LIGHTNING RODS.

The previous report of this department called attention to a statute enacted in 1915 providing for the supervision of the installation and sale of lightning rod material through licensing of manufacturers and agents by this department. Under the provisions of this act the following manufacturers are authorized at the date of this report:

Dodd & Struthers, Des Moines, Iowa.

Reyburn, Hunter & Co., Philadelphia, Pa.

Shinn Manufacturing Co., Chicago, Ill.

St. Louis Lightning Rod Co., St. Louis, Mo.

The record of this department shows that of 304 lightning losses in 1916 no building equipped with lightning rods was damaged. In one instance horses were injured by lightning in a building attached to a rodded barn, but the buildings were not damaged.
