**STATE OF MAINE
ONE HUNDRED AND TWENTY-NINTH LEGISLATURE
FIRST REGULAR SESSION
JOURNAL OF THE SENATE**

In Senate Chamber
Tuesday
May 21, 2019

Senate called to order by President Troy D. Jackson of Aroostook County.

Prayer by Pastor Brian Casey, North Windsor Baptist Church.

PASTOR CASEY: Good morning. I recognize and understand that diversity that we share in this great state of Maine and in the great United States of America and so I would like to ask you that when I have prayer would you please pray along with me, silently, as you feel led to, and if you do not want to pray along with me would you please observe silence. Let's pray.

Dear Heavenly Father, the God of all creation, we want to thank You, Lord, for allowing us to be here this morning. Lord, we recognize the duties and the necessity of this great Senate and, Lord, we ask that You will lead, guide, and direct in everything that they consider this morning, and every person who takes part, Lord, we ask that You will give them confidence and wisdom in their speech and in their manners. We thank You, Lord, for this Senate of the great State of Maine. Amen.

National Anthem Performed by the Orono High School Show Choir.

Pledge of Allegiance led by Senator James M. Hamper of Oxford County.

Reading of the Journal of Thursday, May 16, 2019.

Doctor of the day, Anthony Tannous, M.D. of Bangor.

Off Record Remarks

Out of order and under suspension of the Rules, the Senate considered the following:

ORDERS

Joint Order

The Orono High School Show Choir, which won the 2019 Maine Music Educators Association Division II High School Show Choir Gold Award at the Maine High School Jazz Festival. We extend our congratulations and best wishes;

SLS 557

Sponsored by Senator DILL of Penobscot.
Cosponsored by Representatives: PERRY of Bangor, TIPPING of Orono.

The Joint Order was **READ**.

THE PRESIDENT: The Chair recognizes the Senator from Penobscot, Senator Dill.

Senator **DILL:** Thank you, Mr. President. Ladies and gentlemen of the Senate, I rise today to recognize the Orono High School Show Choir, who you just heard perform the National Anthem, and I had to write an excuse to get them out of third period when they get back, just so you know. These outstanding performers are our new State Champions, having won the Maine Music Educators Association State Vocal Jazz Division II Show Choir competition for two years in a row. Under the direction of Show Choir director Cami Carter, students prepared 20 sets of choreographed singing for regional and statewide competitions. Ladies and gentlemen, if you haven't seen them perform before today, I urge you to check out an upcoming performance or watch their videos on YouTube. What they pack into a single performance is truly impressive. They have a broad range of talent and mix of spoken word, singing, and dancing to performances, incorporating many different musical and artistic styles along the way. I'm very glad that this talented group of young men and women could join us today to perform and be recognized for their impressive accomplishments. Thank you.

The Joint Order was **PASSED**.

Sent down for concurrence.

THE PRESIDENT: The Chair would like to recognize once again in the rear of the Chamber the Orono High School Show Choir, which won the 2019 Maine Music Educators Association Division II High School Gold Award at the Maine High School Jazz Festival. Will the Maine Senate please rise and once again give a greeting to these fine young people.

Out of order and under suspension of the Rules, the Senate considered the following:

ORDERS

Joint Resolution

On motion by Senator **CHIPMAN** of Cumberland (Cosponsored by Representative TALBOT ROSS of Portland and Senator: SANBORN, H. of Cumberland, Representatives: BRENNAN of Portland, COLLINGS of Portland, CROCKETT of Portland, FARNSWORTH of Portland, JORGENSEN of Portland, MOONEN of Portland, SYLVESTER of Portland), the following Joint Resolution:

S.P. 591

**JOINT RESOLUTION
RECOGNIZING MAY 24, 2019 AS MAINE RECOVERY DAY**

WHEREAS, many communities in the State are affected by substance use disorder; and
WHEREAS, recovery is a process of change through which people improve their health and wellness, live self-directed lives and strive to reach their full potential; and
WHEREAS, recovery is self-determined and voluntary and occurs via many pathways; and
WHEREAS, recovery flourishes when it is supported by relationships, social networks, family, friends and community members; and

WHEREAS, recovery supports include integrated and coordinated services such as housing, employment, transportation, education, clinical treatment for substance use disorder, mental health, primary health care, dental care, complementary and alternative services, faith, spirituality, creativity, social networks and community participation; and

RESOLVED: That We, the Members of the One Hundred and Twenty-ninth Legislature now assembled in the First Regular Session, on behalf of the people we represent, take this opportunity to recognize May 24, 2019 as Maine Recovery Day, express our support for those individuals who are achieving and sustaining long-term recovery and call upon the people in our communities to observe this day by supporting individuals and families of individuals in and seeking recovery.

The Joint Resolution was **READ**.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Chipman.

Senator **CHIPMAN**: Thank you, Mr. President. I move that the Senate adopt this Joint Resolution. I'd like to speak briefly to it. So this Resolution I submitted is to recognize this Friday, May 24th, as Maine Recovery Day. As we know, drug addiction has been a huge problem in Maine and across the country and last year, for the first time in a long time, we saw a reduction in the number of overdose deaths. We are making some progress. We have a lot more work to do. So hopefully everyone will support the passage of this Resolution. Thank you.

The Joint Resolution was **ADOPTED**.

Sent down for concurrence.

Off Record Remarks

All matters thus acted upon were ordered sent down forthwith for concurrence.

THE PRESIDENT: The Chair recognizes the Senator from Kennebec, Senator Bellows.

Senator **BELLOWS:** Thank you, Mr. President. I would like to pause to mark the 50th Anniversary of Row House. Row House is an organization dedicated to historic preservation in Hallowell, founded in 1969 when a group of civic minded citizens decided to preserve Hallowell's history, as told by its buildings. The first building that they saved was the Row House, built in 1846 for textile workers at the cotton mill. They saved the building and ensured its addition to the National Registry in 1970. They also, in 1970, advocated for acceptance of Hallowell's historic district. This was moved forward in a bipartisan way by Senator's Margaret Chase Smith and Edmund Muskie. The Row House has gone on to save many other historic properties in the town of Hallowell and we are so grateful to honor them on their 50th Anniversary this year and to thank their President, Larry Davis, and their Treasurer, Mary Moody, for being with us today. Thank you.

THE PRESIDENT: The Chair would like to recognize in the rear of the Chamber Larry Davis, President of Row House, and Mary Moody, Treasurer of Row House. They are both from the town of Hallowell and they are the guests today of the Senator from Kennebec, Senator Bellows. Would they please rise and accept the greetings of the Maine Senate.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Carson.

Senator **CARSON:** Thank you, Mr. President. I would like to speak briefly in support of the pending motion. For a number of years the Legislature has considered setting up a program to look for safer substitutes for toxic chemicals that are used in the workplace. Until this year, similar bills have fallen on hard times. The bill which I presented has now been converted by the Senator from Kennebec, Senator Bellows, committee into a Resolve to develop a framework for finding and using safer alternatives to hazardous chemicals in the workplace. There is no fiscal note. This study will be supported by the Department and it will help determine a path by which workers in Maine workplaces where there are toxic chemicals will have their health better protected and I encourage everyone to support this report. Thank you very much.

THE PRESIDENT: The Chair recognizes the Senator from Androscoggin, Senator Timberlake.

Senator **TIMBERLAKE:** Thank you, Mr. President. I won't be supporting the pending motion, Mr. President, because I think this bill needs to go to more science-based behind it. I don't think employees are to be dictating what is best for a company or business to use within their business and their occupation. I think this is left for the experts to figure out and I can't see how this bill is going to help the businesses or the people or the employees in the state of Maine. Thank you.

THE PRESIDENT: The pending question before the Senate is Acceptance of the Majority Ought to Pass Report. Is the Senate ready for the question?

ORDERS OF THE DAY

The Chair laid before the Senate the following Tabled and Today Assigned matter:

SENATE REPORT - from the Committee on **STATE AND LOCAL GOVERNMENT** on Bill "An Act To Ensure the Integrity and Accountability of Persons Who Are Elected to Public Office"
S.P. 131 L.D. 453

Majority - **Ought Not to Pass** (10 members)

Minority - **Ought To Pass as Amended by Committee Amendment "A" (S-119)** (3 members)

Tabled - May 21, 2019 by Senator **TIMBERLAKE** of Androscoggin

Pending - motion by Senator **CLAXTON** of Androscoggin to **ACCEPT** the Majority **OUGHT NOT TO PASS** Report

On motion by Senator **TIMBERLAKE** of Androscoggin, supported by a Division of one-fifth of the members present and voting, a Roll Call was ordered.

THE PRESIDENT: The Chair recognizes the Senator from Oxford, Senator Keim.

Senator **KEIM:** Thank you, Mr. President. Ladies and gentlemen of the Senate, it's somewhat unfortunate that I'm standing here discussing this bill today, but here we go. The position of the County Sheriff is one that has a high degree of independent authority and these are people for whom their constituents have a high degree of respect as these are the people's chosen protectors. Consequently, it is also a position that we must hold to the highest levels of accountability. The Sheriff acts as the chief county law enforcement officer and he or she is responsible for administrating and directing the Sheriff's Department. Maine's 16 county sheriff offices are responsible for the majority of criminal investigations in rural Maine and they handle a large share of the rural highway patrol. County sheriff's offices are also responsible for serving all civil lawsuit complaints and keeping all the related documents throughout the state. I have placed pieces of information regarding this pending legislation on your desks. This bill is, unfortunately, based on an event in Oxford County. As you can see from the timeline that I placed there, it took 41 days from the moment that blatant evidence was brought to the County Commissioner to when they sent a written complaint to the Governor. Currently, a Sheriff can only be removed. There is no option for suspension. So the County Commissioner hired a private investigator but the Sheriff was aware that the investigation was in process and, unfortunately, had enough time to destroy records. The Oxford Sheriff, because of the allegations brought out, was under investigation by the FBI, however the FBI had to drop the investigation because it has been said that there was destruction of evidence and so they were not able to make any findings.

I've also included on your desks some reports of instances that happened in South Carolina. The Sheriffs there were suspended and they were brought to justice for their actions. However, in Oxford County, the Sheriff's misconduct is being paid for through the Maine Human Rights Commission while the perpetrator himself walks scot-free. So it has been said that the fault lies with the County Commissioners for not bringing this forward in a fast enough fashion and yet if you have to remove someone that requires a great deal of evidence whereas a suspension, which is how most other organizations operate when there are serious allegations. That is not an option for a Sheriff currently. This bill would change that. It would allow the Governor to simply suspend a Sheriff with or without pay, depending on the Governor's choice.

Another objection to this bill is that the County Sheriffs came in and said, 'We are being singled out. We're the only ones that are being looked at for misbehavior.' However, L.D. 450, which we heard in the Judiciary Committee this session, An Act Regarding Qualifications for District Attorney, unfortunately was another Oxford County individual and that bill was brought about to make reparations there. The intent of that bill was to address ethical and competency standards of a District Attorney. The bill was voted unanimously Ought to Pass by the committee and that bill creates higher levels of accountability, however no District Attorneys came to testify in opposition because it was a common sense measure. The intent of this bill is to expressly address

ethical and competency standards of the District Attorneys, L.D. 450 was. This one is a very similar bill. The Sheriffs have a great deal of authority. It rests singlehandedly on their shoulders and, at this point, if there are egregious allegations there is no way to have them suspended temporarily for their own benefit of having those allegations cleared up or for the benefit of the people and having the simple safeguard put in for the time period while those would be investigated. I would urge you to follow my light and implement this small measure. I think it ensures the integrity of our county law enforcement. Thank you.

THE PRESIDENT: The Chair recognizes the Senator from Kennebec, Senator Cyrway.

Senator **CYRWAY:** Thank you, Mr. President. Ladies and gentlemen of the Senate, I just have a question to the Floor. Can this already be done? I thought that it could already be done.

THE PRESIDENT: The Senator from Kennebec, Senator Cyrway, has posed a question through the Chair for anyone who can answer. The Chair recognizes the Senator from Piscataquis, Senator Davis.

Senator **DAVIS:** I apologize, Mr. President. I did not have my light on in regards to the question, nor can I answer it.

THE PRESIDENT: The Chair recognizes the Senator from Androscoggin, Senator Claxton.

Senator **CLAXTON:** This specific issue about whether it's in the Constitution of Maine that the Governor has the ability to remove the Sheriff from office and appoint another Sheriff in that office for the remainder of the term. That's the language that's in the Constitution now.

THE PRESIDENT: The Chair recognizes the Senator from Oxford, Senator Keim.

Senator **KEIM:** Thank you, Mr. President. I was simply going to answer the question.

THE PRESIDENT: The Chair recognizes the Senator from Piscataquis, Senator Davis.

Senator **DAVIS:** I'm not being asked to answer the question, Mr. President? Although I probably could now after Senator Claxton. Thank you, Mr. President. Mr. President, I rise in support of the Minority Report and I believe the report that was moved is the Ought to Pass report. Is that correct, Mr. President? I am opposed to that. My good friend, Senator Keim from Oxford.

THE PRESIDENT: Senator Davis, I just want to clarify that the report that was moved was the Majority Ought Not to Pass.

Senator **DAVIS:** Yes, I understand that. Thank you. Want to be sure you understand I'm opposed to that. Thank you. My good friend, Senator Keim from Oxford, spoke very eloquently about the duties of the Sheriff and everything. There is one other duty that wasn't mentioned and that is he runs the jail, or she runs the jail, as well. I was the Chief Deputy in Somerset County for nearly four years and I can tell you, Mr. President, that every day running the jail is a tremendous challenge. A tremendous

challenge. You have literally dozens and dozens of employees. You have dozens and dozens and more dozens of prisoners, and none of them want to be there. Every one of them, many times, have nothing to lose. I can remember one prisoner, served his time, he had went out in the middle of Route 201 up in Bingham and he built a bonfire of a pile of dollar bills. He was released, he was mentally disturbed. He didn't belong in jail, Mr. President. He belonged down here to the hospital in Bangor or Acadia or someplace like that. But they all wind up in jail. It's a very powerful position, the Sheriff to run that and keep all those employees and all the things that go into running a jail, in addition to the patrol duties and investigative duties and civil service and all that. Mr. President, I was disturbed when I heard of this bill. I learned of the incident early on and had a call from a friend in Oxford County and told me about it, another elected official. Very upset and felt, definitely, that things had to be done about it. I find it ironic, Mr. President, that the Governor, Chief Executive of the State of Maine, cannot remove a Sheriff. Pardon me, he can remove the Sheriff but he can't suspend him. He can't tell him to go home, with pay. He can't keep him from going back into the office and destroying evidence. None of that can happen. But he can remove him permanently with a hearing. This gives ample time for the Sheriff to do things that he shouldn't be doing, such as destroying evidence and that type of thing. You have on your desks, colleagues, handouts that tell about other Sheriffs in other states and how their Governors do have the power to suspend, but our Governor doesn't. I don't understand why we wouldn't do that. It's very ironic, Mr. President, that myself, as a Chief Deputy, could be fired without notice, no hearing or anything like that. I could be suspended. But the boss of the outfit couldn't be. They like it that way very much. They like that way so much, Mr. President, that they showed up at the hearing in full uniform, all of them, at least 16 if not more, which I believe was nothing more than an attempt to intimidate the committee. Well, Mr. President, I spent my life standing up to bullies and I'm not going to be intimidated by anyone, and I mean that sincerely. Mr. President, we live in a wonderful country, a wonderful nation. We have a wonderful Constitution. We have freedom. I want to keep it that way, Mr. President. Please follow my light.

THE PRESIDENT: The Chair recognizes the Senator from Androscoggin, Senator Claxton.

Senator **CLAXTON:** Thank you, Mr. President. I don't rise to refute anything that my esteemed colleague, Senator Davis or Senator Keim, have offered. She worked really hard on trying to right what was an obvious wrong and prevent this from happening in the future. I just want to contribute the additional context that the language in the bill, the current Constitution with the Governor having the option to remove the Sheriff from office, was felt by at least some minds around our committee table to give the Governor enough latitude to do what he or she wanted to do anyway and that it wasn't necessary to come up with the additional language. That required some trips between the Governor's legal counsel, the committee, myself, and there were a number of people involved in trying to craft language that would be more acceptable to the Sheriffs than pure removal, the option to suspend. The people around the table who helped educate me felt that there was enough provision in the Constitution, as it stood already, to allow suspension to happen. For what it's worth, I hope that context helps.

On motion by Senator **TIMBERLAKE** of Androscoggin, supported by a Division of one-fifth of the members present and voting, a Roll Call was ordered.

THE PRESIDENT: The Chair recognizes the Senator from York, Senator Chenette.

Senator **CHENETTE:** Thank you, Mr. President. Men and women of the Senate, I rise in support of the pending motion. Do you believe election results are final? Do you believe government officials should have to abide by election results? Do you believe election results represent a legal mandate from the people? If your answer is a resounding yes with an eye roll, you're not alone. This should be a no brainer, Mr. President. Of course, in the United States of America we honor and respect electoral outcomes but apparently Maine gets a get out jail free card. The concept should be simple: when people cast their ballots they should know without a shadow of a doubt that their vote will be honored, respected, and, most importantly, counted. People need to be able to trust that their vote means something, that it is worth the time to fulfill their civic duty. When I run for office, Mr. President, and my name appears on the ballot, there's a chance I might lose. At least that is the assumption if we are still living in a representative democracy. The results aren't fixed. As an elected government official, I should not be able to simply choose what the outcome is. It's based on how people vote. Citizen Initiatives and Referendums should be no different. Recently there has been an all-out assault on our democratic institutions. A small group of politicians have been able to cherry-pick which election results they abide by based on what they agree with, undermining or all out ignoring free and fair election results. It disenfranchises Maine voters when we don't honor their will at the ballot box. It discourages voter participation and trust in the institution of government itself. The ranked-choice voting referendum was one such citizen lead initiative partially blocked by the Legislature that should be fully implemented. As you know, ranked-choice voting gives voters the freedom to rank candidates in the order of their preference. If your favorite candidate doesn't receive enough support to win, your one vote counts for your second choice and so on until someone wins with more than a 50% or majority of the vote. It is still one person/one vote throughout the entire process of elimination. The objective is multifaceted. Discourage negative campaigning, eliminate vote splitting and the spoiler effect, and encourage voter participation, something that we honor in this state, Mr. President. The Secretary of State and clerks around Maine clearly demonstrated resolve and carried out the first elections to use ranked-choice voting just last year. They did a wonderful job and it went smoothly. I heard overwhelming appreciation and support for the

use of ranked-choice voting in our elections while standing at the polls.

But the bill before us isn't about whether someone likes or dislikes ranked-choice voting. It's about giving Maine voters, our constituents, a final say in the matter. It's the only way to fully implement after the courts weighed in suggesting the Maine Constitution would need to be changed in order to fulfill voter wishes. The only way to do that is through a final additional referendum, this time started at the legislative level. Maine people voted to support ranked-choice voting at the ballot box not just once but twice over the last few years. Fifty-two percent in the first round and 54% the second time. Now sure it wasn't 60 - 40 or 70 - 30 but, honestly, what political leader in this building wouldn't love those margins, Mr. President? There are many legislators in this room that have won with far less, some even by just a few votes. Maine people spoke twice through their votes that they want ranked-choice voting. It was a legitimate election, not a poll conducted. We currently have a split voting system, using ranked-choice voting in some races but not all. We should adopt ranked-choice voting for all races. That would make things consistent and easier to understand so voters wouldn't have to use multiple voting systems at the ballot box. The bottom line is this, Mr. President: we, as elected officials, should honor free and fair election results, period, full stop. You can be disappointed with the result but not question or ignore the outcome. It's time the Legislature respects the process and the will of the voters when they cast their ballots. It's time to send this out for a final vote to fully implement ranked-choice voting.

THE PRESIDENT: The Chair recognizes the Senator from Kennebec, Senator Cyrway.

Senator **CYRWAY:** Thank you, Mr. President. Ladies and gentlemen of the Senate, I appreciate the dynamic speech but I feel that a win is a win, the same way we've always been for generations, by popular vote and I feel that we are being manipulated in a situation where we're taking a winner and using other second, third, fourth place holders, or whatever, and forcing it to change. I mean, I don't see this in any sports. I don't see this in any other thing that's around and now we're making it so that we're trying to make something that doesn't exist. We're making it so that it's an even playing field. If you looked at the last Presidential election, no one really liked the ones that were in there but they voted for the only ones that they really liked. Whether it was the Republican or Democrat, they didn't like the other one. So now you're going to force whatever because of a second or third place winner to make that change. To me, that is not fair no matter how you look it. I've seen people come very close to winning by just an arm's length and now you're going to take that away from somebody that's worked hard for whether it's an election or whether it's in a running race or whether it's in anything, ski or slalom race, whatever. You're taking that win away and that just does not make sense to me, Mr. President. Thank you.

THE PRESIDENT: The pending question before the Senate is Acceptance of the Majority Ought to Pass as Amended Report. Is the Senate ready for the question?

The Doorkeepers secured the Chamber.

On motion by Senator **TIMBERLAKE** of Androscoggin, supported by a Division of one-fifth of the members present and voting, a Roll Call was ordered.

THE PRESIDENT: The Chair recognizes the Senator from Kennebec, Senator Cyrway.

Senator **CYRWAY:** Thank you, Mr. President. Ladies and gentlemen of the Senate, I'm on the board with Goodwill-Hinckley MeANS Board in Hinckley School and it's a charter school. I can see where this may be somewhat putting some restrictions on charter schools when you have situations where some schools use, in this case, Goodwill-Hinckley sometimes and send them there for reasons that they can handle it easier than the public school for certain individuals. I just didn't want to see us put limits on that. I think that this could be harmful on charter schools and I just think if you could consider this, Mr. President, that this could be harmful to children and also families that need a situation where they may have to be moved to a charter school even. So it puts limitations without the thought of saying, 'Geeze, this needs to be done.' Thank you, Mr. President.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Millett.

Senator **MILLETT:** Thank you, Mr. President. Mr. President, ladies and gentlemen of the Senate, I think it's important to be clear about what this bill, as amended, would do. This addresses virtual charter school. The charter school mentioned in the earlier comments is not a virtual charter school and will not be impacted by this bill. Thank you, Mr. President.

The Chair noted the absence of the Senator from York, Senator **DESCHAMBAULT**, and further excused the same Senator from today's Roll Call votes.

An Act To Prohibit the Provision of Conversion Therapy to Minors by Certain Licensed Professionals

H.P. 755 L.D. 1025
(C "A" H-213)

Tabled - May 16, 2019 by Senator **GUERIN** of Penobscot

Pending - **ENACTMENT**

(In Senate, May 9, 2019, **PASSED TO BE ENGROSSED AS AMENDED**, in concurrence.)

(In House, **PASSED TO BE ENACTED**.)

Senator **GUERIN** of Penobscot moved the Senate **SUSPENDED THE RULES** for the purpose of **RECONSIDERING** whereby the Bill was **PASSED TO BE ENGROSSED AS AMENDED**, in concurrence.

On further motion by same Senator, supported by a Division of one-fifth of the members present and voting, a Roll Call was ordered.

THE PRESIDENT: The Chair recognizes the Senator from Penobscot, Senator Guerin.

Senator **GUERIN:** Thank you, Mr. President. Mr. President, ladies and gentlemen of the Senate, I would like to read part of a letter from one of my constituents, that he submitted as testimony on L.D. 1025. I quote, 'My name is John Kasten, Licensed Clinical Professional Counselor. My license number is 57, indicating that I was licensed at the very beginning of Maine's licensing of counselors. I live in Levant and I practice in Bangor, where my private practice office is located at Crosspoint Church. I am a Christian Counselor, meaning that my specialty is in providing service to those people who identify as Christians and desire to receive counseling from someone who has similar values and world view. Many Christians seeking counselors have found that mental health professionals who do not share their spiritual perspective sometimes make recommendations that run counter to their client's values or actively discourage and oppose their beliefs. It has been my privilege to offer counseling services

to Christians from all over Eastern Maine for over 35 years.' The premise of the amendment that I am presenting today.

THE PRESIDENT: We're not in the position of accepting amendments. We're in the position of Reconsideration. You can certainly speak as to why we should Reconsider.

Senator **GUERIN:** Okay. Thank you, Mr. President.

THE PRESIDENT: I'm pretty sure that's why you read the letter, a good reason to Reconsider.

Senator **GUERIN:** Thank you, I appreciate that forbearance. I believe that we should reconsider this vote because we must preserve our constitutional rights to freedom of speech and freedom of religion. The bill, as passed, does not do that but with the addition of my amendment, if the vote was reconsidered, children would be protected from conversion therapy and constitutional freedoms would be protected. Thank you.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator H. Sanborn.

Senator **H. SANBORN:** Thank you, Mr. President. I rise today to oppose this motion to Reconsider. As Senate Chair of the Health Coverage, Insurance and Financial Services Committee, I heard extensive testimony about why so called conversion therapy or reparative therapy is wholly inappropriate, unsafe, and should not be done by licensed practitioners. It is not therapy at all. This is not a practice that has any basis in science or fact. There's no research if there is a safe way to change someone's sexual orientation or gender identity. On the contrary, experts repeatedly told us that conversion therapy is proven to cause real lasting harm. Conversion therapy doesn't work because LGBT people aren't in need of conversion. Reparative therapy doesn't work because LGBT people aren't broken, so there's nothing to fix. L.D. 1025's focus is on State licensed providers acting within their scope of their license and professionals who are licensed should absolutely be required to follow modern science and sound practices. We should all be invested in making sure that medical and mental health providers, especially those who work with minors, are not engaging in any practice that has proven to harm patients. The entire purpose of requiring licensure is to ensure that trusted service providers are not engaging in harmful practices. L.D. 1025 says that if you're going to be licensed by the State you need to be committed to engaging in a practice that is medically safe for your patients. Conversion therapy has been so thoroughly refuted the very professional associations and departments and licensed professionals that would be governed by this bill spoke in support of the bill: including the Maine Medical Association, Northern Light Health, the Maine Nurse Practitioners Association, the Maine Osteopathic Association, the Maine Chapter of the National Association of Social Workers, the Maine Psychological Association, the Maine Association of Psychiatric Physicians, and the Barbara Bush Children's Hospital. I urge my colleagues to follow my light and vote against the pending motion.

Senator **TIMBERLAKE** of Androscoggin moved to **TABLE** until Later in Today's Session, pending the motion by Senator **GUERIN** of Penobscot to **SUSPEND THE RULES** for the purpose of **RECONSIDERING** whereby the Bill was **PASSED TO BE ENGROSSED AS AMENDED**, in concurrence.

On motion by Senator **LIBBY** of Androscoggin, supported by a Division of one-fifth of the members present and voting, a Roll Call was ordered.
