REPORT

State Assessors' Office

Augusta, Maine, December 1, 1930

*To His Excellency, William Tudor Gardiner, Governor, and the
Honorable Executive Council:*

Gentlemen:

In accordance with the Statutes of the State, we herewith submit for your consideration the Fortieth Annual Report of the Board of State Assessors, including tabulations of statistics returned to us by all municipal boards of assessors throughout the State, as made by them on April first, 1930, and lists of all corporations on which taxes have been assessed during the present year.

The total valuation of the cities, towns and plantations on April first, 1930, as made and returned by the local boards of assessors is \$645,653,538, representing a decrease of \$25,307,852, as compared with similar returns made on April first, 1929. This decrease is caused by taking out the automobiles from the state valuation.

The following comparison is given of the counties in 1929 and 1930, exclusive of the unorganized townships:

Board of State Assessors.

This Board has held regularly advertised meetings to comply with the statute, in all the counties in the state during this year, endeavoring to meet in such places as will best convene the assessors in each county, so far as possible.

In addition we have visited the cities and towns, for the express purpose of informing ourselves in regard to actual conditions as fully as possible, and the changes which have taken place during the year.

The work of the local assessors is the most important part of our fiscal system. The pleasant relations with the local boards of assessors throughout the state have been maintained through the year, and the material assistance and co-operation given by them is greatly appreciated by the members of this Board.

RECOMMENDATIONS

1. Legislation for taxation of Intangible Personal Property, or a State Income Tax.
2. Legislation that will cause all persons to pay a Poll Tax between the ages of 21 and 60 years.
3. Legislation that will cause a Motor Express to pay an excise tax.
4. Legislation that will cause Tank Cars to be taxed.
5. Legislation that will cause Bill Boards to pay a tax.

Lengthy discussions followed all these papers. There were four hundred sixty-two delegates present, and forty-five States represented.

Twenty-two volumes of the proceedings of this Association have been published and the twenty-third, covering the Conference of 1930, will soon appear. These volumes represent the best collection of up-to-date practical literature on state and local taxation now available. The contributions are from able and experienced men, and we recommend the book to all who are in any way interested in the subject of taxation.

We believe these Conferences to be of great practical value and trust the State of Maine will continue to provide for representation at future Conferences.

Respectfully submitted,
