**STATE OF MAINE
ONE HUNDRED AND THIRTY-FIRST LEGISLATURE
FIRST REGULAR SESSION
JOURNAL OF THE SENATE**

In Senate Chamber
Tuesday
January 31, 2023

Senate called to order by President Troy D. Jackson of Aroostook County.

Prayer by Ophelia Hu Kinney of HopeGateWay in Portland.

MS. KINNEY: Dear One, companion, this we know. Before us are our children, our grandchildren. At our back are our forebearers, those we know and do not. In our midst are our neighbors, one another, for whom this work exists and only with whom this work can be accomplished. We are entrusted to each other, ordained for this time and place out of eons of stardust to near collisions and coincidences coded as miracles. We are gifted to each other because synergy takes place where we are gathered. This is the way of the universe whose laws we cannot escape. We exist in a current of time and its path is ours to determine and yet its direction unwavering is justice. Its direction is life as currents do, as rivers flow. May we today not think so highly of our station that we squander the everyday tendency we have for tenderness. May we today not think so little of our station that we leave our duties unfulfilled. May we today be vessels for the deepest needs and noblest dreams of those who wished us into this Chamber and those who did not and yet we still call neighbor and beloved, for they are. What is the value of another after-hours phone call, an early morning commute, a tired but listening ear, a compromise, a sleepless night, a headline that doesn't quite capture the nuance of what takes place here? Well, may we then consider the sacred mundanity of a beaver building a dam; a woodpecker heralding its return to its post; the loyalty of all snow, all water to the earth and to its source; the rhythm of all things that form the symphony of our state. There is value immeasurable in our daily yesses, our commitment to that current of justice, slow and mercurial as it may sometimes seem. Even in the silence we can turn our attention to our breath, which is made possible by the mundane, small daily yesses, the yesses of our largest of pines and our common plantae and dandelions. We belong to a people who have been here for decades, some for centuries, some who have newly arrived on our shores. We belong to a people in whose image we see ourselves and to a people who are different from us, like the shore is from the ocean. We belong to a parcel of the earth that has been here for decades, for centuries, and that is renewing on our shores. We belong to a parcel of the earth in whose image we find ourselves and to the earth that is different from us, like one hand holding another. We belong to it all, not it to us. We belong. Thank goodness. Thank you. We belong. May it be so. Amen.

Pledge of Allegiance led by Senator Eric L. Brakey of Androscoggin County.

Honorable Troy D. Jackson

Dear Speaker Talbot Ross and President Jackson:

On behalf of the Board of Trustees of the Maine Community College System (MCCS), I respectfully submit the attached report on certain procurements, contributions, and policy changes for the period July 1, 2021, through June 30, 2022, as required by 5 M.R.S.A. § 12023.

To compile this report, MCCS used customized reporting features built into our business management systems. We then tested the validity of those reports and reviewed several transactions with

college personnel. Combined, the seven colleges and the MCCS System Office make thousands of purchases each year.

While reporting is complex, our review indicates that the colleges' compliance with existing policies is extremely high, and expenditures are consistently mission related. In those few areas where we have identified need for improvement, refinements have been made or are under way.

MCCS will continue to use its internal controls and annual outside audit to adapt its systems to changing needs, and our Board of Trustees will continue to monitor compliance through regular reporting and an ongoing dialogue with auditors.

If you have any questions, please do not hesitate to contact me. Thank you.

Sincerely yours,

S/David Daigler
President

**STATE OF MAINE
BUREAU OF THE BUDGET**

To: The Honorable Troy D. Jackson, President of the Senate
Members of the 131st Senate
The Honorable Rachel Talbot Ross, Speaker of the House
Members of the 131st House of Representatives

From: S/Darryl Stewart, Deputy State Budget Officer

Date: January 25, 2023

Subject: Federal Mandates

Title 5, section 1670 requires the State Budget Officer to submit, to all members of the Legislature, a list of any new laws, regulations or other actions that may require the State to comply with any new federal mandate in the current or next biennium.

Federal mandates are programs/activities that the federal government requires an agency or state to participate in whether funded or not. The United States Congressional Budget Office defines a federal mandate as:

- Any provision in legislation that, when enacted, would do one of the following:
 - Impose an enforceable duty on state, local, or tribal governments or on private-sector entities;
 - Reduce or eliminate an authorization of appropriations to cover the costs of complying with existing mandates;
 - Increase the stringency of conditions that apply to the provision of funds to state, local, or tribal governments through certain large mandatory programs or make cuts in federal funding for those mandatory programs if the affected governments lack the flexibility to alter the programs.

- “Enforceable duty” is interpreted to mean actions by public and private entities that would be either required or prohibited. Duties that arise from conditions of federal assistance or that are tied to participating in voluntary federal programs are not considered mandates unless they are one of the large mandatory programs as noted above.

The State Budget Officer has reviewed the new federal requirements submitted by state agencies and departments in accordance with Title 5, section 1670 and finds that none of them meet the above definition. Hence, there are no new laws, regulations or other actions resulting in new federal mandates to report at this time.

ORDERS

Joint Orders

Expressions of Legislative Sentiment recognizing:

The Lewiston High School Mock Trial Team, which won the State Championship. Members of the team include Ava Golder, Ben Cloutier, Sarah Mack, Gabby Thomas, Taylor Jean, Hayden LeCompte, Olivia Crowley, Ethan Rinko, Gabby Gladu, Kim McLaughlin, Adry Viles, Victoria Mpaka and Hayley Aloegnikou and coaches Michelle Crowley, Paul Dionne, Amy Dietrich, Ron Lebel and Dominic Pelletier. We extend our congratulations and best wishes;

SLS 79

Sponsored by Senator ROTUNDO of Androscoggin. Cosponsored by Representatives: ABDI of Lewiston, CLOUTIER of Lewiston, CRAVEN of Lewiston, LAJOIE of Lewiston.

The Joint Order was **READ**.

THE PRESIDENT: The Chair recognizes the Senator from Androscoggin, Senator Rotundo.

Senator **ROTUNDO:** Thank you, Mr. President. Men and women of the Senate, I'm honored to be able to welcome Lewiston High School's Mock Trial Team to the State House today. Our Lewiston team won the State Championship in December, besting thirteen other Maine high school teams in this year's tournament. The Mock Trial competition is one in which students take the roles of attorney and witnesses in a hypothetical criminal trial. Trials are conducted before Maine judges and attorneys who grade the students on their preparation, of mastery of facts, the law and rules of evidence, as well as their demeanor and poise. The final competition is presided over by Maine Supreme Judicial Court Chief Justice Valerie Stanfill, who I just learned was, years ago, an advisor to the Lewiston High School Mock Trial Team as well as Governor Mills who, at that point, was the District Attorney for Androscoggin County. Over the last five years the Lewiston High School team has completed and competed in the finals three times and won two State Championships. We're particularly proud of the performance of our team this year since most of the team members were underclassmen and many had not previously participated in the program. The program is so rigorous and demanding that it often takes students several years to attain proficiency and succeed in the State tournament. I extend my congratulations to these very accomplished team members; to the Lewiston High School teacher and Mock Trial coach, Michelle Crowley; and to the volunteer attorney coaches as well as former students who helped with the team's practice and preparation. We applaud you, celebrate your accomplishment, and wish you the very best as you represent the state of Maine in the national tournament in Little Rock, Arkansas, in May. Thank you.

The Joint Order was **PASSED**.

Sent down for concurrence.

THE PRESIDENT: The Chair is very pleased to recognize in the rear of the Chamber members of the Lewiston High School Mock Trial Team. Ava, Ben, Sarah, Gabby, Taylor, Hayden, Olivia, Ethan, Gabby, Kim, Adry, Victoria and Hayley. They are joined by their coaches Michelle Crowley and Paul Dionne. I was wondering what Paul was doing here. It's good to see him. Amy Dietrich and Dominic Pelletier and also the Aspirations Coordinator, Kate Chase. Would they all please rise and accept the greetings of the Maine Senate and congratulations.

S.P. 98

**JOINT RESOLUTION
RECOGNIZING APRIL 18, 2023 AS WORLD
AMATEUR RADIO DAY**

WHEREAS, amateur radio provides a bridge between people, societies and countries by creating friendships and sharing ideas; and
WHEREAS, amateur radio communication has evolved from crude spark-gap technology to true digital communication, integrating the use of computers and radio to communicate locally as well as worldwide, and amateur radio operators are continually pushing technical boundaries through experimentation and innovation; and
WHEREAS, on April 18, 1925, the International Amateur Radio Union was founded, which illustrates how international cooperation and communication are hallmarks of amateur radio; and
WHEREAS, the International Amateur Radio Union has given amateur radio a voice in developing international agreements that allow amateurs to communicate over international borders; and
WHEREAS, there are more than 2,500,000 amateur radio operators worldwide, with nearly 780,000 in the United States and approximately 4,500 in the State of Maine; and
WHEREAS, each year on April 18th, amateur radio operators throughout the world celebrate World Amateur Radio Day and sponsor special events to promote and publicize amateur radio; and
WHEREAS, amateur radio is a licensed service for noncommercial use and, during emergencies or natural disasters, such as the ice storm of 1998, Hurricane Katrina, the Boston Marathon bombing and countless other emergency situations, is often the only dependable way to communicate locally or internationally; and
WHEREAS, many Maine amateur radio operators serve their local and county emergency management agencies by training and holding exercises to prepare for when their skills are needed during times of emergency; and
WHEREAS, amateur radio operators volunteer their equipment and time to provide this valuable service, and Maine amateur radio operators routinely provide public service communications for such events as the Dempsey Challenge, the Trek Across Maine, the TD Beach to Beacon 10K Road Race, the New England Forest Rally, the Kenduskeag Stream Canoe Race, the
