NINTH ANNUAL REPORT  
OF THE  
INSURANCE COMMISSIONER.

---

PART FIRST.  
FIRE AND MARINE INSURANCE.

---

*To the Honorable Senate and House of  
Representatives of the State of Maine:*

The Insurance Commissioner has the honor to present the Ninth Annual Report of the Insurance Department of the State of Maine, in accordance with section fifty-six of the Insurance Law.

In 1875, the companies of other States and countries received in premiums in this State \$949,446.89, and paid for losses \$411,449.78, leaving a balance of \$537,997.11. In 1876, companies of the same class received in premiums \$868,284.73, and paid for losses \$541,859.78, leaving a balance of \$326,424.95, a loss of \$211,572.16 over the previous year. Our Maine stock companies received in premiums in 1875, \$290,801.92, and paid for losses \$166,746.36, leaving a balance of \$124,055.56. In 1876, the same companies (Bangor Insurance Company excepted) received in premiums \$204,776.68, and paid for losses \$118,485.42, leaving a balance of \$86,291.26.

The Maine mutual insurance companies paid for losses in 1875, \$49,244.22, and in 1876, \$61,650.60.

## MAINE INSURANCE COMPANIES.

At the close of the year 1876 there were forty-four fire, fire-marine and marine insurance companies organized under the laws of this State, and authorized to do business therein, of which two were stock fire-marine, two were stock marine, one was mutual fire-marine, two were mutual marine, and thirty-seven were mutual fire insurance companies.

The Boothbay Menhaden Mutual Fire and Marine and Oxford County Patrons of Husbandry Mutual Fire were the only new companies organized during the year.

The officers of the Bangor Insurance Company of Bangor made their annual statement in January, for the preceding year, showing a surplus beyond capital of \$18,187.42. On a personal examination of the company in February, I found this statement to be *grossly incorrect*; instead of a surplus, the capital was largely impaired. I became satisfied that with this impairment the company could not be successful, and advised its withdrawal from business, outside of Maine, *at once*, which was promptly done by a vote of the directors. M. H. Angell, the president, resigned, and Hon. J. S. Wheelwright was called in to assist in closing up the affairs of the company. The success of Mr. Wheelwright in closing up the affairs of the Eastern Insurance Company gives perfect assurance that he will be equally successful in this. The risks are to be reinsured in a large and entirely responsible company, which will save the policy-holders from all possibility of loss.

## COMPEND OF MAINE INSURANCE STATUTES.

For the purpose of making the matter as intelligible as possible to all desiring the information as to the right of companies and parties to do business under the insurance law of this State, I repeat the following compend of the law from the Eighth Annual Report of this department.

Domestic mutual fire and marine companies are subject to no restrictions in respect to their right to do business, and

are required to pay no fees of any kind to the State or insurance department, except the fee required of all agents. The officers of such companies are held not to be agents to be licensed, but act as the company, and consequently without license.

“Every domestic insurance company, and every foreign insurance company doing business in this State, shall annually, by the thirty-first day of January, render to the Commissioner an exact statement, under oath, of its condition as it existed on the thirty-first day of December previous, or its last exhibit, setting forth its condition as required by blanks furnished by the Commissioner.”

Every domestic stock company and mutual life company, before commencing business, and annually thereafter, are to be examined by the Commissioner, and if found solvent and responsible to do business he is to issue his certificate of that fact, and the company is to pay the sum of twenty dollars and travelling expenses. Annual statements are to be made the same as by foreign companies, and agents to be licensed the same.

Companies of other States and foreign countries, before they can do business in this State, are to be licensed by the Commissioner. Before receiving such license, the company is to furnish him with a certified copy of its charter and by-laws, and with a statement under oath showing its financial condition according to form prescribed by him. On receiving such copies and statement, the Commissioner shall grant license, if he thinks it ought to be granted; but no such company can be admitted unless it has a bona fide paid up capital or cash assets to the amount of \$200,000 if a fire or marine company and \$100,000 if a life company. For such license a fee of twenty dollars is to be paid, and one dollar license fee for each agent, in addition to the tax imposed in “An act relating to the taxation of insurance companies.” The licenses granted end in all cases on the first day of July next after being granted, and upon their renewal a like fee is payable.

“Every foreign insurance company doing business in this State shall annually cause to be published three weeks successively, in some daily or weekly paper printed in the county where said company has a duly authorized agent, or takes policies, a condensed statement of its condition conformable to its last annual report to the Commissioner; and any such insurance company which shall neglect or refuse to publish such statement shall forfeit not less than fifty dollars.”

No person can act as agent of *any insurance company*, domestic or foreign, stock or mutual, without a license. No license can issue until a duplicate power of attorney is filed with the Commissioner from the company or its authorized agent, nor of course can any agent be licensed for an unlicensed company. A fee of one dollar for each agent's license is required to be paid.

Brokers' licenses may also be granted by the Commissioner, which authorize the party to canvass for and place risks with any company authorized to do business in this State. A fee of five dollars is payable for each license.

All agents' and brokers' licenses end on the first day of July next after they are granted, but may be renewed for another year by agents filing a certificate of the company that their agencies are continued, and paying a like fee.

Partnership agencies and brokers are held to require but a single fee.

#### INSURANCE LEGISLATION OF 1877.

The following act contains all the changes made in the insurance laws of the State during the session of 1877 :

An act additional to chapter forty-nine of the Revised Statutes, relating to Life Insurance.

*Be it enacted by the Senate and House of Representatives in Legislature assembled, as follows :*

SECT. 1. Every policy of life insurance issued on and after the first day of April, in the year of our Lord one thousand eight hundred and seventy-seven, by any company chartered by the authority of this state, which may be for-

feited for non-payment of premiums, including all notes given for premiums or interest thereon, after it shall have been in force three full years, and which shall not contain provision for a surrender value at least equivalent to the value arising under the terms of this act, shall, nevertheless, be continued in force to an extent, and for a period of time to be determined as follows, to wit: 'The net value of the policy, when the premium becomes due and is not paid, shall be ascertained according to the combined experience, or actuaries rate of mortality, with interest at four per centum per annum; after deducting from three-fourths of such net value any indebtedness to the company, or notes held by the company against the insured, which notes, if given for premium, shall then be cancelled, what remains shall be considered as a net single premium of temporary insurance, and the term for which it will insure shall be determined according to the age of the party at the time of the lapse of the policy, and the assumptions of mortality and interest aforesaid; but if the policy shall be an endowment, payable at a certain time, or at death, if it should previously occur, then, if what remains, as aforesaid, shall exceed the net single premium of temporary insurance for the balance of the endowment term for the full amount of the policy, such excess shall be considered as a net single premium or single endowment, payable only at the same time as the original endowment, and in case the life insured survives to such time; and the amount thus payable by the company shall be determined according to the age of the party at the time of the lapse of the policy, and the assumptions of mortality and interest, aforesaid. For the purpose of this act, when the premiums upon any policy shall be payable oftener than once in every year, and default shall be made in the payment of any premium after the policy shall have been in force for three full years, the policy shall be valued in the same manner as it would have been had the whole premium for the policy year last entered upon been paid in full, and the balance of said year's premium actually unpaid shall not be deducted from

the reserve as an outstanding indebtedness at the time of default, but shall become a part of the forborne premium, as hereinafter provided.

SECT. 2. If the death of the life insured occur within the term of temporary insurance covered by the value of the policy, as determined in the previous section, and if no condition of the insurance, other than the payment of premium has been violated by the insured, the company shall be bound to pay the amount of the policy the same as if there had been no lapse of premium, anything in the policy to the contrary notwithstanding; *provided, however*, that notice of the claim and proof of the death shall be submitted to the company, in the same manner as provided by the terms of the policy, within ninety days after the decease; *and provided, also*, that the company shall have the right to deduct from the amount insured in the policy the amount compounded at seven per centum per annum of all the premiums that had been forborne at the time of the death, including the whole of the year's premium in which the death occurs.'

Approved February 7, 1877.

#### COMPANIES OF OTHER STATES AND FOREIGN COUNTRIES.

At the close of the year 1876, there were ninety-seven fire, fire-marine and marine insurance companies of other States and countries authorized to transact business in Maine, of which ninety-two were stock and five mutual companies.

During this year and up to date of this report, one company has been admitted, making ninety-eight now licensed to do business in the State. Nine companies were withdrawn from the State during the year.

The following tables show the fire, fire-marine and marine insurance companies authorized to do business in Maine at date of this report, and the companies admitted, withdrawn and excluded since the date of last report :

## BUSINESS OF 1876.

Table No. 1 shows the capital, assets, liabilities, surplus or impairment of capital, on the 31st day of December, 1876, and the income and expenditures for the year ending December 31, 1876, of fire, fire-marine and marine insurance companies transacting business in this State.

Table No. 2 shows the nature of the assets on the 31st day of December, 1876, of fire, fire-marine and marine insurance companies transacting business in this State.

Table No. 3 shows the nature of the liabilities on the 31st day of December, 1876, of fire, fire-marine and marine insurance companies transacting business in this State.

Table No. 4 shows the nature of the income during the year ending December 31, 1876, of fire, fire-marine and marine insurance companies transacting business in this State.

Table No. 5 shows the nature of the expenditures during the year ending December 31, 1876, of fire, fire-marine and marine insurance companies transacting business in this State.

Table No. 6 shows the risks in force, risks written, and premiums received thereon, and losses paid, of fire, fire-marine and marine insurance companies transacting business in this State, for the year ending December 31, 1876.

Table No. 7 shows the business transacted in Maine during the year ending December 31, 1876, by fire, fire-marine and marine insurance companies.

This table also shows the amount of tax on premium receipts paid by the several companies, amounting in all to \$11,536.63.

The domestic stock companies have received premiums on marine risks amounting to \$204,776.68, and paid losses on same amounting to \$118,485.42, or 57 1-2 per cent. of losses to premiums.

The companies of other States and countries have received premiums amounting to \$868,284.73, and paid losses amounting to \$541,859.78, or 62 1-2 per cent. of premiums received.

Table No. 8 shows the assets, risks in force, and risks written and losses paid during the year, of Maine mutual fire and marine insurance companies.

The assets of the mutual companies that have made returns amount to \$807,526.46, of which amount \$661,521.93 consist of premium notes.

Annexed to this report, and forming a part of it, will be found abstracts of the several annual statements made to this department in accordance with law, showing the condition of the several companies on the 31st of December, 1876.

After the abstracts may be found the names of the licensed agents and brokers authorized to do business in this State.

Respectfully submitted.

JOSHUA NYE,

*Insurance Commissioner.*

AUGUSTA, March 1, 1877.

---

LICENSED BROKERS AND AGENTS.

LICENSED BROKERS, AND LICENSED AGENTS OF FIRE, FIRE-MARINE  
AND MARINE INSURANCE COMPANIES AUTHORIZED TO  
TRANSACTION BUSINESS IN THE STATE OF MAINE.

---

---

## Sections 50 and 51 of the Insurance Law of Maine.

---

SECT. 50 No person shall act as agent of any insurance company until he has produced to the commissioner and filed with him a duplicate power of attorney from the company or its authorized agent, authorizing him to act as such agent. Upon filing such power the commissioner shall issue a license to him if the company has received a license to do an insurance business in this State; and such license shall continue until the first day of July then next, and may be renewed from year to year on producing a certificate from the company that his agency is continued. For each such license or renewal thereof the commissioner shall receive the sum of one dollar. And if any person solicits, receives or forwards any risk or application for insurance to any insurance company, without first receiving such license, or fraudulently assumes to be an agent, and thus procures risks and receives money for premiums, he shall forfeit not more than fifty dollars for each offence; but any policy issued on an application thus procured shall bind the company if otherwise valid.

SECT. 51. Any person may be licensed by the commissioner as insurance broker to negotiate contracts of insurance, and to effect insurance for others than himself for a compensation, and by virtue thereof he may place risks or effect insurance with any insurance company of this State, or with the agents of any foreign insurance company who have been licensed to do an insurance business in this State, but with no other. For such license he shall pay the sum of five dollars, which shall authorize him thus to act until the first day of July then next; and on payment of the same fee his license may be renewed from year to year afterwards, ending annually on the first day of July. Any person without such license, assuming to act as such broker, shall forfeit not more than fifty dollars.
