Lots or sections of land in township number four, range four, W. E. L. S., and lots of land in township number fourteen, range four, W. E. L. S., exceeding the quantity allowed to be sold to settlers, may be sold if, in the judgment of the land agent, such lots or sections are not valuable for lumber growth, but are found to be better adapted for settlement than for other purposes.

Sec. 11. Settler's lot to the value of \$1,000, exempt from attachment. R. S. c. 7, § 38. Whoever purchases a lot of wild land of the state for settlement, and complies with the condition of purchase, may hold it with the improvements thereon, free from attachment and levy on execution, while he remains in actual possession thereof. The value so exempted, shall not exceed one thousand dollars, to be set off to the owner in such portions of the lot as he directs, by the appraisers appointed to levy an execution, as real estate is set off and appraised on execution.

The measure of damages is the highest price which such timber, logs or other lumber, or hay, would bring at the usual place of sale thereof. Nothing in this section affects the right of the state to seize and sell any timber, logs, lumber or hay, cut as aforesaid. At such sale no person, who was in any way concerned in committing such trespass, or in supplying or aiding those who committed it, shall become a purchaser directly or indirectly.

In every township there shall be reserved, as the legislature may direct, one thousand acres of land, and at the same rate in all tracts less than a township, for the exclusive benefit of such town or tract, to average in quality, situation and value as to timber, with the other lands therein. In townships or tracts sold and not incorporated, the lands reserved for public uses may be selected and located by the land agent and the proprietors, by a written agreement, describing the reserved lands by metes and bounds, signed by said parties, and recorded in the land office. The plan or outline of the lands so selected shall be entered on the plan of the township or tract in the land office, which shall be a sufficient location thereof.

See Articles of separation, condition 7. See c. 17, §§ 61-63; 26 Me. 205; 30 Me. 377; 97 Me. 336; 112 Me. 424.

Sec. 16. Location without agreement. R. S. c. 7, § 12. When the land agent and proprietors of such township or tract cannot agree on such location, if the right to cut the timber and grass thereon until the town is incorporated or organized as a plantation has not been sold, the land agent may petition the supreme judicial court for the appointment of commissioners to make the location as hereinafter provided. The petition may be filed, and the proceedings under it had in any county.

97 Me. 336.

Sec. 17. Land agent to have care of lots located; may sell timber and grass. R. S. c. 7, § 14. The land agent shall have the care of the reserved lands in all townships or tracts, until they are incorporated, and the fee becomes vested in the town. He may, from time to time, sell for cash for such sum as he thinks just and reasonable, the timber and grass thereon, or the right to cut the same, until incorporated into a town, except the grass growing on improvements made by an actual settler. When so sold, he shall give the purchaser a permit under his hand and seal, setting forth the terms of the contract, which permit shall be recorded in the office.

See c. 17, §§ 50-60; 30 Me. 381; 45 Me. 69; 49 Me. 390; 61 Me. 446; 78 Me. 264; 97 Me. 336.

61 Me. 447, 448; 97 Me. 336.

Sec. 19. Treasurer also to keep account. R. S. c. 7, § 16. The treasurer shall keep a separate account with the reserved land in each such township, in which account he shall enter all sums by him received and paid on account thereof; and the balance shall remain in the treasury until such township or tract is by law authorized to receive it; and thereupon it shall be paid to the proper officers thereof.

61 Me. 447, 448; 97 Me. 336.

Sec. 20. Money to constitute school fund. R. S. c. 7, § 17. 61 Me. 447, 448; 97 Me. 336.

Sec. 21. Management of fund. R. S. c. 7, § 18. 1915, c. 114. The interest shall be added to the principal of such fund, until the inhabitants of such township or tract are incorporated into a town or organized as a plantation, and establish in such plantation one or more schools, and until the first day of January next preceding the date upon which the treasurer of said plantation shall call for such interest, unless previously expended according to law. When any such township is incorporated as a town, said funds belonging to it shall be paid by the treasurer of state to the treasurer of the trustees of the ministerial and school funds therein, to be added to the funds of that corporation, and held and managed as other school funds of that town are required to be held and managed. If such township or tract is organized as a plantation, the interest of said fund shall be paid annually by the treasurer of state to the treasurer of such plantation to be applied toward the support of schools according to the number of scholars in each school. Said interest shall be cast up to the first day of each January, by the treasurer of state. The state superintendent of public schools

CHAP. 8

shall file a list of such plantations with the amount due for interest for the preceding year according to a record of such amounts to be furnished to him by the treasurer of state, in the office of the state auditor, who shall thereupon insert the name and amount due such plantations in the first warrant drawn in that year. The state superintendent of public schools shall be satisfied that all such plantations are organized, and that schools have been established therein according to law, that assessors are sworn and qualified, and that the treasurers of such plantations have given bonds as required by law.

61 Me. 447; 97 Me. 336.

Sec. 22. When school lands revert to state, land agent shall exercise control of lands and fund. R. S. c. 7, § 19. When the incorporation of a town is repealed, the care and custody of the school lands therein reverts to the land agent and he has the same powers in relation thereto which he would have if such town had never been incorporated; and the school funds of such town shall be collected and transmitted to the treasurer of state and by him made a part of the permanent school fund belonging to such township or tract. The land agent is charged with the duty of enforcing the provisions of this section and is authorized to commence and maintain suits in the name of the state for this purpose.

Sec. 23. Locations of land where portions are reserved on grant, how made. R. S. c. 7, § 20. When in the grant of townships or parts thereof, certain portions of them are reserved for such townships, or for public uses, and they have not been lawfully located in severalty by the grantee for the purposes expressed in the grant, the supreme judicial court in the county where the land lies, on application of the land agent, may appoint three disinterested persons, and issue to them a warrant, under the seal of the court, requiring them, as soon as may be, to locate in separate lots, the portions reserved for such purposes, and to designate the use for which each lot is so reserved and located, such lots to be of average quality with the residue of lands therein.

See c. 93, § 29; 17 Me. 426; 26 Me. 205; 29 Me. 42; 30 Me. 219; 33 Me. 304; 104 Me. 551; 112 Me. 423.

Said committee, before acting, shall be sworn before a justice of the peace; and a certificate thereof shall be indorsed on the warrant. They shall also give notice of their appointment, and of the time and place of their meeting to execute it, by publishing it in some newspaper in the state, to be designated by the court, and by posting written notifications in two or more public places in the same plantation or town, if so ordered by the court, at least thirty days next prior to their meeting. They shall make return of said warrant and their doings thereon, under their hands, to the next supreme judicial court in the county after having completed the service; which, being accepted by the court, and recorded in the registry of deeds in the county or registry district where the land is situated within six months, shall be a legal assignment and location of such reserved portions for the uses designated.

8 Me. 135; 26 Me. 205.

Sec. 25. Location by grantee, how made. R. S. c. 7, § 24. When the grantee of any such lands severs and locates such reserved portions thereof for the purposes mentioned in the grant, designating the use for which each lot is located, and presents it to said court, the court may confirm it and such location shall then be legal and conclusive, being recorded as before mentioned.

Sec. 26. Location on partition. R. S. c. 7, § 25. Such severance and location may also be made and completed in the manner prescribed in section twenty-nine of chapter ninety-three.

This section shall also apply to cities. The chief engineers of the fire departments of cities shall be forest fire wardens and shall have the same powers and duties in carrying out the provisions hereof as selectmen of towns.

Sec. 30. Forest districts to be established; chief forest fire warden, and deputies; tenure of office. 1905, c. 44, §§ 1, 2. The forest commissioner shall take measures for the prevention, control and extinguishment of forest fires in all plantations and unorganized townships, not included in Maine Forestry District, and to this end he shall establish such forest districts as he may deem necessary for effective protection against loss or damage by such fires. He shall appoint in and for each of said districts, so established, a chief forest fire warden, and he shall also appoint within such districts such number of deputy forest fire wardens as in his judgment may be required to carry out the provisions of the two following sections, assigning to each of the latter the territory over and within which he shall have jurisdiction. All chief and deputy forest fire wardens, so appointed, shall hold office during the pleasure of said commissioner, be sworn to the faithful discharge of their duties by any officer authorized to administer oaths, and a certificate thereof shall be returned to the office of such commissioner.

He shall investigate and gather evidence regarding the causes of forest fires, enforce all laws relating to forests and forest preservation, arrest all violators thereof, prosecute all offenses against the same and in this connection shall have the same power to serve criminal processes against such offenders and shall be allowed the same fees as a sheriff, or his deputy, for like services, and shall have and enjoy the same right as a sheriff to require aid in executing the duties of his office. The chief forest fire wardens shall perform such other duties, at such times, and under such rules and regulations, as the said commissioner may prescribe, and each shall receive as compensation two dollars and fifty cents for each and every day of actual service, with an allowance for expenses of travel and subsistence not to exceed two dollars daily for such period. The commissioner may authorize the employment of suitable persons to assist said chief forest fire wardens in patrolling their respective districts and every person so employed shall be paid fifteen cents for each hour of service so rendered by him and be provided with

Deputy forest fire wardens shall perform such duties, at such times and under such rules and regulations, as the chief fire warden of the district, with the approval of said commissioner, may prescribe and they shall receive as compensation two dollars for each and every day of actual service.

Sec. 32. Duties when fire occurs within district; assistance; statement of expenses. 1905, c. 44, § 4. Whenever a fire occurs on, or is likely to do damage to forest lands within the district of any chief forest fire warden, he shall take immediate action to control and extinguish the same. If such fire occurs upon or is likely to do damage to forest lands within the territory of a deputy forest fire warden and the chief fire warden of the district is not present, the deputy forest fire warden, having jurisdiction of the territory, shall forthwith proceed to control and extinguish the same, and he shall meanwhile, with all consistent dispatch, cause the said chief fire warden of the district to be notified of the occurrence of such fire. Until the arrival of the chief warden at the place of fire the deputy warden shall be in charge of the control and extinguishment of the same. For the purpose of controlling and extinguishing fires as aforesaid, chief forest fire wardens, and deputy forest fire wardens when in charge of the control and extinguishment of forest fires or when so directed by the chief warden, may summon to their assistance citizens of any county, and each person so summoned and assisting shall be paid fifteen cents for each hour of service rendered by him. Immediately after the extinguishment of a fire the deputy forest fire warden who for any time may have been in charge of the same shall make return to the chief warden of the district of the expense thereof during the period of his being in charge, including the names of the persons so summoned and assisting, with their post-office addresses and the hours of labor actually performed by each under his direction. The return shall be made upon oath and the said chief warden is hereby authorized and empowered to administer such oath. Upon receipt of such return the said chief fire warden shall carefully examine and audit the same and he may direct the deputy to amend and correct any return found to be incomplete, incorrect or insufficient in form. If upon examination and auditing of said return, and investigation of the subject matter thereof, said chief fire warden believes said return to be just and correct, he shall indorse his written approval thereon and forward the same so approved to said forest commissioner. The chief fire warden of every district burned by a forest fire shall, upon the extinguishment of such fire, promptly forward an exact and detailed statement of the expense, if any, which said chief fire warden may have incurred in connection with the extinguishment of such fire, to the said forest commissioner, who may confirm, reject or recommit either or both said approved return of said deputy or said detailed statement of said chief fire warden if justice so requires.

One-half of any fine imposed and collected under this section shall be paid to the complainant.

Sec. 36. Notices shall be erected, that all fires must be extinguished. R. S. c. 7, § 56. Selectmen shall erect in a conspicuous place at the side of every highway as they may deem proper, and at suitable distances alongside the rivers and lakes of the state frequented by camping parties, tourists, hunters and fishermen, in their respective towns, notices in large letters to be furnished by the forest commissioner, substantially in the following form: "Camp fires must be totally extinguished before breaking camp, under penalty of not to exceed one month's imprisonment or one hundred dollars fine, or both as provided by law. ———, Forest Commissioner." The forest commissioner shall furnish owners of woodlands situated within this state when called upon so to do, notices of similar tenor to be posted at the expense of said owners upon their respective lands.

During the time which shall by such proclamation be made a close season, all provisions of law covering and relating to the close season shall be in force, and a person violating a provision of the same shall be subject to the penalty therein prescribed. Whoever enters upon the wild lands of the state carrying or having in his possession any firearms, or shoots during the close season fixed by proclamation of the governor, as provided in the preceding section, any wild animal or bird for the hunting of which there is no close season otherwise provided by law, shall be punished by a fine of one hundred dollars and costs.

Sec. 40. Proclamation shall be published and posted; copy filed with secretary of state. 1909, c. 52, § 3. Such proclamation shall be published in such newspapers of the state and posted in such places and in such manner as the governor may order in writing. A copy of such proclamation and order, shall be filed with the secretary of state. Sec. 50. Railroad companies liable for damages caused by employees; smoking car windows shall be screened. R. S. c. 7, § 62. 1913, c. 86. No railroad company shall permit its employees to deposit fire, live coals or ashes, upon its track in the immediate vicinity of woodlands or lands liable to be overrun by fires, and any railroad company operating a railroad running through the Maine forestry district shall between the first day of May and the tenth day of November following in each year, fasten down or secure screens or other obstructions in the windows of all cars or apartments of cars in which smoking is allowed, to prevent the throwing of burning matches, burning cigars, burning cigarettes or parts thereof from the windows of such cars. When engineers, conductors or trainmen discover that fences along the right of way or woodlands adjacent to the railroads, are burning or in danger from fire, they shall report the same at their next stopping place which shall be a telegraph station.

built in this state after the third day of May, eighteen hundred and ninety-one, the company owning such road shall be primarily liable to the person or persons so damaged. During the construction of such roads through woodland, there shall be kept posted in conspicuous places on each line of the roadways at distances of two hundred feet, abstracts of the laws relating to forest fires. Any person employed in the construction of such railroads, who shall set or cause to be set any fire along the line of said roads, shall, before leaving the same, totally extinguish said fires, and upon failure to do so, such person shall be punished by a fine of not exceeding five hundred dollars or by imprisonment in the county jail not exceeding sixty days, or by both such fine and imprisonment. All persons having charge of men in the construction of such railroads shall see that the provisions of this section are carefully complied with, and for any negligence or want of ordinary care on their part in relation to the same, they shall be liable to the penalties imposed by this section.

Sec. 52. Penalty for violation of §§ 48-50. R. S. c. 7, § 64. Any railroad company violating the requirements of sections forty-eight, forty-nine and fifty, shall be liable to a fine of one hundred dollars for each offence.

Sec. 53. Inflammable material along railroads and ways shall be removed. 1915, c. 196, § 1. Any person, firm, corporation or agent, cutting any forest growth on property adjacent to the right of way of any railroad or highway within the state, shall leave the growth uncut on the land within fifty feet of the limit of the right of way of a railroad or center of the wrought portion of any plantation, town, city, county or state road; or shall dispose of slash and debris caused by cutting in such a manner that inflammable material shall not remain on the ground within fifty feet of the limit of the right of way of a railroad or center of the wrought portion of any plantation, town, city, county or state road.

Sec. 54. Slash and debris, how to be disposed of. 1915, c. 196, § 2. Slash and debris accumulating by the construction and maintenance of railroads, highways or telegraph or telephone lines, shall be disposed of in such a manner that inflammable material shall not be left on the ground.

Sec. 55. Forest commissioner may dispose of slash and debris and recover double the cost in action of debt; attorney-general shall prosecute; lien on land enforced by attachment. 1915, c. 196, § 3. When any person, firm, corporation or agent shall have failed to dispose of slash and debris as provided by the two preceding sections, the forest commissioner shall cause such slash and debris to be so disposed of. He shall pay the expense of so disposing of such slash and debris from any funds at his disposal, legally applicable to such purpose; and he or his successor in office shall be entitled to recover double the amount of such expenditures in an action of debt, to be prosecuted by the attorney-general in the supreme judicial court in the county of Kennebec, against the person, firm, corporation or agent whose duty it was to dispose of such slash or debris; and there shall be a lien on the land on which the cutting of the forest growth took place, to secure any judgment recovered in such action, to be enforced by attachment in said action, made within six months after such expenditures were made. The sum recovered and collected in such action shall be returned

to and become a part of the fund from which the expenditures were made. Provided, however, that any person, firm, corporation or agent cutting wood or timber during the winter, after November first, shall have until May first following in the Maine forestry district, and until April first in the remainder of the state, to remove such slash and debris. If such slash and debris are destroyed by burning, such burning shall be done with the permission of the forest commissioner.

Sec. 56. Elementary instruction in forestry in public schools. R. S. c. 7, § 65. The forest commissioner shall take such measures as the state superintendent of public schools and the president of the University of Maine may approve, for awakening an interest in behalf of forestry in the public schools, academies and colleges of the state, and of imparting some degree of elementary instruction upon this subject therein.

Sec. 57. Commissioner shall issue circulars of advice for care of woodlands. R. S. c. 7, § 66. He shall prepare tracts or circulars of information, giving plain and concise advice for the care of woodlands and for the preservation of forest growth. These publications shall be furnished to any citizen of the state upon application.

Sec. 58. Copies of §§ 28-59 shall be printed and distributed to selectmen and posted; penalty for destroying notices. R. S. c. 7, § 67. The forest commissioner, at the expense of the state, shall cause copies of sections twenty-eight to fifty-nine, both inclusive, of this chapter and all other laws of the state relating to forest fires to be printed and freely distributed to the selectmen of all the towns of the state, who shall post them up in school-houses, saw mills, logging camps and other places; and similar copies shall be furnished to owners of forest lands, who may apply for them, to be posted up at the expense of such owners. Any person viciously or wantonly tearing down, destroying or defacing any such notices, shall on conviction thereof, be punished by a fine of five dollars.

Sec. 59. Penalties not substitutes for existing liabilities. R. S. c. 7, § 68. None of the penalties imposed by sections thirty-five, fifty-one, fifty-two and fifty-eight shall be considered as substitutes for or as repealing the provisions of existing laws, making persons guilty of acts of trespass or liable for civil damages to persons injured by such acts.

CHAP. 8

and payable at the date of the assessment of the state tax, in the years when the legislature is in session, and for other years it shall be due and payable in one year after the date of such assessment. The valuation as determined by the board of state assessors, and set forth in the statement filed by them as provided in section eleven of chapter nine, shall be the basis for the computation and apportionment of the tax hereby assessed. The tax hereby assessed shall be valid, and all remedies herein provided shall be in full force if said property is described with reasonable accuracy, whether the ownership thereof is correctly stated or not.

Sec. 62. State assessors shall file description of land subject to tax. 1909, c. 193, § 3. The board of state assessors shall, within thirty days after such tax is due, prepare and file with the treasurer of state, a certificate setting forth the description of each lot, parcel or right subject to the tax, together with the tax computed at the rate fixed in the preceding section.

Sec. 63. Lists of assessments to be advertised; land held to the state for payment of tax. 1909, c. 193, § 4. The treasurer of state shall cause lists of the assessments made hereby to be advertised for three weeks successively in the state paper, and in some newspaper, if any, in the county where the land lies, within three months after such tax is due. Such advertisement may be consolidated with the advertisement required by section forty-four of chapter ten.

The land shall be held to the state for the payment of the tax so assessed, with interest at twenty per cent per annum, to commence six months after such tax is due as herein provided.

Sec. 64. Redemption of lands assessed and advertised, proceedings; land forfeited to the state. 1909, c. 193, § 5. Each owner may pay for his interest in any tract, whether in common or not, and upon filing with the treasurer of state a certificate showing the number of acres, and describing the property on which he desires to pay the tax, and where the same is located, and paying the amount due, shall receive a certificate from the treasurer of state, discharging the tax on the number of acres or interest upon which such payment is made. Each part or interest of every such township or tract upon which the tax hereby imposed and so advertised is not paid, with interest, within the time limited in this section for such redemption, shall be wholly forfeited to the state and vest therein free of any claim by any former owner.

Sec. 65. Assessment of taxes on organized plantations. 1911, c. 33. The treasurer of state shall annually send his warrant, together with a copy of the assessment of taxes upon the organized plantations in the Maine Forestry District, directed to the municipal officers of said plantations, requiring them respectively to assess, in dollars and cents, the sum so charged, according to the provisions of law for the assessment of such taxes, and to add to the amount of such tax the amount of state, county and plantation taxes, to be by them assessed in each plantation respectively.

Sec. 66. Use of funds; when insufficient, payments from state treasury; audit of accounts. 1909, c. 193, § 6. 1913, c. 85, § 1. The governor and council shall from time to time, as the forest commissioner may request, issue their warrant to the treasurer of state to pay to said commissioner such sums of money as said commissioner may deem necessary for the purpose aforesaid. If the tax assessed by authority of section sixty-one has not been collected or for any reason is not available for the purpose aforesaid or if said tax proves insufficient in any year to properly carry out said purpose, the governor and council may issue their warrant to the treasurer of state, authorizing him to advance and pay to the forest commissioner, from any moneys then in the treasury not otherwise appropriated, such sum or sums of money as they may deem necessary for such purpose. The accounts of the commissioner of the disbursement of all funds shall be examined by the state auditor for the purpose of determining if said accounts are correctly kept and all payments properly vouched for. The forest commissioner may employ from time to time such clerks in his office as will enable him to pay promptly all bills contracted in carrying out the provisions hereof and the compensation of such clerks shall be paid from the funds provided for the district.

Whenever a fire occurs on, or is likely to do damage to forest lands within the district of any chief forest fire warden, he shall take immediate action to control and extinguish the same. If such fire occurs upon or is likely to do damage to forest lands within the territory of a deputy forest fire warden and the chief fire warden of the district is not present, the deputy forest fire warden having jurisdiction of the territory shall forthwith proceed to control and extinguish the same, and he shall meanwhile, with all consistent dispatch, cause the said chief fire warden of the district to be notified of the occurrence of such fire. Until the arrival of the chief warden at the place of fire, the deputy warden shall be in charge of the control and extinguishment of the same. For the purpose of controlling and extinguishing fires, chief forest fire wardens, and deputy forest fire wardens, when in charge of the control and extinguishment of forest fires or when so directed by the chief warden, may summon to their assistance any person found within the state and each person so summoned and assisting shall be paid twenty cents for each hour of service rendered by him and be provided with subsistence during such service. Immediately after the extinguishment of a fire, the deputy forest fire warden who for any time may have been in charge of the same, shall make return to the chief warden of the district of the expense thereof during the period of his being in charge, including the names of the persons so summoned and assisting, with their post-office addresses and the hours of labor actually performed by each under his direction. The return shall be made upon oath and the chief warden is hereby authorized and empowered to administer such oath. Upon receipt of such return, the chief fire warden shall carefully examine and audit the same, and he may direct the deputy to amend

and correct any return found to be incomplete, incorrect, or insufficient in form. If upon examination and auditing of said return, and investigation of the subject matter thereof, the chief fire warden believes said return to be just and correct, he shall endorse his written approval thereon and forward the same so approved to the forest commissioner. The chief fire warden of every district burned by a forest fire shall, upon the extinguishment of such fire, promptly forward an extract and detailed statement of the expense, if any, which he may have incurred in connection with the extinguishment of such fire, to the forest commissioner, who may confirm, reject or recommit, either or both, the approved return of said deputy or the detailed statement of the chief fire warden, if justice so requires.
