JOSEPH H. WILLIAMS LEGACY—\$1,000

By the will of Joseph H. ORNE AMUSEMENT FUND—\$1,000

Mrs. S. A. Orne, of Orneville, bequeathed to the Maine Insane Hospital \$1,000, to be expended by the Trustees for the benefit of the patients. Since 1882 the amount of this trust has been represented by a demand note for \$1,000, dated December 1, 1882, with annual interest at the rate of five per cent, and signed by "R. W. Soule, Treas., Maine Insane Hospital."

This note was replaced by the Trustees of the Augusta State Hospital in 1917 by American Telephone and Telegraph Co. coupon bond for \$1,000.

ISAAC SANFORD LEGACY—\$1,300

In 1854 the sum of \$1,300 was paid into the State Treasury in accordance with the will of Isaac Sanford. Seven hundred dollars of this amount was bequeathed to the State Reform School, and \$600 was given for the benefit of the indigent blind and deaf and dumb, said beneficiaries to be natives of the State.

As provided by chapter 197 of the Public Laws of 1856, a sum of money equal to six per cent of the amount bequeathed to the State Reform School is appropriated annually for the support of the library, said sum to be paid in the month of February.

Under the provisions of chapter 43 of the Resolves of 1911, the State annually sets apart a sum equal to six per cent of the interest upon the legacy of \$600, as aid toward the education of the deaf, dumb and blind natives of Maine, in institutions established for the education of such persons.

MADAWASKA TERRITORY SCHOOL FUND—\$5,000

As provided by chapter 100 of the Private and Special Laws of 1861, there is held in trust the sum of \$5,000, for the benefit of the inhabitants of the Madawaska Territory, as their shares of the surplus revenue distributed to the inhabitants of the State in 1837, said sum to constitute a permanent fund, on which six per cent shall be paid annually for the support of schools in said territory.

SCHOOL DISTRICT No. 2, MADISON—\$1,000

This fund of \$1,000 is derived from a bond of the State of Maine, which by Resolve of March 25, 1863, the Treasurer of State was directed to receive from Mahlan D. Spaulding of Boston, the coupons thereon to be paid to the legal agent of the district as they became due, and at maturity of said bond five per cent of the amount to be paid annually for all time to come.

PERMANENT SCHOOL FUND—\$488,942.97

In the early years of the State of Maine, among the reservations of public lands were lots in the various townships known as "State Lots." These lands were appropriated for the support of common schools, and the money which has been derived from the sale of such reserved lands constitutes a Permanent School Fund, the interest upon which at six per cent forms a part of the State school fund, which is annually distributed among the several cities, towns and plantations according to the number of children therein between five and twenty-one years of age.

On December 31, 1920, this fund amounted to \$488,942.79.

LANDS RESERVED FOR PUBLIC USES—\$559,077.25

In accordance with the early regulations governing the public lands in the State of Maine, adopted in 1832, there has been reserved in each township a certain tract of land to be permanently held as a trust fund for school purposes. By the terms of such regulations the State is trustee of the fund in all unin-

corporated townships, and long term permits to cut timber and grass have been sold and the proceeds of such sales credited to the several townships.

All rights under such permits cease when the township is organized for plantation purposes. The care of these reserved lands is then placed with the Land Agent, who deposits with the Treasurer of State the net proceeds of sales of timber and grass from such lands, to be added to the fund of the township, and the plantation receives each year six per cent interest on its trust fund.

When the township is incorporated however, the title to these lands passes directly to the town, together with the accumulated fund in the State Treasury, to be held by the town as a trust fund and the income only used for school purposes.

On December 31, 1920, this fund amounted to \$559,077.25.

CARLETON FUND—\$1,197.60

This fund of \$1,000 was a gift from James H. Gregory, late of Marblehead, Massachusetts, in memory of Marcus Manard Carleton, for the promotion of scientific orcharding in Maine. This gift was accepted by the 75th Legislature under the provisions of chapter 60 of the Resolves of 1911, and consists of one Salt Lake & Ogden Railway Company, first mortgage, five per cent twenty-five year gold bond, due February 1, 1934. The interest on this fund is deposited in the Bangor Savings Bank, and on every fifth year, in accordance with the conditions of the gift, beginning with the year 1914, there shall be paid from the interest accrued the sum of \$200 as a premium for the most thrifty and well kept orchard of one acre or more apple trees, five years from planting.

THE JORDAN FUND—\$1,000

This fund, amounting to \$1,000, represents a gift from Benjamin C. Jordan, of Alfred, accepted by the 74th Legislature under the provisions of chapter 67 of the Resolves of 1909. The purpose of this gift is to encourage the cultivation of forest trees. In consideration of said gift, the State, once in eighteen years shall offer five prizes to be called the "Jordan Forestry Prize," amounting to \$1,000.

PASSAMAQUDDY INDIAN FUND

This fund is derived from proceeds of sales by the Land Agent of timber and grass, together with certain rights of flowage on Indian Townships in Washington county since 1853, and now amounts to \$109,094.50.

PENOBSCOT INDIAN FUND

The amount to the credit of this fund is \$88,092.44. Fifty thousand dollars of said sum was received from the sale of four townships of land purchased by the State of said tribe in 1833, to which have since been added receipts from leases of the shores of several islands in Penobscot river now occupied by the tribe.

LEVI M. STEWART FUND—\$75,000

This fund was a gift to the Maine State Sanatorium Association at Hebron, in trust, for the benefit of that institution. The gift was accepted by the Trustees of the Sanatorium January 18, 1913, in the language of the following receipt:

Stewart, late of Minneapolis, deceased, *Seventy-five Thousand dollars in trust*, for the benefit of the *Maine State Sanatorium Association at Hebron*, to be called ‘*The Levi M. Stewart Fund*,’ the principal to be safely invested, and the yearly interest to be used for the benefit of the Sanatorium in such manner as the trustees shall determine.”

This fund was deposited in the State Treasury by His Excellency, Oakley C. Curtis, Governor, and was receipted for by the Treasurer of State October 19, 1915. Governor Curtis received the fund at the hands of the trustees of the Maine State Sanatorium Association at the time of the transfer of the Sanatorium property at Hebron to the State, by deed dated October 5, 1915, and recorded in the Oxford Registry of Deeds, Book 331, Page 219.

SCHOOL FUNDS

The laws of Maine provide for three school funds, with provisions for the apportionment and distribution of the same among the several cities, towns and plantations. These funds may briefly be described as follows:

STATE SCHOOL FUND

The State School Fund apparently had its beginning under the provisions of chapter 82 of the Public Laws of 1833. At the present time this fund is derived from six per cent interest on the permanent school fund, and one-half the sum received by the State from the tax on the franchise of savings banks, and one-half the sum assessed upon deposits of trust and banking companies. This fund is annually appropriated to the support of common schools and distributed among the several towns according to the number of children therein between five and twenty-one years of age.

SCHOOL MILL FUND

The School Mill Fund was created in accordance with the provisions of chapter 43 of the Public Laws of 1872, which provides for a tax of one mill on a dollar upon all the property in the State according to the valuation thereof, to be known as the mill tax for the support of common schools.

Under the provisions of chapter 111 of the Public Laws of 1907, the School Mill Fund is now based upon a tax of one and one-half mills on a dollar upon the total valuation of the State.

As amended by section 1 of chapter 150 of the Public Laws of 1915, the law provides that the State School Fund and the School Mill Fund shall be distributed by the Treasurer of State on the first day of December, annually, to the several cities, towns and plantations according to the number of scholars therein.

All of the School Mill Fund not distributed or expended during the financial year, shall at its close be added to the permanent school fund.

COMMON SCHOOL FUND.

The Common School Fund had its origin under the provisions of chapter 177 of the Public Laws of 1909, which provides for a tax of one and one-half mills on a dollar annually to be assessed upon all the property in the State according to the valuation thereof, to be known as the tax for the support of the common schools.

As amended by section 2 of chapter 150 of the Public Laws of 1915, the law provides that one-third of this fund shall be distributed by the Treasurer of State on the first day of December, annually, to the several cities, towns and plantations according to the number of children therein, and two-thirds according to the valuation of the State, as the same shall be fixed by the State Assessors for the preceding year.

All of the Common School Fund not distributed or expended during the financial year, shall at its close be added to the permanent school fund.

The following table shows the amounts in the several school funds, the sources of the same and the deductions made in accordance with law, for the year 1920:
