### INDEX USE

The following abbreviations are used in this index:

Page numbers followed by an h indicate action taken by the House of Representatives.

Page numbers followed by an s indicate action taken by the Senate

Page numbers followed by -c indicate that commentary or debate may be found on those pages.

Explanations are provided below for some common uses of the subject index: tracing the legislative history of a document, locating roll call votes and finding information about and debate by legislators.

### LEGISLATIVE HISTORIES

1. Legislative documents (includes bills, resolves and constitutional resolutions) are listed by L.D. number under the heading Legislative Documents, and also under one or more subject headings. Additionally, constitutional resolutions are listed together under the heading Constitution of Maine
2. Joint communications, Joint orders and Joint resolutions are listed under these headings only. Individual subject headings have been omitted for these categories.
3. House and Senate communications are listed by subject under the headings House of Representatives - Communications and Senate - Communications respectively, and also under the name of the persons signing the communication.
4. House and Senate orders are listed by subject under the headings House of Representatives - Orders and Senate - Orders respectively.

### ROLL CALL VOTES

All House of Representatives roll call votes are listed by subject under Roll Calls, House; Senate roll calls are listed under Roll Calls, Senate. In addition, all roll call votes relating to a certain document are found in the index following the history page numbers for that document.
