The PRESIDENT: We have as guests in the Chambers this morning, students from the West Sumner school in Oxford County, accompanied by Mrs. Mary Fleming. It certainly is a pleasure to have this group with us. We hope you enjoy your stay and your visit to the State House. We hope you visit the museum and that you are interested in our state government because some day you may be taking your places in the Senate Chamber or the House Chamber.

The Senators from Oxford County are in the Senate Chambers and I would like to take this opportunity to introduce them. Senator Ferguson and Senator Pike. (Applause) I am sure that they will be pleased to accompany you and to tell you the many things you can see and enjoy here in the State House.

The PRESIDENT: Our agenda is very short this morning. Because of the fact that hearings are being held today, we convened this session at 12 o'clock, in the event that there were measures we should take up.
