1957 CUMULATIVE SUPPLEMENT

ANNOTATED

VOLUME 4

Publisher's Foreword

This Supplement contains the Public Laws of Maine enacted at the regular legislative sessions of 1955 and 1957, and annotations to the Constitution and Revised Statutes taken from volumes 150 to 152, page 409, of the Maine Reports.

The form of the Supplement follows that of the Revised Statutes. New and amended sections are inserted under the proper chapter headings. Chapter analyses show new subdivision headings and old subdivision headings which have been changed to conform to changes in the statutes. The effect of each amendment is given in brief form in a note following the section. Where only a portion of a section has been changed by an amendment, the remainder of the section often is not set out, but attention is called to this fact in the note stating the effect of the amendment.

The acts passed at the 1955 sessions of the Legislature and not passed as emergency measures or expressly made effective on a later date are effective, under Article IV, Part Third, § 16 of the Constitution, on August 20, 1955, for the 1955 acts and on August 28, 1957, for the 1957 acts. Where a new section or an amendment appearing in the Supplement was passed as an emergency measure or made effective on a specified date, the effective date is stated in a note.

A table showing where the acts are codified and an index will be found in the Supplement to Volume 5.
