### SPECIAL SENTIMENT CALENDAR

In accordance with House Rule 519 and Joint Rule 213, the following item:

#### Recognizing:

The Red Barn, a restaurant in Augusta, which has received a 2017 Restaurant Neighbor Award from the National Restaurant Association for its outstanding community service. We extend to everyone at The Red Barn our congratulations and best wishes;

(HLS 453)

Presented by Representative BRADSTREET of Vassalboro. Cosponsored by Senator KATZ of Kennebec, Representative DOORE of Augusta, Representative POULIOT of Augusta.

On **OBJECTION** of Representative BRADSTREET of Vassalboro, was **REMOVED** from the Special Sentiment Calendar.

#### READ.

The SPEAKER PRO TEM: The Chair recognizes the Representative from Vassalboro, Representative Bradstreet.

Representative **BRADSTREET**: Madam Speaker, Ladies and Gentlemen of the House, I'd like to offer my congratulations to Laura Benedict and The Red Barn Restaurant for being awarded the Restaurant Neighbor Award by the National Restaurant Association. This is an honor that's well deserved. The Red Barn is famous for its chicken baskets, clam snacks, lobster rolls, seafood chowder, and homemade whoopee pies, along with a host of other menu items, along with its friendly and helpful team of workers. But when you go by there, as I do almost every morning on the way here, you notice that the sign doesn't say anything about specials of the week or today's featured selections but rather the name of the next fundraiser that The Red Barn will be hosting. Over the years, Laura and the Red Barn have helped raise literally hundreds of thousands of dollars and it's even well over a million dollars now. For such benefits as the YMCA, Teacher Appreciation Day, Honor Flight Maine, Project Graduation for various local high schools in Eastern Maine, to name just a few. They have also helped families that have been burned out of their homes or facing serious illnesses or just plain having a hard time. People from all over the area look forward to the next charitable event at The Red Barn so

they can also participate. How many places do you know of where they have to use parking attendants at a fundraiser? Well, they do at the Red Barn. Laura's personal story of overcoming hardship, setbacks, and other obstacles is an inspiring one. Her hard work, perseverance, courage, and faith are so compelling that she's been featured in NBC Nightly News with Lester Holt and the *Boston Globe* has recently been in the town to check out what's been going on at the Red Barn. Laura's dedication to helping those in need, her willingness to use her business to make life better for others and her generosity of spirit clearly merit this achievement for this award. It is much deserved. I'd like to add, often times, here in the House when we are looking for people to support us, our views, we ask others to follow our red light. Today, I'm asking you to follow my path to the Red Barn. Thank you.

The SPEAKER PRO TEM: The Chair recognizes the Representative from Hallowell, Representative Warren.

Representative **WARREN**: Thank you, Madam Speaker. Madam Speaker, Women and Men of the House, although The Red Barn is located in Augusta, the owner Laura Benedict lives in Hallowell. So, I would be remiss without standing up and congratulating her on this sentiment, but also thanking her for all of the amazing work that she does for our little league teams and all of the community groups. So, just, Laura, thank you so much.

SPEAKER PRO TEM: The Chair recognizes the Representative from Eagle Lake, Representative Martin.

Representative **MARTIN**: Thank you, Madam Speaker. Members of the House, I want to add my words to the tremendous job that they do for everyone in Central Maine. I wish we had something like that in Aroostook County. And I was not surprised this week to see that they've added because of the tremendous desire, need of parking space, they've added a new parking area to the area. So, my congratulations to them.

The SPEAKER PRO TEM: The Chair recognizes the Representative from Augusta, Representative Pouliot.

Representative **POULIOT**: Thank you, Madam Speaker Pro Tem. So, next Tuesday and Wednesday I think that we were given authorization from the presiding officers to do our committee luncheons and I would like to encourage you all to consider going to The Red Barn if you haven't done your committee luncheon yet as a place to do that. They've got some tremendous outdoor seating. You can even try the Crustacean Elation which is a foot-long lobster roll that's absolutely loaded with lobster meat. I'm sure you'll all love it. So, again I would encourage you to go to the Red Barn. It's just across the river down Riverside Drive, not a far drive from here for a place to do your committee luncheon. And, thank you, Laura.

The SPEAKER PRO TEM: The Chair recognizes the Representative from Gardiner, Representative Grant.

Representative **GRANT**: Thank you, Madam Speaker Pro Tem and I would be remiss if I didn't thank Laura and the folks at The Red Barn, because they do so many good works, as has been mentioned for nonprofits as well in my community in Gardiner and Farmingdale. And, I don't know what some of our local groups would do without that support. So, I want to thank her and I think we are all getting hungry.

The SPEAKER PRO TEM: The Chair recognizes the Representative from Waterville, Representative Madigan.

Representative **MADIGAN**: Thank you, Madam Speaker Pro Tem. I would also like to take this opportunity to thank Laura and The Red Barn for all the good they've done in our

communities and I also recommend that you try their seafood chowder, it's amazing.

Subsequently, this Expression of Legislative Sentiment was **PASSED** and sent for concurrence.

The SPEAKER PRO TEM: The Chair recognizes the Representative from East Machias, Representative Tuell.

Representative **TUELL**: Thank you, Madam Speaker. I ask to speak on the record. I request permission to speak on the record.

The SPEAKER PRO TEM: The Representative has requested for unanimous consent to address the House on the record. Hearing no objection, the Representative may proceed on the record.

Representative **TUELL**: Madam Speaker, I would like to welcome some folks from Washington County who made the trek down here today to see how we work, and if we work, and when we work, and what all we do when we're here. These folks made the trek from three hours away, they drove down, probably many of them left at four o'clock this morning, took a day off from their jobs at Downeast Correctional Facility to be here. And, with all of the news around Downeast Correctional Facility, I realize this may not be the time and the venue to say anything on that, but I will tell you that these men and women are incredibly hardworking, incredibly selfless, and giving a lot to our state. I think we have a lot to be thankful for what they and their community does and represents. I think we, as a body here today, said that earlier. Under the hammer, we said it earlier. And, I thank you all for doing that, and I greatly appreciate it, and I think the mantra Downeast is "One day at a time," so I will say, let's take this one day at a time and stand strong Downeast.

Representative HYMANSON of York moved that the House **ACCEPT** the Majority **Ought Not to Pass** Report.

The **SPEAKER PRO TEM:** The Chair recognizes the Representative from York, Representative Hymanson.

Representative **HYMANSON:** Thank you, Madam Speaker Pro Tem, Ladies and Gentlemen of the House. This is a carveout bill for a wonderful school in Scarborough and I wanted to tell you about this because although I'm on the Ought Not to Pass side, because I don't like carveouts, this is a canary in the mine bill for me because this is a story about the behavioral rate study that has just been done by Burns & Associates, an organization in Arizona. It was a vigorous study, we heard a lot about it in HHS. The Department was under no pressure to reduce rates, only to make them right, and we had them say that many, many times. Nonetheless, even though the study was rigorous and extensive and expensive, it misjudged certain circumstances that are unique to our big rural state which has troubles finding a workforce. So, this bill is a carveout, it was a plea from a highly successful and necessary school in Scarborough that will have trouble

making ends meet, and although I voted on the Ought Not to Pass side because I don't like the idea of carveouts, they really are a canary in the mine. So, I ask you to support this motion but ask you also to think about the emails you get from your constituents regarding this rate study. Thank you, Madam Speaker Pro Tem.

The SPEAKER PRO TEM: The Chair recognizes the Representative from Scarborough, Representative Vachon.

Representative **VACHON**: Thank you, Madam Speaker and Ladies and Gentlemen of the House. I would like to thank the good Representative from York for her very, very kind words, and I would like to just state for the record that the Executive Director of the school is a constituent of mine in Scarborough. The school is in New Gloucester. Thank you.

Subsequently, the Majority **Ought Not to Pass** Report was **ACCEPTED** and sent for concurrence.

The **SPEAKER PRO TEM:** The Chair recognizes the Representative from Winthrop, Representative Hickman.

Representative **HICKMAN:** Thank you, Madam Speaker Pro Tem. Women and Men of the House, I rise to oppose this pending motion. There is overwhelming evidence that alcoholism and its attendant societal ills might in fact be the biggest public health crisis that we face in Maine today. We had an extended debate the other day about nips on the side of the road. Those nips are on the side of the road because people are drinking them and driving. And so, I cannot support a bill that would promote increased consumption of alcohol in bulk purchase by families. I couldn't support it in committee; I cannot support it here on the floor of the House. And so, I ask anyone who feels the same way to please join me and vote red. Thank you, Madam Speaker Pro Tem.

Representative **GRANT**: Thank you, Madam Speaker Pro Tem. Ladies and Gentlemen of the House, as a member of the Transportation Committee, I just wanted to advise the House that though this was a unanimous Committee Report and I feel that the Transportation Committee did do its due diligence, understanding that this is for an application for a driver's license and not the driver's license itself. There have been objections raised by other members of the Judiciary Committee for example. And so, I wanted to reassure you that we had done our due diligence but there are some folks who object and I do understand those objections. And so, if you feel that you have those objections, I didn't want you to feel that you are insulting the committee's work. Thank you, Madam.

The **SPEAKER PRO TEM**: The Chair recognizes the Representative from Glenburn, Representative Guerin.

Representative **GUERIN**: Thank you, Madam Speaker, Ladies and Gentlemen of the House. I did just want to mention my opinion and the opinion of some other members of the Judiciary Committee that although there are many wonderful stepparents that would never overrule the biological parent's wishes, in some cases, in broken homes, there are stepparents that can create divisive issues related to the children. And so, I would be supporting sustaining this veto.

Subsequently, after reconsideration, the House proceeded to vote on the question, 'Shall this Bill become a law notwithstanding the objections of the Governor?' A roll call was taken.

The **SPEAKER PRO TEM**: The pending question before the House is 'Shall this Bill become a law notwithstanding the objections of the Governor?' All those in favor will vote yes, those opposed will vote no.

Bill "An Act To Provide Emergency Repair Funding for the Restoration of the Official State Vessel, the Schooner Bowdoin" (EMERGENCY)

(S.P. 37) (L.D. 89)

(C. "A" S-101)

- In Senate, **PASSED TO BE ENGROSSED AS AMENDED BY COMMITTEE AMENDMENT "A" (S-101)**.

TABLED - May 23, 2017 (Till Later Today) by Representative HERBIG of Belfast.

PENDING - **PASSAGE TO BE ENGROSSED**.

On motion of Representative GATTINE of Westbrook, the rules were **SUSPENDED** for the purpose of **RECONSIDERATION**.

On further motion of the same Representative, the House **RECONSIDERED** its action whereby **Committee Amendment "A" (S-101)** was **ADOPTED**.

The same Representative **PRESENTED House Amendment "A" (H-286) to Committee Amendment "A" (S-101)**, which was **READ** by the Clerk.

The SPEAKER PRO TEM: The Chair recognizes the Representative from Dedham, Representative Ward.

Representative **WARD**: Thank you, Madam Speaker. Madam Speaker, I rise in strong support of this bill. The vessels that the Maine Maritime Academy owns and maintains in its training fleet matter tremendously to the success and safety of their students. And their ships and other vessels are no different than a shore-side classroom or industry or laboratory. One, in particular, and the matron of their fleet is the *Bowdoin*, and she began making her mark in history almost 100 years ago when she was built by the Hodgdon brothers in East Boothbay, Maine, in 1921, and launched for Artic exploration, but being 96 years old, she is showing her age and she needs our help. The work that LD 89 would fund is

critical and necessary in order for the *Bowdoin* to continue to operate as a training platform for students pursuing a BS Degree, Bachelor of Science Degree at the Academy, the credentials necessary for vessel operations under the appropriate U.S. Coast Guard license. Now, her rich history, including the years she spent in service during World War II, led to her designation as the official vessel of the State of Maine in 1988 and her recognition as a National Historical Landmark in 1989. The Maine Maritime Academy has maintained this historic vessel and it belongs to us, the people of the State of Maine. And they've done so, they've maintained it for 25 years, primarily through student tuition and private donations, while the State of Maine contributed very little to repairs or maintenance. Now the Academy needs our help. The Majority Report cut in half the original request of this bill and now we have an obligation to our flagship Maritime Academy and our students. Perhaps this was why this bill was passed in committee as amended, strong bipartisan vote. Madam Speaker, if you look at the facade of our gallery, you'll see our official state seal and it optimizes what it means to be from Maine and one of the two figures on that seal is a sailor. Our past and our future is intertwined with the sea. Let's reaffirm that future by keeping our official state sailing vessel afloat for future generations of future Mainers and Maine Maritime Academy students and their mariners. Support our Academy, support our students and vote Ought to Pass on this motion. Thank you.

The SPEAKER PRO TEM: The Chair recognizes the Representative from Newport, Representative Fredette.

Representative **FREDETTE**: Thank you, Madam Speaker, Ladies and Gentlemen of the House. And I agree with the good Representative's comments in regards to the important role that Maine Maritime plays and the history of this particular vessel. Unfortunately, what we have is a spending problem in Maine. I think yesterday we were well over a billion dollars in terms of approved spending and we have other bills out there that are calling for hundreds of millions of dollars of increased spending. And what that does is create a challenge. And the challenge means, is that we can't do any strategic investments as to what are those priorities in the State of Maine that should be taken care of, because we have these other issues out there that are all competing for those same dollars. And so, unfortunately, I can't support this because of the insatiable thirst for spending dollars where, quite frankly, I think they are not strategically needed, and I will have to oppose this motion and I request a roll call.

The same Representative **REQUESTED** a roll call on the motion to **ADOPT House Amendment "A" (H-286) to Committee Amendment "A" (S-101)**.

More than one-fifth of the members present expressed a desire for a roll call which was ordered.

The SPEAKER PRO TEM: The Chair recognizes the Representative from Brooksville, Representative Chapman.

Representative **CHAPMAN**: Thank you, Madam Chair Pro Tem. I just wanted to comment that the schooner *Bowdoin* is actually a teaching tool, that is to say it's used by students in learning the skills at the Maine Maritime Academy, and so the reason for this coming to us outside of the normal budgetary needs of the Maine Maritime Academy is that this represents repair of what was hidden damage to the vessel when it was undergoing some regular repair work. Thank you, Madam Speaker.

The SPEAKER PRO TEM: The Chair recognizes the Representative from Scarborough, Representative Sirocki.

Representative **SIROCKI**: Thank you, Madam Speaker. I just think the members here might be interested to know that this is a repeat bill. The Maine Maritime Academy did not submit this request in their prioritized list. We have several budgetary requests from Maine Maritime Academy to repair other things at the Academy and a baseline increase, and this was not among their list of priorities. Thank you.

The **SPEAKER**: The Chair recognizes the Representative from Brooksville, Representative Chapman.

Representative **CHAPMAN**: Yes, thank you, Madam Speaker Pro Tem, and I apologize for rising a second time but an added piece of information for why this is a repeat bill: There was a little misunderstanding that occurred during the last session and it had to do with what next year means. The phrase "next year" by people in academia means the next academic year starting in September, and it was misinterpreted by members on the committee in the last session to mean the next calendar year and that's what got it tripped up last session. Thank you, Madam Speaker Pro Tem.

On motion of Representative **BATTLE** of South Portland, **TABLED** pending **ADOPTION** of **House Amendment "A" (H-286) to Committee Amendment "A" (S-101)** and later today assigned. (Roll Call Ordered)

**STATE OF MAINE**

**SPEAKER'S OFFICE**  
**AUGUSTA, MAINE 04333-0002**

May 25, 2017

Honorable Robert B. Hunt

Clerk of the House

2 State House Station

Augusta, Maine 04333

Dear Clerk Hunt:

Pursuant to my authority under House Rule 201.1 (H), I appoint Representative Erin D. Herbig of Belfast to serve as Speaker Pro Tem to convene the House on May 25, 2017.

Sincerely,

S/Sara Gideon

Speaker of the House

**READ** and **ORDERED PLACED ON FILE**.

The SPEAKER PRO TEM: The Chair recognizes the Representative from Norridgewock, Representative Farrin, who wishes to address the House on the record.

Representative **FARRIN**: Thank you, Madam Speaker Pro Tem. I promise I did not touch the button before, but this time I did want to rise and I just want to make a mention to all my Colleagues and Ladies and Gentlemen of the House, please remember, you know, from our founding revolution to today's war on terror, nearly 1 million men and women in our armed forces has sacrificed their lives while defending America in time of war. The number of our fallen heroes are not just statistics, they are real people, with real families, who lived in real communities. And this Monday, we best honor their sacrifice by remembering their families, who have lost so much. Long after the battlefield guns have been silenced and the bombs stop exploding, the children of our fallen warriors will be missing a parent. Spouses will be without their partners and parents will continue to grieve their heroic sons and daughters that died way too early. Nobody can replace these fallen heroes, especially in the eyes of their families, but we can assure them that their loved ones' sacrifice will not be forgotten. Americans must remember that freedom isn't free. In fact, it's only possible because of our fallen heroes have paid its high price, a price paid which enables us to enjoy the ceremonies and observances in towns across our great state this coming Monday. So, as we gather on Memorial Day, let us not forget what this day means. It's not about lakes, picnics, or parades; it's a day for all of us to remember. It's a day for us to remember the promise President Lincoln made "to care for him who shall have borne the battle and for his widow and his orphan." Remember our fallen heroes once a year is not enough. The widows, widowers, fathers, mothers, brothers, sisters, and children remember every day. The empty seat at the dinner table, the smaller gathering on Thanksgiving, and the voice of a loved one heard only as a distant memory in one's mind are constant reminders that they are really gone. Memorial Day is our day, and our opportunity, to give them our thanks. So, as a veteran, don't thank me on Memorial Day, you see that day we honor all veterans in November. On Armed Forces Day, we honor the less than one percent among us who continue to serve. It is on Memorial Day we honor and pay homage to a very special group of Americans, those who went to defend our freedoms and our way of life, and in doing so lost their own. On Memorial Day, we honor and thank those who never returned, those who gave the last full measure. So please, take a few moments on Monday wherever you find yourselves across this great state and our communities and thank those who paid the ultimate sacrifice. Thank you, Madam Speaker.

---

The SPEAKER PRO TEM: The Chair recognizes the Representative from Portland, Representative Collings, who wishes to address the House on the record.

Representative **COLLINGS**: Thank you, Madam Speaker Pro Tem. For the record, had I been present at the beginning of the session I would have voted on the prevailing side of Divided Report 6-1, LD 377. Thank you.

By unanimous consent, all matters having been acted upon were **ORDERED SENT FORTHWITH**.

On motion of Representative FARRIN of Norridgewock, the House adjourned at 12:16 p.m., until 9:30 a.m., Tuesday, May 30, 2017, pursuant to the Joint Order (S.P. 572) and in honor and lasting tribute to our fallen veterans.
