**STATE OF MAINE
ONE HUNDRED AND TWENTY-THIRD LEGISLATURE
FIRST REGULAR SESSION
JOURNAL OF THE SENATE**

In Senate Chamber
Wednesday
May 23, 2007

Senate called to order by President Beth Edmonds of Cumberland County.

Prayer by Senator Christine R. Savage of Knox County.

SENATOR SAVAGE: Good morning. Please join me in prayer. Heavenly Father, we thank You for the many blessings You have given us. We thank You for our freedoms that so many around the world do not have. As Memorial Day approaches, our thoughts and prayers go to those who have served and continue to serve to protect those freedoms. Please, dear Lord, protect our military and their families. As we look out today at the beauty that surrounds us, remind us that it is only one of God's many creations. We take so much for granted. Help us to slow down, to give thanks for the blue skies, sunshine, green grass, and flowers. Father, as our decisions become more difficult, guide us so that we think not of ourselves but of others who depend on us. Give us the strength to do what is right and just for all Your people, that their lives will be made better by our decisions. Father, as the days get long forgive us for the times when we become impatient with others. Dear God, there are so many around us who are hurting. Give them Your strength and the love they need to carry them through the days ahead and grant that we may work in harmony and friendship, as brothers and sisters, created in Your image, to Your honor and praise. Amen.

PAPERS FROM THE HOUSE

Joint Resolution

The following Joint Resolution:

H.P. 1346

**JOINT RESOLUTION MEMORIALIZING THE PRESIDENT OF
THE UNITED STATES AND THE UNITED STATES CONGRESS
TO FULLY APPROPRIATE THE MONEY FOR RADIOACTIVE
WASTE MANAGEMENT**

WE, your Memorialists, the Members of the One Hundred and Twenty-third Legislature of the State of Maine now assembled in the First Regular Session, most respectfully present and petition the President of the United States and the United States Congress as follows:

WHEREAS, a nuclear-powered electric generation facility was located in Maine at Wiscasset's Bailey Point; and

WHEREAS, spent nuclear fuel and greater-than-class-C, high-level radioactive waste is currently being stored in Maine in dry casks 300 yards from the coastal tide of the Sheepscot River, at only 21 feet above sea level; and

WHEREAS, dry cask storage is now being required at the Maine Yankee interim storage site well after the expiration of its license to produce electricity; and

WHEREAS, continued storage of high-level radioactive spent nuclear fuel and greater-than-class-C, high-level waste in dry casks at the Wiscasset site is not in the best interests of the citizens of that community, nor of the State of Maine; and

WHEREAS, the federal Nuclear Waste Policy Act of 1982 established a national policy that the Federal Government is responsible for safe, permanent disposal in a geologic repository of all high-level radioactive waste, including spent nuclear fuel from commercial power reactors and greater-than-class-C waste, as well as military nuclear waste; and

WHEREAS, the 109th Congress failed to enact a budget for the nuclear waste disposal program for the current fiscal year and took no action on proposed legislation to reform the federal Nuclear Waste Fund to provide more reliable financing of the repository program; and

WHEREAS, the Federal Accountability for Nuclear Waste Storage Act of 2007 (S.784) has been introduced in this Congress, requiring the Federal Government to assume legal ownership of all spent nuclear fuel in the country; and

WHEREAS, the ratepayers of nuclear energy, including Maine, have paid an estimated \$19,000,000,000 into the federal Nuclear Waste Fund for the proper disposal of nuclear waste since 1983, and the ratepayers of nuclear energy pay into the Nuclear Waste Fund at least \$750,000,000 each year for the purpose of a national repository; and

WHEREAS, the United States Department of Energy now affirms it cannot initiate retrieval of repository waste for disposal any sooner than 2017 at the very earliest, 19 years past the federal Nuclear Waste Policy Act of 1982 statutory mandate date for initiating retrieval, and the Department of Energy's Office of Civilian Radioactive Waste Management will need full funding to submit a construction application to the United States Nuclear Regulatory Commission by June 2008; and

WHEREAS, the United States Nuclear Regulatory Commission requires a minimum of 3 years to review such an application; and

WHEREAS, in order to meet the 2008 license application milestone, the President's budget for fiscal year 2008 requests \$202,500,000 from the Nuclear Waste Fund and \$292,000,000 from the Defense Nuclear Waste Disposal appropriation to achieve these goals; now, therefore, be it

RESOLVED: That We, your Memorialists, respectfully urge and request that the United States Congress fully appropriate the \$494,500,000 budget request for the civilian radioactive waste management program; and be it further

RESOLVED: That Congress should enact legislation that will ensure repository appropriations to match annual Nuclear Waste Fund fee revenue collected from ratepayers for this specific purpose, and ensuring the future availability of any and all surplus for its intended purpose; and be it further

RESOLVED: That the Legislature of the State of Maine opposes the proposed Federal Accountability for Nuclear Waste Storage Act of 2007 and any proposal for the Federal Government to take title to spent nuclear fuel in this State if the effect of such an action would be that spent nuclear fuel would be kept in Maine without any protection from its long-term effects on the State's population and from acts of intrusion that would endanger the State's environmental and economic well-being; and be it further

RESOLVED: That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the Honorable George W. Bush, President of the United States, to the President of the United States Senate, to the Speaker of the United States House of Representatives and to each Member of the Maine Congressional Delegation.

Comes from the House, **READ** and **ADOPTED**.
