STATE OF MAINE

Plumbers' Examining Board

AUGUSTA

LETTER OF TRANSMITTAL

To His Excellency
Honorable Burton M. Cross
Governor of Maine
Augusta, Maine

Dear Sir:

I have the honor to transmit herewith the fifteenth annual report of the Plumbers' Examining Board, which was created by Chapter 149, Public Laws of 1937, which is now Sections 170 to 186 inc., of Chapter 22, Revised Statutes of 1944.

Respectfully yours,

E. W. CAMPBELL, Dr. P. H.,
Executive Officer

EWC:et

PERSONNEL OF MAINE

STATE PLUMBERS' EXAMINING BOARD

Elmer W. Campbell, Executive Officer Ex-officio

**(Director of the Division of Sanitary Engineering
State Department of Health and Welfare)**

Edwin M. Perkins, Master Plumber Member

Term Expires March 19, 1954

Ruel A. Blaisdell, Journeyman Plumber Member

Term Expires March 10, 1953

FIFTEENTH ANNUAL REPORT
of the
PLUMBERS' EXAMINING BOARD
for the Fiscal Year
July 1, 1951 to June 30, 1952

The Maine State Plumbers' Examining Board, created by an Act of the Eighty-eighth Legislature, namely Chapter 149, Public Laws of 1937, which is now included in Sections 170 to 186 inc., of Chapter 22, Revised Statutes of 1944, has continued to function since its organization according to the provisions of the Law.

During the fiscal year, the Board has held six meetings. At two meetings examinations were held both for master and journeyman plumbers as follows:

November 29, 1951

49 Master
40 Journeyman

May 15, 1952

73 Master
27 Journeyman

As a result of these examinations sixty-three master plumbers' licenses and thirty-three journeyman plumbers' licenses were granted, and thirty-four journeyman and fifty-nine master plumbers failed to pass the examination.

A total of five hundred and twenty-seven master and five hundred and twelve journeyman plumbers' licenses have been granted to July 1st for the year 1952. Owing to the fact that licenses expire on December 31st of each year, and have to be renewed for the calendar year, there is a slight variation between the number of licenses actually issued during the period covered by the report and those in effect for the license year.

During the period covered by the report forty-two master plumbers and forty-eight journeyman plumbers failed to renew their licenses. Some of these may be engaged in public utility work for which no license is required.

The license requirements apply only in cities and towns of over three thousand inhabitants, although quite a number of

plumbers located in small towns still apply for and secure licenses so that they may do plumbing work in larger communities.

The policy of allotting the same license number to plumbers when applying for renewal as previously granted has been continued. This system appears to be helpful to the plumbers and was originally started as a result of numerous requests for this procedure instead of granting licenses numerically in the order of the receipt of the renewal applications.

The financial statement which follows shows that the Board has on hand at this time \$6,513.23, which is an increase from a year ago of \$4,254.26. This balance of \$6,513.23 was created by the transference of a field inspector's salary for a period of six months to an account in the State Department of Health and Welfare for services rendered that Department, otherwise the balance would have been extremely low. It may be seen from this that the license fees are producing practically a sufficient income to carry on the activities of the Board. A reference to the summary of the number of licenses now in force, as well as noting the number of new licenses as balanced against those expiring by death, departure, and similar causes, indicates very little likelihood of an increase in the number of licenses in the near future. If costs continue to rise eventually a slight increase in the license fees may become necessary.

Activities of the Board are presented in the following tables. The auditor's report is available for inspection at any time in the office of the Executive Officer.

Respectfully submitted,

E. W. CAMPBELL,
Dr. P. H., Executive Officer
EDWIN M. PERKINS
RUEL A. BLAISDELL

REVISED STATUTES OF MAINE 1944

CHAPTER 22

LICENSING OF PLUMBERS

Sec. 170. Plumbers. R. S., c. 22, § 125. 1933, c. 1, § 180. 1937, c. 149, § 1. No plumbing shall hereafter be done for compensation, except as hereinafter provided, unless done by a plumber or other person licensed by the plumbers' examining board hereinafter created.

See § 184.

Sec. 171. Definitions. R. S., c. 22, §§ 123, 126. 1933, c. 1, §§ 178, 181. 1937, c. 149, §§ 2, 4. The following words and phrases when used in sections 170 to 185, inclusive, shall be construed as follows:

I. A "master plumber" shall mean any person, firm, or corporation that as a business, hires or employs a person or persons to do plumbing work, or without hiring any person does such work as a principal business or as auxiliary to a principal business for his or its own account.

II. A "journeyman plumber" shall mean any person who customarily performs the work of installing plumbing and drainage under the direction of a master plumber, or, not being a master plumber as herein defined, does plumbing repair work as a regular part time occupation.

III. "The board" shall be the plumbers' examining board appointed under the provisions of section 172.

IV. "Apprentice" shall mean any person other than a journeyman plumber or master plumber who is engaged in learning and assisting in the installation of plumbing and drainage.

V. "Plumbing" is the art of installing in buildings the pipes, fixtures, and other apparatus for bringing in the water supply and removing liquid and water-carried wastes.

Sec. 172. Appointment of plumbers' examining board; vacancies; removal of members; compensation. R. S., c. 22, § 127.

1933, c. 1, § 182. 1937, c. 149, § 2. A plumbers' examining board as heretofore established, and hereinafter in sections 172 to 185, inclusive, called "the board," shall consist of an executive officer who shall be the director of the division of sanitary engineering of the bureau of health and 2 other members, hereinafter called the appointive members, who shall be appointed by the governor with the advice and consent of the council. One of said appointive members shall be a master plumber as defined in section 171, and the other a journeyman plumber as defined in section 171, and who has been engaged in the business of plumbing for at least 2 years. As the terms of said appointive members expire, new appointive members shall be appointed for terms of 2 years. Any vacancy in said board caused by death, resignation, or removal of any member shall be filled by the appointment of a person qualified as aforesaid, to hold office during the unexpired term of the member whose place is thus filled. Any member of said board may be removed from office for cause, by the governor, with the advice and consent of the council. The members of the board shall each be allowed the sum of \$10 per day and their necessary traveling expenses for actual attendance upon any examination of candidates for license, and for any necessary hearings.

Sec. 173. Employees. 1937, c. 149, § 2. The board shall be empowered to appoint and remove such employees as it shall deem necessary and to fix their compensation within the limitations of the funds provided by sections 170 to 185, inclusive.

Sec. 174. Meetings; rules and regulations. R. S., c. 22, § 128. 1933, c. 1, § 183. 1937, c. 149, § 2. The plumbers' examining board shall hold regular meetings semiannually and hold additional meetings at such other times as they shall determine by their rules, or upon request of the 2 appointive members of their board, or upon request of the director of the division of sanitary engineering. Said board shall keep correct records of all its proceedings and shall be authorized to make such rules and regulations as it shall deem necessary for the holding of examinations and for carrying out the purpose of the provisions of sections 170 to 185, inclusive, and to provide for reciprocity of licensing with similar boards of other states which maintain standards at least equal to this state.

Sec. 175. Licensing of master plumbers. 1937, c. 149, § 2. Any person shall, upon the payment of a fee of \$15, be entitled to examination and, if found qualified by a majority of the members of the board, shall be licensed as a master plumber and shall receive a certificate thereof under the seal of the board and with the signature of the executive officer, which shall state the facts and which must be publicly displayed at the principal place of business of said master plumber as long as said person continues in the business as herein defined. Any person refused a license may be reexamined at any subsequent meeting of said board, within 1 year of the time of such refusal, without additional fee and thereafter may be examined as often as he may desire upon payment of the fee of \$15 for each examination.

Sec. 176. Licensing of journeyman plumbers. 1937, c. 149, § 2. Any person shall, upon payment of a fee of \$3, be entitled to examination and, if found qualified by a majority of the members of the board, shall be licensed as a journeyman plumber and shall receive a certificate thereof under the seal of the board and with the signature of the executive officer, which shall state the facts, and which shall be carried on the person and displayed at any time upon request. Any journeyman plumber refused a license may be reexamined at any subsequent meeting of said board, within 1 year of the time of such refusal, without additional fee and thereafter may be examined as often as he may desire upon payment of a fee of \$3 for each examination.

Sec. 177. Examinations for license. 1937, c. 149, § 2. Each applicant for license shall present to the executive officer of the board on blanks furnished by the board, a written application for examination and license, containing such information as the board may require, accompanied by the fee provided for in sections 175 and 176. Examinations shall be in whole or in part in writing and shall be of a thorough and practical character. They shall cover the theoretical and practical nature of plumbing and such branches thereof as the board may deem necessary.

Sec. 178. Renewal of licenses; master plumbers. 1937, c. 149, § 2. All licenses issued as aforesaid shall expire on the last day of the calendar year in which issued, and they may be

renewed thereafter for periods of 1 year without further examination on payment of a fee of \$10 for each year for a master plumber. Any master plumber who fails to renew his license during any fiscal year, in subsequent years may renew his license only after payment of all unpaid renewal fees.

Sec. 179. Renewal of licenses; journeyman plumbers. 1937, c. 149, § 2. All licenses issued as aforesaid shall expire on the last day of the calendar year in which issued, and they may be renewed thereafter for periods of 1 year without further examination on payment of a fee of \$1.50 for each year for a journeyman plumber. Any journeyman plumber who fails to renew his license during any fiscal year, in subsequent years may renew his license only after payment of all unpaid renewal fees.

Sec. 180. Corporations and partnerships may be licensed. 1937, c. 149, § 2. The board may issue its license to corporations and partnerships engaged in the plumbing business and applying therefor, provided that one or more officers or employees of any such corporation directly in charge of the business affairs of such corporation, or the members of such partnership directly in charge of the business affairs, apply for the examinations hereinbefore provided and satisfy the board of their qualifications as master plumbers.

Sec. 181. Disposal of fees. 1937, c. 149, § 2. All fees received by the board shall be paid by the executive officer thereof into the treasury of the state and may be used for carrying out the provisions of sections 170 to 185, inclusive.

Sec. 182. Investigation of complaints; licenses may be revoked. 1937, c. 149, § 2. The board shall investigate all complaints made to it and all cases of noncompliance with or violation of the provisions of sections 170 to 185, inclusive, and shall bring all such cases to the notice of the proper prosecuting officers. The board, after a conviction of crime in the course of plumbing business, of any person, firm, or corporation to whom a license has been issued by them and after hearing, may by vote of majority of the board revoke the license and cancel the registration of the person, firm, or corporation to whom the same was issued. Said board may also suspend or revoke any license by a

majority vote of the board, in any case where such license has been wrongfully obtained or for any fraud connected with the said registration.

Sec. 183. Records. 1937, c. 149, § 2. The board shall keep a record of the name and residences of all persons registered under the provisions of sections 170 to 185, inclusive, and a record of all moneys received and disbursed by it, and said records or duplicates thereof shall be open for inspection during office hours.

Sec. 184. Exceptions. 1937, c. 149, § 2. 1941, c. 299. The provisions of sections 170 to 185, inclusive, shall not apply to regular employees of public utilities as defined in section 15 of chapter 40 when working at such, nor to regular employees of owners or lessees of real property when working as such, nor to persons whose occupation is the doing of miscellaneous jobs of manual labor in the course of which some incidental plumbing repairs or alterations are made by them. The provisions of sections 170 to 185, inclusive, shall not apply in cities, towns, or plantations that have a population of 3,000 people or less. All plumbing installed by any person whatsoever shall comply with the requirements of the rules and regulations of the bureau of health relating to plumbing and to all local plumbing ordinances, but such rules, regulations, and ordinances shall not apply to privately owned premises to which neither public water nor sewerage service is available, provided that neither entertainment, meals, nor lodging be furnished the public thereon and that the disposal of sewerage therefrom may not drain into any stream or body of water designated by the bureau of health as a public water supply.

Sec. 185. Penalty for violation. 1937, c. 149, § 2. Any person who installs any plumbing or drainage without having first obtained a license either as a master plumber or as a journeyman plumber or employing a person to do plumbing who has not such a license, unless he be an apprentice within the meaning of sections 170 to 185, inclusive, or procures any license wrongfully or by fraud, or violates any of the provisions of sections 170 to 185, inclusive, shall be deemed guilty of a misdemeanor and if convicted thereof shall be punished by a fine of not more than \$100,

or by imprisonment for not more than 3 months, or by both such fine and imprisonment.

Sec. 186. Provisions in city charters not affected. R. S., c. 22, § 129. 1933, c. 1, § 184. 1937, c. 149, § 3. The preceding sections 170 to 185, inclusive, shall not prevent the licensing of plumbers licensed hereunder by cities under the provisions of the charters or ordinances thereof.
