STATE OF MAINE

Augusta, Maine

FOREWORD

In accordance with Sec. 11 of the Maine Real Estate License Law, we are publishing the names of all licensed brokers and salesmen in the State of Maine as of August 1, 1951.

The Commission has endeavored to have the list complete as of August 1, but in case any names are inadvertently omitted, we will appreciate having it called to our attention. The names of brokers and salesmen licensed after the above date may be obtained by writing the Secretary, Maine Real Estate Commission, State House, Augusta, Maine.

Since establishment of the Maine Real Estate License Law in 1937, the real estate profession has become recognized for its high standard.

This Commission belongs to the National Association of License Law Officials, and through monthly publications is kept in touch with the activities and progress of the thirty-eight affiliated Commissions throughout the United States, four Canadian Provinces and Hawaii.

The Maine Real Estate Commission has the best interest of the real estate business at heart, and is ever ready to investigate any complaint it receives.

Due to the limited means of the department it is a difficult task to know of the violations committed, therefore the Commission is dependent upon the co-operation of the brokers, salesmen and the public at large to report any violations which come to their attention, so that the Real Estate License Law may be properly administered.
