READ.

The SPEAKER PRO TEM: The Chair recognizes the Representative from Old Orchard Beach, Representative Gramlich.

Representative **GRAMLICH**: Thank you, Mr. Speaker, Women and Men of the House. I rise today in honor and support of the National Professional Social Work Month.

The primary mission of the social work profession is to enhance human wellbeing and to meet the basic and complex needs of all people. Historically, social workers such as social reformer Jane Adams, former Labor Secretary, Frances Perkins, and civil rights leaders Dorothy Height and Whitney Young, have helped Americans secure voting rights, Social Security, unemployment insurance, and other programs. Additionally, Maine's own Dorothea Dix, due to her tireless work over two decades, instituted changes in the treatment and care of the mentally ill and improved prison conditions.

Social work continues to be one of the fastest-growing careers in the nation. You can find social workers literally everywhere in society. We are in schools, we are in clinics, we are in hospitals, and we are the largest group of mental health service providers in the United States and the largest employer for the Veterans Administration. And we are in federal, state, and local government, pushing for legislation and regulations to improve the quality of life. I am pleased to share that indeed in this body we have five social workers serving alone, among many other of you.

The services of social workers are needed now more than ever before as Maine and the nation grapples with complex needs such as income equality, the opioid addiction crisis, environment, and continued struggles for civil rights. During Social Work Month, we hope that you will take the time to learn more about our profession and support the work of social workers in improving the lives in individuals, of the families in our society. To that end, we will welcome to the Statehouse tomorrow students from across our five schools of social work. This will be a wonderful opportunity for our future social workers to learn firsthand about the critically important work we all do on behalf of the people of Maine. I hope you will join me in welcoming these students tomorrow. Thank you very much.

The SPEAKER PRO TEM: The Chair recognizes the Representative from Waterville, Representative Madigan.

Representative **MADIGAN**: Thank you, Mr. Speaker. I would like to thank the Good Representative from Old Orchard Beach for putting forward this resolution and I would like to

thank her for her focus on some of the history of social work. What I would like to do is remind you guys -- excuse me, guys and ladies, my colleagues, that you all know social workers. They're in your communities; they're the people who help make sure your mom gets home from the hospital with the right services. They're the people that help make sure that the kids at school don't go hungry over the weekend. We are the largest provider of mental health services in our state and, as such, we take care of a lot of the problems that people find really difficult to deal with. I'm a licensed clinical social worker and have been for 20 years, over 20 years, and I think it's a great profession and I also think we're the most -- we make systems work better. So, I think -- I am proud to be a social worker and I'm glad to have this opportunity to say welcome to Social Work Month. Thank you.

The SPEAKER PRO TEM: The Chair recognizes the Representative from Weld, Representative Skolfield.

Representative **SKOLFIELD**: Thank you, Mr. Speaker. I just want to remind everyone that this Thursday we're having another -- I'm sorry, the microphone does help, doesn't it? This Thursday, there's a broadband caucus once again and we're holding that at the Cross Center in room 103A and B, so --

The SPEAKER PRO TEM: The Representative will defer. We are on item 4-1, which is a joint resolution on Social Work Month. We'll come back to you during announcements. Thank you.

Subsequently, the Joint Resolution was **ADOPTED**.
Sent for concurrence.

By unanimous consent, all matters having been acted upon were **ORDERED SENT FORTHWITH**.

SPECIAL SENTIMENT CALENDAR

In accordance with House Rule 519 and Joint Rule 213, the following item:

Recognizing:

Katie Oulette and her late husband Lew Oulette, of Madison, to whom the Town of Madison has dedicated its Town Report for their contributions to the town, including Mrs. Oulette's contributions through her local cable access programs and newsletters and to local institutions and associations. We extend our congratulations and best wishes;

(SLS 97)

On **OBJECTION** of Representative AUSTIN of Skowhegan, was **REMOVED** from the Special Sentiment Calendar.

READ.

The SPEAKER PRO TEM: The Chair recognizes the Representative from Skowhegan, Representative Austin.

Representative **AUSTIN**: Mr. Speaker, Ladies and Gentlemen of the House, Katie and Lew Oulette were fixtures not only in Madison but in Skowhegan, too. And whenever Katie would go to a meeting and do all the things that she did because they were too numerous to mention, he would always be there driving her wherever she needed to be. She was instrumental in the beginning of Skowhegan Main Street Organization and so many other things in Skowhegan. As I said, it's too numerous to mention. So, they both were great fixtures in Skowhegan and Madison and they actually lived in East Madison, which is kind of in between the two. So, we're

really grateful for all the work that he did when he was living and she as well. Thank you.

Subsequently, this Expression of Legislative Sentiment was **PASSED** in concurrence.

The SPEAKER PRO TEM: The Chair recognizes the Representative from Eliot, Representative Meyer.

Representative **MEYER**: Mr. Speaker, I request unanimous consent to address the House on the record.

The SPEAKER PRO TEM: The Representative has requested unanimous consent to address the House on the record. Hearing no objection, the Representative may proceed on the record.

Representative **MEYER**: Thank you, Mr. Speaker. Mr. Speaker and Women and Men of the House, it is my pleasure to rise in honor of a constituent who has retired following decades of honorable service to the people of Maine as a Maine State Trooper. Lieutenant Rob Nichols earned a well-deserved reputation as a dedicated and highly ethical public servant. The apple did fall far from the tree as Rob's father, Robert Sr., who we lost two years ago, was also an Eliot resident with a distinguished career as a Maine State Police Officer. It is my privilege to pay respect to this Eliot family and its long and distinguished record of service to the people of Maine.

The SPEAKER PRO TEM: The Representative may proceed.

Representative **TEPLER**: Thank you, Mr. Speaker. Mr. Speaker, Men and Women of the House, I ask you to vote for this bill which provides some protection for over a thousand federal workers in the State of Maine in case of another federal shutdown. Some of these workers will be called upon if there is a shutdown to work without pay, and their financial difficulties give the whole State of Maine difficulty with its economy. This bill provides a guarantee to the credit unions and banks that might extend interest-free loans in the amount of \$5,000 to federal employees during a federal shutdown. The bill only permits the employees to take such loans during the shutdown time and they may take up to three loans for a total amount of \$15,000. This is a public-private partnership with the credit unions and banks applying to be part of the program and it provides approximately a 10% guarantee for the loan held in the treasurer's office. So, I hope you'll help me with this bill, support it, and protect our federal workers in case of another government shutdown. Thank you.
