The SPEAKER: The Chair recognizes the Representative from Turner, Representative Morris, who wishes to address the House on the record.

Representative **MORRIS**: Thank you, Madam Speaker. I rise today to recognize a couple of high school teams from my hometown of Turner. We have the Leavitt Area High School Football Class C State Champs here with us today as well as the Leavitt Area High School Golf Class B State Champions as well. Both of them, tremendous accomplishment being able to achieve their State Championships in their respective sports. It takes a tremendous amount of hard work and dedication to be able to achieve that.

There are also several here that are recognized for their individual accomplishments in that regard as well. Harry Haylock is the 2022 Kennebec Valley Athletic Conference Golf Coach of the Year. Harry was actually there when I was in high school, he coached my brother in golf, though I don't know if he wants to take credit for his game. As well, his daughter, Jade Haylock, is being recognized, so very special father-daughter recognition today for the individual class Championship for Class B girls. With the football team, Mike Hathaway is being recognized as the 2022 Campo Conference Coach of the Year. Mike's been there for many years. Similarly, this is a family affair for him. Both of his sons played football for him and his father has coached with him, so this is a tremendous accomplishment, another State Championship for him with the Leavitt Area High School football team.

Noah Carpenter is being recognized as the Maine Football Gatorade Player of the Year and Beau Mayo is here being recognized as the Frank J. Gaziano Memorial Offensive Lineman Award. All of these athletes work very hard and they deserve our recognition and I thank you for recognizing me so I can recognize them.

The **SPEAKER**: The Chair recognizes the Representative from Skowhegan, Representative Poirier, who wishes to address the House on the record.

Representative **POIRIER**: Thank you, Madam Speaker. Madam Speaker and Ladies and Gentlemen of the House, it's with great pleasure and pride that I stand before you today to congratulate the Skowhegan River Hawks football team on their State Championship win.

These young men embody the spirit of teamwork, competition and great sportsmanship. Each of these athletes demonstrate the importance of determination, perseverance and comradery both on and off the field. Head Coach Ryan Libby and his amazing coaching staff have helped these young men learn life-long lessons that can't be taught with pen and paper and they have shared their journey with our entire community. Superintendent Jon Moody stated that, quote, it was amazing to see our community rally behind these boys and the accomplishments of these young men and their fellow classmates before them are a testament to the importance of extracurricular activities in our schools and communities across the State, end-quote.

This is a moment 44 years in the making. The last time our community held a football championship was in 1978 when the Skowhegan Indians became State Champions. The team is joined today by Coach Dave Wing and Coach Mike Walker, who were coaches on the '78 team. On behalf of Skowhegan and surrounding communities in our school district, I congratulate each of these athletes. They hold the work ethic and determination to be successful in anything they set out to do. Please join me in extending congratulations to the Skowhegan Riverhawks.

**SPECIAL SENTIMENT CALENDAR**

In accordance with House Rule 519 and Joint Rule 213, the following items:

**Recognizing:**

Greg Dugal, of Lincolnville, on his retirement as Director of Government Affairs for Hospitality Maine after 20 years of service. We extend our congratulations and best wishes;

(SLS 91)

On **OBJECTION** of Representative BRADSTREET of Vassalboro, was **REMOVED** from the Special Sentiment Calendar.

**READ.**

The **SPEAKER**: The Chair recognizes the Representative from Vassalboro, Representative Bradstreet.

Representative **BRADSTREET**: Thank you, Madam Speaker, Ladies and Gentlemen of the House. It gives me great pleasure today to recognize Greg Dugal on his retirement as Director of Government Affairs at Hospitality Maine.

Greg has always stepped up to represent Maine's vital hospitality industry very well here at the Legislature and before the public. He's been extremely helpful to me on those issues I may not understand, and there are a few of them. He's approachable, he's thoughtful, he's informative and he's always a gentleman. I was sorry to hear of his retirement but I'm happy for him as he enters the next stage of his life and I wish him nothing but the best. I hope that life is good and he has a chance to catch up with him and his wife Donna and also now that they're both retired, he and Tom Brady can catch up with each other again. Thank you.

The **SPEAKER**: The Chair recognizes the Representative from Biddeford, Representative Sheehan.

Representative **SHEEHAN**: Thank you, Madam Speaker. Dear Colleagues, I, too, rise to congratulate Greg Dugal on his retirement. I want to thank him for the generosity he showed me during my first term as a legislator. It's hard to overstate how stressful it is to land in the Legislature with no experience and without the perspective afforded by institutional memory. If I was formulating my position on a complicated bill impacting hospitality or working through a legislative idea of my own, Greg always made time to provide me with his take on the history of similar efforts, to suggest strategies for building consensus, or to connect me with other helpful folks from the lobby, industry, State agencies or the Legislature itself. But what I appreciated most as a citizen lawmaker was the open-mindedness and patience that Greg modeled in his legislative work. As a legislator and as a hospitality business owner, I often find my priorities in conflict with the legislative positions adopted by Hospitality Maine. This didn't stop Greg from listening, identifying common ground and providing support from that place. I want to thank Greg for his help and wish him the very best in his retirement.

The **SPEAKER**: The Chair recognizes the Representative from Camden, Representative Doudera.

Representative **DOUDERA**: Thank you, Madam Speaker. Colleagues, I just want to lend my voice to thanking Greg Dugal for all his efforts as well. My husband and I owned an inn in Camden for 12 years when Greg was very involved in our Chamber of Commerce. He was always very helpful, fun to talk to. When we sold our inn, I actually went to work for Greg for six months; a very long six months. He's quite a task master, he was great as the Director of our Chamber of Commerce, I had a fun time working with him, and I was happy to reconnect with him again in the halls here of the State House. So, we'll miss him. I'm sure I'll see him around in my district, but I just want to say also thank you for all your work that you've done for us, Greg.

On **OBJECTION** of Representative **THERIAULT** of Fort Kent, was **REMOVED** from the Special Sentiment Calendar.

The **SPEAKER**: The Chair recognizes the Representative from Fort Kent, Representative Theriault.

Representative **THERIAULT**: Madam Speaker, Ladies and Gentlemen of the House, I stand here about 60 years from a path that was paved for many of us. The Honorable John Martin is somebody that I've had the pleasure of actually working with. When I was in high school, my senior year, I was a Representative on the Student Council and Honorable John Martin was on the board at that time. So, I did get to know him and the year was 1964, maybe some of you might've been serving at that time, but many of us faintly heard of John Martin, especially some of the freshmen in both caucuses. I will just say

that, you know, certainly, he's somebody that paves a path of leadership and dedication to the State of Maine and it's supposed to be a secret, so hopefully none of you text him and congratulate him, but he's going to be awarded the 2022 Fort Kent Greater Chamber of Commerce Award tonight and if I can beat the traffic and head out here before too long, I'm going to have the great honor of presenting the award, and I also have the great honor of trying to fill his shoes in this House. Thank you.

The **SPEAKER**: The Chair recognizes the Representative from Gorham, Representative Terry.

Representative **TERRY**: Thank you, Madam Speaker. Madam Speaker, I would like to thank the people of Fort Kent for recognizing our fearless leader, John Martin, on this honorable distinction. He, obviously, is very well missed in this whole Chamber and we wanted to on behalf of all of us wish him congratulations from his hometown. Thank you.

The **SPEAKER**: The Chair recognizes the Representative from Orrington, Representative Campbell.

Representative **CAMPBELL**: Thank you, Madam Speaker. I appreciate it. The Honorable John Martin was the Speaker of the House when I first came. It was after a tumultuous year in '91 where there was some debate over this thing called reforming Workers' Comp. But John Martin knew the system and was very respectful of what the People's House does for the people of the State of Maine. Even though we were on opposite sides of the aisle and we were probably on opposite sides of most issues, he deserves our respect and I appreciate this occurring today.

**Recognizing:**

Ruth White, of Orono, a junior at Orono High School, who has been named the Gatorade Maine Girls Cross County Runner of the Year. We extend our congratulations and best wishes;

(HLS 41)

Presented by Representative **OSHER** of Orono. Cosponsored by Senator **TIPPING** of Penobscot, Representative **PERRY** of Bangor.

On **OBJECTION** of Representative **OSHER** of Orono, was **REMOVED** from the Special Sentiment Calendar.

**READ.**

The **SPEAKER**: The Chair recognizes the Representative from Orono, Representative Osher.

Representative **OSHER**: Thank you, Madam Speaker. Madam Speaker, Fellow Members of the House, it is my distinct pleasure to rise today to recognize Ruth White.

Ruth is an Orono High School student and an outstanding scholar-athlete. She's a member of the National Honor Society and she's won awards at the Maine State Science Fair and she's an incredible runner. Ruth placed 17th in the country in the 2022 Champ Sports National Cross Country Championships. She was recently named the Gatorade Maine Girl's Cross Country Runner of the Year, Portland Press Herald Maine State Girls Cross Country Runner of the Year and the Varsity Maine Girls Cross Country Runner of the Year. In addition, she's the only runner in Maine history to win the New England Cross Country Championship two years in a row. Our community is so very proud of her.

When I was a child, girls did not have many opportunities to participate in athletics. My brothers played ice hockey and

soccer on club and school teams, and I wanted to play ice hockey, too, but girls were not welcome unless they were the very best of the best. When I was 12, Title IX was signed into law. Title IX is the portion of the Educational Amendments Act that recognized gender equity in education as a civil right. As schools began to comply with that law, the opportunities for girls to participate in school sports increased. By the time I went to college at Cornell University, Title IX was in effect there. I, a figure skater, was invited to join the women's ice hockey team. My ability to skate was an asset to the team because there weren't enough young women who had played ice hockey before college to fill the team's roster.

Now, 50 years after Title IX, girls in Maine and around the U.S. have opportunity to participate in athletics from an early age. Ruth and so many other girls are now able to participate and excel in sports, gain the benefit of being part of an athletic team, be supported by their schools, and achieve incredible successes.

Ruth is not here with us today because, in addition to her dedication to athletics, she's dedicated to her studies and didn't want to miss class. I look forward to delivering her sentiment to her in Orono.

Thank you for the chance to share a little bit about this outstanding young woman with you today, Madam Speaker.
