STATE OF MAINE  
ONE HUNDRED AND THIRTIETH LEGISLATURE  
SECOND REGULAR SESSION  
JOURNAL OF THE SENATE

In Senate Chamber  
Wednesday  
February 16, 2022

Senate called to order by President Troy D. Jackson of Aroostook County.

Prayer by Senator David C. Woodsome of York County.

**SENATOR WOODSOME:** Good morning. As I was driving up this morning, which is an hour and a half ride, I was thinking of what it would be like to be able to drive for an hour and a half, or twenty minutes or whatever, if I didn't have to think about what the hell was going on. It's such a busy time and I'm not a religious person in an organized way, I'm spiritual, and so I am going to go on those lines this morning by being quiet and trying to connect with myself and my higher power as I know it. So, I ask you to join me in a silent prayer and connect with yourself if you will. Amen and thank you.

Pledge of Allegiance led by Senator Heather B. Sanborn of Cumberland County.

The Following Communication:      S.C. 1043

**STATE OF MAINE  
ONE HUNDRED AND THIRTIETH LEGISLATURE  
COMMITTEE ON LABOR AND HOUSING**

February 9, 2022

The Honorable Troy D. Jackson  
President of the Senate

The Honorable Ryan M. Fecteau  
Speaker of the House

130th Legislature  
State House  
Augusta, ME 04333

Dear President Jackson and Speaker Fecteau:

Please accept this letter as the report from the Joint Standing Committee on Labor and Housing regarding its review and evaluation of the Maine Public Employees Retirement System under the State Government Evaluation Act, Title 3, Maine Revised Statutes, chapter 35.

The Committee wrote to MainePERS on June 30, 2021 to notify MainePERS of the Committee's intent to review the agency as part of the Government Evaluation Act. In a subsequent letter on September 29, 2021, the Committee wrote to request more information related to the MainePERS disability program, specifically MainePERS' disability team's policies and procedures.

The Committee received the report from MainePERS on November 1, 2021, as required by statute. MainePERS presented the report to the Committee on January 12, 2022. At this presentation, as well as through a variety of testimony presented to the Committee on bills effecting MainePERS' disability law, the Committee heard concerns about the manner in which MainePERS' disability division operates and processes claims.

The Committee was pleased to hear from the newly hired Chief Executive Officer Dr. Rebecca M. Wyke that one of her priorities is spearheading and implementing a culture change within MainePERS, including in its disability division, and that Dr. Wyke intends to incorporate this in a strategic planning process.

The Committee requests that MainePERS documents the changes made within MainePERS and actions taken to effectuate this culture change. The Committee requests updates on the progress made toward this goal at the Committee's biennial agency orientation and as further requested by the Committee. Specifically, the Committee is interested in employee feedback on culture change initiatives and the systems and processes in place to measure real experiences of MainePERS' members.

At this time, the Committee finds that MainePERS is operating within its statutory authority.

Sincerely,

S/Sen. Matthea Daughtry              S/Rep. Michael A. Sylvester  
Senate Chair                              House Chair

**THE PRESIDENT:** The Chair recognizes the Senator from Knox, Senator Miramant.

Senator **MIRAMANT:** Thank you, Mr. President. Colleagues in the Senate, you'll notice I'm on the opposite side of this motion. I just want to point out that the union leadership and the Governor, the Chief Executive at that time, negotiated away the right, the basic right, of a union to be able to say this is not fair, we need to do something. It took away the right to do something. Recently the leadership supporting the bill asked it to be withdrawn and this vote reflects that and it wasn't right then either. There should be more attention brought to this. It made a situation where public sector employees go to negotiate and there's a little bit of give and take at the beginning, but if it gets hard then they - the folks they work for know that they can just stall because the contract enforced will remain enforced for as long as they don't come to an agreement. That is not a position to negotiate from. What they should have done back then was said, 'Oh, we can't do anything for you, employees, union members. Let's just dissolve the unions since we're not working for you, since we're going to give away one of the most basic rights that a union brings,' but then they wouldn't have got their dues to continue. So, here we are and this needs to be dealt with some time in the future. I see it's not going to be done this time and so please pay attention and any workers who might hear this, or read it anywhere, pay attention to both your negotiators and leadership to make sure they're really representing your interest when it comes time for something like this. Thank you, Mr. President.
