Leslie Livingston, of North Yarmouth. Ms. Livingston has devoted more than 30 years of her career to the health, safety and well-being of the children and families of Maine and advocating for the prevention of abuse and neglect through community-level collaboration. She helped to pass legislation to create what is now the Maine Families home visiting program. She served as a national trainer for the Healthy Families home visiting program and was responsible for training all home visitors in Maine throughout the 1990s and early 2000s. She was also part of the adjunct faculty at Kaplan University in the Early Childhood Department for several years. From 1993 to 1997, she served as the Executive Director of Healthy Kids, a family resource network in Damariscotta, one of the sixteen Child Abuse and Neglect Prevention Councils. Later, she directed the home visiting programs at Goodall Hospital and Southern Maine Medical Center. Returning to Healthy Kids in 2008, she again served as the Executive Director until retiring in January 2023. For many years, she has been instrumental in leading the efforts in Lincoln County to provide a wide range of prevention activities, classes and educational programs for parents, professionals and the local communities. Her advocacy for child abuse and neglect prevention is known statewide, and countless families and colleagues have benefited from her commitment. We extend our appreciation and best wishes;

The SPEAKER: The Chair recognizes the Representative from Newcastle, Representative Crafts.

Representative **CRAFTS**: Thank you, Madam Speaker, and Members of the House. Our State's ongoing investment in child abuse prevention is no better illustrated than in the long and devoted career of Leslie Livingston of North Yarmouth. A long-time advocate for children and families in Maine, Leslie began as the executive director of Healthy Kids in Damariscotta in 1993. With some time away in the early-2000s, she returned once again to lead the local Child Abuse Prevention Council in 2008 and has continued her service until retiring just this year. I first met Leslie in a mandated reporter training she was leading years ago. This work was not easy and required compassion, a deep level of commitment and a thick skin. Leslie has it all. Her decades of work in this field are an ongoing testament to her large heart, her clear vision and her enduring resilience. While

the future work of Healthy Kids will be carried in competent hands, Leslie built a strong and lasting organization and her absence will be felt for many years to come. Whether it was her work to help create Maine Families home visiting, of which I was a grateful participant as a new mom, hosting the annual Strawberry Shortcake Shuffle Fundraiser or participating in our local substance use prevention program, Leslie's presence spanned our county and our services, aiming to support and lift up families and their young children. Her legacy will be lasting, as will our community's gratitude for her service.

The SPEAKER: The Chair recognizes the Representative from North Yarmouth, Representative Graham.

Representative **GRAHAM**: Thank you, Madam Speaker, ladies and gentlemen, friends of the House. I rise today to thank Leslie Livingston for dedicating her entire professional life to the care and wellbeing of all our children; not just a few children, all of our children. As we recently noted Child Abuse Prevention Month, it is fitting that we honor someone who has had her boots on the ground for over 30 years. It takes a village to help raise healthy, thriving children. I'm grateful that Leslie is part of my village and I can call her my friend. Thank you, Leslie, and I'll see you in the 'hood.

Subsequently, this Expression of Legislative Sentiment was **PASSED** and sent for concurrence.

Representative BRADSTREET of Vassalboro **REQUESTED** a roll call on the motion to **ACCEPT** the Majority **Ought to Pass as Amended** Report.

More than one-fifth of the members present expressed a desire for a roll call which was ordered.

The SPEAKER: The Chair recognizes the Representative from Vassalboro, Representative Bradstreet.

Representative **BRADSTREET**: Thank you, Madam Speaker, Ladies and Gentlemen of the House. I rise in opposition to the pending motion. I realize this doesn't appear to be a big item in the full scheme of things, and yet it's one more thing that we are forcing upon our small businesses, indeed every business in Maine. It's like another nail in the coffin of businesses that are trying to survive, doing their best to survive and it discourages them and it also discourages other business from considering moving to Maine, who already has what is considered a really negative regulatory environment. So, I hope you would join me in voting against the pending motion. Thank you.

The SPEAKER: The Chair recognizes the Representative from Albion, Representative Cyrway.

Representative **CYRWAY**: Thank you, Madam Speaker of the House and also Ladies and Gentlemen of the House. I just wanted to stand up and say I'm opposed to this bill. I think it should be Ought Not to Pass only because I believe the unions really use pieces of bartering and working things out amongst themselves and we shouldn't, as the State, be making all these union decisions. And I think that we really are taking away the spirit of what they'd like to do and it also does affect a lot of small businesses that may or may not survive because we keep adding to the pot, as Representative Bradstreet had mentioned. So, thank you, Madam Speaker, for this chance to speak and I do think that we can make a difference for the people of letting them make the choice, not just this small Body. Thank you.

The SPEAKER: The Chair recognizes the Representative from Bangor, Representative Roeder.

Representative **ROEDER**: Thank you, Madam Speaker. Madam Speaker, I just want to convey to the Members of this Body this bill was brought to me by the Department of Labor and it is a requested change that simply clarifies something that has been an issue ongoing and with that language clarification, hopefully they will be able to do their jobs better. And I appreciate the consideration of our labor unions. I did want to point out that the Maine AFL-CIO testified in favor. Thank you.

The SPEAKER: A roll call has been ordered. The pending question before the House is Acceptance of the Majority Ought to Pass as Amended Report. All those in favor will vote yes, those opposed will vote no.

Emergency Measure

An Act to Raise the Cap on Retirement Benefits for State Employees and Teachers to Which a Cost-of-living Adjustment Is Made

(H.P. 45) (L.D. 70)
(C. "A" H-24)

Was reported by the Committee on **Engrossed Bills** as truly and strictly engrossed.

The SPEAKER: The Chair recognizes the Representative from Milford, Representative Drinkwater.

Representative **DRINKWATER**: Thank you. Madam Speaker, I rise to support LD 70, An Act to Eliminate the Cap on Retirement Benefits for State Employees and Teachers to Which a Cost-of-living Adjustment Is Made. Sidney Hook once said everyone who remembers his own education remembers teachers. Not methods, not techniques. Teachers are the heart of the educational system. Teachers deserve our respect and gratitude. They've dedicated their lives to instructing our children. Everyone here can remember the name of teachers who inspired them. In my life, it was Mr. Wheeler, Mr. Duff and Ms. Bragdon. Many of them were promised a good retirement when the pay was low, but the benefits were good. I heard from many retired teachers who are struggling to make ends meet. With inflation hurting all families, the senior citizens are the ones feeling it the worst. One retired teacher in her 80s spoke about if it wasn't for her son, she wouldn't be able to continue to live in her house. Serving in the 129th, we heard a bill to fix the COLA and it passed the Committee with a funding request of \$600 million but failed in Appropriations. In the 130th, the same bill passed with a price tag of \$900 million but once again failed in Appropriations. Now, in the 131st, the bill was proposed again with price tag of \$1.2 billion. Madam Speaker, the MEA had the opportunity to meet with the Chief Executive before she finalized the budget. The MEA asked the Chief Executive to fund the COLA and fix the problem. The Chief Executive failed to fund the COLA. I do not understand why the majority party has not made this a priority. After all, they've had majorities on all the committees, control of the House, the Senate and the Blaine House now for five years.

Madam Speaker, I regret that the Chief Executive failed to include some funding to stop the snowball from picking up speed as it's rolling downhill. This is not a Republican versus Democrat debate; this is trying to correct what they had to sacrifice for the State to have a balanced budget as the Constitution requires. We, the members of the Labor Committee, came together in a bipartisan way and requested that the COLA be raised to \$40,000. It is not enough to make them whole, but it's a small attempt to slow the out-of-control cost. Because of the budget being passed by the majority party, we could not include a fix.

What I'm asking for is that we agree to include money in the anticipated supplemental budget if the revenue forecast is as bright as we think. And by this vote, we attempt to restore our promise. Perhaps we could stop funding the thousands of unfilled positions and put that money towards our promise. We promised our retired teachers good benefits when they retired and, frankly, Madam Speaker, I think it's time we stop the talk and walk the talk. When my time here ends and I'm nothing but a memory, I hope I will be remembered as someone who stood up for our retired teachers and tried to right a wrong. Madam Speaker, I'm reading this because of a teacher, and I thank them. Thank you.

The SPEAKER: The Chair recognizes the Representative from Winter Harbor, Representative Faulkingham.

Representative **FAULKINGHAM**: Thank you, Madam Speaker. Madam Speaker, I rise in support of the pending motion. Madam Speaker, this amendment is the unanimous report of the Committee. This amendment changes the cost of living increase for retired employees and teachers, to increase the COLA to apply to the first \$40,000 of the benefit. That COLA is currently capped at \$24,000 and a little bit extra. That cap was put in at a time when the State was in bad financial shape. It is time now to lift that. Sending this bill to the Appropriations Committee sends a strong message to our retired teachers that we support them and their years of service to the State. I urge the Members to vote yes on the pending motion.

The SPEAKER: The Chair recognizes the Representative from Bangor, Representative Roeder.

Representative **ROEDER**: Thank you, Madam Speaker. Madam Speaker, I just wanted to underline and underscore and highlight what my colleagues from Winter Harbor and Milford said. It was a deeply bipartisan vote in Committee, with a lot of support. And as my colleague from Milford said, that number, to make retirees whole, just keeps growing, which is why I urge everyone to support this bill because we're at least taking a step in the right direction with this and we're saying to our retirees that we value you and we want to make you whole. Thank you.
