EXPENSE ACCOUNT OF WILD LANDS

Summarized expenditures of the Bureau of Taxation—Property Division for the period from July 1, 1931 to June 30, 1932, under resolve, chapter 116, Acts and Resolves of 1919 (as amended by C. 216, P. L. 1931), appropriating money for the purpose of obtaining information in regard to wild lands for the purpose of taxation.

Appropriation for July 1, 1931 to June 30, 1932.	\$10,000.00	
Paid James W. Sewall, Forester, time and cash paid to crews engaged in exploring wild lands, also for mak- ing report and plans on same.	\$10,000.00	
	\$10,000.00	\$10,000.00

Meetings, properly advertised, have been held in accordance with the provisions of law, in the sixteen counties of Maine, during the years 1931 and 1932. Arrangements were made to have the designated places of meetings in the sections which would be most convenient for the local assessors.

The demands upon this office seem to have been unusually heavy during the past few months. Apparently citizens, in common with tax officials, are giving much thought to the problems of taxation. The writer has visited by invitation many municipalities for the purpose of discussing both local and state taxation with the residents, at public gatherings. Requests for assistance by local boards of assessors appear to be increasing as the tax burden grows. Many municipalities have been visited for the purpose of ascertaining actual conditions and the rapid changes in valuations. In all this work the writer has had the most devoted cooperation of the local boards, whose efforts to bring about a more equitable and just system of valuation are untiring.

Tax conferences of the New England Tax Officials and the National Tax Association have been attended by the State Tax Assessor. Much valuable information and suggestions of unusual importance from tax officials and students of taxation, would seem to indicate the wisdom of continuing the policy of the state in sending a representative whenever possible.

After about eighteen months in this Bureau, the State Tax Assessor

must confess that the present system of fixing valuations for state tax purposes seems to be quite out of step with present conditions, and it appears very reasonable that the legislature, after careful study, may devise some plan which shall prove to be more equitable to the taxpayers of Maine.

Respectfully submitted,

(Signed) FRANK H. HOLLEY,

State Tax Assessor.
