**STATE OF MAINE
ONE HUNDRED AND TWENTY-EIGHTH LEGISLATURE
SECOND REGULAR SESSION
JOURNAL OF THE SENATE**

In Senate Chamber
Wednesday
April 4, 2018

Senate called to order by President Michael D. Thibodeau of
Waldo County.

Prayer by Pastor Kent Allen, First Parish Congregational Church
in Yarmouth.

PASTOR ALLEN: Good morning. Let us be together in the spirit
of prayer. O Holy and Gracious God, we give You thanks for the
gift of this day and for another chance for us to work towards
helping the world to become as You would have it be. We give
You thanks for the freedom that we share and for democracy
where Your beloved are all encouraged to live out their dreams
and to live full lives. We pray Your special blessing on this Body.
We pray that these Senators might be blessed with courage as
they face difficult decisions. Give them wisdom to know what is
right for the common good. Give them wisdom that they might be
patient with one another and with a process that is sometimes
slow. May they seek solutions rather than victories, work towards
compromise rather than divisions, and through it all have a sense
of how precious this life really is. May all that is done this day be
done for Your greater glory and honor. We offer this prayer in
Your many names. Amen.

Pledge of Allegiance led by Senator Brian D. Langley of Hancock
County.

**JOINT RESOLUTION
RECOGNIZING THE STATE'S CREDIT UNIONS**

WHEREAS, Maine's credit unions are member-owned and
member-operated financial cooperatives with an unwavering
commitment to serving the needs of their members and
communities. The nonprofit structure of credit unions provides
each member with an equal voice and representation in the
operations of the credit union. Serving members in all 16 Maine
counties and in every community, Maine's credit unions are
focused on the needs of their member owners with the primary
purpose of benefiting the nearly 700,000 Maine consumers who
use credit unions; and

WHEREAS, the economic benefit that Maine's credit unions
provide to Maine consumers is approximately \$50,000,000
annually, as a result of lower and fewer fees on products and
services, lower interest rates on loans and higher interest rates on
savings; and

WHEREAS, Maine is ranked as the nation's 5th strongest
credit union state based on the percentage of population that
uses a credit union, a position Maine has held for 15 consecutive
years, and credit unions serve more than half the residents of the
State; and

WHEREAS, the 2,250 full-time and part-time employees of Maine's credit unions and the more than 1,000 unpaid volunteers who serve on credit union boards and committees demonstrate the core credit union values, philosophy and mission of people helping people by contributing to the communities they serve, not just with financial services but by fostering a spirit that strengthens communities; and

WHEREAS, since 1990 Maine's credit unions and their members have raised over \$8,000,000 to help end hunger in Maine, including a record-setting \$740,000 in 2017. One hundred percent of all money that is raised through the Maine Credit Unions' Campaign for Ending Hunger stays in Maine and goes directly to assist thousands of Maine families and individuals who otherwise would go hungry. In addition to contributing thousands of dollars to food pantries in communities across the State, Maine's credit unions also help to provide funds for statewide initiatives to help end hunger, such as being the primary source of funding for the State's first Food Mobile, which has delivered more than 5,200,000 pounds of food to food pantries in every Maine county since 2005; and

WHEREAS, in partnership with the Good Shepherd Food Bank, Maine's credit unions, as major supporters of the Backpack Program and the School Pantry Program, have demonstrated a renewed commitment to ending childhood hunger. The support of Maine's credit unions has helped these programs to grow to serve more than 120 schools and more than 3,500 students weekly and to provide significant help to the one in 4 Maine children who might otherwise go hungry; and

WHEREAS, in 2017 Maine's credit unions contributed more than \$2,500,000 to a variety of causes and organizations, including financial literacy programs such as Youth Financial Fitness Fairs, which were delivered to a record-setting 20,000 high school students during the past school year, the Maine children's cancer program, the Red Cross, Special Olympics and countless organizations in communities across Maine. In the past 15 years, Maine credit unions have contributed more than 450,000 volunteer hours to their communities, an effort that makes a significant and positive impact not only on the organizations that receive this assistance but also on the people who are served by and benefit from the services and resources that they provide; and

WHEREAS, since 1921 Maine's credit unions have been contributing to the betterment of the lives of thousands of Maine people, who have been helped to achieve financial success and stability. Throughout Maine, credit unions continue to play a vital economic and socially responsible role in the lives of individuals and remain a local, significant and stable presence in the communities they serve; now, therefore, be it

RESOLVED: That We, the Members of the One Hundred and Twenty-eighth Legislature now assembled in the Second Regular Session, take this opportunity to recognize the Maine Credit Union League and Maine's credit unions for their positive contributions and the significant role they have played in the lives of Maine citizens and their communities for more than 96 years. Maine is a better place because of the service, dedication and contributions of Maine's credit unions; and be it further

RESOLVED: That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the Maine Credit Union League and its member credit unions.

ORDERS

Joint Resolution

Joint Resolution in Memoriam:

WHEREAS, the Legislature has learned with deep regret of the death of:

Normand "Blackie" Labbe, Sr., of Minot. Mr. Labbe was widely known as the friendly, always-there owner of Blackie's Farm Fresh Produce in Auburn. Mr. Labbe operated his family's store L & C Cash Market on Lisbon Street in Lewiston before selling the business in the 1980s. In 1985, he established a small, seasonal fruit stand on Minot Avenue and soon was selling produce from his 120-acre farm in Minot year-round, full-time. He and his wife, Jackie, had 8 children and took in a number of other children who were troubled, who had difficult childhoods or who had nowhere else to go. Mr. Labbe will be long remembered and sadly missed by Jackie, to whom he was married for 66 years, and by his family and friends and all those whose lives he touched;

Sponsored by Senator BRAKEY of Androscoggin.

DILLINGHAM of Oxford, ESPLING of New Gloucester,
MELARAGNO of Auburn, SHEATS of Auburn.

The Joint Resolution was **READ**.

THE PRESIDENT: The Chair recognizes the Senator from Androscoggin, Senator Brakey.

Senator **BRAKEY:** Thank you, Mr. President. It's with a heavy heart that I rise today to do the best I can to pay tribute to Normand Labbe. For those of us in the community, we all knew him as Blackie. To call him a pillar of the community would not be an understatement. He passed away peacefully at the age of 87 on February 19th surrounded by his loving family. He grew up in Lewiston and attended St. Peter's School until the 8th grade, where he went to work full-time alongside his father at L & C Cash Market on Lisbon Street in Lewiston and he delivered groceries with a horse and wagon prior to going to school each

morning. In 1986 he opened Blackie's Farm Fresh Produce on Minot Avenue in Auburn and then on Sabattus Street in Lewiston. He loved interacting with customers who he called all his friends. He looked forward to going to work at the stand every day. On July 21, 1952 he married his wife, Jackie, in Lewiston. They moved to their farm in Minot where they raised their 8 children and took in many kids needing a place to live. Needless to say, he put them all to work in the garden. He loved to be on his tractors, whether it was giving rides to his grandchildren or pulling his wagon loaded with boxes of tomatoes, corn, pumpkins, and all of the vegetables that he grew, which gave him so much pride. Blackie loved being around people and always said he had a good life. He frequently said he never worked a day in his life because if you're doing what you like it's not work and he always told his employees that the cheapest thing in the world is a smile. Today we're joined by many of his family and friends, including his wife, Jackie. I'll tell you just before the session began I was speaking with many of them and one thing that really struck me: one of his family members told me about the many slips of paper that Blackie kept over the years. They were IOUs for when people came to the stand needing food and they couldn't pay. But he never sought people out to collect on those debts. It was really just an honor system and when she asked him at one point why he never went out and collected on these debts he said, 'You know, people gotta eat and it doesn't affect my lifestyle any and people gotta eat.' That's just the kind of man that Blackie was. I'll tell you the first time I met Blackie was actually just over four years ago. There'd actually been a fire on Christmas Day in 2013 and his family, their 200 year old farmhouse was lost in that fire. It was - it shook the whole community; all the people whose lives that Blackie and his family had touched. The whole community rallied together in support and I came to a bean supper fundraiser in Minot that was being hosted to support him. That's where I met Blackie for the first time. I was actually a first time candidate running for office and introduced myself to him and he asked me, 'What party are you running as?' I said, 'Well, I'm a Republican.' He said, 'Well, I'm a Democrat but I won't hold it against you.' To prove it, he then took me around the entire room and introduced me to all his Republican friends. That's the kind of man Blackie was. I think that every person who knew Blackie has a fond memory like that of him and we are certainly - the whole Androscoggin County community is - feels his loss. But he is a great example of a life very well lived and the impact that he had on so many people's lives I'm sure will be felt not just for years to come but for generations to come. Thank you for the opportunity to speak, Mr. President.

THE PRESIDENT: The Chair recognizes the Senator from Androscoggin, Senator Mason.

Senator **MASON:** Thank you, Mr. President. Mr. President, ladies and gentlemen of the Senate, I just wanted to stand up and talk just for a minute about Blackie and his family. I think that the Senator from Androscoggin, Senator Brakey, did a great job of talking about Blackie's life and legacy he left on Androscoggin County. I just wanted to add a few thoughts. I remember growing up many, many people got their first job working for Blackie either at the farm stand or in the fields of the farm and through Blackie and his family a lot of kids that I grew up with learned the value of hard work and learned the value of a dollar. You know, I actually got to know the Labbe family through the Maniacs and they even took in some rogue hockey players every now and again if I

needed it and anytime that I ever needed anything for a community project I knew that I could go there and it would never be a problem. But you know, Mr. President, this family is the example of the adage that a farmer's table is never full, there's always room for one more. So I express my condolences to the family. I wish them the best and thank you for the legacy that was left for our county and the people that Senator Brakey, Senator Libby, and I represent. Thank you, Mr. President.

The Joint Resolution was **ADOPTED**.

Sent down for concurrence.

THE PRESIDENT: The Chair is extremely pleased to recognize in the Chamber with us today family and friends of Normand "Blackie" Labbe, Sr., along with Normand's wife, Jackie Labbe. Would they all please rise and accept the condolences of the State Senate.

House As Amended

Bill "An Act To Create Mental Health Liaison Positions in Each County Jail"

H.P. 679 L.D. 966
(C "A" H-700)

On motion by Senator **DESCHAMBAULT** of York, the Senate **RECONSIDERED** whereby it **ADOPTED** Committee Amendment "A" (H-700).

On further motion by same Senator, Senate Amendment "A" (S-441) to Committee Amendment "A" (H-700) **READ**.

THE PRESIDENT: The Chair recognizes the Senator from York, Senator Deschambault.

Senator **DESCHAMBAULT:** Thank you, Mr. President. I wish to bring to your attention the L.D. 966. The original title of that bill was An Act to Create Mental Health Liaison Positions in Each County Jail. The amendment that was passed, the title is An Act Regarding Persons with Mental Illness and Substance Abuse Disorders in Jails and Correctional Facilities. Throughout the bill it does talk about correctional facilities. It also mentions developing a council and the original bill had the Commissioner of the Department of Human Services and the Commissioner of Public Safety. Since it now includes correctional facilities, my amendment adds to also include the Commissioner of Corrections. Thank you very much.

On motion by Senator **DESCHAMBAULT** of York, Senate Amendment "A" (S-441) to Committee Amendment "A" (H-700) **ADOPTED**.

Committee Amendment "A" (H-700) as Amended by Senate Amendment "A" (S-441) thereto, **ADOPTED**, in **NON-CONCURRENCE**.

Under suspension of the Rules, Bill **READ A SECOND TIME** and **PASSED TO BE ENGROSSED AS AMENDED BY COMMITTEE AMENDMENT "A" (H-700) AS AMENDED BY SENATE AMENDMENT "A" (S-441)** thereto, in **NON-CONCURRENCE**.

Ordered sent down forthwith for concurrence.

COMMUNICATIONS

The Following Communication: S.C. 956

**STATE OF MAINE
OFFICE OF THE GOVERNOR
AUGUSTA, MAINE**

3 April 2018

The 128th Legislature of the State of Maine
State House
Augusta, ME

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 565, "An Act Regarding the Prescribing and Dispensing of Naloxone Hydrochloride by Pharmacists."

This bill removes a sunset provision in Maine pharmacy law which means that pharmacists will forever be permitted to prescribe and dispense naloxone. The bill also requires the Board of Pharmacy to develop training and prescribing rules for pharmacists who choose to prescribe and dispense naloxone.

The use of naloxone is only one tool in the State's fight against opioid misuse. The Legislature's focus on naloxone as the most important tool is sadly misplaced. As I have asserted in previous veto messages on this subject, to win the fight against abuse of opioids, we must get at the root causes and treatments of addiction, not simply offer the naloxone band aid.

Additionally, this bill is unnecessary because it is redundant. The Board of Pharmacy has already adopted proposed rules relative to the dispensing of naloxone. We do not need more rulemaking on the same subject.

Making it possible for anyone and everyone to obtain naloxone extends the misuse of opioids and is simply bad public policy.

For these reasons, I return LD 565 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Sincerely,

S/Paul R. LePage
Governor

READ and ORDERED PLACED ON FILE.

The accompanying Bill:

An Act Regarding the Prescribing and Dispensing of Naloxone Hydrochloride by Pharmacists

S.P. 183 L.D. 565

THE PRESIDENT: The Chair recognizes the Senator from Androscoggin, Senator Brakey.

Senator **BRAKEY:** Thank you, Mr. President. I will be brief and I rise to ask the Chamber to override the Governor's veto on this legislation, which came through with pretty strong support in the Health and Human Services Committee. All this legislation does is it repeals a sunset that's currently in statute, a sunset on the ability for pharmacists to prescribe and dispense naloxone to individuals so that people don't have to get a separate prescription from a doctor. This helps individuals if a family member or a loved one - you know, if you're a mother or father and you have a child who is struggling with addiction to opiates and you want to have naloxone on hand in case the worst happens. This is simply giving people the freedom to be able to have that on hand. I will say, you know, as someone who is - personally as someone who is pro-life, I think that there is a lesson to be learned from every stupid mistake you make in life, but you have to be alive to learn the lesson. This is about making sure that people can be alive to learn the lesson, to turn their life around, and to get on the right track. So I hope that we will override the Governor's veto today. Thank you very much.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Chipman.

Senator **CHIPMAN:** Thank you, Mr. President. Men and women of the Senate, I concur with my colleague from Androscoggin, Senator Brakey. This bill, the existing naloxone law, there's been a lot of discussion about, it's just now taking effect. It was passed two years ago. Had a sunset on it of July of next year, so this would simply not let that expire. We're going through all the work of rulemaking to implement this law, to have it expire next July makes no sense, and it was unanimous out of Health and Human Services. I believe it passed here unanimous under the gavel and in the House as well. So I ask for your vote on the override. Thank you.

The President laid before the Senate the following: "Shall this Bill become law notwithstanding the objections of the Governor? In accordance with Article IV, Part Third, Section 2 of the Constitution, the vote will be taken by the Yeas and Nays. A vote of yes will be in favor of overriding the veto of the Governor. A vote of no will be in favor of sustaining the veto of the Governor."

The Doorkeepers secured the Chamber.

The Secretary opened the vote.

**STATE OF MAINE
OFFICE OF THE GOVERNOR
AUGUSTA, MAINE**

3 April 2018

The 128th Legislature of the State of Maine
State House
Augusta, ME

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 1772, "Resolve, Directing the Attorney General To Update the Portions of the Consumer Law Guide Pertaining to Implied Warranties."

This bill requires the Attorney General to consult with interested parties and then review and update the Attorney General's Consumer Law Guide by July 1, 2018, as it pertains to implied warranties on consumer goods other than motor vehicles. This resolve is simply not necessary. Appliance companies and other retailers have already notified the Attorney General of their concerns regarding implied warranties. The Consumer Law Guide is a product of the Attorney General's Office. The Attorney General has sufficient resources and staff to review the Guide and determine whether it needs to be clarified.

For this reason, I return LD 1772 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Sincerely,

S/Paul R. LePage
Governor

THE PRESIDENT: The Chair recognizes the Senator from Androscoggin, Senator Brakey.

Senator **BRAKEY:** Thank you, Mr. President. Just a refresher on this bill. The BRAP Program works incredibly well. It's one of only - we're one of only 10 states in the country with a program like this and if it ain't broken, don't fix it. Thank you very much.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Chipman.

Senator **CHIPMAN:** Thank you, Mr. President. Men and women of the Senate, I think we've already had a couple of debates on this, but just to remind folks, BRAP requires recipients to pay 51% of their income in housing - for their housing and that's a very high percentage. It's higher than any other rent program in the country that I know of and this would simply bring in alignment with the federal standard for Section 8, which I believe is 30% of income being paid for rent. These folks have an average income of \$7,500 a year. They don't have a lot of money to work with and this bill would also require them to both apply for federally funded rental assistance and then accept that assistance when their name comes up on the waiting list. We have large waiting lists for Section 8 all around the State. In my municipality it's a 5 year wait. I think up in Bangor it's a 1-1/2 to 2 year wait. I point out that my good friend, the Senator from Androscoggin, Senator Brakey's hometown of Auburn has a wait less of 700 people to get Section 8. So BRAP is just a bridge to get people to Section 8, but the high of 51%, the high percentage of income, is really saddling these very low income residents who have disabilities in most cases. So I ask for your vote against this motion. Thank you.

THE PRESIDENT: The Chair recognizes the Senator from Penobscot, Senator Gratwick.

Senator **GRATWICK:** Thank you, Mr. President. Ladies and gentlemen of the Senate, just - I was curious as I heard about this the last time about the possibility of people going from BRAP to the Section 8 Housing. As of this morning in Bangor, you have to wait about 3-1/2 years to get on the Section 8 Housing in Bangor. So, indeed, the program, BRAP, needs to be improved so it's more affordable for people. Thank you, Mr. President.

THE PRESIDENT: A roll call has been ordered. If you are in favor of accepting the Minority Ought Not to Pass Report you will be voting yes. If you are opposed you will be voting no. Is the Senate ready for the question?

The Doorkeepers secured the Chamber.

The Secretary opened the vote.

Off Record Remarks

Senator **BREEN** of Cumberland was granted unanimous consent to address the Senate on the Record.

Senator **BREEN**: Mr. President, ladies and gentlemen of the Senate, as we may all know, it was 50 years ago today, just after 6 p.m., that Martin Luther King Jr. was fatally shot while standing on the balcony outside his room at the Lorraine Motel in Memphis, Tennessee. The civil rights leader was in Memphis to support a sanitation workers' strike when he was felled at the young age of 39. In the months before his assassination, Martin Luther King became increasingly concerned with the problem of economic inequality in America. He organized the Poor People's Campaign to focus on that issue, including an interracial poor people's march on Washington and, in March 1968, traveled to Memphis in support of poorly treated African-American sanitation workers. On March 28th a workers' protest was led by Dr. King and ended in violence and the death of an African-American teenager. King left the city but vowed to return in early April to lead another demonstration. On April 3rd, back in Memphis, King gave his last iconic, historic speech about reaching the Promised Land and the mountain top. One day after speaking those words Dr. King was shot and killed. Mr. President, I wish I could say that Dr. King's goals and dreams have been achieved in the decades since his premature death but economic indicators show that income inequality has not shrunk but rather grown. The rich are getting richer and the poor are getting poorer across this nation and right here at home in Maine. We, in this Body, can certainly disagree on the underlying causes for these persistent disparities, but I hope we can agree that poverty continues to impair the healthy growth of Maine's children, of their bodies, their brains, and their spirits, and those impairments play out in our communities in so many ways, from higher risk of poor health over a lifetime to low educational attainment and low wage and wealth attainment, to employers across our state who can't find the trained and healthy workforce they need to grow their local businesses, and just as we may disagree on the causes of poverty, we may disagree on the solutions. But I urge all of us, every day, to bring our best intentions and our determination to find common ground, to compromise, and to do our level best to reduce poverty in Maine and to keep the goals of Dr. King alive and well in this Chamber. Thank you, Mr. President.
