With respect to internal combustion engine fuel as defined in section 159 of chapter 16 of the revised statutes, this act shall apply only to such fuel which the distributor shall sell, distribute or use on and after June 1, 1955.”

Sec. 166. Refund of 6/7 of tax collected in certain cases; time limit for application.—Any person, association of persons, firm or corporation who shall buy and use any internal combustion engine fuel as defined in sections 158 to 168, inclusive, for the purpose of operating or propelling motor boats, tractors used for agricultural purposes not operating on public ways, or in such vehicles as run only on rails or tracks, or in stationary engines, or in the mechanical or industrial arts, or for any other commercial use except in motor vehicles operated or intended to be operated upon any of the public highways of this state, or turnpikes operated and maintained by the Maine Turnpike Authority, or except, as provided in section 167, for the use in the operation of aircraft, and who shall have paid any tax on internal combustion engine fuel levied or directed to be paid as provided by sections 158 to 168, inclusive, either directly by the collection of such tax by the vendor from such consumer, or indirectly by adding the amount of such tax to the price of such fuel and paid by such consumer, shall be reimbursed and repaid to the extent of 6/7 of the amount of such tax paid by him upon presenting to the state tax assessor a sworn statement accompanied by the original invoices showing such purchases, which statement shall show the total amount of such fuel so purchased and used by such consumer other than in motor vehicles operated or intended to be operated upon any of the public highways of the state and in the operation of aircraft.

Applications for refunds must be filed with the state tax assessor within 12 months from the date of purchase. (R. S. c. 14, § 166. 1945, c. 31, § 3. 1947, c. 101, § 1; c. 349, § 4. 1949, c. 349, § 11. 1951, c. 222. 1955, c. 436, § 4. 1957, c. 193.)

Effect of amendments. — The 1955 amendment increased the amount of the refund from 5/6 to 6/7 of the tax paid. Such amendatory act was made effective on its approval and became law by virtue of a two-thirds vote of the members of the legislature over the objections of the governor, May 21, 1955. Section 6 of the 1955 amendatory act provides: “No tax imposed by the provisions of this act shall be levied prior to June 1, 1955. With respect to internal combustion engine fuel as defined in section 159 of chap-

ter 16 of the revised statutes, this act shall apply only to such fuel which the distributor shall sell, distribute or use on and after June 1, 1955.”

The 1957 amendment changed the number of months mentioned in the last paragraph from “9” to “12” and deleted the words “provided that” formerly appearing at the beginning of such paragraph and the words “as provided herein” formerly appearing following the word “refunds”.

Sec. 167. Provisions for refund of 3/7 of tax paid by users of aircraft.—Any person, association of persons, firm or corporation who shall buy and use any internal combustion engine fuel as defined in sections 158 to 168, inclusive, for the purpose of operating aircraft, and who shall have paid any tax on internal combustion engine fuel levied or directed to be paid as provided by sections 158 to 168, inclusive, either directly by the collection of such tax by the vendor from such consumer, or indirectly by adding the amount of such tax to the price of such fuel and paid by such consumer, shall be reimbursed and repaid to the extent of 3/7 of the amount of such tax paid by him upon presenting to the state tax assessor a statement accompanied by the original invoices showing such

purchases. Provided that applications for refunds as provided herein must be filed with the state tax assessor within 9 months from the date of purchase. (1947, c. 349, § 4-A. 1955, c. 436, § 4-A.)

Effect of amendment.—The 1955 amendment increased the amount of the refund from 1/3 to 3/7 of the tax paid. The amendatory act was made effective on its approval and became law by virtue of a two-thirds vote of the members of the legislature over the objections of the governor, May 21, 1955. Section 6 of the amend-

atory act provides: "No tax imposed by the provisions of this act shall be levied prior to June 1, 1955. With respect to internal combustion engine fuel as defined in section 159 of chapter 16 of the revised statutes, this act shall apply only to such fuel which the distributor shall sell, distribute or use on and after June 1, 1955."

Use Fuel Tax.

Sec. 170. Definitions.

"Person" shall mean and include natural persons and partnerships, firms, associations, corporations, both public and private, except municipalities. (1955, c. 368, § 1.)

Effect of amendment.—The 1955 amendment substituted "except" for "and" before the word "municipalities" at the end

of the fifth paragraph. As the rest of the section was not changed by the amendment, only the fifth paragraph is set out.

Sec. 172. Levy of tax and exemptions.—An excise tax imposed on all users of fuel upon the use of such fuel by any person within this state, only when such fuel is used in an internal combustion engine for the generation of power to propel motor vehicles of any kind or character on the public highways or turnpikes operated and maintained by the Maine Turnpike Authority, at the rate of 7¢ per gallon, to be computed in the manner set forth in sections 173 to 187, inclusive; provided, however, that no tax is imposed upon the use of any fuel if the constitution of the United States or of this State precludes such tax. (R. S. c. 14, § 172. 1947, c. 101 § 2; c. 349, § 5. 1949, c. 349, § 12. 1955, c. 436, § 5.)

Effect of amendment.—The 1955 amendment increased the rate of the tax from 6¢ to 7¢ per gallon. The amendatory act was made effective on its approval and became law by virtue of a two-thirds vote of the members of the legislature over the objections of the governor, May 21, 1955. Section 6 of the amendatory act provides:

"No tax imposed by the provisions of this act shall be levied prior to June 1, 1955. With respect to internal combustion engine fuel as defined in section 159 of chapter 16 of the revised statutes, this act shall apply only to such fuel which the distributor shall sell, distribute or use on and after June 1, 1955."

Sec. 174. Bond required of licensed users.—Every user shall file with the state tax assessor a bond as follows: (1955, c. 368, § 2.)

Effect of amendment.—The 1955 amendment deleted the words "except a municipality following the word "user" near the beginning of the opening paragraph of this

section. As the rest of the section was not changed by the amendment, only the opening paragraph is set out.

Sec. 182. Use fuel dealer license; reports; tax.

At the time of the filing of said report each use fuel dealer shall pay to the state tax assessor a tax of 7¢ upon each gallon so reported as sold or used, and the state tax assessor shall pay over all receipts from such tax to the treasurer of state daily. If such report is not filed by the last day of the month such dealer shall be liable to a penalty of \$1 a day for each day in arrears, due on demand by the state tax assessor and recoverable in an action of debt.

Each dealer shall, within 15 days after demand made on him by the state tax assessor, pay a tax of 7¢ per gallon upon each gallon of such fuels upon which the tax has not been paid which, upon an audit, the state tax assessor may find to have been received into the state during the preceding year by the dealer and not properly accounted for in a dealer's report or in accordance with law.

Each dealer paying or becoming liable to pay the tax imposed by this section shall be entitled to charge and collect 7¢ per gallon only as a part of the selling price of the fuels subject to the tax. (1951, c. 289, § 2. 1955, c. 436, § 5-A. 1957, c. 54.)

Effect of amendments.—The 1955 amendment substituted “7¢” for “6¢” in the third, fourth and fifth paragraphs. Such amendatory act was made effective on its approval and became law by virtue of a two-thirds vote of the members of the legislature over the objections of the governor, May 21, 1955. Section 6 of such amendatory act provides: “No tax imposed by the provisions of this act shall be levied prior to June 1, 1955. With respect to internal combustion engine fuel

as defined in section 159 of chapter 16 of the revised statutes, this act shall apply only to such fuel which the distributor shall sell, distribute or use on and after June 1, 1955.”

The 1957 amendment decreased the penalty in the third paragraph from \$5 to \$1.

As the first and second paragraphs were not changed by the amendments, they are not set out.

Cigarette Tax.

Editor's note.—The tax on cigars and tobacco products, formerly imposed by §§ 200-221, was repealed by P. L. 1953, c. 429, effective January 1, 1955, not codified. P.

L. 1953, c. 429, was repealed by P. L. 1955, c. 405, § 48, and in large part re-enacted by §§ 8-27 of the same act, which amended many of the sections of this subdivision.

“Licensed dealer” shall mean a dealer licensed under the provisions of said sections;

“Licensed distributor” shall mean a distributor licensed under the provisions of sections 200 to 221, inclusive;

“Unclassified importer” shall mean any person, firm, corporation or association within the state, other than a licensed distributor, sub-jobber or dealer as defined, who shall import, receive or acquire from without the state, cigarettes for use or consumption within the state. (R. S. c. 14, § 186. 1945, c. 89, § 1. 1947, c. 377, § 1. 1953, c. 308, § 10. 1955, c. 405, § 8.)

Effect of amendment.—The 1955 amendment deleted the words “cigars and tobacco products” after the word “cigarettes” wherever it appears in the defini-

tions of “dealer,” “distributor” and “unclassified importer.” It also deleted a definition of “tobacco products.”

Sec. 201. Dealers, unclassified importers and distributors to be licensed.—Each person engaging in the business of selling cigarettes in this state, including any distributor or dealer, shall secure a license from the tax assessor before engaging in such business. A separate application and license shall be required for each wholesale outlet and for each retail outlet when a person shall own or control more than one place of business dealing in cigarettes. Each vending machine shall be considered a retail outlet. Such license shall be issued or

forms prescribed by the assessor, and shall contain the name and address of the applicant, the address of the place of business and such other information as the assessor may require for the proper administration of the provisions of sections 200 to 221, inclusive. Each application for a wholesale outlet license shall be accompanied by a fee of \$25 and each such application for a retail outlet license shall be accompanied by a fee of \$1. Each application for a sub-jobber's license, to be known as a "wholesale dealer's license," shall be accompanied by a fee of \$10. Each license so issued shall be prominently displayed on the premises covered by the license and in the case of vending machines there shall be attached to the same a disc or marker to be furnished by the assessor showing it to have been licensed. Each unclassified importer shall, before importing, receiving or acquiring cigarettes from without the state, secure a license from the tax assessor. There shall be no charge for a license issued to an unclassified importer. Any person who shall sell, offer for sale or possess with intent to sell any cigarettes, without a license as provided in this section, shall be punished by a fine of not more than \$25 for the 1st offense and not less than \$25, nor more than \$200, for each subsequent offense. Any unclassified importer who shall import, receive or acquire from without the state cigarettes for use or consumption within the state without a license as provided in this section shall be punished by a fine of not more than \$25 for the 1st offense and not less than \$25, nor more than \$200, for each subsequent offense. (R. S. c. 14, § 187. 1947, c. 377, § 2. 1949, c. 171, § 1; c. 409, § 1. 1953, c. 308, § 10. 1955, c. 405, § 9.)

Effect of amendment.—The 1955 amendment deleted the words "cigars and tobacco products" following the word "cigarettes" wherever it appears in this section.

Sec. 202. Validity of license.

Sec. 203. Revocation of license.

Effect of amendment.—This section was re-enacted without change by P. L. 1955, c. 405, § 11.

Sec. 204. Tax imposed.—A tax is imposed on all cigarettes held in this state by any person for sale, said tax to be at the rate of 2½ mills for each cigarette and the payment thereof to be evidenced by the affixing of stamps to the packages containing the cigarettes as hereinafter provided. Any cigarette on which a tax has been paid, such payment being evidenced by the affixing of such stamp, shall not be subject to a further tax under the provisions of sections 200 to 221, inclusive. Nothing contained in said sections shall be construed to impose a tax on any transaction, the taxation of which by this state is prohibited by the constitution of the United States.

Each unclassified importer shall, within 24 hours after receipt of any unstamped cigarettes in this state, notify the tax assessor of the number of cigarettes received, and the name and address of consignor. The tax assessor thereupon shall notify the unclassified importer of the amount of the tax due thereon, which shall be at the rate of 2½ mills per cigarette. Payment of the amount due the state shall be made within 10 days from mailing date of notice thereof. (R. S. c. 14, § 190. 1947, c. 377, § 5. 1949, c. 409, § 3. 1953, c. 308, § 10. 1955, c. 359, § 4.)

Effect of amendment.—The 1955 amendment, which became effective July 1, 1955, increased the rate of the tax on cigarettes from 2 to 2½ mills for each cigarette, and omitted provisions for the tax on "cigars and tobacco products," previously repealed by P. L. 1953, c. 429, not codified. See note immediately preceding § 200.

Section 6 of the 1955 amendatory act au-

thorizes the state tax assessor to waive, for a period of not over seven days following the effective date of the act, payment of the additional tax by retail dealers with respect to stocks of cigarettes properly stamped at the rate of 2 mills per cigarette sold during such period, provided such stocks were on hand as of the effective date of the act. Section 6 further pro-

vides that "cigarettes in the hands of retail dealers subsequent to the period of waiver provided for above, not properly stamped at the rate of 2½ mills per cigarette, shall be subject to confiscation under

the provisions of section 211 of chapter 16 of the revised statutes; and such retailer shall be subject to any other penalties by law provided."

Sec. 205. Assessor to provide stamps.—The tax assessor shall secure stamps, of such design and denomination as he shall prescribe, suitable to be affixed to packages of cigarettes as evidence of the payment of the tax imposed by the provisions of sections 200 to 221, inclusive. To licensed distributors he shall sell such cigarette stamps at a discount of 3½% of their face value. To licensed dealers he shall sell all stamps at face value. The face value of the stamps when affixed shall be considered as part of the cost of the merchandise. The assessor may, in his discretion, permit a licensed distributor or licensed dealer to pay for such stamps within 30 days after the date of purchase, provided a bond satisfactory to the assessor in an amount not less than the sale price of such stamps shall have been filed with the assessor conditioned upon payment for such stamps. He shall keep accurate records of all stamps sold to each distributor and dealer and shall pay over all receipts from the sale of stamps to the treasurer of state daily. (R. S. c. 14, § 191. 1947, c. 377, § 6. 1951, c. 409. 1953, c. 308, § 10; c. 408. 1955, c. 1, § 1; c. 359, § 5.)

Effect of amendments.—The first 1955 amendment, which was made retroactive to January 1, 1955, deleted provisions relating to stamps for "cigars and tobacco products" in the first and second sentences. It also increased to 4% the discount on cigarette stamp sales, which had been reduced from 4% to 3½% by P. L. 1953, c. 429, § 4, not codified. The discount was again reduced to 3½% by the second 1955 amendment, which became effective July 1, 1955. See note immediately preceding § 200.

Section 2 of the first 1955 amendatory

act authorizes the state tax assessor to redeem unused, uncanceled tobacco tax stamps presented by any licensed distributor or dealer for that purpose on or before June 30, 1955. Section 3 of the same act authorizes the state tax assessor to give credit for or refund at face value tobacco tax stamps affixed to unsold stocks of cigars and tobacco products in the hands of a licensed distributor or dealer as of December 31, 1954, if application for such credit or refund is filed on or before February 15, 1955.

Sec. 206. Dealers and distributors not to resell stamps; redemption.—No distributor or dealer shall sell or transfer any stamps issued under the provisions of sections 200 to 221, inclusive. The assessor shall redeem any unused, uncanceled stamps presented by any licensed distributor or dealer, at a price equal to the amount paid therefor by such dealer or distributor and the said assessor may, upon proof satisfactory to him and in accordance with regulations promulgated by him, redeem, at a price equal to the amount paid therefor, Maine cigarette tax stamps affixed to packages of cigarettes which have become unfit for use and consumption, or unsalable, and the treasurer of state shall provide, out of money collected hereunder, the funds necessary for such redemption. (R. S. c. 14, § 192. 1947, c. 377 § 7. 1953, c. 308, § 10. 1955, c. 405. § 12.)

Such stamps may be affixed by a distributor at any time before the cigarettes are transferred out of his possession. (R. S. c. 14, § 193. 1947, c. 377, § 8. 1953, c. 308, § 10. 1955, c. 405. § 13.)

Sale of unstamped cigarettes prohibited.—No distributor shall sell, and no other person shall sell, offer for sale, display for sale or possess with intent to sell, any cigarettes which do not bear stamps evidencing the payment of the tax imposed by sections 200 to 221, inclusive, provided a licensed dealer may keep on hand unstamped cigarettes for a period not exceeding 72 hours. Any unstamped cigarettes in the possession of a dealer shall be presumed to have been held by him for more than 72 hours unless proof be shown to the contrary. Any person who shall violate any provision of this section shall be punished by a fine of not more than \$100 for the 1st offense and, for each subsequent offense, shall be punished by a fine of not less than \$200, nor more than \$1,000, or by imprisonment for not more than 6 months, or by both such fine and imprisonment. (R. S. c. 14, § 195. 1947, c. 377, § 10. 1953, c. 308, § 10. 1955, c. 405, § 15.)

(1949, c. 409, § 4. 1955, c. 405, § 16.)

Effect of amendment.—The 1955 amendment deleted the words “cigars or tobacco products” following the word “cigarettes” in two places in this section.

Sec. 211. Unstamped cigarettes subject to confiscation.—Any cigarettes found at any place in this state without stamps affixed thereto as required by sections 200 to 221, inclusive, unless such cigarettes shall be in the possession of a licensed distributor, or unless they shall be in course of transit from without this state and consigned to a licensed distributor or licensed dealer, or unless they shall have been received by a licensed dealer within 72 hours, or unless they shall have been imported, received or acquired within 24 hours by a licensed unclassified importer who has notified the tax assessor as provided in section 204, are declared to be contraband goods and are subject to forfeiture to the state; and sheriffs, deputy sheriffs, police officers and duly authorized agents of the said assessor shall have the power to seize the same with or without process. In case such cigarettes are seized without a warrant, they shall be kept in some safe place for a reasonable time until a warrant can be procured. When such cigarettes are seized as provided herein, the officer or agent seizing them shall immediately file with the magistrate before whom such warrant is returnable, a libel against such cigarettes setting forth the seizure and describing the cigarettes their containers and the place of seizure in sufficient manner to reasonably identify them, and that they were kept or intended for unlawful sale or use in violation of law and pray for a decree of forfeiture thereof: and such magistrate shall fix a time for the hearing of such libel and shall issue his monition and notice of the same to all persons interested, citing them to appear at the time and place appointed to show cause why such cigarettes and their containers should not be declared forfeited, by causing true and attested copies of said libel and monition to be posted in 2 public and conspicuous places in the town or place where such cigarettes were seized, 10 days at least before said libel is returnable; provided, however, that in lieu of forfeiture

proceedings, title to such seized, unstamped cigarettes may be transferred to the state of Maine by the owner thereof. If title to and ownership in such cigarettes is transferred to the state, a receipt for the cigarettes shall be given to the former owner by the state tax assessor or his authorized agent. (R. S. c. 14, § 196. 1947, c. 377, § 11. 1953, c. 308, § 10. 1955, c. 405, § 17.)

Effect of amendment.—The 1955 amendment deleted the words “cigars and tobacco products” following the word “cigarettes” wherever it appears in this section.

Sec. 212. Forfeiture proceedings.—If no claimant appears, such magistrate shall, on proof of notice as aforesaid, declare the same to be forfeited to the state. If any person appears and claims such cigarettes, or any part thereof, as having a right to the possession thereof at the time when the same were seized, he shall file with the magistrate such claim in writing, stating specifically the right so claimed, the foundation thereof, the items so claimed, the time and place of the seizure and the name of the officer or duly authorized agent of the said assessor by whom the same were seized, and in it declare that they were not so kept or deposited for unlawful sale and use as alleged in said libel and monition, and also state his business and place of residence and shall sign and make oath to the same before said magistrate. If any person so makes claim, he shall be admitted as a party to the process; and the magistrate shall proceed to determine the truth of the allegations in said claim and libel, and may hear any pertinent evidence offered by the libelant or claimant. If the magistrate is, upon hearing, satisfied that said cigarettes were not so kept or deposited for unlawful sale or use, and that the claimant is entitled to the custody of any part thereof, he shall give him an order in writing, directed to the officer or duly authorized agent of the said assessor having the same in custody, commanding him to deliver to said claimant the cigarettes to which he is so found to be entitled, within 48 hours after demand. If the magistrate finds the claimant entitled to no part of said cigarettes, he shall render judgment against him for the libelant for costs, to be taxed as in civil cases before such magistrate, and issue execution thereon, and shall declare said cigarettes forfeited to the state. The claimants may appeal and shall recognize with sureties as on appeals in civil causes from a magistrate. All cigarettes declared forfeited to the state, or title to which has been transferred to the state in lieu of forfeiture proceedings, shall be sold by the treasurer of state at the approximate wholesale price thereof, and the funds derived from such sales shall be paid into the state treasury. (R. S. c. 14, § 197. 1947, c. 377, § 12. 1955, c. 405, § 18.)

Such records shall be of such kind and in such form as the tax assessor may prescribe and shall be safely preserved for 2 years in such manner as to insure permanency and accessibility for inspection by the assessor and his authorized agents. The assessor and his authorized agents may examine the books, papers and records of any distributor or dealer in this state for the purpose of determining whether the tax imposed by sections 200 to 221, inclusive, has been fully paid, and may investigate and examine the stock of cigarettes in or upon any premises where such cigarettes are possessed, stored or sold for the purpose of determining whether the provisions of said sections are being obeyed. (R. S. c. 14, § 199. 1947, c. 377, § 13. 1953, c. 308, § 10. 1955, c. 405, § 20.)

The assessor shall promptly consider each such application and may grant or deny the hearing requested. If the hearing be denied, the applicant shall be notified thereof forthwith; if it be granted, the assessor shall notify the applicant of the time and place fixed for such hearing. After such hearing, the assessor may make such order in the premises as may appear to him just and lawful and shall furnish a copy of such order to the applicant. The assessor may, by notice in writing, at any time, order a hearing on his own initiative and require the taxpayer or any other individual whom he believes to be in possession of information concerning any manufacture, importation or sale of cigarettes which have escaped taxation to appear before him or his duly authorized agent with any specific books of account, papers or other documents for examination relative thereto. (R. S. c. 14, § 201. 1947, c. 377, § 14. 1953, c. 308, § 10. 1955, c. 405, § 22.)

(1957, c. 355.)

Sec. 298. Authority to inspect.—The state tax assessor or his duly authorized agent shall have authority to enter any place of business of a shellfish dealer, or any car, boat, truck or other conveyance in which quahogs are to be transported, and duly inspect any books or records of any shellfish dealer for the purpose of determining the truth or falsity of any statement or return made by any shellfish dealer, and he shall have authority to delegate such powers to the commissioner of sea and shore fisheries, his agents or employees. (1957, c. 355.)

Sec. 299. Determination of tax by assessor.—If any shellfish dealer shall neglect or refuse to make and file any report as required by section 297, or shall file an incorrect or fraudulent report, the state tax assessor shall determine after an investigation the tax liability of such shellfish dealer for any particular month or months, and the state tax assessor shall assess the tax due the state, giving notice of such assessment to the shellfish dealer liable therefor, and make demand upon him for payment thereof.

In any action or proceeding for the collection of the quahog tax, the assessment by the state tax assessor of the tax due to the state shall constitute prima facie evidence of the claim of the state and the burden of proof shall be upon the shellfish dealer to show the assessment was incorrect. (1957, c. 355.)

Sec. 300. False return or violation of provisions.—Any shellfish dealer who shall make any false or fraudulent report or return required by sections 296 and 297, or who shall evade or violate any of the provisions of said sections shall be punished by a fine of not more than \$500, and his wholesale seafood dealer's and processor's license and his resident or nonresident interstate shellfish transportation license shall be suspended by the commissioner of sea and shore fisheries until such fine and all payments due the state on the aforesaid quahog tax are paid in full. Whenever any shellfish dealer shall fail to pay any tax due under the provisions of said sections within the time limited herein, the attorney general shall enforce payment of such tax by civil action against the shellfish dealer for the amount of such tax in either the superior court in Kennebec county or in a municipal court in the county in which such shellfish dealer has his residence or established place of business. (1957, c. 355.)

Sec. 301. Appropriation and use of moneys received.—Money received under the provisions of sections 294 to 301, inclusive, by the treasurer of state shall be appropriated and used for the following purposes:

B. To carry on scientific and management work deemed necessary for the

benefit of the quahog industry. Any unexpended balance from the above apportionment shall not lapse, but shall be carried forward to the same fund for the next fiscal year. (1957, c. 355.)

Chapter 17.

Sales and Use Tax Law.

Law imposes tax on retailer.

In accord with original. See *State v. Hancock*, 150 Me. 147, 107 A. (2d) 421.

And does not violate constitutional principles.—The sales and use tax law imposes a tax upon the retailer rather than the con-

sumer and thus does not violate constitutional principles by imposing upon the retailer the duty of collecting the tax without compensation therefor. *State v. Hancock*, 150 Me. 147, 107 A. (2d) 421.

Sec. 2. Definitions.

“Retail sale” or “sale at retail” means any sale of tangible personal property, in the ordinary course of business, for consumption or use, or for any purpose other than for resale, except resale as a casual sale, in the form of tangible personal property. The term “retail sale” or “sale at retail” includes conditional sales, installment lease sales, and any other transfer of tangible personal property when the title is retained as security for the payment of the purchase price and is intended to be transferred later. The term “retail sale” or “sale at retail” does not include any sale by an executor or administrator in the settlement of an estate, unless such sale is made through a retailer, or unless such sale is made in the continuation or operation of a business; nor does the term include any other isolated transaction in which any tangible personal property is sold, transferred, offered for sale or delivered by the owner thereof, such sale, transfer, offer for sale, or delivery not being made in the ordinary course of repeated and successive transactions of a like character by such owner, such transactions being elsewhere sometimes referred to as “casual sales”; provided, however, that “casual sale” shall not include any transaction in which tangible personal property is sold, transferred or offered for sale by a representative for the owner’s account when such representative is a registered retailer, in which event such registered retailer shall have the same duties respecting such sale as if he had sold on his own account. “Retail sale” and “sale at retail” do not include the sale of tangible personal property which becomes an ingredient or component part of, or which is consumed or destroyed or loses its identity in the manufacture of, tangible personal property for later sale but shall include fuel and electricity. “Retail sale” or “sale at retail” do not include the sale of containers, boxes, crates, bags, cores, twines, tapes, bindings, wrappings, labels and other packing, packaging and shipping materials when sold to persons for use in packing, packaging or shipping tangible personal property sold by them or upon which they have performed the service of cleaning, pressing, dyeing, washing, repairing or reconditioning in their regular course of business and which are transferred to the possession of the purchaser of such tangible personal property.

(1955, c. 144.)

Effect of amendment.—The 1955 amendment deleted the words “by the purchaser” formerly appearing after the words “later sale” in the second sentence from the end of the tenth paragraph. As the rest of the section was not changed by the amendment, only the tenth paragraph is set out.

Lease of coin-operated machines.—A Maine customer who leases coin-operated

machines from lessor, a Massachusetts corporation, under contracts executed in Massachusetts is not a purchaser at retail sale and hence is not liable for a sales tax. Lessee in Maine of machine is a user but not a purchaser thereof and hence is not taxable. *Trimount Coin Machine Co. v. Johnson*, 152 Me. 109, 124 A. (2d) 753.
