FOREWORD

The Maine Real Estate Commission appreciates this opportunity of yearly greeting fellow members of the real estate profession.

You are to be highly commended for your co-operation this past year. Those of us who are devoting our time to the real estate business must continue to be ever watchful in our efforts to maintain and improve the practices already established.

We wish at this time to call to your attention the seriousness of notifying the Real Estate Commission of any change in the location of your office, as the provisions of Sec. 7, Subsection VIII of the Real Estate License Law specifically states "The change of business location without notification to the Commission shall automatically cancel the license theretofore issued." You should mail in your license and pocket card and notify us of the change, and it will have our immediate attention.

The Maine Real Estate Commission intends to continue to render a service of protection to the citizens of this State in administering the License Law. It is your duty as brokers and salesmen to notify the Commission of any infringements or violations of our Act. Therefore your continued suggestions and comments in helping solve our problems will be appreciated.

In the following pages of the Report you will find the names of all licensed real estate brokers and salesmen in the State of Maine as of July 1, 1952; also a financial report acquainting you with receipts and disbursements of the previous year.

The names of brokers and salesmen licensed after July 1, 1952, may be obtained by writing the Secretary, Maine Real Estate Commission, State House, Augusta, Maine.

MAINE REAL ESTATE COMMISSION
