D. 843) whereby it accepted the "Ought to pass" report of the committee; and on further motion by the same senator the resolve was tabled pending acceptance of the committee report.

Mr. HALL of York: Mr. President, may I inquire if L. D. 150, "Resolve Regulating Fishing in Rangeley River, Franklin County" is in the possession of the Senate?

The PRESIDENT: The Chair will state that L. D. 150 "Resolve Regulating Fishing in Rangeley River, Franklin County" is in the possession of the Senate, having been held at the request of the Senator from York, Senator Hall.

On motion by Mr. Hall of York, the Senate voted to reconsider its action of yesterday whereby it accepted the minority "Ought not to pass" report of the committee.

On motion by Mr. Carpenter of Somerset, the resolve and accompanying papers were tabled pending consideration of the committee report.

The PRESIDENT: The Chair would note that the Committee Chairmen, both House and Senate, and the committee clerks, will receive a memo asking them to comply with Joint Rule 19, and, in compliance with that rule, attempt sometime next week to give to the Appropriations Committee the estimates of appropriation requirements or allocation requirements for such bills as may be held in committee which require appropriation and allocation. The joint rule has been rather informally lived up to in recent sessions, but the Chair is informed that compliance with it would enable the Appropriations Committee to give to the Legislature the following legis-

lative week a reasonably accurate picture of the appropriations and allocations required for all measures whether they may be within or without the Appropriations Committee. The two floor leaders join the

Chair in hoping there is a general compliance with that request.

On motion by Mr. Pike of Oxford,
Adjourned until 10:00 a.m. next
Tuesday
