**STATE OF MAINE
ONE HUNDRED AND TWENTY-NINTH LEGISLATURE
FIRST REGULAR SESSION
JOURNAL OF THE SENATE**

In Senate Chamber
Tuesday
April 23, 2019

Senate called to order by President Troy D. Jackson of Aroostook County.

Prayer by Reverend Dr. Jodi Cohen Hayashida, First Universalist Church of Auburn.

REVEREND HAYASHIDA: Would you join me in the spirit of prayer? Holiness that is and was and ever shall be, great love that invites us towards one another and into beloved community, help us to be open to Your presence now. We offer thanks for this day. This work can be challenging and sometimes wearying, but it is all meaningful and sometimes lifesaving. Here we have another day to serve the people of this state who have placed their trust in us. We offer gratitude for that trust as well. May we prove ourselves worthy of that gift today. May we meet this work with courage instead of being driven by fear. May we allow ourselves to be moved by compassion instead of brought up short by judgment. If we find ourselves confused about how to move forward, help us to orient ourselves towards those who are most vulnerable among us, those who have been left behind and are in need of the strength of this gathered Body. Help us to trust that if we serve well those who need us most we will be serving everyone well. Today, when the State House is so full of children doing their own work to serve the cause of justice and their fellow humans, help us to remember that we do this work not only in service of this moment and these people but in service to the generations that will follow and the earth itself. May we find strength and clarity in our coming together. Amen.

National Anthem Performed by Nathanael Batson of Fairfield.

Pledge of Allegiance led by Senator Bradlee T. Farrin of Somerset County.

Reading of the Journal of Thursday, April 18, 2019.

Doctor of the day, Michael McCarten, D.O. of Kittery Point.

Off Record Remarks

THE PRESIDENT: The Chair recognizes the Senator from Kennebec, Senator Cyrway.

Senator **CYRWAY:** Thank you, Mr. President. Ladies and gentlemen of the Senate, it's an honor to rise and recognize Nathanael Batson of Fairfield who is a senior at Lawrence High School. Nathanael, who is legally blind and has had health struggles throughout his life, has done so much in just 18 years. Nathanael plays the trumpet at Lawrence. He has also played with the Kennebec Valley Music Educators Association Band and the All State Band. Most recently Nathanael was awarded the National Federation of State High School Association's Heart of the Arts Award for New England, New York, and New Jersey and by winning this award he is eligible to be the national winner, which will be announced in June. In addition to his tremendous musical talent and success, he achieved the rank of Eagle Scout as a young teenager by organizing a free Pops Band concert at the Maine Veterans Home in Augusta. As well as traveling to West Virginia in 2017 to participate in the National Scout Jamboree Band, which performed in front of more than 40,000 people, he also climbed a mountain. Pretty impressive. Again, at really is an honor to recognize such a talented young man and a great role model for Lawrence High School and I wish him the best as he pursues a degree in music at the University of Maine next fall. Congratulations and thank you, Mr. President.

THE PRESIDENT: Would the Senate please join me one more time in congratulating Nathanael for his great rendition and all the work he's done throughout his life.

Senator **MILLETT** of Cumberland moved the Senate **ACCEPT** the Majority **OUGHT NOT TO PASS** Report, in concurrence.

On motion by Senator **TIMBERLAKE** of Androscoggin, supported by a Division of one-fifth of the members present and voting, a Roll Call was ordered.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Millett.

Senator **MILLETT**: Thank you, Mr. President. Mr. President, ladies and gentlemen of the Senate, briefly, this bill could result in asking teachers to teach subjects or grade levels that they may not be qualified to teach, including special education students. I can't, for the life of me, imagine why we would want our special education students to be educated by those who are not certified to handle that population. In addition, at least at the minimum, an explanation and justification should be made prior to approval of an assignment outside of certification. Notification is not enough. Finally, I would add there already is in place a waiver system by which the district may apply to the Department of Education, and within 19 of our school years 75 waivers have already been approved. This bill is unnecessary, Mr. President. Thank you.

THE PRESIDENT: The Chair recognizes the Senator from Kennebec, Senator Pouliot.

Senator **POULIOT**: Thank you, Mr. President. This bill really just allows for more local control. In some districts there's a need to have a teacher go in to a different subject area for a short period of time. This bill only allows for them to do that up to 20% of their time outside of what it is they're credentialed in. So I really don't see this as an affront to any particular special education community or anything like that. It just gives a little bit more autonomy and flexibility to the local district to make that decision without having to go through the process with the Commissioner. So, again, I view this as an effort to help with local control and help provide a little bit of flexibility when there might be a gap in a local district for the Superintendent to make that decision. Thank you.

Senator **CARPENTER** of Aroostook moved the Senate **ACCEPT** the Majority **OUGHT TO PASS AS AMENDED** Report, in concurrence.

On motion by Senator **TIMBERLAKE** of Androscoggin, supported by a Division of one-fifth of the members present and voting, a Roll Call was ordered.

THE PRESIDENT: The Chair recognizes the Senator from Oxford, Senator Keim.

Senator **KEIM:** Thank you, Mr. President. Ladies and gentlemen of the Senate, L.D. 8 is a pretty simple bill to change a name upon marriage. Currently there's no statutory directive, but it is common practice to be able to change your last name when you marry. This bill, however, would open up that practice so that couples marrying could choose to change any part of their name to anything, not just the typical last names. So they could change their first and last names to anything they choose. I believe in this day and age when we do have considerations of identity theft, I think that the broadness of this bill doesn't serve the public well. I think if a couple is going to change their name to something really outside of the general and normal scope, I would say the traditional scope, that they should still go through a Probate Judge and that Judge could do a criminal background check if they felt that was necessary and would also be able to give public notice. So I think the idea is a good one and I think the broadness of it, however, is not in the best interest of the public. Thank you.

Divided Report

THE PRESIDENT: The Chair recognizes the Senator from Aroostook, Senator Carpenter.

Senator **CARPENTER:** Thank you, Mr. President. As the Senate will note, when they look at the report, it was a pretty broad based unanimous bi-partisan report, the Majority Ought to Pass Report. It does what Senator Keim says it does. It now, for the first time, puts into Maine law the legal authority to change your name upon marriage. She mentioned identity theft. Identity theft is a concern. With Real I.D. we need to have a statute in place that gives authority upon marriage to change your name. Otherwise you have pay a fee and go to the Probate Court and go through that process where, again, the Judge is left with very little discretion. I'm not aware if a Judge has the authority to turn down a name change. I've seen some pretty strange name changes come through the Probate Court system. So, there is a system there but why make people go through that when they can do this, if they wish or if they don't, when they get married. It's simply a form on the marriage license. Becomes effective when it's filed. I ask you to follow my light.

THE PRESIDENT: The pending question before the Senate is Acceptance of the Majority Ought to Pass as Amended Report. Is the Senate ready for the question?

THE PRESIDENT: The Chair recognizes the Senator from Androscoggin, Senator Libby.

Senator **LIBBY**: Thank you. Men and women of the Senate, I just want to clarify for the record on this bill. We had a spirited debate in the last session. There was some confusion over whether the Maine Sheriffs Association had worked with the sponsor of the bill and agreed upon the amended language. We've confirmed that the Maine Sheriffs Association had worked on the bill, does support the amended language, and, Mr. President, I just thought it was important that the record reflect that. Thank you.

PASSED TO BE ENACTED and, having been signed by the President, was presented by the Secretary to the Governor for approval.

On further motion by same Senator, supported by a Division of one-fifth of the members present and voting, a Roll Call was ordered.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Chipman.

Senator **CHIPMAN:** Thank you, Mr. President. As we all are familiar with the Homestead Exemption, this is a very important form of property tax relief used widely across the state. Under current law when a home is purchased the homeowner has to wait for up to a year before they can start receiving the benefits of the Homestead Exemption. This would simply allow them to apply at the time they purchase the home and start receiving those benefits right off the bat. We know that housing is expensive. We know property taxes are through the roof in some communities. So I urge you to follow my light and please vote in favor of this motion. Thank you.

THE PRESIDENT: The Chair recognizes the Senator from Kennebec, Senator Cyrway.

Senator **CYRWAY:** Thank you, Mr. President. Ladies and gentlemen of the Senate, just a question through the President. What would the fiscal note be on this? Does anybody know?

THE PRESIDENT: The Senator has a question through the Chair for anyone that would know. The Chair recognizes the Senator from Cumberland, Senator Diamond.

Senator **DIAMOND:** Mr. President and ladies and gentlemen of the Senate, I do not have an answer to that question. I just wanted to share the reason that I cannot vote for this. I think the problem will be that small towns, in particular, are going to be faced with unexpected obligations and, although I agree with what Senator Chipman from Cumberland has said, and he makes a good point, my concern is the unintended consequence of putting small towns in jeopardy only because they can't plan for it. This includes first time homebuyers, the first time they buy a home even though they may have already bought five before that. This really includes the home buy and not having to wait a year, as has been explained. So I just put that out before you and explain why I cannot support the motion. Thank you, Mr. President.

THE PRESIDENT: The pending question before the Senate is Acceptance of the Majority Ought to Pass as Amended Report. Is the Senate ready for the question?

The Doorkeepers secured the Chamber.

The Secretary opened the vote.
