STATE OF MAINE
ONE HUNDRED AND NINETEENTH LEGISLATURE
FIRST REGULAR SESSION
JOURNAL OF THE SENATE

In Senate Chamber
Tuesday
March 16, 1999

Senate called to order by President Mark W. Lawrence of York County.

Prayer by Reverend Linwood Bishop of Hope Baptist Church in Manchester.

REVEREND BISHOP: May we join together in prayer. Our Father and our God, we read in Your word that blessed is the nation whose God is the Lord. It gives us boldness to enter freely into Your presence today, this day of deliberation and decision. It is a sacred honor to be chosen to lead Your people. We thank You for the members of this assembly who have accepted this honor and its challenges. We do live in difficult days, recognize our human frailties and ask for Your forgiveness for past failures and call upon You for strength and guidance and wisdom which You have said that You would freely give to those who ask. We remember Solomon of old who asked of You not for power, nor for victory over his enemies, nor even for wealth, but that he might have discernment to judge and to govern the people. So today, our Father, we pray that we may not only follow his example in wisdom and integrity but remember that in addition to answering his prayer You gave him that which he did not ask for, namely wealth and power. Now grant, we pray, divine blessing upon the members of this legislative body as they meet the challenge of the day's business and respond to the pressures that surround them. We thank You that we are bidden to come to You in the name of Your Son, Jesus Christ, and we do and in so doing declare our dependence upon You to match our weaknesses with Your strength, our limitations with Your unlimited grace, mercy and peace through Jesus Christ, Our Lord. Amen.

Pledge of Allegiance led by Senator Joel Abromson of Cumberland County.

Doctor of the day, Sue St. Pierre, D.O., Bangor.

Reading of the Journal of Thursday, March 11, 1999.

Report on the forecast of revenues and expenditures for the General Fund and the Highway Fund for the FY 00-01 biennium and the FY 02-03 biennium in accordance with Title 5, section 1665, subsection 7.

The Bureau of the Budget is pleased to present its four year budget forecast for the General Fund and the Highway Fund for the FY 00-01 biennium and the FY 02-03 biennium in accordance with Title 5, section 1665. This effort was initiated and passed into law by the 117th Legislature as fulfillment of one of the recommendations of the Special Commission on Governmental Restructuring to provide a platform for long term financial planning.

This forecast is based on the current structure of State revenues and expenditures for both the General Fund and the Highway Fund using the Governor's budget proposals for the FY 00-01 biennium as presented on January 8, 1999. As such, this product should provide an objective view of revenue and expenditure trends over the long term as a basis for financial

planning and decision making. It is important also to note that the enclosed budget forecast does not reflect any recent change proposals to the original budget submissions for the FY 00-01 biennium nor the assumption of any revenue rejections from the Revenue Forecasting Committee beyond those presented on December 4, 1998.

ORDERS

Joint Resolution

On motion by Senator MITCHELL of Penobscot (Cosponsored by Representative PLOWMAN of Hampden and Senator CAREY of Kennebec, Senator CATHCART of Penobscot, Senator DAVIS of Piscataquis, Senator MICHAUD of Penobscot, Senator MURRAY of Penobscot, Representative CAMPBELL of Holden, Representative DAVIDSON of Brunswick, Representative MURPHY of Kennebec) (Approved for introduction by a majority of the Legislative Council pursuant to Joint Rule 214.), the following Joint Resolution:

S.P. 650

JOINT RESOLUTION MEMORIALIZING THE CONGRESS OF THE UNITED STATES TO INCREASE INTERSTATE TRUCK WEIGHT LIMITS

WE, your Memorialists, the Members of the One Hundred and Nineteenth Legislature of the State of Maine, now assembled in the First Regular Session, most respectfully present and petition the President of the United States and the United States Congress, as follows:

WHEREAS, the issue of interstate truck weight limits is of great concern for a number of reasons; and

WHEREAS, economic development interests in northern and central Maine are increasingly frustrated at their loss of transportation productivity due to the disparity in weight limits between the state highways and the Interstate Highway System; and

WHEREAS, this disparity has resulted in the diversion of heavy through trucks from the Interstate Highway System to more congested State highways, raising safety concerns in the Legislature and in municipal groups. A fatal crash on Route 9 in Dixmont and a fuel truck crash in Augusta have further raised concern; and

WHEREAS, an increase in the interstate gross vehicle weight limit for 6-axle combination vehicles, from 80,000 pounds to between 90,000 and 95,000 pounds, is supported by an engineering review that was recently conducted by the Maine Department of Transportation; and

WHEREAS, a recommendation to increase interstate weight limits is also supported by the Maine State Police, the Maine Department of Economic and Community Development, the Maine Turnpike Authority, the Maine Better Transportation Association, the Maine Chamber and Business Alliance and the Maine Motor Transportation Association; now, therefore, be it

RESOLVED: That We, your Memorialists, request that the President of the United States and the United States Congress amend federal law to increase the interstate gross vehicle weight limits for 6-axle combination vehicles to between 90,000 and 95,000 pounds and maintain the current freeze on longer combination vehicles; and be it further

RESOLVED: That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the Honorable William J. Clinton, President of the United States; the President of the United States Senate; the Speaker of the House of Representatives of the United States and each member of the Maine Congressional Delegation.
