CHAPTER 211

TOLL HOUSES

Sec.

2251. Injury or attempt to pass without toll.

2252. Acquisition of land.

§ 2251. Injury or attempt to pass without toll

Whoever maliciously breaks down or otherwise destroys or injures any tollgate or toll bridge, or passes or attempts to pass such gate with intent to avoid the payment of toll when liable thereto and it is demanded, forfeits not less than \$5 nor more than \$50 to the proprietors of the bridge in addition to any actual damages caused by him. No process shall be maintained to recover such penalty unless the corporation has complied with its charter and the bridge is in repair as public safety and interest require. Whoever evades or attempts to evade the payment of the established fare over a toll bridge, whether it be public or private, in addition to any other forfeitures therefor provided shall be guilty of a misdemeanor and shall be punished by a fine of not more than \$50 or by imprisonment for not more than 30 days, or by both. The use of or the attempt to use any ticket or coupon book issued to any person other than the one tendering such ticket or coupon book to be used in paying the established fare for traveling over such bridge, unless otherwise provided by law, shall be deemed a violation of this section.

R.S.1954, c. 89, § 87.

§ 2252. Acquisition of land

Towns, corporations and individuals owning ferries and bridges authorized to receive toll may take and use land within the limits of the highway for the erection and maintenance of tollhouses, but not to obstruct the public travel.

R.S.1954, c. 89, § 88.
