**ORGANIZATIONAL CHART**

SIXTEENTH ANNUAL REPORT  
of the  
PLUMBERS' EXAMINING BOARD  
for the Fiscal Year  
July 1, 1952 to June 30, 1953

The Maine State Plumbers' Examining Board, created by an Act of the Eighty-eighth Legislature, namely Chapter 149, Public Laws of 1937, which is now included in Sections 170 to 186 inc., of Chapter 22, Revised Statutes of 1944, has continued to function since its organization according to the provisions of the Law.

The 1953 legislature has amended the previous license law by striking out all that portion of Section 184, Chapter 22, R. S., 1944, after the first sentence of the section. This automatically extends the license requirements of the previous statute, indicated above, throughout the state, and likewise the plumbing regulations, generally known as the State Plumbing Code.

Because of the new plumbing law changes and the large number of applicants for plumbers examinations plans were made at the close of this fiscal year to conduct schools for the purpose of teaching lead work and plumbing theory in as many communities as possible.

During the fiscal year, the Board has held six meetings. At two meetings examinations were held both for master and journeymen plumbers as follows:

<u>November 19, 1952</u>	<u>May 21, 1953</u>
33 Master	42 Master
20 Journeyman	30 Journeyman

As a result of these examinations, thirty-seven master plumbers' licenses and twenty-four journeyman plumbers' licenses were granted, and twenty-six journeyman and thirty-eight master plumbers failed to pass the examination.

A total of five-hundred and twenty master and four-hundred and eighty-eight journeyman plumbers' licenses have been granted to July 1st for the year 1953. Owing to the fact that

licenses expire on December 31st of each year, and have to be renewed for the calendar year, there is a slight variation between the number of licenses actually issued during the period covered by the report and those in effect for the license year.

During the period covered by the report, forty master plumbers and forty-nine journeyman plumbers failed to renew their licenses. Some of these may be engaged in public utility work for which no license is required.

The policy of allotting the same license number to plumbers when applying for renewal as previously granted has been continued. This system appears to be helpful to the plumbers and was originally started as a result of numerous requests for this procedure instead of granting licenses numerically in the order of the receipt of the renewal applications.

Activities of the Board are presented in the following tables. The auditor's report is available for inspection at any time in the office of the Executive Officer.

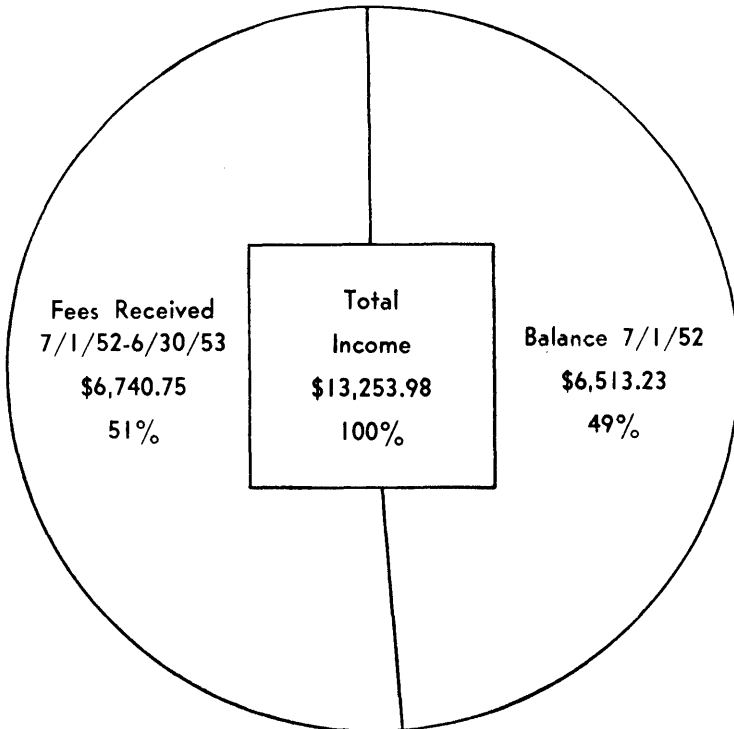

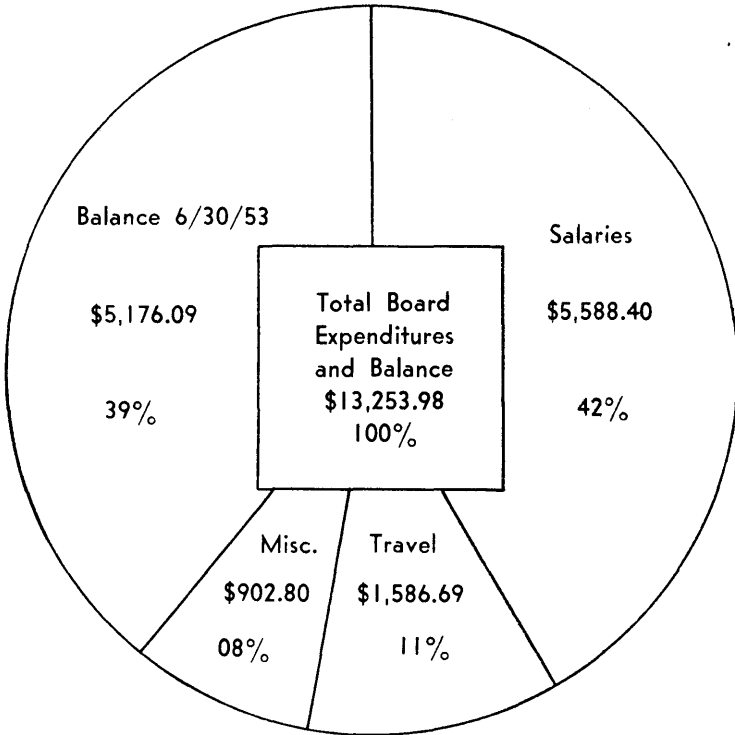

Respectfully submitted,

E. W. CAMPBELL,  
Dr. P. H., Executive Officer

EDWIN M. PERKINS

CHARLES HURD

II. A "journeyman plumber" shall mean any person who customarily performs the work of installing plumbing and drainage under the direction of a master plumber, or, not being a master plumber as herein defined, does plumbing repair work as a regular part time occupation.

III. "The board" shall be the plumbers' examining board appointed under the provisions of section 172.

IV. "Apprentice" shall mean any person other than a journeyman plumber or master plumber who is engaged in learning and assisting in the installation of plumbing and drainage.

**Sec. 172. Appointment of plumbers' examining board; vacancies; removal of members; compensation.** R. S., c. 22, § 127.

**1933, c. 1, § 182. 1937, c. 149, § 2.** A plumbers' examining board as heretofore established, and hereinafter in sections 172 to 185, inclusive, called "the board," shall consist of an executive officer who shall be the director of the division of sanitary engineering of the bureau of health and 2 other members, hereinafter called the appointive members, who shall be appointed by the governor with the advice and consent of the council. One of said appointive members shall be a master plumber as defined in section 171, and the other a journeyman plumber as defined in section 171, and who has been engaged in the business of plumbing for at least 2 years. As the terms of said appointive members expire, new appointive members shall be appointed for terms of 2 years. Said board shall keep correct records of all its proceedings and shall be authorized to make such rules and regulations as it shall deem necessary for the holding of examinations and for carrying out the purpose of the provisions of sections 170 to 185, inclusive, and to provide for reciprocity of licensing with similar boards of other states which maintain standards at least equal to this state.

**Sec. 175. Licensing of master plumbers. 1937, c. 149, § 2.**

Any person shall, upon the payment of a fee of \$15, be entitled to examination and, if found qualified by a majority of the members of the board, shall be licensed as a master plumber and shall receive a certificate thereof under the seal of the board and with the signature of the executive officer, which shall state the facts and which must be publicly displayed at the principal place of business of said master plumber as long as said person continues in the business as herein defined. Any person refused a license may be reexamined at any subsequent meeting of said board, within 1 year of the time of such refusal, without additional fee and thereafter may be examined as often as he may desire upon payment of the fee of \$15 for each examination.

Examinations shall be in whole or in part in writing and shall be of a thorough and practical character. They shall cover the theoretical and practical nature of plumbing and such branches thereof as the board may deem necessary.

**Sec. 178. Renewal of licenses; master plumbers. 1937,**

**c. 149, § 2. 1953, c. 232.** All licenses issued as aforesaid shall expire on the last day of the calendar year in which issued, and they may be renewed thereafter for periods of 1 year without

further examination on payment of a fee of \$20 for each year for a master plumber.

**Sec. 181. Disposal of fees.** 1937, c. 149, § 2. All fees received by the board shall be paid by the executive officer thereof into the treasury of the state and may be used for carrying out the provisions of sections 170 to 185, inclusive.

**Sec. 182. Investigation of complaints; licenses may be revoked.** 1937, c. 149, § 2. The board shall investigate all complaints made to it and all cases of noncompliance with or violation of the provisions of sections 170 to 185, inclusive, and shall bring all such cases to the notice of the proper prosecuting officers. The board, after a conviction of crime in the course of plumbing business, of any person, firm, or corporation to whom a license has been issued by them and after hearing, may by vote of majority of the board revoke the license and cancel the registration of the person, firm, or corporation to whom the same was issued. Said board may also suspend or revoke any license by a majority vote of the board, in any case where such license has been wrongfully obtained or for any fraud connected with the said registration.

**Sec. 183. Records.** 1937, c. 149, § 2. The board shall keep a record of the name and residences of all persons registered under the provisions of sections 170 to 185, inclusive, and a record of all moneys received and disbursed by it, and said records or duplicates thereof shall be open for inspection during office hours.

**Sec. 184. Exceptions.** 1937, c. 149, § 2. 1941, c. 299, 1953, c. 322. Any person who installs any plumbing or drainage without having first obtained a license either as a master plumber or as a journeyman plumber or employing a person to do plumbing who has not such a license, unless he be an apprentice within the meaning of sections 170 to 185, inclusive, or procures any license wrongfully or by fraud, or violates any of the provisions of sections 170 to 185, inclusive, shall be deemed guilty of a misdemeanor and if convicted thereof shall be punished by a fine of not more than \$100, or by imprisonment for not more than 3 months, or by both such fine and imprisonment.

**Sec. 186. Provisions in city charters not affected.** R. S., c. 22, § 129. 1933, c. 1, § 184. 1937, c. 149, § 3. The preceding sections 170 to 185, inclusive, shall not prevent the licensing of plumbers licensed hereunder by cities under the provisions of the charters or ordinances thereof.
