CHAPTER 15

**BOARD OF SANITATION, LICENSING AND
INSPECTION**

Sec.

311. Membership and duties.

§ 311. Membership and duties

The Board of Sanitation, Licensing and Inspection, as heretofore established, shall consist of the Commissioner of Agriculture, Attorney General and Director of Health. They shall serve as members of said board without additional compensation.

The board shall, as far as possible, eliminate needless duplication, travel and other expense in examination, licensing and inspection services carried on by the Bureau of Health in the Department of Health and Welfare and by the Department of Agriculture, and shall have full authority to perform all acts necessary to accomplish such purpose. Nothing contained in this section shall be deemed to give said board any authority to dispense with or transfer the inspection of milk and registration of milk dealers from the jurisdiction of the Department of Agriculture or to dispense with or transfer any other such services, except where duplication and unnecessary expense may be found to exist and where such services can reasonably be consolidated.
