IMPROVEMENTS IN TREASURER'S OFFICE.

Many improvements in office equipment and methods designed to promote greater efficiency in the dispatch of the public business have been made during the year.

The Legislature of 1915 appropriated \$1,500 for extra vault equipment. The vault capacity has been enlarged and all steel equipment has replaced inflammable wooden shelves, evidently as old as the State House. The trust funds of the State and the valuable records deposited in this vault cannot be too carefully protected against loss by fire, while additional room and modern filing devices, properly indexed, were sorely needed for the daily uses of the Department.

In conclusion I wish to acknowledge the uniform courtesy of the several departments of the State Government, and am pleased to report the cordial relations existing between this Department and the cities, towns and plantations of the State.

Respectfully submitted,

(Signed) E. E. NEWBERT,

Treasurer of State.

CERTIFICATE OF STATE AUDITOR.

STATE OF MAINE.

STATE AUDITOR'S OFFICE,

AUGUSTA, December 31, 1915.

Hon. E. E. Newbert, Treasurer of State, Augusta, Maine.

DEAR SIR:—

This is to certify that the cash on hand in the Treasurer's Office December 31, 1915, as counted, amounted to \$2,823.04. and that the books of the office now show deposits in the several banks of the State amounting to \$1,156,115.48, making a total cash on hand and in banks of \$1,158,938.52.

I have also examined the amount of the trust funds and the securities deposited by the several corporations in the Treasurer's Office and find the proper coupons attached to bonds and all securities complete as shown in Treasurer's list amounting to \$530,817.07.

Very truly yours,

(Signed) J. EDWARD SULLIVAN,

State Auditor.

STATE DEPOSITORIES.

This Department has given no little thought to the distribution of State funds. During the year accounts were kept with more than one hundred banks, representing all sections of the State. At the close of the year the Department was using eighty-nine State depositories. This is by far the record number of banks carrying State deposits at any one time, and includes, with one exception, every town and city in the State having either a national bank or a trust and banking company. The monthly balances have been large during the year, and this wide distribution of State funds has been of material benefit to the commercial and industrial life of our communities.

A quarter of a million dollars of the State's surplus funds is distributed on time certificates among twenty-five banks, at the interest rate of four per cent. The State has also received two and one half per cent on daily balances on all its funds subject to check.

The Department has been efficiently served by five active banks, through whose channels has been transacted the large and increasing volume of the public business. These active banks are:

The Portland National Bank, of Portland

The Augusta Trust Company, of Augusta

The Lewiston Trust Company, of Lewiston

The State Trust Company, of Augusta

The Eastern Trust & Banking Company, of Bangor.

In addition to the interest rate of $2\frac{1}{2}\%$ on daily balances, these five active banks have paid for all the checks.

The remaining 84 banks carry reserve deposits subject to check.

The interest on all bank deposits for the year amounted to \$30,690.73, being \$3,558.82 in excess of the large interest account of 1914. A part of this increase is due to the rigid checking up of interest balances with the several banks and the demand for a uniform rate.

LANDS RESERVED FOR PUBLIC USES.

The Department has given special attention to this very important account, elsewhere described in this report among the trust funds of the State. As carried on the treasurer's books, this account was incorrect and obscure.

In accordance with the provisions of Chapter 297 of the Resolves of 1913, the then State Auditor and State Treasurer did much preliminary work in an effort to find the true standing of this fund.

An appropriation of \$2,000 was available for this purpose in 1913 and 1914, and \$553.97 was expended. The principal of the fund was established at \$380,194.94, or \$16,545.69 less than the amount carried at that time on the Treasurer's books. This new principal was reported to the 77th Legislature, and Chapter 255 of the Resolves of 1915 authorized the State Treasurer and the State Auditor to make the necessary entries to place at their true standing the sums now to the credit and also the sums now charged against certain plantations and townships of the State, in accordance with the recommendations made by the Treasurer and the Auditor and as contained in their report to the 77th Legislature. The new ledger was not opened, however, nor the interest on this fund determined.

With the additions for the years 1914 and 1915, the principal of this fund on December 31, 1915, stood at \$433,132.99. To this amount, however, should be added interest at the rate of six per cent.

As provided by Section 18 of Chapter 7 of the Revised Statutes, as amended by Chapter 114 of the Public Laws of 1915, the Department is engaged in figuring this interest from 1848 to 1916, a period of 68 years. The investigation has taken much time, and the work, done in connection with the daily routine of the Treasurer's office, has been arduous. It is believed that the interest as computed will nearly double the principal of this fund.

A new and improved ledger has been opened with this important account, thus ending much confusion in relation to a great trust fund of the State.

* Full credit has not been allowed because of failure to make proper return of receipts.

In view of the radical change in the law which provides for the payment of the State Tax on or before December 1st, 1915, the several cities, towns and plantations are to be commended for the prompt settlement of their accounts with the State.

WILD LAND TAXES, 1913.

In accordance with the provisions of Sec. 44, Chapter 9, Revised Statutes, as amended by Chapter 226, Public Laws, 1909, a public auction was advertised and held at the Treasurer's Office on Nov. 23, 1915, for the sale of lands on which the State Taxes imposed thereon for the year 1913 remained unpaid.

I am pleased to report that only one such parcel was offered for sale, the total tax amounting to \$2.97. This parcel was bid in by John M. Eastman, he being the highest bidder, at \$5.50.

CORPORATE FRANCHISE TAX.

(Sec. 18, Chap. 8, R. S. as amended by Chap. 185, Public Laws 1907).

Corporate Franchise taxes provide a source of revenue too important to pass without comment, the amount collected in 1915 being \$234,120.

Since 1902, as is shown by the records in the Treasurer's office, the state has lost on account of uncollected franchise taxes the large sum of \$923,694.

By special effort of this Department and the earnest cooperation of the Attorney General's office, collection of these franchise taxes during 1915 exceeds the amount collected during the preceding year by more than \$30,000. The 1915 collection of this tax in arrears exceeded that of any previous year by more than \$10,000 and was in excess of the collections of overdue taxes during 1914 by about \$15,000.

Since September 1, 1915, without direction of law, this Department mailed more than 2,500 special notices to delinquent corporations. The returns from this extra effort convince me that these taxes can be collected with a minimum of loss. These corporations, existing by virtue of our Maine Laws, should pay, and I believe can be made to pay this tax.

TRUST FUNDS.

The Trust Funds of the State, deposited in the State Treasury, as distinguished from trust deposits listed elsewhere in this report, amount to \$1,446,061.45, and are herewith described.

AUGUSTA STATE HOSPITAL—\$50,000.

The sum of \$50,000 was bequeathed to the Maine Insane Hospital, now the Augusta State Hospital, by Abner Coburn in 1887. Under the provisions of Chapter 70 of the Resolves of 1887, the Treasurer of State issued to said hospital one unnegotiable registered bond for the sum of \$50,000, bearing interest at the rate of four per cent per annum, payable on the first days of January and July in each year. This bond will mature in 1917.

AUGUSTUS HOPKINS LEGACY—\$1,000.

This fund, amounting to \$1,000, was bequeathed to the Maine Industrial School for Girls by Augustus Hopkins, of Gardiner, the income only to be used in such way as seems best for the girls in this institution. This fund was deposited in the State Treasury by the Trustees of the school under the provisions of Chapter 174 of the Public Laws of 1909, which directs that the Treasurer of State shall semi-annually pay to the Treasurer of said school a sum equal to two and one half per cent of said amount.

JOSEPH H. WILLIAMS LEGACY—\$1,000.

By the will of Joseph H. Williams, of Augusta, the sum of \$1,000 was bequeathed to the State of Maine for the benefit of the Maine Insane Hospital, now the Augusta State Hospital, and upon condition that a sum of money not less than \$40 shall be appropriated from time to time by the State Legislature and paid annually to the Trustees of said hospital, to be expended from time to time in the purchase of articles of art or use for the diversion of patients in this institution. By the provisions of Chapter 220 of the Resolves of 1892 the bequest was accepted by the 68th Legislature.

HOULTON ACADEMY—\$2,000.

As provided by Chapter 370 of the Resolves of 1864, there is deposited in the State Treasury the sum of \$2,000 for the use

and benefit of Houlton Academy, said sum being a part of the funds arising from the sale of timber and lumber on a township for educational purposes. Interest on this fund at the rate of six per cent is annually paid to the Trustees of the institution.

FOXCROFT ACADEMY—\$1,000.

As provided by Chapter 277 of the Resolves of 1868, there is deposited in the State Treasury \$1,000, for the use and benefit of Foxcroft Academy. Annual interest on this fund at the rate of six per cent is paid to the Trustees of the institution.

HELEN A. GILMAN LEGACY—\$1,000.

By the will of Helen A. Gilman, of Portland, the State of Maine was bequeathed \$1,000, to be held in trust for the promotion of the pleasure and comfort of the patients of the State Hospital for the Insane at Augusta, upon the condition that a sum not less than \$50 a year shall be appropriated by the Legislature to be expended annually. As provided by Chapter 131 of the Resolves of 1905, the 72nd Legislature accepted the bequest and the sum of \$50 is annually paid to the Trustees of the Augusta State Hospital.

ELIZA MUSTARD LEGACY—\$3,912.50.

A fund, amounting to \$4,000, was bequeathed to the Maine Industrial School for Girls by Eliza Mustard, of Richmond, the income to be held to help pay the current expenses of the institution. Less Collateral Inheritance Tax, this fund now amounts to \$3,912.50, and was deposited in the State Treasury in accordance with the provisions of Chapter 194 of the Public Laws of 1909, which directs that the Treasurer of State shall semi-annually pay to the Treasurer of said school a sum equal to two and one half per cent of said amount.

CARLETON FUND—\$1,000.

This fund of \$1,000 was a gift from James H. Gregory, late of Marblehead, Massachusetts, in memory of Marcus Manard Carleton, for the promotion of scientific orcharding in Maine. This gift was accepted by the 75th Legislature under the provisions of Chapter 60 of the Resolves of 1911, and consists of one Salt Lake & Ogden Railway Company, first mortgage, five per cent twenty-five year gold bond, due February 1, 1934. The interest on this fund is deposited in the Bangor Savings

Bank, and on every fifth year, in accordance with the conditions of the gift, beginning with the year 1914, there shall be paid from the interest accrued the sum of \$200 as a premium for the most thrifty and well kept orchard of one acre or more apple trees, five years from planting.

THE JORDAN FUND—\$1,000.

This fund, amounting to \$1,000, represents a gift from Benjamin C. Jordan, of Alfred, accepted by the 74th Legislature under the provisions of Chapter 67 of the Resolves of 1909. The purpose of this gift is to encourage the the cultivation of forest trees. In consideration of said gift, the State, once in eighteen years, shall offer five prizes, to be called the "Jordan Forestry Prize," amounting to \$1,000.

UNIVERSITY OF MAINE BEQUEST OF ABNER
COBURN—\$100,000.

As provided by Chapter 105 of the Resolves of 1887, the Treasurer of State was authorized and directed to receive from the Maine State College of Agriculture and the Mechanic Arts, in trust, the sum of \$100,000, bequeathed to said college by Abner Coburn. In accordance with said Resolve, an unnegotiable registered bond for this amount was issued, bearing interest at the rate of four per cent, payable on the first days of January and July in each year at the Treasurer's office. This bond matures in 1917.

UNIVERSITY OF MAINE—\$118,300.

By authority of Chapter 226 of the Resolves of 1889, the Treasurer of State issued to the State College of Agriculture and the Mechanic Arts, now the University of Maine, one unnegotiable registered bond, bearing date of June 1st, 1889, for the sum of \$118,300. This is a thirty year, five per cent bond. Said Resolve provides that the Treasurer of State shall pay to the Treasurer of said College the interest on said bond from time to time in equal semi-annual payments.

This fund of \$118,300 is derived from the sale of land scrip apportioned to the State by Act of the 37th Congress, approved July 2, 1862, entitled "An Act donating Public Lands to the Several States and Territories which may provide colleges for the benefit of Agriculture and Mechanic Arts."

The grant was accepted by the 42nd Legislature under the provisions of Chapter 275 of the Resolves of 1863.

HEBRON ACADEMY—\$1,000.

As provided by Chapter 277 of the Resolves of 1868, there is deposited in the State Treasury \$1,000, for the use and benefit of Hebron Academy, and annual interest thereon at the rate of six per cent is paid to the Trustees of that institution.

NELLIE F. SHAW FUND—\$4,750.

Under the will of Nellie F. Shaw, of Boston, the sum of \$5,000 was bequeathed to the Maine Industrial School for Girls, to be known as the Nellie F. Shaw Fund. The estate of the testator being subject to an inheritance tax of five per cent, under the laws of Massachusetts, a balance of \$4,750, remained to be deposited in the State Treasury, in accordance with the provisions of Chapter 174 of the Public Laws of 1909, which directs that the Treasurer of State shall semi-annually pay to the Treasurer of said school a sum equal to two and one half per cent of said amount.

PETER LANE LEGACY—\$1,156.75.

The amount of this fund was bequeathed to the Maine Industrial School for Girls by Peter Lane of Leeds and is deposited in the State Treasury by the Trustees of the school under the provisions of Chapter 174 of the Public Laws of 1909. Said statute provides that the Treasurer of State shall semi-annually pay to the Treasurer of said school a sum equal to two and one half per cent of said amount.

LANDS RESERVED FOR PUBLIC USES—\$433,132.99.

In accordance with the early regulations governing the public lands in the State of Maine, adopted in 1832, there has been reserved in each township a certain tract of land to be permanently held as a trust fund for school purposes. By the terms of such regulations the State is trustee of the fund in all unincorporated townships, and long term permits to cut timber and grass have been sold and the proceeds of such sales credited to the several townships.

All rights under such permits cease when the township is organized for plantation purposes. The care of these reserved lands is then placed with the land agent, who deposits with the Treasurer of State the net proceeds of sales of timber and grass from such lands, to be added to the fund of the township, and the plantation receives each year six per cent interest on its trust fund.

When the township is incorporated, however, the title to these lands passes directly to the town, together with the accumulated fund in the State Treasury, to be held by the town as a trust fund and the income only used for school purposes.

ROBIE LIBRARY FUND—\$2,000.

As provided by Chapter 42 of the Resolves of 1911, authorizing the acceptance of a gift from ex-Governor Frederick Robie, of Gorham, there is held in trust for the benefit of the Maine Insane Hospital, now Augusta State Hospital, twenty shares of stock of the First National Bank of Portland, said gift to be held as a permanent library fund, the yearly income thereof to be paid semi-annually to the treasurer of the hospital to be used for the benefit of the institution in accordance with the several terms of the gift, or as the trustees of said institution from time to time determine.

ROBIE AMUSEMENT FUND—\$2,000.

As provided by Chapter 42 of the Resolves of 1911, authorizing the acceptance of a gift from ex-Governor Frederick Robie, of Gorham, there is held in trust for the benefit of the Eastern Maine Insane Hospital, now Bangor State Hospital, twenty shares of stock of the First National Bank of Portland, said gift to be held as a permanent amusement fund, the yearly income thereof to be paid semi-annually to the treasurer of the hospital to be used for the benefit of the institution in accordance with the several terms of the gift, or as the trustees of said institution from time to time determine.

ISAAC SANFORD LEGACY—\$1,300.

In 1854 the sum of \$1,300 was paid into the State Treasury in accordance with the will of Isaac Sanford. \$700 of this

amount was bequeathed to the State Reform School, and \$600 was given for the benefit of the indigent blind and deaf and dumb, said beneficiaries to be natives of the state.

As provided by chapter 197 of the Public Laws of 1856, a sum of money equal to six per cent of the amount bequeathed to the State Reform School is appropriated annually for the support of the library, said sum to be paid in the month of February.

Under the provisions of Chapter 43 of the Resolves of 1911, the state annually sets apart a sum equal to six per cent of the interest upon the legacy of \$600, as aid toward the education of the deaf, dumb and blind natives of Maine, in institutions established for the education of such persons.

MADAWASKA TERRITORY SCHOOL FUND—\$5,000.

As provided by Chapter 100 of the Private and Special Laws of 1861, there is held in trust the sum of \$5,000, for the benefit of the inhabitants of the Madawaska Territory, as their shares of the surplus revenue distributed to the inhabitants of the State in 1837, said sum to constitute a permanent fund, on which six per cent shall be paid annually for the support of schools in said territory.

SCHOOL DISTRICT NO. 2, MADISON—\$1,000.

This fund of \$1,000, is derived from a bond of the State of Maine, which by Resolve of March 25, 1863, the Treasurer of State was directed to receive from Mahlan D. Spaulding, of Boston, the coupons thereon to be paid to the legal agent of the district as they became due, and at maturity of said bond five per cent of the amount to be paid annually for all time to come.

PERMANENT SCHOOL FUND—\$482,383.99.

In the early years of the State of Maine, among the reservations of public lands were lots in the various townships known as "State Lots." These lands were appropriated for the support of common schools, and the money which has been derived from the sale of such reserved lands constitutes "A Permanent School Fund," the interest upon which at six per

cent forms a part of the State school fund, which is annually distributed among the several cities, towns and plantations according to the number of children therein between five and twenty-one years of age.

On December 31, 1915, this fund amounted to \$482,383.99.

ORNE AMUSEMENT FUND—\$1,000.

Mrs. S. A. Orne, of Orneville, bequeathed to the Maine Insane Hospital \$1,000, to be expended by the Trustees for the benefit of the patients. Since 1882 the amount of this trust has been represented by a demand note for \$1,000, dated December 1, 1882, with annual interest at the rate of five per cent, and signed by "R. W. Soule, Treas. Maine Insane Hospital."

This note was deposited in the State Treasury May 24, 1915. Prior to this date it had been held in the vault of the Hospital. This note is in no sense a security representing the bequest of Mrs. S. A. Orne. It is plainly the duty of the trustees of the Augusta State Hospital to take up this note, and deposit in its stead some good interest bearing security to the value of \$1,000.

COLONEL BLACK FUND—\$2,000.

By the will of Col. John Black, the Maine Insane Hospital received a bequest of \$3,000. By the terms of the will, "\$3,000 shall be received by the Trustees of the Maine Insane Hospital, for the sole and express purpose of forming a library for the benefit of the inmates of said institution."

On April 15, 1915, a part of this fund, represented by 20 shares of stock of the First National Bank of Portland, was deposited in the State Treasury by the Treasurer of the Augusta State Hospital, in trust, as a part of the library fund of that institution.

Based upon information gathered from reports of the Trustees of the Maine Insane Hospital, it should be stated here that \$500 of the Col. Black fund was early expended on account of the library, and that \$500 is deposited in the name of the Trustees in the Augusta Savings Bank.

PASSAMAQUODDY INDIAN FUND.

This fund is derived from proceeds of sales by the Land Agent of timber and grass, together with certain rights of flowage, on Indian Township in Washington County since 1853, and now amounts to \$66,032.78.

PENOBSCOT INDIAN FUND.

The amount to the credit of this fund is \$88,092.44. \$50,000 of said sum was received from the sale of four townships of land purchased by the State of said tribe in 1833, to which have since been added receipts from leases of the shores of several islands in Penobscot river now occupied by the tribe.

LEVI M. STEWART FUND—\$75,000.

This fund was a gift to the Maine State Sanatorium Association at Hebron, in trust, for the benefit of that institution. The gift was accepted by the Trustees of the Sanatorium January 18, 1913 in the language of the following receipt:

Received of David B. Stewart, Executor and residuary legatee of Levi M. Stewart, late of Minneapolis, deceased, *Seventy-five Thousand in trust*, for the benefit of the *Maine State Sanatorium Association at Hebron*, to be called "*The Levi M. Stewart Fund*," the principal to be safely invested, and the yearly interest to be used for the benefit of the Sanatorium in such manner as the Trustees shall determine."

This fund was deposited in the State Treasury by His Excellency, Oakley C. Curtis, Governor, and was received for by the Treasurer of State October 19, 1915. Governor Curtis received the fund at the hands of the Trustees of the Maine State Sanatorium Association at the time of the transfer of the Sanatorium property at Hebron to the State, by deed dated October 5, 1915, and recorded in the Oxford Registry of Deeds, Book 331, Page 219.

SCHOOL FUNDS.

The laws of Maine provide for three school funds, with provisions for the apportionment and distribution of the same among the several cities, towns and plantations. These funds may briefly be described as follows:

STATE SCHOOL FUND.

The State School Fund apparently had its beginning under the provisions of Chapter 82 of the Public Laws of 1833. At the present time this fund is derived from six per cent interest on the permanent school fund, and one-half the sum received by the State from the tax on the franchise of savings banks, and one-half the sum assessed upon deposits of trust and banking companies. This fund is annually appropriated to the support of common schools and distributed among the several towns according to the number of children therein between five and twenty-one years of age.

SCHOOL MILL FUND.

The School Mill Fund was created in accordance with the provisions of Chapter 43 of the Public Laws of 1872, which provides for a tax of one mill on a dollar upon all the property in the State according to the valuation thereof, to be known as the mill tax for the support of common schools.

Under the provisions of Chapter III of the Public Laws of 1907, the School Mill Fund is now based upon a tax of one and one-half mills on a dollar upon the total valuation of the State.

As amended by Section 1 of Chapter 150 of the Public Laws of 1915, the law provides that the State School Fund and the School Mill Fund shall be distributed by the Treasurer of State on the first day of December, annually, to the several cities, towns and plantations according to the number of scholars therein.

All of the School Mill fund not distributed or expended during the financial year, shall at its close be added to the permanent school fund.

COMMON SCHOOL FUND.

The common school fund has its origin under the provisions of Chapter 177 of the Public Laws of 1909, which provides for a tax of one and one-half mills on a dollar annually to be assessed upon all the property in the State according to the valuation thereof, to be known as the tax for the support of the common schools.

As amended by Section 2 of Chapter 150 of the Public Laws of 1915, the law provides that one-third of this fund shall be distributed by the Treasurer of State on the first day of December, annually, to the several cities, towns and plantations according to the number of children therein, and two-thirds according to the valuation of the State, as the same shall be fixed by the State Assessors for the preceding year.

All of the common school fund not distributed or expended during the financial year, shall at its close be added to the permanent school fund.

The following table shows the amounts in the several school funds, the sources of the same and the deductions made in accordance with law, for the year 1915.
