**STATE OF MAINE
ONE HUNDRED AND TWENTY-THIRD LEGISLATURE
SECOND REGULAR SESSION
JOURNAL OF THE SENATE**

In Senate Chamber
Thursday
January 24, 2008

Senate called to order by President Beth Edmonds of
Cumberland County.

Prayer by Pastor Karen Garcia of United Methodist Church in
New Sharon.

PASTOR GARCIA: Good morning, President Edmonds,
Senators and distinguished guests. Thank you for the opportunity
to come and offer the pray as you open this day of discussion and
debate. Each week as our church community offers prayers
during worship we ask not only for God's intervention in the
troubling places in our lives but we also give thanks for the many
blessings and reasons we have to celebrate. We believe that
with thankful hearts we acknowledge the good things in our lives
even as we ask God's help with what concerns us and we
acknowledge our role in doing God's work in our world each day.
With those thoughts in mind, let us be in the spirit of prayer.

Good and gracious God, we have many reasons to be
thankful this day. When so many others battle with injuries and
illness, we have our health. While others are lonely, we have the
love of friends and family. While others are cold, we have oil for
the furnace or wood for the wood stove. While others are hungry,
we have leftovers in the refrigerator. While others are
unemployed, we have work that is challenging and meaningful.
While others are homeless, we have a place to hang our hats.
While others live in poverty, we have a few dollars to spare.
While others have unstable governments, we have a system that
works. While others have war in their backyards, we are safe in
ours. For these things and so much more, we give you thanks,
good and gracious God. Yet we know that even as we enjoy
these blessings, they are cause for great concern for so many in
our world. There are still people who are sick, cold, hungry,
lonely, unemployed, homeless, poor and at war. We ask for your
help in bringing healing to those who suffer this day, bringing
comfort to those who are in need and bringing stability to those
who live in chaos day after day and use our God given gifts to
make change for the better in our world today. Bless our work so
that others may also be blessed. For that is our calling and our
mission for today. Amen.

Reported that the same **Ought to Pass**.

Report **READ** and **ACCEPTED**.

READ ONCE.

THE PRESIDENT: The Chair recognizes the Senator from Hancock, Senator Damon.

Senator **DAMON:** Thank you, Madame President, men and women of the Chamber. I want to just tell you about this particular bill, which would seem innocuous and you wonder why it would come before us because in essence it allows the Maine Turnpike Authority, at its various service centers along its highway, to sell products made or grown in Maine or products that promote Maine. It almost seems like a no-brainer, doesn't it? That's what we thought in the Transportation Committee when this bill came before us. In fact, the Maine Turnpike Authority is very heavily regulated by its rules of incorporation, its charter. It has determined that if a specific item is not spelled out in that, and it's a narrow interpretation, they cannot do it. That charter does not specifically name Maine made products or products that promote Maine. They have come before us, the committee unanimously agreed and I would certainly hope that the Senate would unanimously agree that they could be able to do this. It will show itself first in the new service plaza that is being constructed between the Maine Turnpike and the intersection of Interstate 95 in West Gardiner. There will be a fairly elaborate service center plaza there and the area within that location is going to be designated for these products and then those same products will be moved to other locations along the highway. I would urge your support and I actually am quite pleased that the Turnpike Authority is taking this step to help promote Maine made products. Thank you, Madame President.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Bromley.

Senator **BROMLEY:** Thank you, Madame President, men and women of the Senate. I won't add much to this except to say this sort of initiative was started by the Director of Tourism. I want to point out particularly how pleased we are with the collaboration between the Department of Agriculture, the Department of Conservation and the Department of Transportation. Any of you who chair committees, if there are such opportunities to do this sort of thing, which is fiercely promoting Maine and Maine products, that we are very interested in the BRED Committee and the Tourism Committee and will entertain any and all ideas. This is a good thing for us all to talk about. Thank you.

(In Senate, January 24, 2008, Reports **READ**.)

On motion by Senator **WESTON** of Waldo, supported by a Division of one-fifth of the members present and voting, a Roll Call was ordered.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Strimling.

Senator **STRIMLING:** Thank you, Madame President. I rise in support of the pending motion and just to let my colleagues know this bill actually has been in the legislature for quite some time as we've been trying to pass it over the years. There was some concern initially that we might be the first state to do it but all other New England states at this point have passed a very similar law. This is just to protect workers on the job and to make sure that we have in place a law that anybody who receives a government contract of over \$100,000 does a basic level of training for the workers to protect them. Every other state, including New Hampshire, has now passed a very similar law. Some of them actually have a lower threshold than what we have done. This is an important safety law for the workers of the state of Maine and I encourage my colleagues to support it. Thank you, Madame President.

THE PRESIDENT: The pending question before the Senate is the motion by the Senator from Cumberland, Senator Strimling to Accept the Minority Ought to Pass as Amended Report. A Roll Call has been ordered. Is the Senate ready for the question?

The Doorkeepers secured the Chamber.

The Secretary opened the vote.
