§ 3001. Definitions

In this chapter, unless the context otherwise requires:

1. Board of Examiners in Physical Therapy. "Board of Examiners in Physical Therapy", as heretofore established and in this chapter called the "board", shall consist of the members of the Board of Registration in Medicine, together with 2 physical therapists appointed by the Governor from a list of 6 physical therapists nominated by the Maine Physical Therapy Association; one as designated by the Governor shall serve for a term of 2 years; the other for a term of 4 years. Thereafter, the physical therapist so appointed by the Governor shall be appointed from a list of 3 physical therapists, submitted by the Maine Physical Therapy Association, for a term of 4 years.

2. Physical therapist. "Physical therapist" means a person who practices physical therapy.

3. Physical therapy. "Physical therapy" means the treatment of any bodily or mental condition of any person by the use of physical, chemical and other properties of heat or cold, light, water, electricity, massage, therapeutic exercise and physical rehabilitation procedures. The use of roentgen rays and radium for diagnostic and therapeutic purposes, and the use of electricity for surgical purposes, including cauterization, are not authorized under the term "physical therapy" as used in this chapter.

4. Gender. Words importing the masculine gender may be applied to females.

1955, c. 271, § 1.

§ 3002. Limitations and exceptions

A license to practice physical therapy shall not permit the holder thereof to administer drugs, nor shall it permit the holder thereof to treat any human ailments by physical therapy, or otherwise, except upon the prescription, supervision, direction or referral of a duly licensed physician or surgeon, nor shall it permit the licensee to use the title "Doctor." Nothing in this chapter shall be construed as authorizing a physical therapist, licensed or not, to practice medicine, osteopathy, chiropractic or any other form of healing. Any person violating this section shall be guilty of a misdemeanor. This chapter shall not prevent the administration of physical therapy by a duly licensed physical therapist upon the oral prescription of a duly licensed physician or surgeon. Neither shall this chapter prevent the administration of physical therapy modalities by any person employed and under the control of a duly licensed physician or surgeon or licensed physical therapist in his office, or in the civil service of the State or employed in a duly incorporated hospital, clinic or infirmary maintained by a person, firm or corporation employing one or more full-time duly licensed physicians or surgeons, providing that person does not refer to himself as a physical therapist.
