Any vacancy in said board shall be filled by the appointment, within 30 days after such vacancy occurs, of a person qualified as aforesaid to hold office during the unexpired term of the member whose place he fills. Any member of said board may be removed from office for cause, by the Governor with the advice and consent of the Council.

The members of the board shall each receive as compensation for their services \$20 a day or any part thereof spent and their necessary expenses incurred in the discharge of their duties, to be certified by the secretary of the board.

1961, c. 254, § 1.

§ 4752. Organization and officers; treasurer; expenses; annual report

The board shall organize annually in the month of July by the election from its members of a president, and a secretary who shall be treasurer, and may adopt such rules, not in conflict with the laws of the State, as they may deem proper to carry into effect this chapter. They shall adopt a seal which shall be affixed to all certificates issued by them in accordance with section 4802. The treasurer shall receive all fees, charges and assessments payable to the board and account for and pay over the same according to law and shall annually, on the first day of July, make written report to the Governor and Council for all receipts and expenditures of said board.

1961, c. 254, § 1.

§ 4753. Meetings; examination; fees; temporary permit

The board shall meet as a board of examiners in the City of Augusta on the 2nd Monday and the Tuesday following said 2nd Monday of July when there are applicants for examination, and at such other times and places as they may find necessary for the performance of their duties. All persons not previously registered, who desire to practice veterinary surgery, medicine or any branch thereof within the State, shall pass an examination to the satisfaction of the board. Applicants for examination shall file with the secretary of the board their written request for such examination at least 15 days previous to the time of said examination, with satisfactory proof of graduation from colleges having power to grant degrees in veterinary medicine, which said colleges shall be approved by the board, and shall pay to the treasurer of said board a fee of \$20 before taking such examination.

If and when the State Board of Veterinary Examiners adopt the national board examinations, there may be an additional fee of \$12.50 from each applicant, payable before taking said examination. § 4754. Records

The board shall keep a record of all veterinarians who shall qualify under section 4802, and register the name, age, the name of the college granting the degree and the date of license in the State of Maine.
