STATE OF MAINE
ONE HUNDRED AND TWENTY-THIRD LEGISLATURE
FIRST REGULAR SESSION
JOURNAL OF THE SENATE

In Senate Chamber
Tuesday
January 30, 2007

Senate called to order by President Beth Edmonds of
Cumberland County.

Prayer by Reverend Michelle Grube, of Peoples United Methodist
Church in Union.

REVEREND GRUBE: Let us pray. To You, oh Devine One from
whose hands come the work of creation so artfully designed, we
pray that this work that these Senators are about to do may be
done in companionship with You. May the work that these Your
servants soon begin, sing praise to You as songbirds do. May
the work that these Senators will soon begin add to the light of
Your presence because it is done with great love. May the work
that these lawmakers will soon begin speak like a prophet of old
of Your dream of beauty and unity. May the work of these
gathered here today will soon begin be a shimmering mirror of
Your handiwork in the excellence of its execution, in the joy of
doing it for its own sake, in the poverty of ownership of it, in their
openness to failure or success, in their invitation to others to
share in it, and in its bearing of fruit for their world. May these
Senators be ware that through this work they draw near to You.
We come to You, Beloved, with ready hands and hearts open.
Amen.

Pledge of Allegiance led by Senator Bill Diamond of Cumberland
County.

Re: Child Support Enforcement License Revocation Report:
January 1, 2004 through December 31st, 2006

Dear Senate President Edmonds:

In accordance with 19-A MRSA § 2201(15) and 2202(12) the Department of Health and Human Services, Office of Integrated Access and Support, Division of Support Enforcement and Recovery (DSER) is responsible for reporting biennially to the Legislature and the Governor regarding the license revocation process. In 1993, the elements of the Report were formulated at the Legislative Session prior to the actual implementation of the process. Unfortunately, the information required by statute does not reflect how the law is applied today. The attached License Revocation Report best reflects the actual process, and gives an accurate portrayal of how DSER uses this law, and the periodic results. Also attached hereto is a national study completed by the Office of the Inspector General regarding the effectiveness of several States' license revocation laws.

For Professional and Recreational Licenses:

Requirement #1:

The following is a Report of the number of support obligors identified as holding licenses subject to this section. DSER must precede all enforcement actions by sending a Notice of Debt to all non-custodial parents. The Notice of Debt confirms the amount of support ordered and unpaid balances owed; and it lists the various types of enforcement remedies available to DSER to compel compliance with child support collections. For

the reporting period ending December 31, 2006, DSER had an obligated caseload of 57,305. All of these cases become immediately eligible for license revocation if all steps have been unsuccessful to collect support, and there have been no payments in the last 60 days. DSER does not identify individual licenses that are held, but rather contacts all licensing agencies within Maine asking that all licenses held by non-paying non-custodial parents be suspended.

Requirement #2:

The following is a Report of the number of support obligors identified by the Department who are not in compliance with an order for support. During this reporting period, DSER suspended 5,569 professional business and recreational licenses of individuals who were not in compliance with their orders for support. Each case is reviewed individually to make certain it meets the requirements for suspension as provided by statute.

Requirement #3:

The following is a Report of the number of enforcement actions taken by the Department and the results of those enforcement actions. DSER records show 5,569 professional business and recreational licenses were suspended by licensing agencies in Maine. At the request of DSER 3,425 licenses were reinstated as a result of payment agreements entered into by non-custodial parents. It is important to note that future noncompliance with a payment agreement may result in immediate suspension of all licenses held by the nonpaying obligor.

For Drivers Licenses:

Requirement #1:

The following is a Report of the number of notices served upon obligors by the Department. DSER issued in excess of 13,200 Notices of Debt during this reporting period. This number combined with DSER's obligated caseload is now the eligible caseload for drivers' licenses suspension. More than 6,651 drivers' licenses were suspended as a result of actions by DSER during this reporting period.

Requirement #2:

The following is a Report of the number of obligors served notice under this section who requested a hearing. DSER and the Office of the Administrative Hearings do not track the specific type of hearing request received from non-custodial parents. A poll of regional staff handling these hearings estimate less than 100 hearings were scheduled statewide to address this issue.

Requirement #3:

The following is a Report of the number of hearings held under this section, the results of the hearings, and the number of cases settled without the need for a hearing. DSER estimates that 50 of the scheduled hearings were settled prior to or during the administrative hearing, and the majority of the remainder were abandoned by the non-custodial parents. Several obligors were able to demonstrate circumstances that would warrant reinstatement of suspended licenses. Additionally, 4,267

suspension proceedings were settled shortly after certification, and statements of compliance were issued to the Bureau of Motor Vehicles as a direct result of payment agreements obtained by DSER.

Requirement #4:

The following is a Report of the number of support obligations certified to the Secretary of State for noncompliance with an order for support. 6,651 obligors were certified to the Secretary of State from January 1, 2004 through December 31, 2006 for noncompliance with an order for support.

Requirement #5:

The following is a Report of the costs incurred in the implementation and enforcement of this section and the Department's actions. DSER estimates direct costs under this section to be less than \$100,000 from January 1, 2004 through December 31, 2006.

Thank you for the opportunity to report on this valuable child support enforcement remedy. Our hope is to work together to develop the most informative Report that illustrates the effectiveness of the license revocation process to the child support program.

Sincerely,

S/Stephen L. Hussey
Director
Division of Support Enforcement and Recovery

Joint Orders

Expressions of Legislative Sentiment recognizing:

Charles Pullen, of Oakland, on his retirement from the Oakland Fire Department after 45 years of service, the last 25 years as Chief. Chief Pullen comes from a family that has served at the Oakland Fire Department for seven generations: Grandville D. Pullen helped found the department in 1880; Charles's father, Ed Pullen, was also the Fire Chief for 25 years; and Charles's son, Chuck Pullen, is currently a member of the department. Chief Pullen contributed to many changes at the Oakland Fire Department over the years, including the automatic mutual aid program that he helped put into place, which enables fire departments in the surrounding areas to come to one another's assistance. He also oversaw the creation of Oakland's second fire station, which was built on Oak Street in 1995. We congratulate Chief Pullen on his retirement and his immeasurable contributions to the community over the years and send him our best wishes for a prosperous future;
