the public eye to subvert the purposes of FOAA. Ms. Kielty agreed to be mindful of the Advisory Committee's discussion when she is preparing for the Legislature's mandatory FOAA training.

VI. ACTIONS RELATED TO COMMITTEE RECOMMENDATIONS CONTAINED IN FOURTEENTH ANNUAL REPORT

The Right to Know Advisory Committee made the following recommendations in its Fourteenth Annual Report. The legislative actions taken in 2020 as a result of those recommendations are summarized below.

<p>Recommendation: Amend certain provisions of law in Titles 1 through 7-A relating to previously-enacted public records exceptions</p>	<p>Action: The recommendations of the Advisory Committee were accepted by the Judiciary Committee and included in LD 2103, An Act To Implement the Recommendations of the Right To Know Advisory Committee Regarding Public Records Exceptions. LD 2103 was enacted as Public Law 2019, c. 667 and became effective June 16, 2020.</p>
<p>Recommendation: Direct legislative staff to help identify nonstandard language concerning existing public records exceptions</p>	<p>Action: The recommendation of the Advisory Committee was accepted by the Judiciary Committee and this language was included in LD 2103, An Act To Implement the Recommendations of the Right To Know Advisory Committee Regarding Public Records Exceptions. The law directs the Office of Policy and Legal Analysis, in consultation with the Revisor's Office and the Advisory Committee, to identify nonstandard language and</p>

	develop recommended legislation to address it by September 1, 2021. LD 2103 was enacted as Public Law 2019, c. 667 and became effective June 16, 2020.
Recommendation: Enact legislation to provide parameters on the use of remote participation by members of public bodies	Action: The Judiciary Committee did not accept the recommendation of the Advisory Committee and proposed legislation related to remote participation. However, due to the declaration of a public health emergency, the Legislature enacted emergency legislation to authorize public proceedings to be conducted remotely during the public health emergency and for up to 30 days after. See Public Law 2019, c. 617, Part G effective March 17, 2020.
Recommendation: Enact legislation to cap copying fees	Action: The recommendation of the Advisory Committee was accepted by the Judiciary Committee and this language was included in the Committee Amendment to LD 1575, An Act to Improve the Freedom of Access Laws. LD 1575 was not finally acted upon before adjournment of the Second Regular Session and was carried over to any special session. Because the Legislature did not convene in Special Session before the end of the 129 th Legislature, the bill died upon termination of the 129 th Legislature.
Recommendation: Enact legislation to require planning boards, specific school district officials and additional municipal officials and their deputies to complete Freedom of Access Act training, and to clarify the application of existing training requirements	Action: The recommendation of the Advisory Committee was accepted by the Judiciary Committee and this language was included in LD 2102, An Act To Implement the Recommendations of the Right To Know Advisory Committee. The Judiciary Committee also agreed to provide funding, as the proposed legislation was identified as a municipal mandate. LD 2102 was not finally acted upon before adjournment of the Second Regular Session and was carried over to any special session. Because the Legislature did not convene in Special Session before the end of the 129 th Legislature, the bill died upon termination of the 129 th Legislature.
Recommendation: Request that the Public Access Ombudsman develop suggestions to enhance and improve FOAA training for public officials, and develop methods for gathering data on FOAA requests and requesters related to	Action: Brenda Kielty, Public Access Ombudsman, will update the Advisory Committee on this issue at a later date.

unfulfilled requests and costs	
Recommendation: Request that the Joint Standing Committee on Judiciary establish a study group to examine the use of emerging technologies with regard to making and keeping records and to examine the use of communications technology during public proceedings	Action: The Judiciary Committee discussed this, but did not accept the recommendation of the Advisory Committee. No further action was taken.
Recommendation: Enact legislation to improve the review of public records exceptions by including consideration of access to information that will assist in making informed decisions about health and safety	Action: The Judiciary Committee discussed this, but did not accept the recommendation of the Advisory Committee. No further action was taken.
Recommendation: Enact legislation to expand the membership of the Right to Know Advisory Committee to include a member with experience and expertise in data and personal privacy issues	Action: The recommendation of the Advisory Committee was accepted by the Judiciary Committee and this language was included in LD 2102, An Act To Implement the Recommendations of the Right To Know Advisory Committee. LD 2102 was not finally acted upon before adjournment of the Second Regular Session and was carried over to any special session. Because the Legislature did not convene in Special Session before the end of the 129 th Legislature, the bill died upon termination of the 129 th Legislature.
Recommendation: Enact legislation to revise the membership of the Archives Advisory Board to include a public member and two members representing journalistic and news perspectives	Action: The recommendation of the Advisory Committee was accepted by the Judiciary Committee and this language was included in proposed legislation, LD 2101, An Act To Implement the Recommendations of the Right To Know Advisory Committee Concerning Membership of the Archives Advisory Board. LD 2101 was referred to the State and Local Government Committee because of its jurisdiction over issues related to the State Archives. LD 2101 was voted by the SLG Committee and supported by a majority of the committee. However, LD 2101

	was not finally acted upon before adjournment of the Second Regular Session and was carried over to any special session. Because the Legislature did not convene in Special Session before the end of the 129 th Legislature, the bill died upon termination of the 129 th Legislature.
Recommendation: Request that the Archives Advisory Board emphasize the publicizing of information about its meetings to enhance public awareness and participation given the importance of records retention schedules	Action: The Advisory Committee sent a letter to Tammy Marks at the Maine State Archives on January 8, 2020.
Recommendation: Send a letter to the Joint Standing Committee on Judiciary expressing issues that should be considered when dealing with surveillance videos	Action: The Advisory Committee sent a letter to the Judiciary Committee on January 8, 2020. The Judiciary Committee discussed this issue, but did not take any further action to address it during the Second Regular Session.
Recommendation: Defer to the Joint Standing Committee on Judiciary as to whether to require the collection and reporting of aggregate information concerning certain search warrants	Action: The Judiciary Committee discussed this issue, but did not take any further action to address it during the Second Regular Session.

VII. RECOMMENDATIONS

Due to the ongoing civil public health emergency, the 129th Legislature ended without convening a special session and was not able to take final action on certain legislative recommendations made by the Advisory Committee in its January 2020 report. As a result, the Advisory Committee puts forward the following recommendations again:

☐ Enact legislation to cap copying fees

The Advisory Committee supports suggested legislation, originally proposed as part of LD 1575 considered in the 129th Legislature, that sets an upper limit on per page copying costs (10¢ per

standard 8½” x 11” black and white page). The suggested language also prohibits a per page copy fee for electronic records.

*See recommended legislation in **Appendix F**.*

☐ **Enact legislation to require planning boards, specific school district officials and additional municipal officials and their deputies to complete Freedom of Access Act training and to clarify the application of existing training requirements**

The Advisory Committee recommends statutory changes to: 1) expand training to planning board members, code enforcement officers and town and city managers or administrators, and their deputies; 2) clarify which school officials are required to complete the training; and 3) clarify the timeline for completing the training for those in appointed positions.

*See recommended legislation in **Appendix F**.*

☐ **Enact legislation to improve the review of public records exceptions by including consideration of access to information that will assist in making informed decisions about health and safety**

The Advisory Committee recommends language that directs the Judiciary Committee, when considering new public records exceptions, to weigh the fact that public access to the record ensures or would ensure that members of the public are able to make informed health and safety decisions. This new consideration would be included in the Right to Know Advisory Committee’s review of existing public records exceptions, as well.

*See recommended legislation in **Appendix F**.*

☐ **Enact legislation to expand the membership of the Right to Know Advisory Committee to include a member with experience and expertise in data and personal privacy issues**

The Advisory Committee recommends expanding the membership of the Right to Know Advisory Committee to include a member who has legal or professional expertise in the field of data and personal privacy, to be appointed by the Governor.

*See recommended legislation in **Appendix F**.*

☐ **Enact legislation to revise the membership of the Archives Advisory Board to include a public member and two members representing journalistic and news perspectives**

The Advisory Committee recommends changing the membership of the Archives Advisory Board to include two members representing journalists, newspapers, broadcasters and other news media interests and one member representing the protection of personal privacy interests.

*See recommended legislation in **Appendix F**.*

For its fifteenth annual report, the Advisory Committee makes the following recommendations:

❑ Amend certain provisions of law in Titles 8 through 12 relating to previously-enacted public records exceptions

The following recommendations provide for amendments to existing public records exceptions that were reviewed in 2020.

- Title 10, section 1107, relating to books, records or correspondence summonsed in an antitrust investigation, at the discretion of the person being investigated (amend to make the language consistent with how other exceptions refer to documents that are not subject to disclosure and to clarify that the confidentiality of the records is not tethered to an affirmative option of the person providing the records).
- Title 12, section 550-B, subsection 6, relating to water well information collected by the Department of Agriculture, Conservation and Forestry, Bureau of Geology, Natural Areas and Coastal Resources, Geological Survey (amend to repeal the exception designating as confidential information collected by the Maine Geological Survey at the request of well drilling companies to whom the information pertains if the bureau has determined it contains proprietary information).

*See recommended legislation in **Appendix C**, and the list of public records exceptions for which no amendments are recommended in **Appendix D**.*

❑ Enact legislation to amend the fees that may be charged by a public body to cover the actual cost of searching for, retrieving and compiling a requested public record [not supported by one member of the Advisory Committee]

A majority of the Advisory Committee (12-1 vote) supports legislation to amend the fees that may be charged by a public body to cover the actual cost of searching for, retrieving and compiling a requested public record. Current law allows an agency or official to charge up to \$15 an hour after the first hour (the first hour is free) for compiling the responsive record. The proposed legislation recommended by the Advisory Committee authorizes an agency or official to charge up to \$25 for each hour after two hours of staff time spent to compile the record. The \$25 hourly fee is a close approximation of the rate municipalities identified as the average rate paid to the municipal employees who are doing the bulk of the work in responding to public records requests. The proposed language also clarifies that the fees collected for copying and compiling responses may be retained by the agency that responds to the public records request.

Advisory Committee member Judy Meyer does not support the recommended legislation. Ms. Meyer recognizes that nuisance, commercial and extremely large requests take significantly more staff time to complete, but she believes the proposed language is not the appropriate remedy. The MMA survey on public records requests indicated that the vast majority of public records requests are completed very quickly. Ms. Meyer believes it is unfair to burden all requesters with the higher per hour fee when the vast majority of requests do not rise to the level of nuisance or abusive.

*See recommended legislation in **Appendix E**.*

❑ Support funding to accelerate access to broadband statewide and to invest in technology for local governments to facilitate public access to public proceedings conducted remotely

The Advisory Committee recognizes that up to 20% of the State's population does not have access to high speed internet. The Advisory Committee recommends that the State dedicate the necessary funding to accelerate broadband access statewide and to provide investments in technology for governments to facilitate public access to public proceedings conducted remotely.

❑ Support the extension of legal authority for public bodies to conduct public proceedings remotely on a permanent basis as long as openness and transparency remain central principles and as long as the authorization is contingent on the public body adopting a written policy addressing certain requirements

The Advisory Committee supports the extension of legal authority for public bodies to conduct public proceedings remotely on a permanent basis as long as openness and transparency remain central principles. During the civil public health emergency, public bodies were granted legislative authority to conduct proceedings remotely in accordance with Public Law 2019, chapter 617, Part G. Public bodies, including municipalities, have been able to use remote meetings effectively to continue government operations when circumstances have prohibited or restricted in-person meetings. In many situations, public attendance and participation have increased with the ability to tune in and connect from home or other locations.

Because the authorization of remote participation in PL 2019, chapter 617, Part G is repealed 30 days after the termination of the state of emergency, legislation will be necessary to allow remote participation by members of public bodies to continue post-pandemic. The Legislature should take this opportunity to establish appropriate standards and provide guidance to all public entities that choose to make use of technology to conduct public proceedings. The Advisory Committee therefore recommends that the Legislature adopt enabling legislation, tied to best practices and based on the adoption by each public body of a written policy that meets not only statutory minimum requirements but closely addresses the need of the individual public body and its constituents and stakeholders.

The Advisory Committee recommends that the Legislature adopt remote proceedings authorization that is contingent on the public entity adopting a written policy that addresses, at a minimum, the following:

- Provides for an open and transparent process;
- Complies with Freedom of Access Act (FOAA), including notice and maintenance of meeting records;
- Establishes requirements for participation by members of the public body, including but not limited to how "present" for a meeting is defined, how a quorum is established, ensuring access to all of the same materials, conduct of executive session, and ensuring transparent and accurate recording of votes by all members of the public body;
- Establishes requirements for public access to the proceedings; and

- Provides for public participation in proceedings in which public participation is provided as a matter of practice or as required by statute.

The Advisory Committee recognizes that the use of technology to conduct public proceedings can take many forms and is evolving as technology develops and we all learn and adopt new procedures to meet the ever-changing needs. Rather than trying to establish static best practices for remote meetings in statute, the Advisory Committee recommends that there be a concerted and ongoing effort by public entities and the public to identify appropriate platforms and conduct that meet and advance the purposes of the FOAA: that the actions of government officials be taken openly and their deliberations be conducted openly. The Advisory Committee encourages members of the public as well as state and local government entities to share with us their experiences and suggestions as to how those best practices can be effectively communicated and adopted statewide. The Advisory Committee believes these best practices should include, in addition to the statutory minimum requirements already mentioned, the following:

- Be aware of the population served by the public body – consider special needs based on age, technology availability and familiarity, language challenges;
- Make sure technology is used that makes the public proceedings accessible to all, including those with disabilities or in need of reasonable accommodations to observe or participate meaningfully; recognize Americans with Disabilities Act (ADA) requirements and guidance;
- Use technology that is generally available statewide and is easy to use; a telephone option should be available for those without internet access;
- Understand the limitations of different platforms and methods, including license limitations with regard to number of attendees and participants and time parameters;
- Consider different frameworks for how meetings are conducted – all remote, hybrid, only public “attends” remotely;
- Consider providing one or more locations from which the public can observe and participate, if authorized, remotely;
- Consider staffing needs to support electronic meetings: staff responsible for establishing and running the online platform, staff helping the public participant troubleshoot, staff managing inbound calls, staff monitoring and reviewing online public comments and questions;
- Online platform etiquette – adopt reasonable requirements for conduct that maintain respect and civility for all involved;
- Provide appropriate cybersecurity safeguards (prevent meeting disruption such as “Zoom-bombing”);
- If a quorum is lost for any reason, technical or otherwise, consider adjourning into an informational meeting with no action taken until the quorum can be reestablished, or adjourn the meeting completely;
- Notice of the public proceeding should include instructions on how the public can observe and participate, if permitted, and should include contact information if members of the public have questions;
- Post the agenda and materials, in ADA accessible formats, before the public proceeding;

- Permit the submission of written comments, questions and testimony where appropriate;
- Voting must be open and transparent and recorded accurately – consider roll call votes; and
- Record and then post the recording of each public proceeding.

With the adoption of enabling legislation and guidance on best practices, the Advisory Committee believes that all public entities will be able to develop written policies to conduct public proceedings remotely in a manner that addresses the needs of each individual public body and its constituents and stakeholders and while maintaining the central principles of openness and transparency embodied in Maine’s Freedom of Access Act.

VIII. FUTURE PLANS

In 2021, the Right to Know Advisory Committee will continue to discuss the ongoing issues identified in this report, including complaints related to misconduct of members of law enforcement. The Advisory Committee will also continue review of certain exceptions in Titles to 12 that were tabled and begin review of the exceptions in Titles 13 to 21-A. The Advisory Committee will also continue to assist the Joint Standing Committee on Judiciary relating to proposed legislation affecting public access. The Advisory Committee looks forward to another year of activities working with the Public Access Ombudsman, the Judicial Branch and the Legislature to implement the recommendations included in this report.

APPENDIX A

Authorizing Legislation: 1 MRSA §411

AUTHORIZING LEGISLATION

TITLE 1 GENERAL PROVISIONS

CHAPTER 13 PUBLIC RECORDS AND PROCEEDINGS

SUBCHAPTER 1 FREEDOM OF ACCESS

§411. Right To Know Advisory Committee

1. Advisory committee established. The Right To Know Advisory Committee, referred to in this chapter as "the advisory committee," is established to serve as a resource for ensuring compliance with this chapter and upholding the integrity of the purposes underlying this chapter as it applies to all public entities in the conduct of the public's business.

2. Membership. The advisory committee consists of the following members:

A. One Senator who is a member of the joint standing committee of the Legislature having jurisdiction over judiciary matters, appointed by the President of the Senate;

B. One member of the House of Representatives who is a member of the joint standing committee of the Legislature having jurisdiction over judiciary matters, appointed by the Speaker of the House;

C. One representative of municipal interests, appointed by the Governor;

D. One representative of county or regional interests, appointed by the President of the Senate;

E. One representative of school interests, appointed by the Governor;

F. One representative of law enforcement interests, appointed by the President of the Senate;

G. One representative of the interests of State Government, appointed by the Governor;

H. One representative of a statewide coalition of advocates of freedom of access, appointed by the Speaker of the House;

I. One representative of newspaper and other press interests, appointed by the President of the Senate;

J. One representative of newspaper publishers, appointed by the Speaker of the House;

K. Two representatives of broadcasting interests, one appointed by the President of the Senate and one appointed by the Speaker of the House;

L. Two representatives of the public, one appointed by the President of the Senate and one appointed by the Speaker of the House;

- M. The Attorney General or the Attorney General's designee; and
- N. One member with broad experience in and understanding of issues and costs in multiple areas of information technology, including practical applications concerning creation, storage, retrieval and accessibility of electronic records; use of communication technologies to support meetings, including teleconferencing and Internet-based conferencing; databases for records management and reporting; and information technology system development and support, appointed by the Governor.

The advisory committee shall invite the Chief Justice of the Supreme Judicial Court to designate a member of the judicial branch to serve as a member of the committee.

3. Terms of appointment. The terms of appointment are as follows.

- A. Except as provided in paragraph B, members are appointed for terms of 3 years.
- B. Members who are Legislators are appointed for the duration of the legislative terms of office in which they were appointed.
- C. Members may serve beyond their designated terms until their successors are appointed.

4. First meeting; chair. The Executive Director of the Legislative Council shall call the first meeting of the advisory committee as soon as funding permits. At the first meeting, the advisory committee shall select a chair from among its members and may select a new chair annually.

5. Meetings. The advisory committee may meet as often as necessary but not fewer than 4 times a year. A meeting may be called by the chair or by any 4 members.

6. Duties and powers. The advisory committee:

- A. Shall provide guidance in ensuring access to public records and proceedings and help to establish an effective process to address general compliance issues and respond to requests for interpretation and clarification of the laws;
- B. Shall serve as the central source and coordinator of information about the freedom of access laws and the people's right to know. The advisory committee shall provide the basic information about the requirements of the law and the best practices for agencies and public officials. The advisory committee shall also provide general information about the freedom of access laws for a wider and deeper understanding of citizens' rights and their role in open government. The advisory committee shall coordinate the education efforts by providing information about the freedom of access laws and whom to contact for specific inquiries;
- C. Shall serve as a resource to support the establishment and maintenance of a central publicly accessible website that provides the text of the freedom of access laws and provides specific guidance on how a member of the public can use the law to be a better informed and active participant in open government. The website must include the contact information for agencies, as well as whom to

contact with complaints and concerns. The website must also include, or contain a link to, a list of statutory exceptions to the public records laws;

D. Shall serve as a resource to support training and education about the freedom of access laws. Although each agency is responsible for training for the specific records and meetings pertaining to that agency's mission, the advisory committee shall provide core resources for the training, share best practices experiences and support the establishment and maintenance of online training as well as written question-and-answer summaries about specific topics. The advisory committee shall recommend a process for collecting the training completion records required under section 412, subsection 3 and for making that information publicly available;

E. Shall serve as a resource for the review committee under subchapter 1-A in examining public records exceptions in both existing laws and in proposed legislation;

F. Shall examine inconsistencies in statutory language and may recommend standardized language in the statutes to clearly delineate what information is not public and the circumstances under which that information may appropriately be released;

G. May make recommendations for changes in the statutes to improve the laws and may make recommendations to the Governor, the Legislature, the Chief Justice of the Supreme Judicial Court and local and regional governmental entities with regard to best practices in providing the public access to records and proceedings and to maintain the integrity of the freedom of access laws and their underlying principles. The joint standing committee of the Legislature having jurisdiction over judiciary matters may report out legislation based on the advisory committee's recommendations;

H. Shall serve as an adviser to the Legislature when legislation affecting public access is considered;

I. May conduct public hearings, conferences, workshops and other meetings to obtain information about, discuss, publicize the needs of and consider solutions to problems concerning access to public proceedings and records;

J. Shall review the collection, maintenance and use of records by agencies and officials to ensure that confidential records and information are protected and public records remain accessible to the public; and

K. May undertake other activities consistent with its listed responsibilities.

7. Outside funding for advisory committee activities. The advisory committee may seek outside funds to fund the cost of public hearings, conferences, workshops, other meetings, other activities of the advisory committee and educational and training materials. Contributions to support the work of the advisory committee may not be accepted from any party having a pecuniary or other vested interest in the outcome of the matters being studied. Any person, other than a state agency, desiring to make a financial or in-kind contribution shall certify to the Legislative Council that it has no pecuniary or other vested interest in the outcome of the advisory committee's

activities. Such a certification must be made in the manner prescribed by the Legislative Council. All contributions are subject to approval by the Legislative Council. All funds accepted must be forwarded to the Executive Director of the Legislative Council along with an accounting record that includes the amount of funds, the date the funds were received, from whom the funds were received and the purpose of and any limitation on the use of those funds. The Executive Director of the Legislative Council shall administer any funds received by the advisory committee.

8. Compensation. Legislative members of the advisory committee are entitled to receive the legislative per diem, as defined in Title 3, section 2, and reimbursement for travel and other necessary expenses for their attendance at authorized meetings of the advisory committee. Public members not otherwise compensated by their employers or other entities that they represent are entitled to receive reimbursement of necessary expenses and, upon a demonstration of financial hardship, a per diem equal to the legislative per diem for their attendance at authorized meetings of the advisory committee.

9. Staffing. The Legislative Council shall provide staff support for the operation of the advisory committee, except that the Legislative Council staff support is not authorized when the Legislature is in regular or special session. In addition, the advisory committee may contract for administrative, professional and clerical services if funding permits.

10. Report. By January 15, 2007 and at least annually thereafter, the advisory committee shall report to the Governor, the Legislative Council, the joint standing committee of the Legislature having jurisdiction over judiciary matters and the Chief Justice of the Supreme Judicial Court about the state of the freedom of access laws and the public's access to public proceedings and records.

APPENDIX B

Membership List, Right to Know Advisory Committee

MEMBERSHIP OF RIGHT TO KNOW ADVISORY COMMITTEE

As of January 1, 2021

Appointments by the Governor

Linda Cohen 4 Tamarack Drive South Portland, ME 04106	Representing Municipal Interests
Kevin Martin Department of Environmental Protection 17 State House Station August, ME 04333	Representing State Government Interests
Eric Stout 15 S. Ridge Dr. Winslow, ME 04901	Member with Experience in Information Technology Issues and Costs in Multiple Areas
Victoria Wallack 1035 Pond Road Mount Vernon, ME 04352	Representing School Interests

Appointments by the President of the Senate

Senator Michael E. Carpenter P.O. Box 1406 Houlton, ME 04730	Senate Member of the Judiciary Committee
Amy Beveridge 10 Stonewall Lane Saco, ME 04072	Representing Broadcasting Interests
Lynda Clancy 156 Main Street Rockport, ME 04856	Representing the Press

APPENDIX C

Recommended Legislation to Amend Certain Provisions of Law in Titles 8 through 12 relating to previously-enacted Public records exceptions

<p style="text-align: center;">RECOMMENDED LEGISLATION TO AMEND EXISTING PUBLIC RECORDS EXCEPTIONS REVIEWED IN TITLES 8 TO 12</p>
--

Sec. 1. **10 MRSA §1107** is amended to read:

§1107. Investigation by Attorney General

The Attorney General upon the Attorney General's own initiative or upon petition of 50 or more citizens of this State, shall investigate all seeming violations of sections 1102-A and 1105 to 1107, all contracts, combinations or conspiracies in restraint of trade or commerce, and all monopolies, and may require, by summons, the attendance and testimony of witnesses and the production of books and papers before the Attorney General relating to any such matter under investigation. The summons must be served in the same manner as summons for witnesses in criminal cases, and all provisions of law relating thereto apply to summonses issued under this section so far as they are applicable. All investigations or hearings thereunder or connected therewith to which witnesses are summoned or called upon to testify or to produce books, records or correspondence are ~~confidential public or private at the choice of the person summoned~~ and must be held in the county where the act to be investigated is alleged to have been committed, or if the investigation is on petition it must be held in the county in which the petitioners reside. Books, records or correspondence produced in response to a summons issued under this section may be disclosed by the Attorney General with the consent of the producing party and in court pleadings or other papers filed in court. The expense of such investigation must be paid from the appropriation provided by Title 5, section 203.

If, upon investigation, it appears to the Attorney General that the laws of this State, including sections 1102-A or 1105 to 1107, have been violated in any respect, the Attorney General shall prosecute the guilty parties and present all available information bearing upon such apparent violation to the proper prosecuting officer of the United States.

Any Justice of the Superior Court may by order, upon application of the Attorney General, compel the attendance of witnesses, the production of books and papers, including correspondence, and the giving of testimony, before the Attorney General in the same manner and to the same extent as before the Superior Court. Any failure to obey such order may be punishable by such court as a contempt.

Sec. 2. **12 MRSA §550-B, sub-§6** is amended to read:

6. Information use. Information collected by the Division of Geology, Natural Areas and Coastal Resources, Maine Geological Survey under this section is subject to Title 1, chapter 13, subchapter 1, ~~unless the well drilling company to whom the information belongs or pertains requests that it be designated as confidential and the bureau has determined it contains proprietary information. For the purposes of this subsection, "proprietary information" means information that is a trade secret or production, commercial or financial information the~~

~~disclosure of which would impair the competitive position of the person submitting the information and would make available information not otherwise publicly available.~~ The Division of Geology, Natural Areas and Coastal Resources, Maine Geological Survey shall make information collected under this chapter available to any federal, state or municipal entity or authorized agent of such entity.

SUMMARY

This draft implements statutory changes recommended by the Right To Know Advisory Committee after reviewing certain existing public records exceptions in Titles 8 to 12.

Section 1 amends a provision relating to books, records or correspondence summonsed in an antitrust investigation. The amendment makes the language consistent with how other exceptions refer to documents that are not subject to disclosure and clarifies that the confidentiality of the records is not tethered to an affirmative option of the person providing the records. The amendment further clarifies that books, records or correspondence produced in response to a summons may be disclosed by the Attorney General with the consent of the producing party and in court pleadings or other parties filed in court.

Section 2 amends a provision relating to water well information collected by the Department of Agriculture, Conservation and Forestry, Bureau of Geology, Natural Areas and Coastal Resources, Geological Survey. The amendment repeals the exception designating as confidential information collected by the Maine Geological Survey at the request of well drilling companies to whom the information pertains if the bureau has determined it contains proprietary information.

APPENDIX D

Public records Exceptions Reviewed in 2020 for which no statutory Change is Recommended

<p style="text-align: center;">Public records exceptions reviewed in 2020: Titles 8 to 12 Recommended to be Continued without Change</p>
--

The following public records exceptions should remain in law as written:

- Title 8, section 270-A, relating to records and information included in application or materials required for issuance of commercial track license
- Title 8, section 300-B, subsection 10, relating to records of child support obligors provided to collect child support from pari-mutuel winnings
- Title 9-A, section 2-304, subsection 2, relating to reports of supervised lenders
- Title 9-A, section 6-105-A, last paragraph, relating to information concerning uniform multistate licensing system provided to Consumer Credit Protection by other jurisdictions
- Title 9-A, section 6-116, relating to the Department of Professional and Financial Regulation, Bureau of Consumer Credit Protection
- Title 9-A, section 6-117, relating to confidential information shared by agencies from other jurisdictions regulating consumer credit
- Title 9-B, section 226, subsection 1, relating to information derived by or communicated to the Bureau of Financial Institutions
- Title 9-B, section 252, subsection 3-A, relating to confidential information shared by agencies from other jurisdictions that regulate financial institutions
- Title 10, section 391, subsection 2, relating to the Small Enterprise Growth Program
- Title 10, section 391, subsection 3, relating to the Small Enterprise Growth Program
- Title 10, section 945-J, relating to the Maine International Trade Center concerning applications and proposals
- Title 10, section 975-A, subsections 2 and 3, relating to the Finance Authority of Maine concerning applications and proposals
- Title 10, section 1107, relating to books, records or correspondence summonsed in an antitrust investigation, at the discretion of the person being investigated
- Title 10, section 1109, subsection 4, relating to information reported to the Attorney General concerning acquisition of gasoline and heating oil assets
- Title 10, section 1188-A, relating to settlement conference discussions under the Maine Motor Vehicle Franchise Board
- Title 10, section 1495-G, subsection 3, relating to payroll processing bonding
- Title 10, section 1675, relating to information received by the Attorney General under the Petroleum Market Share Act
- Title 10, section 1677, relating to the name of retailers or retail outlets in Attorney General report concerning retail outlet concentration under Petroleum Market Share Act
- Title 10, section 8002, subsection 10, relating to information provided to the Commissioner of Professional and Financial Regulation
- Title 10, section 8003, subsection 2-A, relating to information shared with the Office of Licensing and Registration from other regulatory agencies on condition it remain confidential

- Title 10, section 8003-B, subsection 1, relating to complaints and investigations and client records of boards and commissions within or associated with the Department of Professional and Financial Regulation
- Title 10, section 8003-B, subsection 2-A, relating to complaints and investigations and client records of boards and commissions within or associated with the Department of Professional and Financial Regulation
- Title 10, section 9012, subsection 1, relating to information provided to the Department of Professional and Financial Regulation, Manufactured Housing Board
- Title 10, section 9202, subsection 1-B, relating to records of the Northern Maine Transmission Corporation (same language as Title 10, section 975-A)
- Title 12, section 544-B, subsection 4, relating to the location of a species or natural area
- Title 12, section 549-B, subsection 5, relating to investigatory and exploratory work reported under a mining permit
- Title 12, section 1827, subsection 3, relating to Department of Conservation records concerning camper reservations at state parks
- Title 12, section 8005, subsection 1, relating to Social Security numbers, addresses, telephone numbers, electronic mail addresses of forest landowners owning less than 1,000 acres
- Title 12, section 8005, subsection 2, relating to Social Security numbers, forest management plans and supporting documents of activities for administering landowner assistance programs
- Title 12, section 8005, subsection 4, relating to forest management information designated confidential by agency furnishing the information
- Title 12, section 8423-C, subsection 4, relating to pre-salvage and salvage timber harvest reports
- Title 12, section 8611, subsection 1, relating to addresses, telephone numbers, electronic mail addresses of forest landowners owning less than 1,000 acres
- Title 12, section 8869, subsection 13, relating to forest policy experimental areas
- Title 12, section 8883-B, subsection 8, relating to addresses, telephone numbers, electronic mail addresses of forest landowners owning less than 1,000 acres
- Title 12, section 10110, subsection 1, relating to email address of hunting or fishing license applicant at request of applicant
- Title 12, section 12506, subsection 8, relating to eel, sucker, lamprey and yellow perch harvesting reports
- Title 12, section 12551-A, subsection 10, relating to smelt dealers' reports, including name, location, gear and catch
- Title 12, section 12804, subsection 5, relating to specific information concerning the location of a threatened or endangered species
- Title 12, section 12954, subsection 4, relating to records of purchasers and sellers maintained by hide dealers

APPENDIX E

Recommended Legislation related to 2020 Recommendations

<p style="text-align: center;">RECOMMENDED LEGISLATION RELATED TO 2020 RECOMMENDATIONS</p>

Sec. 1. **1 MRSA §408-A, sub-§8** is amended to read:

8. Payment of costs. Except as otherwise specifically provided by law or court order, an agency or official having custody of a public record may charge fees for public records as follows.

A. The agency or official may charge a reasonable fee to cover the cost of copying.

B. The agency or official may charge a fee to cover the actual cost of searching for, retrieving and compiling the requested public record as follows. ~~of not more than \$15 per hour after the first hour of staff time per request.~~ Compiling the public record includes reviewing and redacting confidential information.

(1) The agency or official may not charge a fee for the first 2 hours of staff time per request.

(2). After the first 2 hours of staff time, the agency or official may charge a fee of not more than \$25 per hour.

C. The agency or official may charge for the actual cost to convert a public record into a form susceptible of visual or aural comprehension or into a usable format.

D. An agency or official may not charge for inspection unless the public record cannot be inspected without being compiled or converted, in which case paragraph B or C applies.

E. The agency or official may charge for the actual mailing costs to mail a copy of a record.

F. An agency or official may require payment of all costs before the public record is provided to the requester.

Sec. 2. **1 MRSA §408-A, sub-12** is enacted to read:

12. Retention of fees or costs. An agency may retain any fees or costs charged under this section.

SUMMARY

This draft makes the following changes.

1. It extends the time period for which an agency or official may not charge a fee for searching for, retrieving and compiling a requested public record from the first hour of staff time per request to the first 2 hours of staff time per request.
2. It increases the fee that may be charged after the first 2 hours of staff time per request for searching for, retrieving and compiling a requested public record from not more than \$15 per hour to not more than \$25 per hour.
3. It specifies that an agency may retain any fee or cost charged.

APPENDIX F

**Recommended Legislation related to 2019 Recommendations not finally
Acted on by 129th Legislature**

**RECOMMENDED LEGISLATION
RELATED TO 2019 RECOMMENDATIONS**

RECOMMENDED LEGISLATION TO CAP COPYING COSTS

Sec. 1. 1 MRSA §408-A, sub-§8, ¶A is amended to read:

A. The agency or official may charge a reasonable fee to cover the cost of copying. A reasonable fee to cover the cost of copying is no more than 10¢ per page for a standard 8½” x 11” black and white copy of a record. A per page copy fee may not be charged for records provided electronically.

Summary

This draft caps the fee to cover the cost of copying at no more than 10¢ per page for a standard 8½” x 11” black and white copy of a record and clarifies that a per page copy fee may not be charged for records provided electronically.

RECOMMENDED LEGISLATION TO AMEND FOAA TRAINING LAW

Sec. 1. 1 MRSA §412 is amended to read:

§412. Public records and proceedings training for certain elected officials and public access officers

1. Training required. A public access officer and an official subject to this section shall complete a course of training on the requirements of this chapter relating to public records and proceedings. The official or public access officer shall complete the training not later than the 120th day after the date the official ~~takes the oath of office to assume~~ assumes the person's duties as an ~~elected~~ official or the person is designated as a public access officer pursuant to section 413, subsection 1.

2. Training course; minimum requirements. The training course under subsection 1 must be designed to be completed by an official or a public access officer in less than 2 hours. At a minimum, the training must include instruction in:

- A. The general legal requirements of this chapter regarding public records and public proceedings;
- B. Procedures and requirements regarding complying with a request for a public record under this chapter; and
- C. Penalties and other consequences for failure to comply with this chapter.

An official or a public access officer meets the training requirements of this section by conducting a thorough review of all the information made available by the State on a publicly accessible website pursuant to section 411, subsection 6, paragraph C regarding specific guidance on how a member of the public can use the law to be a better informed and active participant in open government. To meet the requirements of this subsection, any other training course must include all of this information and may include additional information.

3. Certification of completion. Upon completion of the training course required under subsection 1, the official or public access officer shall make a written or an electronic record attesting to the fact that the training has been completed. The record must identify the training completed and the date of completion. The official shall keep the record or file it with the public entity to which the official was elected or appointed. A public access officer shall file the record with the agency or official that designated the public access officer.

4. Application. This section applies to a public access officer and the following officials:

- A. The Governor;
- B. The Attorney General, Secretary of State, Treasurer of State and State Auditor;
- C. Members of the Legislature elected after November 1, 2008;
- D.
- E. Commissioners, treasurers, district attorneys, sheriffs, registers of deeds, registers of probate and budget committee members of county governments;
