STATE OF MAINE.

NINTH ANNUAL REPORT

OF

BOARD OF REGISTRATION OF MEDICINE

Issued December 31, 1903.

To His Excellency, John F. Hill, Esq., Governor of Maine:

SIR: As required by law the Board of Registration of Medicine presents its ninth annual report covering the doings of the board for the year 1903.

There have been two changes in the personnel of the board, viz:—The chairman, Dr. John Lord of Biddeford, deceased early in the year, and Dr. Wm. J. Maybury of Saco, was appointed to fill his unexpired term. The terms of office of Drs. E. F. Vose of Portland, and Galen M. Woodcock of Bangor, expired July 1st., and your Excellency appointed Dr. Woodcock to succeed himself, and Dr. John L. M. Willis of Eliot, to succeed Dr. Vose.

The board re-organized at July meeting, choosing Dr. Austin I. Harvey, chairman and Dr. A. K. P. Meserve, secretary.

The present membership of the board is as follows, to wit:—
Austin I. Harvey, M. D., Lewiston, chairman, term expires, 1905.

William J. Maybury, M. D., Saco, term expires, 1905.

A. K. P. Meserve, M. D., Portland, secretary, term expires, 1907.

Wm. H. Harris, M. D., Augusta, term expires, 1907.

Galen M. Woodcock, M. D., Bangor, term expires, 1909.

John L. M. Willis, M. D., Eliot, term expires, 1909.

The board has held three meetings during the year, to wit:—
March 24, at Augusta, at which seven persons, all graduates of regular schools, were examined and passed and none rejected. Also Steward E. Phelps, M. D., who had previously been registered as a non-graduate, having obtained his diploma, passed an oral examination, returned his old certificate, and a new certificate was issued to him.

The second meeting was held at Portland, July 8 and 9 at which forty-seven persons, forty-six of whom were graduates at regular schools and one Homeopathic were examined and all passed. Albert C. Maynard, M. D., who had previously applied for registration under the name of Albert Maynard, and had been examined and registered under that name, claiming that his name was Albert C. Maynard, and that that name was on his diploma, also appeared, took an oral examination, returned his old certificate, and received a new one, bearing the name of Albert C. Maynard. Stephen Edward Tracy, M. D., of Philadelphia, Pa., was also registered in reciprocity with New Jersey, and a certificate signed by the chairman and secretary was, later, sent to him.

The third meeting of the year, being the thirty-second of the board, was held at the State House, Augusta, on Wednesday, Nov. 11, 1903. At this meeting eighteen candidates presented themselves for examination, and the papers of one written in private at the house of the secretary, was approved; of these, seventeen claimed to be regular, one Homeopathic and one Eclectic. These all passed, the lowest average rating being 78 4-7.

It will thus appear that of the 73 physicians examined, 70 were "Regular," 2 "Homeopaths," and 1 "Eclectic," and it further appears that every person who has been examined has obtained an average rating of 75% or over, a fact which might be considered as indicating remissness on the part of the board. We think, however, that is because only first-class physicians have applied for examination, the result, mainly, of the lengthened course of study in the schools, and the better preliminary education required for admission thereto.

Two persons who made affidavits that their certificates had been destroyed, were granted a written certificate each, stating that the holder had received a certificate of registration, giving date and number of same, and signed by chairman and secretary.

A few persons, graduates of French schools in Canada have been allowed to write the answers to the questions in French, by paying a translation fee of \$5.00, to members of the board for translation.

Some complaints of violation of the law have been received and county attorneys have been consulted anent prosecution and the facts stated, but so far as known no arrests have been made although we think one or two cases are still under advisement. Several men who were registered when the law went into effect have been violating all ethical rules by advertising in the daily prints and one who was examined and registered one year ago is at present running a quarter page advertisement in the daily papers of Portland, showing the most arrant charlatanism.

We much regret that the law does not give the board power to revoke the certificates of such persons and cancel their registration.

During the year Illinois and Michigan have been added to the reciprocity list so that now one who is eligible to examination in this state and who has passed a successful examination in either New Jersey, Illinois or Michigan, can register here without examination by complying with certain requirements, (see rules attached), and persons who have been examined by our board will be accorded the same privileges in either of the aforementioned states.

FINANCIAL REPORT.

1903.

Receipts from 1902.

Jan. 1, amt. in State treasury from 1902.....	\$ 103 42
Sec. has collected and deposited	945 00
	<hr/>
	\$1,048 42

Expenditures.

May 14, received on bills of 1902	\$179 66
Aug. 10, received on bills of 1903	518 69
Dec. 1, received on bills of 1903	232 46
	<hr/>
Balance in treasury, Dec. 31, 1903	\$ 117 61

As no report of the board has been printed since that of Dec. 31, 1899, and as frequent calls are made for said reports by other boards as well as by persons desiring to appear before the board for examination, the question nearly always being for "Last Report, and list of practitioners in the state," it seems desirable that the state should print this small pamphlet. If this is done the secretary will furnish an alphabetical list of persons entitled to practice in the state corrected to date as far as possible with the data at hand.

Respectfully submitted,

For the Board,

A. I. HARVEY, Chairman,

A. K. P. MESERVE, Secretary.

APPENDIX A.

AN ACT TO REGULATE THE PRACTICE OF MEDICINE AND SURGERY.

Be it enacted by the Senate and House of Representatives in Legislature assembled, as follows:

SECTION 1. The governor with the advice and consent of the council, shall appoint six persons, residents in this state, who shall be graduates of a legally chartered medical college or university having the power to confer degrees in medicine, and who shall have been actively employed in the practice of their profession for a period of five years, who shall constitute a board of registration of medicine. Such persons shall be appointed and hold office for terms of two, four, and six years respectively, beginning with the first day of July in the present year, and until their successors are appointed, and thereafter the governor, with the advice and consent of the council, shall appoint on or before the first day of July every other year, two persons qualified as aforesaid, to hold office for six years from the last named day. No member of said board shall belong to the faculty of any medical college or university. Vacancies in said board shall be filled in accordance with the provisions of this act for the establishment of the original board and the person appointed to fill a vacancy shall hold office during the unexpired term of the member whose place he fills. Any member of said board may be removed from office for cause by the governor, with the advice and consent of the council and not more than two members of said board shall at one time be members of any one chartered state medical society.

SECTION 2. The members of said board shall meet on the second Tuesday of July next, at such time and place as they may

determine, and shall immediately proceed to organize by electing a chairman and secretary who shall hold their respective offices for the term of two years. The secretary shall give to the state treasurer a bond in the penal sum of one thousand dollars, with sufficient sureties to be approved by the governor and council, for the faithful discharge of the duties of his office. The said board shall hold regular meetings, one in March, one in July and one in November of each year, and such additional meetings at such times and places as it may determine. Said board shall cause a seal to be engraved and shall keep correct records of all its proceedings, and is hereby authorized to make such minor rules and regulations as shall be deemed necessary for the successful enforcement of this act.

SECTION 3. It shall be the duty of said board immediately upon its organization, to notify all persons practicing medicine or surgery for gain or hire as a livelihood in this state, of the provisions of this act, by publication in one or more newspapers in each county, and every such person who is a graduate of a legally chartered medical college or university having power to confer degrees in medicine, and every person who has been a practitioner of medicine or surgery in this state for a period of three years next prior to the passage hereof, shall upon exhibition of satisfactory proof thereof to said board and upon the payment of a fee of two dollars be entitled to registration, and said board shall issue to him a certificate signed by the chairman and secretary and sealed, and said certificate shall state the facts and the cause of said registration, and must be publicly displayed at the person's principal place of business as long as said person continues such practice for gain or hire.

SECTION 4. Any person not entitled to registration as aforesaid shall, upon the payment of a fee of ten dollars, be entitled to examination and if found qualified by a majority of the members of the board present shall be registered as a physician or surgeon, and shall receive a certificate thereof as provided in section three. Any person refused registration may be re-examined at any regular meeting of said board, within two years of the time of such refusal, without additional fee, and thereafter may be examined as often as he may desire upon the payment of the fee of ten dollars for each examination. Said board, after a conviction before a proper court, for crime in the course of professional business, and after hearing, may by unanimous vote revoke any

certificate issued by them and cancel the registration of the person to whom the same was issued. Said board has also power to suspend or revoke any certificate by unanimous vote, in any case where same certificate has been wrongfully obtained or any fraud connected with the said registration. All fees received by the board under this act shall be paid by the secretary thereof into the treasury of the state once in each month.

SECTION 5. The compensation, incidental and traveling expenses of the board shall be paid from the treasury of the state. The compensation of members of the board shall be five dollars each for every day actually spent in the discharge of their duties, and five cents per mile each way for necessary traveling expenses in attending the meetings of the board, but in no case shall any more be paid than has actually been expended. The secretary shall be allowed extra compensation for books, stationery, postage and other necessary expenses actually incurred. Such compensation and the incidentals and traveling expenses shall be approved by the board and sent to the auditor of the state, who shall certify to the governor and council the amount due, as in case of other bills and accounts approved by him under the provisions of law ; provided, that the amount so paid shall not exceed the amount received by the treasurer of the state from the board in fees as herein specified, and so much of said receipts as may be necessary is hereby appropriated for the compensation and expenses of the board as aforesaid.

SECTION 6. The board shall keep a record, the names and residences of all persons registered hereunder and a record of all moneys received and disbursed by said board, and said records or duplicates thereof shall always be open to inspection in the office of the secretary of state during regular office hours. Said board shall annually report to the governor, on or before the first day of January in each year, the report to contain a full and complete account of all its official acts during the year, also a statement of receipts and disbursements of the board and such comments or suggestions as may be deemed essential.

SECTION 7. It shall be the duty of the board, its members or agents to investigate all complaints regarding non-compliance with or violation of the provisions of this act and to bring all such cases to the notice of the proper prosecuting officers.

SECTION 8. (As amended March 22, 1901.) *On and after the passage of this act, the board shall examine all applicants for

registration as licensed physicians or surgeons. Each applicant shall, at least seven days before the date of his examination, present to the secretary of the board an application under oath or affirmation, giving satisfactory proof of being twenty-one years of age, of having good moral character and of being a graduate of some reputable medical school or college having power to confer degrees in medicine, and in good standing, and maintaining a standard of preliminary education and of medical instruction approved by the board. He shall also present such other facts as the board in its blank application may require, and must pay the fees herein provided. Examinations shall be in whole or in part in writing and shall be of an elementary and practical character. They shall embrace the general subjects of anatomy, physiology, pathology, materia medica and therapeutics, surgery, the principles and practice of medicine, and obstetrics, or such branches thereof as the board may deem necessary for the applicant to possess. The board is also hereby authorized to make such rules and regulations as may be necessary for reciprocity of licensure with the boards of other states which maintain a standard of education at least equal to their own; but no such rules shall become operative until they have been approved by a justice of the supreme judicial court.'

SECTION 9. On and after the first day of January, eighteen hundred and ninety-six it shall be illegal for any person not duly registered by this board to practice medicine or surgery, or any branch thereof for gain or hire within this state. Whoever not being registered as aforesaid shall so practice or shall advertise or hold himself out to the public as a physician or surgeon in this state who appends to his name the letters "M. D.," or who uses the title of a doctor or physician, meaning thereby a doctor of medicine, shall be punished by a fine of not less than one hundred nor more than five hundred dollars for each offense, or by imprisonment in jail for three months, or both.

'SECTION 10. (As amended March 22, 1901.) *This act shall not apply to commissioned officers of the United States army, navy, or marine hospital service, or to a physician or surgeon who is called from another state to treat a particular case and who does not otherwise practice in this state, nor to prohibit gratuitous service or the rendering of assistance in emergency cases, nor to mid wives who lay no claim to the title of physician or doctor.'

SECTION 11. Neither shall this act apply to clairvoyants or to persons practicing hypnotism, magnetic healing, mind cure, massage, Christian science, so called, or any other method of healing if no poisonous or dangerous drugs are employed nor surgical operations performed; provided, such persons do not violate any of the provisions of section nine of this act in relation to the use of "M. D.," or the title of doctor or physician.

SECTION 12. For the purposes of the appointment of said board and of registration of persons by it hereunder, this act shall take effect upon its passage and shall take full effect on the first day of January, in the year eighteen hundred and ninety-six.

APPROVED, MARCH 27th, 1895.

**See Chapter 275, Acts of 1901.*

APPENDIX B.

RULES ADOPTED BY THE BOARD AT DIFFERENT TIMES. (*Page 22 of Records.*)

RULE 1. The chairman shall preside at all meetings of the board, and if absent a chairman pro tem shall be chosen, who shall act as chairman.

RULE 2. (*As amended on page 57.*) The blank, (Form "A.") shall be sent to all persons desiring registration under Sec. 3, who request it of the secretary, and if satisfactorily filled and returned, will furnish prima facie proof of right of registration, but further and other evidence may be required by the board.

RULE 3. If form "A." when filled does not seem to show that the signer is entitled to registration, both registration and certificate shall be withheld, of which fact the applicant shall be notified by the secretary, and at the next meeting of the board may be heard in person in relation to the matter.

RULE 4. No diploma conferring any honorary or ad-eundem degree, without accompanying proofs of regular attendance, study and graduation from the institution conferring the degree, shall entitle any applicant to register as a graduate under Section 3.

RULE 5. In the written examinations, ten questions shall be submitted in each branch required by the act, all of which must be answered and a marking of 75 per cent. upon the whole obtained and also a marking of not less than 60 per cent. in any one branch, to entitle the examinee to registration under Sections 4 or 8 of the act.

RULE 6. Oral examinations shall be conducted by the full board, a marking of 75 per cent. must be obtained.

RULE 7. These rules may be amended at any time by a majority of the full board.

Under Section 8, as amended by the Act of 1901, the board adopt the following rules in addition to those found on pages 22, 23 and 57 of the Records, to wit:

RULE 8. All medical schools and colleges, legally chartered by the states in which they exist, and having the power given them by the state to confer the degree of Doctor of Medicine (M. D.) and having an unchallenged reputation for honest teaching, and granting of diplomas, only after a proper time of study and an examination in all the branches with a rating averaging, at least, 75 per cent. shall be considered as "Reputable Schools or Colleges," and in good standing.

RULE 9. The minimum grade of preliminary education before admission to the study of medicine, which the board will approve is a good English education, evidenced by a knowledge of English orthography and composition, mathematics, including algebra and plane geometry, geography, history, natural philosophy or physics and chemistry, with some Laboratory work; and also the ability to read at sight common Latin prose. A college degree, a diploma from some Normal School, High School, or Academy, or a successful entrance examination to any recognized college will be accepted as evidence of the above. All others must pass an examination.

RULE 10. The standard of medical instruction which the board will approve is three years of medical study and three courses of lectures for those who graduate previous to 1902 and four years study and four courses of lectures after 1901. Five years of reputable practice before 1901 will be accepted in lieu of one year's study. Colleges or medical schools complying with these rules 9 and 10 will be approved by the board as far as preliminary education and medical instruction is concerned.

July 10, 1901.

PORTLAND, JULY 10, 1901.

RULES ADOPTED BY THE BOARD OF REGISTRATION OF MEDICINE IN ACCORDANCE WITH CHAPTER 275, ACTS OF 1901, RELATING TO RECIPROCITY OF REGISTRATION WITH OTHER STATES.

Any person who is eligible for examination before this board and who has been examined and registered or licensed by the examining board of any other state, which maintains a standard of education at least equal to that required in this state, may be reg-

istered by this board and have a certificate issued to him, signed by the chairman and secretary, upon complying with the following requirements, to wit:

He shall present to the secretary of this board an application (the blank form for which will be furnished by the secretary upon request therefor) giving

1. Name, post office address and date.
2. Place and date of birth.
3. Present residence.
4. Proposed residence.
5. Source and amount of preliminary or academic education with degrees held.
6. Source, character and dates of medical education and graduation.
7. A certificate signed by the president, secretary or dean of the college or school granting the diploma, giving a brief history of his connection with the college or school, and bearing its seal.
8. The location and period of medical practice.
9. The date of examination and licensing by the attesting board.
10. A certified copy of the certificate or license bearing the seal of the board.
11. An affidavit of the secretary of the board stating the facts of issue of certificate or license after a written examination in not less than seven branches, naming each, with its rating by the board, and the general average of all, which must not be less than 75%.
12. An affidavit of the president or chairman of the board affirming the secretary's affidavit.
13. An affidavit of the president or secretary of some state or local medical society that the applicant is at present in good professional standing.
14. An affidavit of the applicant that he (or she) is the person named in the certificate and that all the statements in the application are true.

The application when completed shall be sent to the secretary of the board with a fee of twenty-five dollars enclosed; and if found satisfactory and the state granting the original license will reciprocate by accepting the certificate of this board under a similar application, the chairman and secretary will forthwith

forward the certificate of the board and admit the applicant to registration with the same privileges as if examined by this board.

The fees of the chairman and secretary for furnishing the same or similar evidence for a licensee of this board to register in another state shall be five dollars.

July 31, 1901.

Approved.

HENRY C. PEABODY,
Justice of the Sup. Jud. Court.

APPENDIX C.

An alphabetical list of all persons who have a legal right to practice medicine and surgery in Maine, corrected to May 1, 1904.

Probably a few have deceased, and have not been noticed by the secretary. The residence given was that given at time of registration. In the system of practice, R. means Regular. H. Homeopathic. E. Eclectic. B. Botanic. M. Magnetic. Cl. Clairvoyant. The letters n. g., following denote a non-graduate.

(NOTE) The following forms of certificates have been issued by the board, to wit:—

FORM "B." To graduates of legally chartered medical colleges or universities having power to confer degrees in medicine, who were practicing in the state at the organization of the board, July 9, 1895, and who applied for registration before Jan. 1, 1896. Blue.

FORM "C." To persons not graduates in medicine who had been practicing medicine or surgery for gain or hire as a livelihood in Maine for the three years next prior to the passage of the act, March 27, 1895. Pink.

FORM "F." To non-graduates who were examined and registered by the board. Pink.

FORM "G." To graduates of reputable medical schools or colleges in good standing and maintaining a standard of preliminary education and of medical instruction acceptable to the board, and who have been examined and registered by the board. White.

FORM "J." To persons graduates of reputable medical schools or colleges, who have been examined and registered by the boards of other states and have registered here under the reciprocity rule. White.

FORMS "G." and "J." are the only forms now issued. The law allowing the board to examine non-graduates was repealed on the the 22d of March, 1901.
