STATE OF MAINE

LAW DEPARTMENT.

AUGUSTA, December 31, 1916.

To the Governor and Council of the State of Maine:

Following the custom of years, I herewith submit my report of the amount and kind of official business done by this department, and by the several county attorneys as provided by Section 64 of Chapter 79 of the Revised Statutes.

While the law requires an annual report, it has not been customary to make such report for each year, but to include the two years' work in a final report at the end of the term.

HOMICIDES.

One of the most important duties of this department relates to the conduct of homicide cases in which murder is charged and during the two years, this department has disposed of or supervised the disposition of thirty such cases, while two others are now pending.
