On or before November first of each year, the board shall mail an application for renewal of license to each professional nurse to whom a license was issued or renewed during the current year, which application shall be mailed to the most recent address of said person as it appears on the records of the board. Such person shall complete the renewal application and return it to the board with a renewal fee of \$2 before December 31st of the year in which said application was received. Upon receipt of the application and fee, the board shall verify the accuracy of the application and issue to the applicant a certificate of renewal of license for the current year beginning January 1st and expiring December 31st.

Any registered nurse who allows his or her license to lapse by failing to renew the license as herein provided may be reinstated by the board on satisfactory explanation for such failure to renew his license and on payment of a reinstatement fee of \$5.

Any person practicing professional nursing during the time his or her license has lapsed shall be considered an illegal practitioner and shall be subject to the penalties provided for violations of this chapter.

A person who is not engaged in professional nursing in the state shall not be

required to pay a renewal fee for so long as he or she does not so practice, but shall notify the board of his or her inactive status in writing. Prior to resumption of his or her practice of professional nursing such person shall be required to notify the board and remit a renewal fee for the current annual period. (1959, c. 303, § 1. 1963, c. 56, § 1.)

Effect of amendment.—The 1963 amendment rewrote subsection III, which formerly contained no provisions as to applicants for licenses by endorsement.

IV. Title and abbreviation. Any person who holds a license to practice as a licensed practical nurse in this state shall have the right to use the title "Licensed Practical Nurse" and abbreviation "L.P.N.". No other person shall assume such title or use such abbreviation or any other words, letters, signs or figures to indicate that the person using the same is a licensed practical nurse.

V. Practical nurses licensed under a previous law. Any person holding a license as a licensed practical nurse in Maine issued by the former board of registration of nurses, which is valid on the effective date hereof, shall be licensed as a licensed practical nurse under this chapter, and the renewal of said licenses for said persons shall be effectuated under this section.

VI. Renewal of practical nurse license. The license of every practical nurse licensed under this chapter shall be renewed annually, except as hereinafter provided. On or before May 1st of each year, the board shall mail an application for renewal of license to each practical nurse to whom a license was issued or renewed during the current year, which application shall be mailed to the most recent address of said person as it appears on the records of the board. Such person shall complete the renewal application and return it to the board with a renewal fee of \$1 before July first of the year in which said application was received. Upon receipt of the application and fee, the board shall verify the accuracy of the application and issue to the applicant a renewal of license for the current year beginning July 1st and expiring June 30th.

Any licensee who allows his or her license to lapse by failing to renew the license as provided may be reinstated by the board on satisfactory explanation of such failure to renew his or her license and on payment of a reinstatement fee of \$3.

Any person practicing nursing as a licensed practical nurse during the time his or her license has lapsed shall be considered an illegal practitioner and shall be subject to the penalties provided for violations of this chapter. (1959, c. 303, § 1. 1963, c. 56, § 2.)

Effect of amendment.—The 1963 amendment rewrote subsection III, which formerly contained no provisions as to applicants for licenses by endorsement.

Sec. 6. Disposition of funds.—All moneys received by the board under this chapter shall be paid to the treasurer of state. The treasurer of state shall place the money to the credit of the state board of nursing fund. All amounts paid into this fund shall be held subject to the order of the board to be used only for the expenses incurred in the performance of the purpose of this chapter and the duties imposed thereby, as well as the promotion of nursing education and standards of nursing care in this state.

All funds which may have accumulated to the credit of the board under chapters 69 and 70 shall be continued for use by the board of nursing in the administration of this chapter. (1959, c. 303, § 1.)

Sec. 7. Nursing education programs.—

I. Application for accreditation. An institution desiring to conduct a nursing education program to prepare professional or practical nurses shall apply to the board and submit evidence that:

A. It is prepared to carry out the prescribed professional nursing curriculum or the prescribed curriculum for practical nursing, as the case may be; and

B. It is prepared to meet such other standards as shall be established by this chapter and by the board.

II. Survey. A survey of the institution and its entire nursing education program shall be made by either or both the executive director or other authorized appointee of the board, who shall submit a written report of the survey to the board. If, in the opinion of the board, the requirements for an accredited nursing education program are met, it shall be accredited as a nursing education program for professional or practical nurses.

From time to time as deemed necessary by the board, it shall be the duty of the board, through its executive director or other authorized representative of the board, to survey all nursing education programs in the state. Written reports of such surveys shall be submitted to the board. If the board determines that any accredited nursing education program is not maintaining the standards re-

quired by statute and by the board, notice thereof in writing specifying the defect or defects shall be immediately given to the institution conducting the program. A program which fails to correct these conditions to the satisfaction of the board within a reasonable time shall be discontinued after a hearing.

Sec. 8. Disciplinary proceedings.—

I. Grounds for discipline. The hearing officer as designated by chapter 20-A shall have power to deny, revoke or suspend any license to practice nursing issued by the board or applied for in accordance with this chapter, or to otherwise discipline a licensee upon proof that the person:

B. Is guilty of a crime or gross immorality; or

C. Is unfit or incompetent by reason of negligence, habits or other causes; or

D. Is habitually intemperate or is addicted to the use of habit-forming drugs; or

E. Is mentally incompetent; or

II. Repealed by Public Laws 1961, c. 394, § 29; c. 417, § 161. (1959, c. 303, § 1. 1961, c. 317, § 211; c. 394, §§ 28, 29; c. 417, § 161.)

Effect of amendments.—P. L. 1961, c. 394, substituted "hearing officer as designated by chapter 20-A" for "board" near the beginning of subsection I, deleted "the provisions of" preceding "this chapter" in the introductory paragraph of that subsection and repealed former subsection II, providing the procedure for disciplinary proceedings by the board, which had previously been amended by P. L. 1961, c. 317. P. L. 1961, c. 417, which referred to both prior 1961 amendments, again repealed subsection II.

Sec. 9. Exceptions.—This chapter does not prohibit:

I. The furnishing of nursing assistance in an emergency;

II. The practice of nursing which is incidental to their program of study by students enrolled in nursing education programs accredited by the board, or by graduates of such accredited nursing educational program pending the results of the first licensing examination scheduled by the board following such graduation, provided they practice under supervision of a registered nurse;

III. The practice of any legally qualified nurse of another state who is employed by the United States government or any bureau, division or agency thereof, while in the discharge of his or her official duties;

IV. Licensure in another state. The practice of nursing by a registered nurse currently licensed in another state for a period of 90 days pending licensure in Maine, providing the nurse, upon employment, has furnished the employer with satisfactory evidence of current licensure in another state, and provided such nurse furnishes evidence to the prospective employer of having submitted proper application and fees to the board for license prior to employment;

V. The practice of "practical nursing" as defined in section 2, subsection III, by unlicensed persons. (1959, c. 303, § 1. 1963, c. 56, § 3.)

Effect of amendment.—The 1963 amendment substituted "90 days" for "60 days" in subsection IV, deleted "however" following "providing" in such subsection, and deleted "also" following "provided" in that subsection.

Sec. 10. Violation of chapter; penalties.—It shall be a misdemeanor for any person, including any corporation, association or individual to:

I. Sell or fraudulently obtain or furnish any nursing diploma, license, renewal or record or aid or abet therein; or

II. Practice nursing as defined by this chapter under cover of any diploma, license or record illegally or fraudulently obtained or signed or issued unlawfully or under fraudulent representation; or

III. Practice professional nursing as defined by this chapter unless duly licensed to do so under this chapter; or

IV. Use in connection with his or her name any designation tending to imply that he or she is a licensed registered nurse or a licensed practical nurse unless duly licensed so to practice under this chapter; or

V. Practice professional nursing during the time his or her license issued under this chapter shall be suspended or revoked; or

VI. Otherwise violate any provisions of this chapter. Such misdemeanor shall be punishable by a fine of not more than \$100 for a first offense, or by imprisonment of not more than 10 days. Each subsequent offense shall be punishable by a fine of not more than \$200, or by imprisonment of not less than 10 days nor more than 30 days, or by both.

The district court shall have original and concurrent jurisdiction with the superior court over all prosecutions for violation of this chapter. All fines and forfeitures collected under this chapter shall accrue to the county where the offense is prosecuted. It shall be necessary to prove in any prosecution or hearing under this section only a single act prohibited by law or a single holding out or an attempt without proving a general course of conduct, in order to constitute a violation. Such misdemeanors shall be prosecuted by the county attorney. (1959, c. 303, § 1. 1963, c. 402, § 105.)

Effect of amendment.—The 1963 amendment substituted “The district court” for “Trial justices in their respective counties” at the beginning of the first sentence of the last paragraph, deleted “municipal courts and” preceding “the superior court” therein and deleted “of the provisions” following “violation” in that sentence.

Application of amending act.—Section 280 of c. 402, P. L. 1963, provides that the act shall apply only to the district court when established in a district and that the laws in effect prior to the effective date of the act shall apply to all municipal and trial justice courts.

Sec. 11. Injunctive relief. — The superior court shall have jurisdiction, upon information filed by the county attorney at the request of the board, to restrain or enjoin any person from committing any act declared to be a misdemeanor by this chapter. If it be established that the defendant has been or is committing an act declared to be a misdemeanor by this chapter, the court shall enter a decree perpetually enjoining said defendant from further committing such act. In case of violation of any injunction issued under this section, the court may summarily try and punish the offender for contempt of court. Such injunction proceedings shall be in addition to, and not in lieu of, all penalties and other remedies provided in this chapter. (1959, c. 303, § 1. 1961, c. 317, § 212. 1963, c. 414, § 90.)

Effect of amendments.—The 1961 amendment substituted “superior court” for “supreme judicial court and the superior court” and deleted “in equity” following “jurisdiction” in the first sentence of this

section.

The 1963 amendment deleted “or any judge thereof” following “court” in the second and third sentences.
