ber 1, 1882, with annual interest at the rate of five per cent, and signed by "R. W. Soule, Treas., Maine Insane Hospital."

This is a thirty year, five per cent bond. Said Resolve provides that the Treasurer of State shall pay to the Treasurer of said College the interest on said bond from time to time in equal semi-annual payments. This bond was renewed June 1st, 1919, for 30 years. Chap. 142, Resolves 1919.

This fund of \$118,300 is derived from the sale of land scrip apportioned to the State by Act of the 37th Congress, approved July 2, 1862, entitled "An Act donating Public Lands to the several States and Territories which may provide colleges for the benefit of Agriculture and Mechanic Arts."

## MISCELLANEOUS

## HOULTON ACADEMY—\$2,000

As provided by chapter 370 of the Resolves of 1864, there is deposited in the State Treasury the sum of \$2,000 for the use and benefit of Houlton Academy, said sum being a part of the funds arising from the sale of timber and lumber on a township, for educational purposes. Interest on this fund at the rate of six per cent is annually paid to the trustees of the institution.

## FOXCROFT ACADEMY—\$1,000

As provided by chapter 277 of the Resolves of 1868, there is deposited in the State Treasury \$1,000 for the use and benefit of Foxcroft Academy. Annual interest on this fund at the rate of six per cent is paid to the trustees of the institution.

## HEBRON ACADEMY—\$1,000

As provided by chapter 277 of the Resolves of 1868, there is deposited in the State Treasury \$1,000 for the use and benefit of Hebron Academy, and annual interest thereon at the rate of six per cent is paid to the trustees of that institution.

## ISAAC SANFORD LEGACY—\$1,300

In 1854 the sum of \$1,300 was paid into the State Treasury in accordance with the will of Isaac Sanford. Seven hundred dollars of this amount was bequeathed to the State Reform School, and \$600 was given for the benefit of the indigent blind and deaf and dumb, said beneficiaries to be natives of the State.

As provided by chapter 197 of the Public Laws of 1856, a sum of money equal to six per cent of the amount bequeathed to the State Reform School is appropriated annually for the support of the library, said sum to be paid in the month of February.

Under the provisions of chapter 43 of the Resolves of 1911, the State annually sets apart a sum equal to six per cent of the interest upon the legacy of \$600, as aid toward the education of the deaf, dumb and blind natives of Maine, in institution established for the education of such persons.

## MADAWASKA TERRITORY SCHOOL FUND—\$5,000

As provided by chapter 100 of the Private and Special Laws of 1861, there is held in trust the sum of \$5,000, for the benefit of the inhabitants of the Madawaska Territory, as their shares of the surplus revenue distributed to the inhabitants of the State in 1837, said sum to constitute a permanent fund, on which six per cent shall be paid annually for the support of schools in said territory.

## SCHOOL DISTRICT No. 2, MADISON—\$1,000

This fund of \$1,000 is derived from a bond of the State of Maine, which by Resolve of March 25, 1863, the Treasurer of State was directed to receive from Mahlan D. Spaulding of Boston, the coupons thereon to be paid to the legal agent of the district as they became due, and at maturity of said bond five per cent of the amount to be paid annually for all time to come.

## PERMANENT SCHOOL FUND—\$547,527.86

In the early years of the State of Maine, among the reservations of public lands were lots in the various townships known as "State Lots". These lands were appropriated for the support of common schools, and the money which had been derived from the sale of such reserved lands constitutes a Permanent School Fund, the interest upon which at six per cent forms a part of the State School fund. The detail as to the distribution of the State School Fund is given in the report of the Commissioner of Education.

On June 30, 1926, this fund amounted to \$547,527.86.

## LANDS RESERVED FOR PUBLIC USES—\$658,640.04

In accordance with the early regulations governing the public lands in the State of Maine, adopted in 1832, there has been reserved in each township a certain tract of land to be permanently held as a trust fund for school purposes. By the terms of such regulations the State is trustee of the fund in all unincorporated townships, and long term permits to cut timber and grass have been sold and the proceeds of such sales credited to the several townships.

All rights under such permits cease when the township is organized for plantation purposes. The care of these reserved lands is then placed with the Land Agent, who deposits with the Treasurer of State the net proceeds of sales of timber and grass from such lands, to be added to the fund of the township, and the plantation receives each year six per cent interest on its trust fund.

When the township is incorporated however, the title to these lands passes directly to the town, together with the accumulated fund in the State Treasury, to be held by the town as a trust fund and the income only used for school purposes.

On June 30, 1926, this fund amounted to \$658,640.04

#### CARLETON FUND—\$1,000.00

This fund of \$1,000 was a gift from James H. Gregory, late of Marblehead, Massachusetts, in memory of Marcus Manard Carelton, for the promotion of scientific orcharding in Maine. This gift was accepted by the 75th Legislature under the provisions of chapter 60 of the Resolves of 1911, and consists of one Salt Lake & Ogden Railway Company, first mortgage, five per cent twenty-five year gold bond, due February 1, 1934. The interest on this fund is deposited in the Bangor Savings Bank, and on every fifth year, in accordance with the conditions of the gift, beginning with the year 1914, there shall be paid from the interest accrued the sum of \$200 as a premium for the most thrifty and well kept orchard of one acre or more apple trees, five years from planting.

A change in the disposition of this fund was made by the 82nd Legislature under Chapter 10, Resolves 1925, as follows:

#### Chapter 10

PREAMBLE. Whereas, the State of Maine holds in trust one interest bearing first mortgage bond for one thousand dollars given by James J. A. Gregory the interest whereof to be used for the promotion of scientific orcharding in Maine, and whereas, it is now deemed by the department of agriculture inexpedient to continue offering premiums as provided in chapter sixty of the resolves of nineteen hundred and eleven,

TRANSFERRING INCOME OF BOND TO UNIVERSITY OF MAINE. *Resolved*, that the income from the aforesaid bond together with such interest as may have already accrued and is unexpended at the time this resolve becomes effective shall henceforth be paid to the college of agriculture at the University of Maine for the assistance of the deserving and needy students who shall be residents of the State of Maine, majoring in horticulture at the said college of agriculture.

Approved March 9, 1925

#### THE JORDAN FUND—\$1,000

This fund, amounting to \$1,000, represents a gift from Benjamin C. Jordan, of Alfred, accepted by the 74th Legislature under the provisions of chapter 67 of the Resolves of 1909. The purpose of this gift is to encourage the cultivation of forest trees.
