REPORT
Real Estate Commission

STATE OF MAINE

Containing List of Licensed
Real Estate Brokers
Real Estate Salesmen.

Executive Office
State House
Augusta, Maine

FOREWORD

Following are the names of brokers and salesmen holding 1947-48 licenses as of August 1, 1947, as required by the Maine Real Estate License Act. You will note that this roster is made up according to cities and towns instead of alphabetical as in the previous years.

Section 4 of the License Act has been amended to read as follows:

Sec. 4. Qualifications for license. 1937, c. 83, § 4. Brokers' licenses shall be granted only to persons who are 21 years of age or over. Licenses shall be granted only to persons who are trustworthy and competent to transact the business of a real estate broker or real estate salesman in such manner as to safeguard the interests of the public, and only after satisfactory proof has been presented to the commission. The applicant must be a person whose application has not been rejected in this or any other state within 6 months prior to date of application, or whose real estate license has not been revoked in this or any other state within 2 years prior to date of application.

Prior conviction for embezzlement or obtaining money by false pretense shall be, among others, sufficient grounds for denying a license.

We feel that it is a duty which the licensed brokers and salesmen owe to themselves and to the public to report any violations which may be brought to their attention. The Commission welcomes such complaints.

A rule of the Maine Real Estate Commission provides that unless renewal applications are post-marked June 30th of each year, the applicant will be required to file an original application and pay original fee.

A copy of this report is mailed all licensed brokers and salesmen. Additional copies will be mailed upon request.
