NOTE: This Balance Sheet does not include interest on Lands Reserved for Public Uses Fund as computed from 1848 to 1916, amounting to \$414,170.24. Plus this sum the Lands Reserved Fund would amount to \$873,152.23, and the above item of "Excess Cash over Permanent Fund, \$317,178.01" would disappear, leaving a cash deficiency of \$96,624.14. In my opinion this interest does constitute a liability of the State. It is not shown, however, because the whole matter has been referred by this Department to the Legislature.

TREASURER'S OFFICE.

The department is organized for service. Certain improvements in the routine of office work during the year seem worthy of mention.

A new and improved ledger was opened with the Trust Deposits and Trust Funds deposited in the State Treasury. This change in bookkeeping makes for readiness of reference and accuracy in listing and accounting.

A new form of financial statement, combining several forms long in use by the department, was adopted as a basis of the settlement of accounts, including the State tax, the distribution of school funds, etc., between the State and the various municipalities. This new form of statement shows at a glance the standing of these accounts, simplifies the work of the Treasurer's office, makes unnecessary a large volume of correspondence, and gives to the Treasurers of towns and cities a comprehensive and accurate basis for ready settlement of their accounts with the State.

A new form of bank check was adopted to conform to the use of "outlook" envelopes. In this matter the department was many years behind the United States Government and all active banking and commercial organizations. The department sends out about 50,000 checks annually. In view of this large volume of business it is readily seen that the adoption of the "outlook" envelope is a big help in the dispatch of the public business, while errors in mailing are reduced to a minimum.

Following the introduction of a balance sheet in my last annual report, this report contains a balance sheet of the Treasury, showing in comprehensive form assets and liabilities on the Treasury books as of December 31, 1916.

The report of this department for 1914 and 1915 contained an "Itemized Statement of Disbursements" made to the several cities and towns. This section more than doubled the size of the report. Further, it is my opinion that detailed matter of this nature is not properly a part of the annual statement of the Treasury department. For these reasons it was deemed best to return to the simpler and briefer form of report in use prior to 1914.

Respectfully submitted,

(Signed) E. E. NEWBERT,

Treasurer of State.

STATE AUDITOR'S OFFICE,

AUGUSTA, December 31, 1916.

Hon. E. E. Newbert, Treasurer of State:

DEAR SIR:—This is to certify that the cash on hand in the Treasurer's office at the close of business December 31, 1916, as counted, amounted to \$11,665.38 and that the books of the office now show deposits in the several banks of the State amounting to \$1,461,452.67, making a total cash on hand and in banks of \$1,473,118.05.

I have also examined the securities held for Trust Funds and Trust Deposits and find the coupons properly attached to bonds and all securities complete as shown in Treasurer's list, a summary of which is hereto attached, amounting to \$532,175.67.

DEPOSIT OF STATE FUNDS.

Eighty-seven banks have carried deposits of State funds throughout the year. This means a very wide distribution of the surplus funds of the State. With the single exception of one city, whose two National Banks returned the deposit because of the high interest rate asked, these eighty-seven banks represent every town and city in the State having either a National Bank or a Trust and Banking Company.

The monthly balances of the Treasury have been exceptionally large during the year, and this wide distribution means that the surplus money of the State has been put to work to help in the industrial and commercial development of Maine.

On all its funds deposited subject to check the State has received two and one-half per cent. on daily balances, while \$315,000 is deposited in thirty-one banks on short term certificates at the interest rate of 4%.

In view of the prevailing easy money market, it has been difficult to maintain this high rate.

The interest on all bank deposits for the year amounted to \$40,845.76, being \$10,155.03 in excess of the large interest account in 1915.

The Department has made use of six banks for its large volume of daily business:

Augusta Trust Company, Augusta.
 Portland National Bank, Portland.
 Lewiston Trust Company, Lewiston.
 State Trust Company, Augusta.
 Eastern Trust and Banking Company, Bangor.
 Casco Mercantile Trust Company, Portland.

The remaining eighty-one banks carry reserve deposits also subject to check.

INTEREST ON LANDS RESERVED FOR PUBLIC USES FUND.

Since my last report the work of computing the interest upon this fund from 1848 to 1916 has been completed, and a statement in detail submitted to the special session of the 77th Legislature. A copy of this statement will be found as an appendix to this report.

The total amount of the interest thus computed and due the various townships is \$414,170.24.

As a result of this investigation there appears to be due and payable to towns the sum of \$13,768.75. There is also due the various organized plantations, as shown in the accompanying table, accumulated interest amounting to \$50,428.76.

The interest computations for the towns and plantations have been brought up to January 1, 1917, and, as provided by Chapter 114 of the Public Laws of 1915, lists have been submitted to the State Superintendent of Schools.

WILD LAND TAXES.

In accordance with the provisions of Sec. 44, Chapter 9, Revised Statutes, as amended by Chapter 226, Public Laws, 1909, a public auction was advertised and held at the Treasurer's office on November 22, 1916, for the sale of lands on which the State Taxes imposed thereon for the year 1914 remained unpaid.

Five such parcels were sold, the total tax thereon amounting to \$43.82.

CORPORATE FRANCHISE TAX.

(Sec. 18, Chap. 8, R. S. as amended by Chap. 185, Public Laws 1907.)

The special effort to collect these taxes, noted in my report for 1915, has been continued, the total collection for 1916 being \$227,176.88.

1916 Commitment	\$229,030.
1916 Collection	\$190,053.

On the basis of the commitment, this collection is the largest by 10% ever made within the year of commitment, while the percentage of these taxes uncollected is the smallest for twelve years.

Large possibilities of revenue still exist in these corporate franchise taxes. A beginning has been made and should be continued. Delinquent corporations should be made to pay.

REPORT OF THE TREASURER OF STATE. 1916.

TRUST FUNDS.

The Trust Funds of the State, deposited in the State Treasury, as distinguished from trust deposits listed elsewhere in this report, amount to \$1,908,890.65 and are herewith described.

AUGUSTA STATE HOSPITAL.

ABNER COBURN FUND—\$50,000.

The sum of \$50,000 was bequeathed to the Maine Insane Hospital, now the Augusta State Hospital, by Abner Coburn in 1887. Under the provisions of Chapter 70 of the Resolves of 1887, the Treasurer of State issued to said hospital one unnegotiable registered bond for the sum of \$50,000, bearing interest at the rate of four per cent. per annum, payable on the first days of January and July in each year. This bond will mature in 1917.

BOBIE LIBRARY FUND—\$2,000.

As provided by Chapter 42 of the Resolves of 1911, authorizing the acceptance of a gift from ex-Governor Frederick Robie, of Gorham, there is held in trust for the benefit of the Maine Insane Hospital, now Augusta State Hospital, twenty shares of stock of the First National Bank of Portland, said gift to be held as a permanent library fund, the yearly income thereof to be paid semi-annually to the treasurer of the hospital to be used for the benefit of the institution in accordance with the several terms of the gift, or as the trustees of said institution from time to time determine.

COLONEL BLACK FUND—\$2,000.

By the will of Col. John Black, the Maine Insane Hospital received a bequest of \$3,000. By the terms of the will, "\$3,000 shall be received by the Trustees of the Maine Insane Hospital, for the sole and express purpose of forming a library for the benefit of the inmates of said institution."

On April 15, 1915, a part of this fund, represented by 20 shares of stock of the First National Bank of Portland, was deposited in the State Treasury by the Treasurer of the Augusta

State Hospital, in trust, as a part of the library fund of that institution.

Based upon information gathered from reports of the Trustees of the Maine Insane Hospital, it should be stated here that \$500 of the Col. Black fund was early expended on account of the library, and that \$500 is deposited in the name of the Trustees in the Augusta Savings Bank.

JOSEPH H. WILLIAMS LEGACY—\$1,000.

By the will of Joseph H. Williams, of Augusta, the sum of \$1,000 was bequeathed to the State of Maine for the benefit of the Maine Insane Hospital, now the Augusta State Hospital, and upon condition that a sum of money not less than \$40 shall be appropriated from time to time by the State Legislature and paid annually to the Trustees of said hospital, to be expended from time to time in the purchase of articles of art or use for the diversion of patients in this institution. By the provisions of Chapter 220 of the Resolves of 1892 the bequest was accepted by the 68th Legislature.

HELEN A. GILMAN LEGACY—\$1,000.

By the will of Helen A. Gilman, of Portland, the State of Maine was bequeathed \$1,000, to be held in trust for the promotion of the pleasure and comfort of the patients of the State Hospital for the Insane at Augusta, upon the condition that a sum not less than \$50 a year shall be appropriated by the Legislature to be expended annually. As provided by Chapter 131 of the Resolves of 1905, the 72nd Legislature accepted the bequest and the sum of \$50 is annually paid to the Trustees of the Augusta State Hospital.

ORNE AMUSEMENT FUND—\$1,000.

Mrs. S. A. Orne, of Orneville, bequeathed to the Maine Insane Hospital \$1,000, to be expended by the Trustees for the benefit of the patients. Since 1882 the amount of this trust has been represented by a demand note for \$1,000, dated December 1, 1882, with annual interest at the rate of five per cent., and signed by "R. W. Soule, Treas. Maine Insane Hospital."

This note was deposited in the State Treasury May 24, 1915. Prior to this date it had been held in the vault of the Hospital. This note is in no sense a security representing the bequest of Mrs. S. A. Orne. It is plainly the duty of the Trustees of the Augusta State Hospital to take up this note, and deposit in its stead some good interest bearing security to the value of \$1,000.

BANGOR STATE HOSPITAL.

ROBIE AMUSEMENT FUND—\$2,000.

As provided by Chapter 42 of the Resolves of 1911, authorizing the acceptance of a gift from ex-Governor Frederick Robie, of Gorham, there is held in trust for the benefit of the Eastern Maine Insane Hospital, now Bangor State Hospital, twenty shares of stock of the First National Bank of Portland, said gift to be held as a permanent amusement fund, the yearly income thereof to be paid semi-annually to the treasurer of the hospital to be used for the benefit of the institution in accordance with the several terms of the gift, or as the trustees of said institution from time to time determine.

STATE SCHOOL FOR GIRLS.

These several bequests were deposited in the State Treasury by the trustees of the Maine Industrial School for Girls, in accordance with Chapter 174 of the Public Laws of 1909. The law provides for interest at 5% payable semi-annually.

AUGUSTUS HOPKINS LEGACY—\$1,000.

This fund, amounting to \$1,000, was bequeathed to the Maine Industrial School for Girls by Augustus Hopkins, of Gardiner, the income only to be used in such way as seems best for the girls in this institution.

PETER LANE LEGACY—\$1,156.75.

This fund was bequeathed to the Maine Industrial School for Girls by Peter Lane of Leeds.

ELIZA MUSTARD LEGACY—\$3,912.50.

A fund, amounting to \$4000, was bequeathed to the Maine Industrial School for Girls by Eliza Mustard, of Richmond, the income to be held to help pay the current expenses of the institution. Less Collateral Inheritance Tax, this fund now amounts to \$3,912.50.

NELLIE F. SHAW FUND—\$4,750.

By the will of Nellie F. Shaw, of Boston, the sum of \$5,000 was bequeathed to the Maine Industrial School for Girls, to be known as the Nellie F. Shaw Fund. Under the laws of Massachusetts the estate of the testator was subject to an inheritance tax of 5%. A balance of \$4,750 represents the bequest.

UNIVERSITY OF MAINE.

BEQUEST OF ABNER COBURN—\$100,000.

As provided by Chapter 105 of the Resolves of 1887, the Treasurer of State was authorized and directed to receive from the Maine State College of Agriculture and the Mechanic Arts, in trust, the sum of \$100,000, bequeathed to said college by Abner Coburn. In accordance with said Resolve, an unnegotiable registered bond for this amount was issued, bearing interest at the rate of four per cent., payable on the first days of January and July in each year at the Treasurer's office. This bond matures in 1917.

LAND GRANT FUND—\$118,300.

By authority of Chapter 226 of the Resolves of 1889, the Treasurer of State issued to the State College of Agriculture and the Mechanic Arts, now the University of Maine, one unnegotiable registered bond, bearing date of June 1st, 1889, for the sum of \$118,300. This is a thirty year, five per cent bond. Said Resolve provides that the Treasurer of State shall pay to the Treasurer of said College the interest on said bond from time to time in equal semi-annual payments.

This fund of \$118,300 is derived from the sale of land scrip apportioned to the State by Act of the 37th Congress, approved July 2, 1862, entitled "An Act donating Public Lands to the

several States and Territories which may provide colleges for the benefit of Agriculture and Mechanic Arts.”

MISCELLANEOUS.

HOULTON ACADEMY—\$2,000.

As provided by Chapter 370 of the Resolves of 1864, there is deposited in the State Treasury the sum of \$2,000 for the use and benefit of Houlton Academy, said sum being a part of the funds arising from the sale of timber and lumber on a township for educational purposes. Interest on this fund at the rate of six per cent is annually paid to the trustees of the institution.

FOXCROFT ACADEMY—\$1,000.

As provided by Chapter 277 of the Resolves of 1868, there is deposited in the State Treasury \$1,000 for the use and fit of Foxcroft Academy. Annual interest on this fund at the rate of six per cent. is paid to the trustees of the institution.

HEBRON ACADEMY—\$1,000.

As provided by Chapter 277 of the Resolves of 1868, there is deposited in the State Treasury \$1,000 for the use and benefit of Hebron Academy, and annual interest thereon at the rate of six per cent. is paid to the Trustees of that institution.

ISAAC SANFORD LEGACY—\$1,300.

In 1854 the sum of \$1,300 was paid into the State Treasury in accordance with the will of Isaac Sanford. \$700 of this amount was bequeathed to the State Reform School, and \$600 was given for the benefit of the indigent blind and deaf and dumb, said beneficiaries to be natives of the state.

As provided by chapter 197 of the Public Laws of 1856, a sum of money equal to six per cent of the amount bequeathed to the State Reform School is appropriated annually for the support of the library, said sum to be paid in the month of February.

Under the provisions of Chapter 43 of the Resolves of 1911, the state annually sets apart a sum equal to six per cent. of

the interest upon the legacy of \$600, as aid toward the education of the deaf, dumb and blind natives of Maine, in institutions established for the education of such persons.

MADAWASKA TERRITORY SCHOOL FUND—\$5,000.

As provided by Chapter 100 of the Private and Special Laws of 1861, there is held in trust the sum of \$5,000, for the benefit of the inhabitants of the Madawaska Territory, as their shares of the surplus revenue distributed to the inhabitants of the State in 1837, said sum to constitute a permanent fund, on which six per cent. shall be paid annually for the support of schools in said territory.

SCHOOL DISTRICT NO. 2, MADISON—\$1,000.

This fund of \$1,000 is derived from a bond of the State of Maine, which by Resolve of March 25, 1863, the Treasurer of State was directed to receive from Mahlan D. Spaulding, of Boston, the coupons thereon to be paid to the legal agent of the district as they became due, and at maturity of said bond five per cent. of the amount to be paid annually for all time to come.

PERMANENT SCHOOL FUND—\$482,771.35.

In the early years of the State of Maine, among the reservations of public lands were lots in the various townships known as "State Lots." These lands were appropriated for the support of common schools, and the money which has been derived from the sale of such reserved lands constitutes A Permanent School Fund, the interest upon which at six per cent. forms a part of the State school fund, which is annually distributed among the several cities, towns and plantations according to the number of children therein between five and twenty-one years of age.

On December 31, 1916, this fund amounted to \$482,771.35.

LANDS RESERVED FOR PUBLIC USES—\$457,982.99.

In accordance with the early regulations governing the public lands in the State of Maine, adopted in 1832, there has been

reserved in each township a certain tract of land to be permanently held as a trust fund for school purposes. By the terms of such regulations the State is trustee of the fund in all unincorporated townships, and long term permits to cut timber and grass have been sold and the proceeds of such sales credited to the several townships.

All rights under such permits cease when the township is organized for plantation purposes. The care of these reserved lands is then placed with the land agent, who deposits with the Treasurer of State the net proceeds of sales of timber and grass from such lands, to be added to the fund of the township, and the plantation receives each year six per cent. interest on its trust fund.

When the township is incorporated, however, the title to these lands passes directly to the town, together with the accumulated fund in the State Treasury, to be held by the town as a trust fund and the income only used for school purposes.

On December 31, 1916, the principal of this fund stood at \$457,982.99. To this sum, however, should be added the interest as computed by the department and reported to the Special Session of the 77th Legislature, amounting to \$414,170.24. With this interest added, the lands reserved for public uses fund, on December 31, 1916, amounted to \$872,153.23.

CARLETON FUND—\$1,176.72.

This fund of \$1,000 was a gift from James H. Gregory, late of Marblehead, Massachusetts, in memory of Marcus Manard Carleton, for the promotion of scientific orcharding in Maine. This gift was accepted by the 75th Legislature under the provisions of Chapter 60 of the Resolves of 1911, and consists of one Salt Lake & Ogden Railway Company, first mortgage, five per cent. twenty-five year gold bond, due February 1, 1934. The interest on this fund is deposited in the Bangor Savings Bank, and on every fifth year, in accordance with the conditions of the gift, beginning with the year 1914, there shall be paid from the interest accrued the sum of \$200 as a premium for the most thrifty and well kept orchard of one acre or more apple trees, five years from planting.

THE JORDAN FUND—\$1,000.

This fund, amounting to \$1,000, represents a gift from Benjamin C. Jordan, of Alfred, accepted by the 74th Legislature under the provisions of Chapter 67 of the Resolves of 1909. The purpose of this gift is to encourage the cultivation of forest trees. In consideration of said gift, the State, once in eighteen years shall offer five prizes to be called the "Jordan Forestry Prize," amounting to \$1,000.

PASSAMAQUODDY INDIAN FUND.

This fund is derived from proceeds of sales by the Land Agent of timber and grass, together with certain rights of flowage on Indian Township in Washington County since 1853, and now amounts to \$90,297.66.

PENOBSCOT INDIAN FUND.

The amount to the credit of this fund is \$88,092.44. \$50,000 of said sum was received from the sale of four townships of land purchased by the State of said tribe in 1833, to which have since been added receipts from leases of the shores of several islands in Penobscot river now occupied by the tribe.

LEVI M. STEWART FUND—\$75,000.

This fund was a gift to the Maine State Sanatorium Association at Hebron, in trust, for the benefit of that institution. The gift was accepted by the Trustees of the Sanatorium January 18, 1913 in the language of the following receipt:

"Received of David B. Stewart, executor and residuary legatee of Levi M. Stewart, late of Minneapolis, deceased, *Seventy-five Thousand dollars in trust*, for the benefit of the *Maine State Sanatorium Association at Hebron*, to be called '*The Levi M. Stewart Fund*,' the principal to be safely invested, and the yearly interest to be used for the benefit of the Sanatorium in such manner as the trustees shall determine."

This fund was deposited in the State Treasury by His Excellency, Oakley C. Curtis, Governor, and was received for by the Treasurer of State October 19, 1915. Governor Curtis received the fund at the hands of the trustees of the Maine

State Sanatorium Association at the time of the transfer of the Sanatorium property at Hebron to the State, by deed dated October 5, 1915, and recorded in the Oxford Registry of Deeds, Book 331, Page 219.

SCHOOL FUNDS.

The laws of Maine provide for three school funds, with provisions for the apportionment and distribution of the same among the several cities, towns and plantations. These funds may briefly be described as follows:

STATE SCHOOL FUND.

The State School Fund apparently had its beginning under the provisions of Chapter 82 of the Public Laws of 1833. At the present time this fund is derived from six per cent interest on the permanent school fund, and one-half the sum received by the State from the tax on the franchise of savings banks, and one-half the sum assessed upon deposits of trust and banking companies. This fund is annually appropriated to the support of common schools and distributed among the several towns according to the number of children therein between five and twenty-one years of age.

SCHOOL MILL FUND.

The School Mill Fund was created in accordance with the provisions of Chapter 43 of the Public Laws of 1872, which provides for a tax of one mill on a dollar upon all the property in the State according to the valuation thereof, to be known as the mill tax for the support of common schools.

Under the provisions of Chapter 111 of the Public Laws of 1907, the School Mill Fund is now based upon a tax of one and one-half mills on a dollar upon the total valuation of the State.

As amended by Section 1 of Chapter 150 of the Public Laws of 1915, the law provides that the State School Fund and the School Mill Fund shall be distributed by the Treasurer of State on the first day of December, annually, to the several cities, towns and plantations according to the number of scholars therein.

All of the School Mill fund not distributed or expended during the financial year, shall at its close be added to the permanent school fund.

COMMON SCHOOL FUND.

The common school fund had its origin under the provisions of Chapter 177 of the Public Laws of 1909, which provides for a tax of one and one-half mills on a dollar annually to be assessed upon all the property in the State according to the valuation thereof, to be known as the tax for the support of the common schools.

As amended by Section 2 of Chapter 150 of the Public Laws of 1915, the law provides that one-third of this fund shall be distributed by the Treasurer of State on the first day of December, annually, to the several cities, towns and plantations according to the number of children therein, and two-thirds according to the valuation of the State, as the same shall be fixed by the State Assessors for the preceding year.

All of the common school fund not distributed or expended during the financial year, shall at its close be added to the permanent school fund.

The following table shows the amounts in the several school funds, the sources of the same and the deductions made in accordance with law, for the year 1915.

Report of the Treasurer of State to the Special
Session of the 77th Legislature

OFFICE OF
THE TREASURER OF STATE.

Augusta, Maine.
September 28, 1916.

To the Honorable Senate and House of Representatives of the Seventy-seventh Legislature in Special Session Assembled:

Gentlemen:

In order to comply with the provisions of Chapter 114 of the Public Laws of 1915, amending Section 18 of Chapter 7 of the Revised Statutes, it was deemed necessary to compute the interest for all townships upon the Lands Reserved for Public Uses Fund. This computation was made upon the basis of the report of the principal of said Fund submitted by the State Auditor and Treasurer of State to the Legislature in 1915. This report upon the principal revised the accounts of this Fund after investigation authorized by Chapter 297 of the Resolves of 1913. The legislative action thereon is to be found in Chapter 255 of the Resolves of 1915.

The detailed statement of the interest as computed, amounting to \$414,170.24, is hereto attached. This report is made in two parts, showing the interest for the period covered by the above report of the State Auditor and Treasurer of State, or to January 1, 1914, and for the succeeding two years, with the net results on January 1, 1916.

The report to the Legislature of 1915 dealt only with the principal of this Fund. The law provides, however, that when a township is organized as a plantation the interest to January first prior to application for such interest shall be added to the principal. In accordance with this provision of law and in order to give each township due credit as a basis upon which to compute the interest \$13,292.61 in interest has been added to the principal, thus increasing the principal of this Fund, upon the basis of the 1915 report, to \$393,487.55 on January 1, 1914. This interest account of \$13,292.61 is entirely apart from the interest items as shown on the accompanying report and is set forth in a separate column.

In view of the above the total principal amount of the Lands Reserved for Public Uses Fund now appearing on the books of the Treasurer of State and State Auditor should be increased by \$13,292.61. It also follows that in the future whenever an interest item is to be added in accordance with law to the principal of this Fund, the interest account of Lands Reserved

should be charged with the amount and the Lands Reserved Fund credited with amount so added.

There should also be set up as a liability of the State the total accrued interest on the Lands Reserved for Public Uses Fund amounting on January 1, 1916, to \$414,170.24, as shown in detail by the accompanying report. This amount will be increased each year as the interest is computed and reported to the State Superintendent of Schools.

At the present time the amount of such increase is approximately \$26,000 a year, based upon the computations for the year 1915, which appears to the credit of the various counties as follows:

	1915	Total Int. due Jan. 1, 1916
Aroostook	\$8,412.31	\$106,186.78
Franklin	3,229.54	29,100.34
Hancock	421.34	17,661.61
Oxford	2,138.75	7,930.05
Penobscot	1,924.69	21,928.67
Piscataquis	2,892.62	116,422.51

Washington	1,797.25	42,846.32
Total	\$25,833.57	\$414,170.24

The investigation also shows that there is now due the various organized towns the several amounts shown in the table below. The State has no claims upon these amounts and provision should be made by the next Legislature for their payment, together with interest accrued at that time.
