Representative MARLEY of Portland moved that the House **ACCEPT** the Majority **Ought Not to Pass** Report.

The SPEAKER: The Chair recognizes the Representative from Wells, Representative Collins.

Representative COLLINS: Thank you Mr. Speaker. Mr. Speaker, Ladies and Gentlemen of the House. As you will note on page 16 of your daily calendar, myself, yours truly, and the good Representative from Ripley Representative Thomas, voted in favor of this legislation. I would like to speak briefly to my reasons behind it. President Reagan - former President Reagan - who passed away last year was a well-respected leader of our nation. He was respected by all parties, all political persuasions. I felt as though, in commemoration of former President Reagan, we should somehow have some kind of significant observance of his being president. That was the reason why I voted in favor of the legislation. Mr. Speaker, although we are very busy today, I would request a roll call on this.

Representative COLLINS of Wells **REQUESTED** a roll call on the motion to **ACCEPT** the Majority **Ought Not to Pass** Report.

More than one-fifth of the members present expressed a desire for a roll call which was ordered.

The SPEAKER: The Chair recognizes the Representative from Portland, Representative Marley.

Representative MARLEY: Thank you Mr. Speaker. Mr. Speaker, Ladies and Gentlemen of the House. I appreciate the good Representative from Wells and his passion for this. The committee had several discussions on this and one example was that we considered naming it the Margaret Chase Smith Memorial Highway. Really we felt that if we were going to honor someone it should be a distinguished Mainer, but then it opened up - which Mainer do we recognize, there are so many - Senator Mitchell, Cohen. I liked Margaret Chase Smith. I actually, in my first term, bought about a hundred of these children's workbooks. I believe it was the Litchfield Elementary School who did a nice project on Margaret Chase Smith. I actually take them every time

I read to an elementary school and share them with them, because Margaret Chase Smith is a hero of mine. If we were going to do it the committee felt it should really be a Mainer. There are some fiscal costs so as you can see the committee chose not to pass the bill. While respectfully we disagree with the good Representative from Wells, it certainly was not out of any disrespect to President Reagan. Thank you.

The SPEAKER: A roll call has been ordered. The pending question before the House is Acceptance of the Majority Ought to Pass Report. All those in favor will vote yes, those opposed will vote no.

ROLL CALL NO. 69
