Dear Senator Conley and Speaker Martin:

In accordance with the provisions of 5 MRSA, Section 1128, the Board of Trustees of the Maine State Retirement System hereby notifies you that a 4% increase in retirement benefits paid to retired state employees, teachers and retirees of certain participating local districts, was authorized effective September 1, 1983. This was a cost-of-living increase. The Consumer Price Index (CPI-U), published by the United States Department of Labor, Bureau of Labor Statistics, increased 2.6% in the twelve month period ending June 1983.

The increase in the cost-of-living allowance paid in excess of 2.6% was paid in accordance with Chapter 529, PL 1983.

If Chapter 529, PL 1983, had not passed, the System would have recognized an actuarial gain of \$12.0 million against its unfunded liability. The SPEAKER: The Chair recognizes the

The SPEAKER: The Chair recognizes the gentleman from Kennebunk, Representative Murphy.

Representative MURPHY: Mr. Speaker, Men and Women of the House: I would like to pose a question through the Chair.

Under this bill that is before us now, in some of the counties all three commissioners will stand for re-election even if some of those districts have not been changed. Will there be any future mechanism to correct that type of inequity that exists within this law?

The SPEAKER: The gentleman from Kennebunk, Representative Murphy, has posed a question through the Chair to anyone who may respond if they so desire.

The Chair recognizes the gentleman from Bangor, Representative Kelleher.

Representative KELLEHER: Mr. Speaker, Ladies and Gentlemen of the House: The question that Mr. Murphy has raised is a question that has been asked by some other members of both this body and in the other, and it is a good question, because the Constitution did not provide that, in fact, when we reapportioned county districts for the first time as we have done it this year, that there would be a problem with commissioners having to rerun again and then two years from now having to stand and run again for their respective term.

This was an issue that was discussed by the bipartisan commission and there was an agreement that there would be a Resolve in to take care of this problem. It is, indeed, a problem, it is something that we had not foreseen ten years ago in dealing with reapportionment but it is something that must be corrected at this session.

There will be an emergency resolve filed, it is now down in drafting, to take care of this problem. Not all counties have it but some of us do have it and my county happens to be one of them and there are several others, so Mr. Murphy's question is legitimate and it must be addressed and the House and other body will address it sometime, hopefully in the next three weeks.

The SPEAKER: The Chair recognizes the gentleman from Lewiston, Representative Jalbert.

Representative JALBERT: Mr. Speaker, I

would like to pose a question through the Chair.

We have in our county a county commissioner who bought a home in Auburn, lives in Auburn and he happens to be the commissioner in my district, which is deep in the heart of Lewiston.

Has the committee been made aware of that and if they have, what is their answer?

The SPEAKER: The gentleman from Lewiston, Representative Jalbert, has posed a question through the Chair to anyone who may respond if they so desire.

The Chair recognizes the gentleman from Bangor, Respresentative Kelleher.

Representative KELLEHER: Mr. Speaker, Ladies and Gentlemen of the House: I don't think the situation that Mr. Jalbert raises in Androscoggin County is unique because I think some of us here in this House and in the other body, but primarily in this House, may find yourself not exactly in the district which you are representing at the moment because of the change.

His question is a good legal question. I assume that all of us that stand for re-election will have to be running from the district for which we are standing. I also assume those who are county commissioners or Senators that will be standing for election will have to and should stand in the district for which they were elected from.

This being an emergency measure and a twothirds vote of all the members elected to the House being necessary, a total was taken. 141 voted in favor of same and 2 against, and accordingly the Bill was passed to be enacted, signed by the Speaker and sent to the Senate.

By unanimous consent, ordered sent forthwith to the Senate.

(Off Record Remarks)

The SPEAKER: The Chair will appoint for tomorrow's session as Speaker pro tem the gentleman from Fairfield, Representative Gwadosky.

On motion of Representative Paul of Sanford.

 $A\dot{d}journed$ until ten o'clock tomorrow morning.
