January 31, 2019
Honorable Robert B. Hunt
Clerk of the House
2 State House Station
Augusta, Maine 04333

Dear Rob:

Please allow this letter to serve as official notification that I must resign my seat as State Representative of House District 52 (Bath) as of February 1, 2019.

Recently I have been offered a unique career opportunity in the private sector that involves significant travel. This new role makes it impossible to continue to fulfill my responsibilities as State Representative.

Unfortunately, I cannot continue to serve what would be my last term due to term limits. Representing the citizens of Bath in the state legislature has been a great honor that I will always treasure.

Respectfully Submitted,
S/Jennifer DeChant

Re: *An Act to Implement the Recommendations of the Office of Program Evaluation and Government Accountability and the Government Oversight Committee Regarding Quasi-Independent State Entities*

Dear Speaker Gideon:

Enclosed are the reports required under 5 MRSA §12023, due February 1, 2019. The reports include: a list of all procurements in 2018 exceeding \$10,000 for which competitive procurement was waived; a list of contributions made in 2018 that exceed \$1,000. Section 12023(2c) requires a description of changes to the written policies and procedures required by Section 12022. There were no changes to the

policies and procedures required by this section in 2018, therefore, there is nothing to report.

In 2018, the Maine Turnpike Authority made \$99 million in payments to approximately 681 vendors. The vast majority of these payments, approximately \$86 million, were for competitively bid products or services or were legally or legislatively required. The Authority sole-sourced approximately \$12 million in 2018. Most of these products or services were either proprietary in nature or were procured under long-term contracts. As these long-term contracts expire, the Authority will seek competitive bids.

Respectfully,

S/Peter Mills

Dear Speaker Gideon and President Jackson:

On behalf of the Board of Trustees of the Maine Community College System (MCCS), I respectfully submit the attached report on certain procurements, contributions, and policy changes for the period July 1, 2017 through June 30, 2018 as required by 5 MRSA §12023.

To compile this report, MCCS used customized reporting features built into our business management systems. We then tested the validity of those reports and reviewed several transactions with college personnel. Combined, the seven colleges and the MCCS System Office make thousands of purchases each year.

While reporting is complex, our review indicates that the colleges' compliance with existing policies is extremely high, and expenditures are consistently mission related. In those few areas where we have identified need for improvement, refinements have been made or are under way.

MCCS will continue to use its internal controls and annual outside audit to adapt its systems to changing needs, and our Board of Trustees will continue to monitor compliance through regular reporting and an ongoing dialogue with auditors. If you have any questions, please do not hesitate to contact me. Thank you.

Sincerely yours,

ORDERS

On motion of Representative STEWART of Presque Isle, the following Joint Resolution: (H.P. 456) (Cosponsored by Senator CHENETTE of York)

JOINT RESOLUTION RECOGNIZING FEBRUARY AS 2-1-1 MONTH

WHEREAS, 2-1-1 Maine is a comprehensive statewide directory of more than 8,000 health and human services available in the State; and

WHEREAS, in order to promote the 2-1-1 Maine health and human services and emergency preparedness helpline, which provides Maine citizens free and confidential referrals to needed resources, we recognize February 2019 as 2-1-1 Month; and

WHEREAS, 2-1-1 Maine helps to identify existing gaps in health and human services; and

WHEREAS, throughout the State, 2-1-1 Maine provides around-the-clock service through efficient and effective responses to questions arising from the growing complexities and needs in health, financial and human services; and

WHEREAS, 2-1-1 Maine provides emergency operations during times of natural and other disasters, including providing accurate and timely information for preparations and longer-term referrals for follow-up services, as evidenced by its role in supporting the Maine Emergency Management Agency during the agency's responses to the 2016 drought and the October 2017 wind storm, as well as its support of seasonal needs such as warming and cooling centers; and

WHEREAS, during this past year, 2-1-1 Maine has directed over 7,300 Maine citizens to heating and utility assistance services, which may have prevented people from contacting the wrong agency for a federal Low-Income Home Energy Assistance Program benefit, prevented utility shutoffs and saved people from spending winter nights without fuel; and

WHEREAS, since 2006, 2-1-1 Maine call specialists have assisted with more than 700,000 requests to locate health and human services information, fielding over 38,500 calls and over 4,000 text messages and e-mails in 2018 from people looking for help for themselves or someone they know; and

WHEREAS, 2-1-1 Maine handles a number of specialized services, including the opiate helpline and the gambling helpline, and is also a resource for finding information about such needs as tax preparation and mental health services; now, therefore, be it

RESOLVED: That We, the Members of the One Hundred and Twenty-ninth Legislature now assembled in the First Regular Session, on behalf of the people we represent, take this opportunity to recognize February 2019 as 2-1-1 Month.

READ.

The SPEAKER: The Chair recognizes the Representative from Presque Isle, Representative Stewart.

Representative STEWART: Thank you very much, Madam Speaker and Ladies and Gentlemen of the House. I rise briefly today to recognize the great work that's being done by 2-1-1, which for those that didn't know is an organization funded through the United Way of Maine.

I first came in contact with this organization when I served on the taskforce to address the opioid crisis in Maine which existed back in 2017 and we were sort of considering well, how do we get information out to folks, particularly, you know, in rural parts of the state? How do we make sure that if someone is in crisis or someone is struggling with substance use disorder that they have a way to get in touch with the help that they need and access to the services that could potentially save their lives? And so throughout the course of those sort of conversations, we came across 2-1-1, which has existed in Maine for a while but I think now particularly given the relevance of a lot of these social issues that we're facing and these challenges that are claiming folks' lives in every corner of the state and touch everybody in some way or another, it became more important to me to try to help get the word out about this resource.

And so last year we sponsored this resolution recognizing February as 2-1-1 Month. We're doing the same thing this year. You'll see a handout on your desk, a blue sheet, and it looks somewhat like this, and that's got some more basic information about it but one of the things that I think would be particular; particularly helpful and I think beneficial for all of you as well is to distribute; what we did in the past was distribute flyers, basically, with sort of one pagers that have more information that you could put in public places that'll help to raise awareness of this, whether it's your town office or your, you know, your polling places or wherever that are frequently visited by folks in your town so that they can realize that there is this resource available to them.

And I commend the work on the other side of the chamber as well with the Good Senator from York, Senator Chenette, and appreciate his willingness to help with this once again. It is an incredibly important effort and one that I appreciate all of your attention on this morning and if anybody would like to learn more about the program or has any questions, I'm more than happy to field them after we adjourn session today. Thank you very much, Madam Speaker.

Subsequently, the Joint Resolution was **ADOPTED**.
Sent for concurrence.

Under suspension of the rules, members were allowed to remove their jackets.

Recognizing:

Randy M. Gagne, of Searsmont, Chief of the Camden Police Department, on his thirty years of service with the department, the past eight years as chief. Since July 2016, Chief Gagne has also served as Chief of the Rockport Police Department. We extend our congratulations and best wishes;

(HLS 55)

Presented by Representative DOUDERA of Camden.

Cosponsored by Senator MIRAMANT of Knox, Senator HERBIG of Waldo, Representative ZEIGLER of Montville.

On **OBJECTION** of Representative DOUDERA of Camden, was **REMOVED** from the Special Sentiment Calendar.

READ.

The SPEAKER: The Chair recognizes the Representative from Camden, Representative Doudera.

Representative DOUDERA: Madam Speaker, Ladies and Gentlemen of the House, just a few short weeks ago Chief Randy Gagne marked his 30th anniversary working full-time with the Camden Police Department. For the past eight years, he has served as Camden Police Chief and since July 2016 he has also been the Rockport Police Chief by mutual agreement of the two towns.

Chief Gagne's roots in the towns of Camden and Rockport run deep. He was born at the hospital in Camden, grew up in the house across from the YMCA in Rockport and went to school and worked in the Camden area. He got his first job pumping gas when he was 14 years old but was soon lured away by law enforcement. Chief Gagne was hired by the Camden Police Department October 3, 1988, as a reserve officer and a few months later was hired to work full-time. He worked in patrol until the mid-1990s and was then assigned to work the day shift as the department's court officer. As the day officer, he investigated financial crimes and fraud. In 1998, he was promoted to Patrol Sergeant. After about two and a half years in that job, he was promoted to Lieutenant under Police Chief Phil Roberts. When Roberts announced his retirement at the end of 2010, Randy Gagne was appointed to serve as Police Chief starting January 1, 2011.

Chief Gagne says that 30 years have gone by quickly. When he started there were no cellphones or computers. Back then, there were telephone booths on the streets of Camden and in the office there were manual typewriters. But while technology has changed, basic human nature has not. Chief Gagne has seen it all in his 30 years on the police force and

has responded to every call you could imagine; from an attempted murder investigation in Camden Hills State Park, to fender-benders on High Street, to the rescue of a moose; yes, a moose; that had wandered into the Knox Mill downtown. The job, even after 30 years, is still a passion and Chief Gagne says he wakes up every day and can't wait to go to work.

In this day and age, it's unusual for anyone to stay in the same field for very long, much less work in the same department for three decades. Chief Gagne credits his family for making his long career possible, especially his wife, Rochelle, who is here with him today.

I know that I speak for all the citizens of Camden and Rockport when I say how fortunate we feel to have Chief Gagne at the helm of our department. Not only does he possess a thorough understanding of what makes Camden and Rockport tick, but he has earned the trust of town residents with his kind and capable demeanor. As someone said to me earlier this morning, Randy Gagne is a good man. He carries out his duties with courtesy, professionalism, and respect, and we are all safer because he is on the job. Today we congratulate Police Chief Randy Gagne for his impressive years of service and hope that he will continue to serve our communities for many, many more years to come. Thank you.

Subsequently, this Expression of Legislative Sentiment was **PASSED** and sent for concurrence.

In Memory of:

Thomas M. Couming, of Kennebunk. Mr. Couming served in the United States Air Force from 1964 to 1968. He had a career in Human Resources and worked nationally as a diversity consultant, creating programs and facilitating trainings for more inclusive workplaces and advocating for the LGBT community, minority groups and women. He helped found the nonprofit Can Do Program, a bottle redemption project whose proceeds were donated to feed the hungry. He also, through that program, mentored teenage volunteers from the community. His concern for Mainers of all ages was reflected in his daily dedication to citizen activism. Mr. Couming will be long remembered and sadly missed by his wife of 48 years, Mary, by his family and friends and by all those whose lives he touched;

(HLS 56)

Presented by Representative **BABBIDGE** of Kennebunk. Cosponsored by Senator **FOLEY** of York, Representative **DENK** of Kennebunk.

On **OBJECTION** of Representative **BABBIDGE** of Kennebunk, was **REMOVED** from the Special Sentiment Calendar.

READ.

The **SPEAKER**: The Chair recognizes the Representative from Kennebunk, Representative **Babbidge**.

Representative **BABBIDGE**: Thank you, Madam Speaker. Ladies and Gentlemen of the House, I rise this morning to remember my friend and neighbor in Kennebunk, Tom Couming.

Tom was one of those people from away who came and worked to help the people of Maine. Tom was born in Boston to a large family. He proudly served his country in the U.S. Air Force from '64 to '68. He was always interested in societal behavior and how we can do better to help those who need a hand. He was the first man at UMass Boston to earn a degree in Sociology with a certificate in Women's Studies. His concern for those returning from the war in Vietnam motivated him to play a critical role in establishing programs to support

and advocate for veterans. He worked professionally to help businesses and organizations promote and support diversity and spent a successful career in human resources. He and his wife started the nonprofit Can Do Program, where Tom helped young people redeem returnable bottles for money for food for the hungry, using the program as a vehicle to mentor them with a can-do attitude, demonstrating how they can make a positive difference in their own community.

Despite declining health in recent years, Tom maintained his activism as a concerned citizen, making five calls every day; some to encourage, others to elected leaders to explain how important it was to address certain issues by voting this way or that. I can personally attest to this tenacity to make a positive change and I also have been the beneficiary of his volunteerism. Character, kindness, warmth, wisdom, a gentleman. His five remaining siblings, his many nieces and nephews and five grandchildren will remember his bright sweaters and brighter humor. His daughter's family in Arundel and his wife of 48 years, Mary, of Kennebunk, will miss this man with a good heart.

As a teacher, I always hoped students would grow into caring and active citizens. Tom Couming was a role model for them. I think that Tom's Civics teachers back at Boston English would've been very pleased and I know many Mainers are thankful. Thank you, Madam Speaker.
