For the month, withholding and estimated payments were below budget, final payments exceeded budget and tax refunds were below budgeted levels (a positive impact on revenue). Corporate income tax revenue was \$37.2 million above budget for April and \$67.4 million (22.7%) above budget for the fiscal year to date. Sales and use tax revenue for April (March sales) was \$3.6 million above budget for the month and \$19.3 million (1.1%) above budget for the fiscal year to date.
